Who: All undergraduate and graduate students

What: **Summer Expedition in Ireland** In this off-campus course, students investigate the Irish region’s development in connection to its schools and institutions. The focus is on modeling “expeditionary learning techniques”, as a pedagogical instructional technique, to help educators make place-based connections in the curriculum. Experiential learning activities that build field research skills and service to community are built into the course.

When: Monday, May 14–Friday, May 25, 2018

1st Pre-Trip Session: Mid-April, TBA
2nd Pre-Trip Session: End of April, TBA

Post-Trip Session & Project Sharing: Mid-June, TBA

Where:
- **Northern Ireland and Dublin** (Giant’s Causeway, 1916 Tour, Phoenix Park, Trinity College, National Gallery, Glasnevin Cemetery, Croke Park GAA)
- **Belfast** (Newgrange, Falls Road Mural Tour, Peace Wall, Queens University)
- **Ennis** (The Burren, Cliffs of Moher, Killarney National Park, Aran Islands)

Total Cost: 13 days for approximately $1,600 not including airfare and tuition. Total cost may vary.
