

EX[L]

FALL 2018

FACULTY CAUCUS

Join an open forum for any faculty member interested in learning about and contributing to the direction of the EX[L] Center. **We are a center dedicated to augmenting experiential opportunities on and off campus.**

Share what you are doing and learn about some of the experiential learning initiatives your colleagues and UA students have been involved in.

*Individuals who attend one or more of these caucuses are eligible to run for the EX[L] Center Faculty Steering Committee.
