REQUEST FOR EXEMPTION FROM MEMBERSHIP

The following employees may request exemption from SERS membership:

- A student who is not a SERS member at the time of employment and who is employed by the school, college, or university in which the student is enrolled and regularly attending classes, or
- An emergency employee serving on a temporary basis in case of fire, snow, earthquake, flood, or other similar emergency. A substitute employee is not an emergency employee.

An exemption is in effect for as long as the employee is continuously employed in the same position and continues to meet the requirements of the exemption. If a person no longer meets the requirements for the exemption, the employee should complete a Membership Record (Form 25.52) and contributions to SERS should begin.

This request must be completed and filed with the employer within the first month of employment to be valid.
