

## University of Akron LJFF School of Education Employment by Licensure Area

**Data Description:** data of UA graduate employment status were extracted from Ohio teacher system by 2018-2019 and 2019-2020 School Years. This data is sorted by UA effective licensure area data originated from Title II self-report by the institution. Ohio department of Higher education reported the Title II institutional data annually. UA graduates licensure effective year in this data is based on 2017-2018, and 2018-2019 academic years one year before employment.

**Data Analysis:** Two hundred and fifty two (252) graduates from LJFF SOE received teaching license during 2017-2018. One hundred and forty-six graduates obtained full time teaching employment in Ohio education system (57.9%) employment rate within Ohio. In 2018-2019, one hundred and eighty-four (177) graduates received initial teaching license. Eighty-one (81) graduates obtained full time teaching employment in Ohio education system (45.76%) employment rate within Ohio. It is worth noting that the number of graduates obtained valid teaching license may have employed as educators outside Ohio, and not counted in the data analysis.

Table 1 summarized the UA LJFF School of Education effective initial licensure credential and employment status in 2018-19 and 2019-2020.

Table 2 presents the school districts where the UA graduates are employed during 2018-2019, and 2019-2020 right after they obtained teaching license. It is evident that the majority of UA graduates are employed in partner school districts such as Akron City, Canton City, Barberton, and Cleveland Municipal school districts and surrounding communities.
