

Jonathan Wittmer

Aerospace Systems Engineering
Applied Mathematics (Double Major)

Hometown: Hartville, Ohio

Professional/Student Organizations:

- Aero Design Team
- Tau Beta Pi – Engineering Honor Society

Co-op/Research Experience

- Schaeffler – Purchasing, Mechanical Eng., Software Eng.
- Meggitt Aircraft Braking Systems – Program Management, Electrical Eng.
- The University of Akron – Avionics Eng.

Why did you choose the University of Akron?

The University of Akron has a fantastic co-op program that provides students with experience and connections that help jump start their careers.

Why did you choose Aerospace Systems Engineering as your major?

I have always liked planes and other flying vehicles, which is why I chose Aerospace Systems Engineering.

What is one of your most memorable moments here at the University of Akron's College of Engineering?

Winning 1st and 2nd place in the global SAE Aero competition in California my freshman year is one of my most memorable moments.

What advice would you give to an incoming engineering student?

Approach every day as if it were an interview. How you are perceived can lead to amazing opportunities or prevent you from experiencing them.
