

CAPITALISM:

An Economic History

Join us for this engaging and interactive session exploring the historical evolution of capitalism, from its roots in feudal economies to the rise of market-based systems in early modern Europe. Together, we will trace the intellectual foundations of capitalism, with special attention to the transformative Industrial Revolution of the 18th and 19th centuries. Come ready to share perspectives and deepen your understanding of one of history's most powerful economic systems

Wednesday, Sept. 17
4:30 PM
