NOTE: The Academic Standing Status will appear at the bottom of the term statistics.

Not all historical terms were converted with academic standing.

7. Click the **Printer Friendly Page** link at the bottom of the page to print the page.
 8. Be sure to read the “Important Notice Regarding Grades” which indicates grades will **NOT** be posted to your academic transcript until **ONE WEEK** after final grades are due.

IMPORTANT NOTICE REGARDING GRADES:

Although grades are available for viewing, they will NOT be posted to your academic transcript until ONE WEEK after final grades are due. When viewing your Cumulative Totals, it is possible that your Cumulative GPA information will change once your grades are posted to your academic transcript and once the Registrar's Office has finished the end-of-term processing (i.e., adjustments to repeated classes and incomplete grades).

If you have submitted a request for an official transcript, it will be processed after grades have been posted to your academic transcript, ONE WEEK after final grades are due.
