General Guidelines for Space Reservations for the University of Akron Student Union

The Events and Scheduling Office and the Office of University Scheduling are located in the Administrative Office of The University of Akron Student Union, Suite 213, and are responsible for reserving and coordinating the use of all Student Union facilities.

Priorities and Timing for Submission of Reservation Requests

Facilities are reserved in the order in which requests are received, with first consideration given to institutional needs and major annual events such as those related directly to academic success and University tradition (e.g., Homecoming, Preview Days, New Student Orientation or Welcome Week). Determination of which events are considered major annual events will be made by the Director of the Student Union, or the Director’s designee, in consultation with the Associate Vice President and Dean of Students.

After the space requirements for institutional needs and annual major University events have been met, requests for reservations are filled in the order in which they are received following a schedule of access based on user category. This schedule, in order, is registered Student Organizations, Campus Based Users and affiliated organizations and External clients. The staff of the Student Union reserves the right to assign, and if necessary, reassign facilities considering the size of the group, type of program, and space available to assure the maximum and most appropriate utilization of space.

The Student Union is intended for the use of students, faculty, staff, guests of the University and participants in authorized on-campus activities. H. Charges and Billing

1. Student Organization Users

To confirm facilities, student organizations must have the necessary funds in their UAF/SAF account to cover the rental rate of the room(s) they are scheduling as well as any audio visual (equipment and staffing), UAPD, and other charges they may incur. If the necessary funds are not available by the cancellation deadline date the room(s) will be released.

University student organizations without a UAF/SAF account will be required to pay a deposit at the time of the confirmed booking equal to 50% of the expected costs.
including room rental, audio-visual (equipment and staffing), special opening/closing and Student Union related charges. The final bill must be paid within ten (10) days of receipt of the invoice. Failure to pay within this time frame will result in cancellation of any space reserved for future dates.

One week prior to the event date, funds adequate to cover the balance of all charges including catering, UAPD and audio/visual services must be secured in the group's account at the SOuRCe office. If the necessary funds are not deposited in the account, the event will be subject to cancellation.

2. Campus Based Users

A valid UA account number will be requested at the time the reservation request is received and is required for billing charges. All charges will be billed directly within ten (10) business days of the event.

3. External Clients and Co-Sponsored Users

External clients must sign a contract, provide proof of insurance and pay a deposit at the time of confirmed booking equal to 50% of the expected costs. Full payment is due two weeks (14 days) prior to the event based on the estimate. Any additional charges accrued on-site shall be paid within ten (10) business days upon receipt of invoice. A reservation will not be considered confirmed until payment is received.

Facilities may be held for up to ten business days after the initial reservation is made. If the deposit is not received by the end of the ten day period, the facility will no longer be considered to be held or reserved, and may be reassigned.

If an event is cancelled after the deposit is received, the user may receive a 75% refund of the deposit provided that notice of the cancellation is received 31 days prior to the date of the reservation. There will be no refund if the cancellation is received 30 days or less before the date of the reservation.

Charges incurred as a result of unauthorized rearranging room setup or causing damage to the building or equipment resulting from negligence will be assessed. A cleaning fee will be assessed when an excessive amount of cleaning is required as a result of your event.

Some events may require special services which must be arranged through other University departments. When the coordinating University department charges a fee for that service, the fee will then be billed to the user. If the event sponsor is a University organization, then fees will be charged directly to the users account. For External Clients and Co-Sponsored users, the Student Union will bill the user for such charges.
