

**FY15 Proposed Fall 2014 Full Time Tuition and Fees**

**EFFECTIVE FALL 2013: If a student enrolls in various locations/programs during a single term, the advantage of the plateau (flat rate from 12-16 credit hours) will be lost. To address this, the most an undergraduate student will pay for 16 credit hours will be the Akron Undergraduate rate. All credit hours beyond 16 will be charged the Akron undergraduate rate.**
