Assignment Accommodation Instructor Agreement

Within the first two weeks of the semester, students must communicate with the instructor and complete this form. Students should ensure their responses are detailed and accurately reflect the conversation with the instructor.

Completion of this form will serve as an official agreement, and should accurately represent the agreed upon arrangements, made between the student and instructor. Upon completion of this form, a copy will be sent to the instructor for review. The instructor will have the opportunity to verify that the completed form accurately reflects the discussion had with the student, and ensure the agreement includes the details of the assignment accommodation arrangements, for the course. In the event the instructor feels the agreement does not accurately outline the agreed upon terms, they will have the ability to request revisions or further discuss the accommodations with the student.

1. **Please indicate the date when you met with your instructor. ***

2. **Number of late assignment submissions allowed for any student as per the syllabus. ***
