

Bachelor of Organizational Supervision (242010BS)

(Students must have 60 credits or an Associate Degree from an Accredited Institution)

The following information has official approval of The University of Akron's College of Applied Science and Technology but is intended only as a guide. Official degree requirements are established at the time of transfer and admission to the degree-granting college. Completion of this degree within the identified time frame below is contingent upon many factors, including but not limited to class availability, total number of required credits, work schedule, finances, family, course drops/withdrawals, successfully passing courses, and prerequisites, among others. The transfer process is completed through an appointment with your Academic Advisor.

Bachelor of Organizational Supervision core courses are in **bold** type. General Education requirements are in *italics*. All other courses are in **bold italic** type. If a course is not specified, refer to the General Education webpage at <http://www.uakron.edu/cast/gened>. The College of Applied Science and Technology recommends that students take the General Education courses listed in this curriculum guide. Transfer students should consult their Advisor to identify courses that are equivalent.

Policy Alert: By the end of your first 48 credit hours attempted, you must have completed your REQUIRED General Education English, Mathematics, and Communications (Speech) requirements.

You must have a minimum cumulative GPA of a 2.0 to graduate with this degree.

Business and Information Technology Department Policy

- All students must receive a "C" or better in each course in his/her major area (2420).
- The Business and Information Technology Dept. requires a cumulative GPA of 2.0 for Inter-College Transfer into all Associate and Bachelor's degree programs.

Notes

- All students pursuing a bachelor's degree at the University of Akron must complete the General Education requirements. Students transferring to the Bachelors of Organizational Supervision who have not completed these requirements prior to acceptance into the program should meet with an academic advisor to review remaining courses.
- All students will be required to take Economics (2040:247 Survey of Basic Economics) and Psychology (2040:240 Human Relations) for their General Education Social Science requirements. BOS students may use 2030:240 Human Relations to replace 3750:100 Intro to Psychology as the prerequisite for 3750:380 Industrial/Organization Psychology.
- If a student has not completed Statistics as part of an Associate degree or General Education requirements, student must take this course even if they have met the math requirement for the General Education requirements.
- Students in Junior standing (at least 60 credits) who have not earned an Applied Associate degree (AAB or AAS) will be required to complete an undergraduate certificate or minor towards completion in their BOS degree.
- There are no exceptions to prerequisites for the BOS courses.
- All students will be required to complete a minimum of 34 credit hours of 300/400 level courses as listed below. In addition, students will be required to complete all necessary pre-requisites and to meet the general education requirements for all baccalaureate students at The University of Akron.**

Enoch Damson, Department Chair of Business and Information Technology – Polsky M181, 330-972-7162 or damson@uakron.edu

Program Information

The baccalaureate program in organizational supervision is designed specifically for students with an earned associate degree from an accredited institution or junior standing (60+ credits) at The University of Akron. The program prepares students to gain supervisory and leadership skills necessary for professional and career advancement. The program provides broad skills and competencies to be applied in industrial areas such as information technology, healthcare, communication, and manufacturing.

This program is offered on the UA main campus as well as at UA- Wayne Campus, and the Medina County University Center. Interested students should contact an adviser in the College of Applied Science and Technology (330-972-7220) to review their transcript and to develop a program of study. Check with the Department of Business and Information Technology for information regarding schedules and enrolling.

For additional information, please visit the Career Center at the Student Union, room 211 or visit the Bureau of Labor Statistics at www.bls.gov.

Transfer to the College of Applied Science and Technology

To be admitted to the College of Applied Science and Technology, a student must have a GPA of 2.0. A student can complete the transfer process through an appointment with an Academic Advisor in the college in which they reside.
