- At least one traditional class must be completed in each of the four Honors Distribution groups; therefore, AP, bypassed, CLEP, IB credit, etc., cannot totally fulfill any one Honors Distribution group.
- The Honors Faculty Advisor is a faculty member in your major who advises Honors students. If you are uncertain as to who this individual is, please call 330-972-7966 or visit uakron.edu/honors/advising.
- You must obtain a grade of B or higher in all Honors Colloquia and on the Honors Research Project.
- If you have questions regarding your Degree Progress Report (DPR) or Honors Distribution, please contact the WHC office at 330-972-7966.
- A minimum of 17.0 credits must be earned in Honors coursework, which may include Honors sections of courses, Honors Colloquia and the Honors Research Project.
