

# 2021-22 Parent FAFSA Refusal Form

You may type your information directly onto this form, print to sign, then submit it to the Office of Student Financial Aid. To avoid processing delays, do not submit this form until you have gathered all required documents/forms requested from you.

Federal regulations give schools the authority to allow a student to borrow a Federal Direct Unsubsidized Loan when the student's parent(s) have ended all financial support and have refused to complete and sign a Free Application for Federal Student Aid (FAFSA). Students who request consideration for the loan should read the information on this form and have one parent complete and sign this form. Note that this form does **not** allow a student to apply for financial aid as an independent student. Students must understand that they are requesting **only** an unsubsidized loan subject to the limits for dependent students. **No** other federal or state financial aid will be available.

Although the Office of Student Financial Aid may waive the requirement for parent income and asset information on the FAFSA, the student must complete and submit a FAFSA that includes all of the required student information and certifications.
