Senior, Financial Planning and Financial Management Dual Majors
President, Financial Planning Student Association
The University of Akron

Emily Erhart is currently a senior at The University of Akron, working toward dual degrees in Financial Planning and Financial Management. At the start of her college career, Erhart was a busy-season audit intern at Cohen & Company in downtown Cleveland, OH. After discovering her love for finance, she switched her major from Accounting to Finance. Erhart's first exposure into the wealth management industry was at Valmark Financial Group, Akron, OH, working in the Investment Operations and Retirement Planning departments for a little over a year. Currently, Erhart works at CBIZ in Independence, Ohio as a Portfolio Strategist Intern. Her exposure within CBIZ spans from asset management to wealth management.

As President of Financial Planning Student Association, she leads and mentors fellow Financial Planning students that are looking to get involved in the industry. Being passionate about the wealth industry and women empowerment, Erhart looks forward to continuing to educate and motivate students in helping them discover what they are looking for in a career.

After graduation, Erhart would like to stay near Cleveland, OH working with asset management and wealth management. Erhart plans on receiving both her Certified Financial Planner (CFP) and Certified Financial Analyst (CFA) designations. Someday, she would like to go back to school and receive her Ph.D. in Finance and teach part-time at a university.
