 - b. Department
 - c. College
 - d. Program Assessment Coordinator
 - e. Semester(s) data collected
 - f. Report Submitted by:
 - g. Phone/email
 - h. Date Submitted
2. What assessments were conducted during AY2016-2017? Refer to last year's report for the intended assessments. If other assessments were undertaken, please describe them.
3. What are the results (summary) of the assessments listed above?
4. Describe the conclusions drawn from the results.
5. What changes in curriculum, instructional strategies, course content, policy/procedures, facilities, equipment, resource allocation, etc. are recommended to address issues raised by the data? How will the changes be implemented? If none, describe why changes were not needed.
6. How and with whom were the results shared? Describe the departmental process by which faculty reviewed the assessment procedures and results and decided on the actions and/or revisions that were indicated by them.
7. Describe the assessment issue(s) you will be working on during AY2017-18. (Please consider choosing one issue that can be the focus of a quality assessment that provides useful and pertinent information to you in regards to student learning in this program. The decision to focus on this issue may come from the previous year's assessment results or an issue that has arisen from other sources in relation to student learning. The results of this effort will be the focus of next year's report.)

Submit to appropriate DEAN'S OFFICE and Michelle Byrne, University Assessment Director, mwb@uakron.edu BY OCTOBER 2, 2017.
