

# KIDS BEHIND BARS FOR LIFE?

A "Second Look" at Realities, Brain Science and Politics of Life Sentences for Adolescents in America.

## INPUTS AND DISCUSSION:

- Should kids be sentenced to life?
- Who deserves a "second look?"
- How could and should brain science influence sentencing of juveniles?
- What does current legislation look like and how might it change?

**29 MARCH 2022**  
**2.30-4 PM**

### Moderation:

Kyle Robinson (TARP)  
Daniela Jauk-Ajamie (UA Criminal Justice Studies and Sociology)
