

College of Health Professions

Speech-Language Pathology and Audiology (7700)

Certificate: Manual Communication (H70007C)

This Certificate is designed to expose students to American Sign Language so they can communicate with Deaf/hearing impaired persons. Certificate holders will build toward communication competency in American Sign Language as well as cultural sensitivity regarding the Deaf community. This Certificate is open to undergraduate majors in any discipline as well as persons with a baccalaureate degree from the University or any other accredited institution. This certificate may also be earned independent of earning a degree.
