

AN EDUCATOR WORKSHOP

THINK TANK TO SHARK TANK

From Engineering to Entrepreneurship

RECOMMENDED FOR TEACHERS OF GRADES
6-12

The H. Kenneth Barker

Center for **Economic** Education

JULY 18TH, 2020

9:00AM-2:00PM

THE UNIVERSITY OF AKRON

Teachers will gain valuable classroom resources and tools to design learning experiences that advance principles in entrepreneurship and engineering. Educators experience the engineering process then use skills and entrepreneurial concepts to design a product and business plan.

SPACE IS LIMITED!

Educators will gain access to the full Think Tank to Shark Tank Curriculum and expert faculty instruction on its implementation. Boxed lunch and contact hours certificate available to participants.

Registration is open now!

To apply, go to: www.uakron.edu/barkercenter

Cost: \$45

For more information, contact:

The Barker Center
