

THE UNIVERSITY OF AKRON UNDERGRADUATE SCHOLARSHIPS IN HISTORY AND  
CLASSICAL STUDIES 2026-2027  
Applications due Friday, March 2, 2026

The Department of History has several scholarship funds, some in History and some in Archeology and Classical Studies, from which we award approximately twenty undergraduate scholarships. Awards are based on academic performance and potential, not on need. These scholarships were established by people, many in business, who believe that majoring in history and/or studying the ancient past is excellent preparation for a wide range of professions, in business, teaching, the nonprofit sector, public history and public advocacy.
