STEM OPT Reporting Form
For students on the 24-month STEM OPT extension

This form must be completed each time there is any change in your US address, email address, phone number, or employment (including termination of employment) AND every six months upon starting the STEM OPT regardless of whether any change occurs. The form must be submitted to the International Center within 10 days of any change or reporting date. The form can be scanned and emailed to immigration@uakron.edu. All employers must be E-Verify. Please attach a copy of your Employment Authorization Document (“EAD” card) if not previously submitted. Please be advised that the number of unemployment days for the total 36 months of OPT may not exceed 150 days. After 150 days of unemployment, your SEVIS record will be subject to auto-termination and you may be denied future immigration benefits that rely on valid F-1 status.
