The University of Akron

What Is Educational Talent Search?

Educational Talent Search (ETS) has been at The University of Akron since September 1991.

We are a federally funded TRIO Program which provides services to 990 students in grades 6th-12th.

We empower students to succeed in college, careers, and the workforce by providing the support, resources, and guidance they need to achieve their goals.

Eligibility

- Must be in 6th-11th grade
- In an Akron area school
- 2.5 or above Grade Point Average
- Meet federal income guidelines
- Potential First-Generation College Student

Educational Talent Search provides services to a diverse population of students. 2/3 of the ETS participants are low income and potential first generation college students. The remaining 1/3 of the participants are either low income, potential first generation, or neither. All students are welcome to apply if they have a 2.5 grade point average or above and are enrolled in an Akron area school.

Students accepted into the program are required to maintain a 2.5 grade point average, conduct themselves appropriately at all times, and demonstrate the intent to enroll in post-secondary opportunities following high school graduation. In order to maintain an active status, students are expected to attend the monthly in-school workshops and attend the activities and events sponsored through Educational Talent Search.
