1 First Section

This is my first paragraph. If I want to write a second one, there MUST be a blank line between them.

Here is my second paragraph. Several spaces are translated as one and the first non-character ends a command, so be careful with commands without arguments in your \LaTeX document. A large % of users have experienced this issue.

This section has no number

Theorem 1.1. This is my first theorem.

Lemma 1.2. This is my first lemma.

Identity
Matrix
1 0 0
0 1 0
0 0 1
