The top priority during our return to campus this fall is the safety of our students, faculty and staff. Every member of the UA campus community will play an important role in preventing the spread of COVID-19.

Students, faculty and staff must come together to create a safe working and educational environment. We ask that every Zip follow University, city, county, state and Centers for Disease Control and Prevention (CDC) guidelines and take the following pledge:

## As a responsible Zip, I will:

- **A**lways wear a mask while on campus.
- **K**ee at least 6 feet away from people.
- **R**efrain from touching my eyes, nose and mouth.
- **O**ften wash or sanitize my hands and keep my space clean.
- **N**otice any symptoms? Stay home and call my doctor or Health Services right away.

**I pledge to follow all appropriate guidelines and keep myself, and my fellow Zips, safe and healthy.**
