

Structured Literacy IHE Consulting

*Building capacity in
higher education for
tomorrow's literacy
leaders.*

Overview:

We partner with Institutions of Higher Education to ensure teacher preparation programs align with evidence-based Structured Literacy practices and requirements set forth by state law.

Who It's For:

Colleges and universities preparing future educators

→ Key Features:

- Syllabi review and alignment to the science of reading.
- Faculty professional development and ongoing consultation.
- Support for integrating Structured Literacy into coursework and practice.

→ Benefits:

- Increased program alignment with licensure expectations and state mandates.
- Enhanced faculty expertise in Structured Literacy.
- Stronger preparation for preservice teachers entering classrooms.
