

Leadership & Educator Professional Development

Transform instructional leadership with Structured Literacy-focused tools.

Overview:

We offer professional development for school and district leaders, instructional coaches, and educators that focuses on improving literacy instruction through structured protocols.

Who It's For:

Principals, literacy coaches, department heads, instructional leads.

→ Key Features:

- Literacy-based walk-through protocols to observe and reflect on instruction.
- Instructional rounds to foster collaborative inquiry and shared practices.
- Alignment with Structured Literacy principles and the Science of Reading.

→ Benefits:

- Build shared language and expectations around high-quality literacy instruction.
- Improve classroom practices through targeted observation and feedback.
- Strengthen instructional leadership aligned with student outcomes.
