** Denotes courses that may be counted in multiple areas. Note, these courses may only be used to fulfill one area requirement.

• With the approval of the History Department Undergraduate adviser or Honors adviser, a History major may apply up to 6 credits of course work in related disciplines (cognate courses) toward the 32 credits required for the History major. Cognate credit, however, shall not be substituted for either Historical Methods or for the area distribution requirement specified above.

• Courses in World Civilizations and Humanities in the Western Tradition may not be used to meet major requirements in History.
