## Step 1—Create Reimbursement

The Create Reimbursement screen will default the Pay From field to 'Premiums' and the Pay To field to 'Me'. Leave these default settings as they are.

Please click on the button on the lower right of the screen that says 'Next'.

The screenshot shows the 'Accounts / File A Claim' page. On the left, there is a sidebar with 'Available Balance' (\$5,400.00) and 'Plan Filing Rules' (01/01/2017 - 12/31/2017). The main content area is titled 'Accounts / File A Claim' and contains a 'Create Reimbursement' section. This section includes a 'Pay From' dropdown menu set to 'Premiums' and a 'Pay To' dropdown menu set to 'Me'. Below these fields, it states 'Based on your selection, you will be requesting a Claim Reimbursement.' At the bottom right, there is a 'Next' button highlighted with a green arrow, and a 'Cancel' button to its left.

## Step 2—Upload Documentation

Click on 'Upload Valid Documentation' to upload your premium statements. Please file separate claims for each type of premium.

Statements must be in a JPG, GIF, PNG or PDF format and cannot exceed 2 MB.

Click on the 'Submit' button after browsing and attaching required documentation.

When you return to the File a Claim screen, click the 'Next' button to continue.

The screenshot shows the 'Accounts / File A Claim' page at the 'Receipt / Documentation' step. The sidebar is the same as in Step 1. The main content area shows a 'Receipt / Documentation' section with a link for 'Upload Valid Documentation'. Below this, a 'Summary' section displays 'Pay From: Premiums' and 'Pay To: Me'. At the bottom right, there is a 'Next' button highlighted with a green arrow, and a 'Previous' button to its left.

## Step 3—Claim Details

**Start Date of Service:** Please enter the first of the month that your premiums will start during the available plan year. Please note that if you enter a date outside of the available plan year, we cannot reimburse your claim.

**End Date of Service:** Enter the first of the month of the **last month** your premium will be incurred. If you are requesting a full year of benefits, please use 12/1/2018 as your ‘End Date of Service’.

**Amount:** Enter the amount you would like to be reimbursed **for each month**. For example, if a monthly Premium Amount for Medicare Part D plan is \$100.00, please enter \$100.00.

**Category:** The Category field will always default to Insurance.

**Type:** Use the drop down arrow to select the type of premium for which you are requesting reimbursement. Again, please remember to enter one recurring claim for each premium type for which you are requesting reimbursement.

After you have entered the claim details, click on the ‘Next’ button located in the lower right of your screen to continue.
