Dear Marion:

I just received a letter from Bill Bridges at Kansas City in which he requested several Cannon Shooting and Fortune Telling Chicken Acts be sent out to various dealers. I notice that you got a copy of this letter, but regardless, I am indicating the shipping instructions just in the event that you have not yet received copy of this letter.

One Cannon Shooting Chicken Act to - Schwabs Hatchery, LaCrosse, Kansas

They need this Act by August 6.

One Cannon Shooting Chicken Act to - M. & M. Produce, Mound City, Kansas

They need this by August 14.

One Fortune Telling Chicken Act to - Worthington Hatchery, Atlantic, Iowa

They need this Act by August 14.

One Fortune Telling Chicken Act to - Harger Feed Store, Osceola, Iowa

They need this Act by August 14.

I am assuming that all of North Central end Larowe units have already been shipped and that all South Central units have been completed and are already for shipment if requested by Bill Bridges,

Regards.

Very truly yours,

General Mills, Inc.

Joe
