- If you have moved (or have a lovely new place near Akron Law!), please update us with that new address as soon as you can. You can email it to us at lawadmissions@uakron.edu.
- Every student must request final, official transcripts be sent to us. This is SEPARATE from the transcripts you used to apply to law school through LSAC. We CANNOT use this for your file, as the American Bar Association requires each school to have record of transcripts of each student. More information will follow on the next page.

TRANSCRIPTS

Important information about submitting your official transcripts.

We require a copy of your official transcripts.

Please note that Akron Law requires receipt of your final, official transcripts from every college or university you have ever attended - even the University of Akron. This includes if you attended as a visiting student, part of a postsecondary enrollment program, or as a high school student earning college credit.

▶▶▶ **Please know that the transcripts you submitted to the Law School Admission Council (LSAC) as part of the application process do NOT fulfill this requirement.** The American Bar Association mandates that we must house our own official transcripts.

What is an official transcript?

- a paper or electronic transcript certified by the issuing institution and delivered directly to the law school; or
- a paper or electronic transcript verified by a third-party Credential assembly service and delivered directly to the law school. If you are submitting a hard copy/physical transcript, please note that all physical transcripts must be provided in envelopes that are sealed and signed/stamped by the registrar's/records office - transcripts that are not provided in sealed, signed/stamped envelopes or that are marked "Issued to Student" will not be accepted. All transcripts must bear the signature/stamp and seal of the registrar's office, and the transcript from ANY degree-granting institution must show the title and date of the degree conferred. If one of your degrees is scheduled to post after the first day of law school classes, you must get a letter from your department chair or other appropriate official indicating that all work toward the degree is scheduled to be completed prior to the first day of law school classes. You must then request that your transcript be sent to us after the degree is posted. This letter must be RECEIVED in the admissions office by the same date as your transcripts, as listed below.

Where do I send my transcript?

We will accept both electronic and physical transcripts. Electronic transcripts can be emailed to lawadmissions@uakron.edu. Physical transcripts should be sent to: The University of Akron School of Law, Admissions Office, 150 University Avenue, Akron, OH 44325-2901.

REGISTRATION, ORIENTATION AND FUNDAMENTALS

We know that you are eager to register and begin classes! However, **please wait until Student Affairs informs you, via your uakron.edu email, that registration is available.** This will typically occur a month before your classes are scheduled to begin. If you try to register before you are notified, you will see a hold on your account. Once registration is open, your enrollment hold will be lifted.

We repeat: no need to panic if you see a hold on your account! Just wait until registration is available.

Prior to the start of classes, **all students must complete our required Orientation program as well as our mandatory Fundamentals of Lawyering course.**

Please see the enclosed flyer regarding the dates of Orientation and Fundamentals for the semester to which you have been admitted.

The School of Law Admissions Team manages two Facebook groups for you to connect with your future classmates. Both groups are closed, so you must click the "Join Group" button at each group's homepage and wait for approval before posting or viewing content.

You can view the Akron Law 2023 Entering Class Facebook page [here](#).

You can view the Roommate Connection page [here](#).

Both of these pages are great resources for you to meet your classmates, find a roommate, or view available housing. We hope you "like" this!

FIRST-YEAR EMPLOYMENT

Akron Law strongly encourages first-year students not to work. Full-time students who choose to work are prohibited from working more than 20 hours per week in any semester.

If you are an incoming full-time student who plans to work, you must contact the Asst. Dean of Student Affairs to discuss.

Please note that this restriction is lifted for full-time 2L and 3L students.

DEFERRAL POLICY

We would love to have you as a member of the Akron Law family, but understand if circumstances dictate a later start date. Akron Law allows applicants to defer their admission for up to one year.

Students wishing to request a deferral must submit a written request to lawadmissions@uakron.edu explaining the reason for deferral. Such requests must be received, in writing, no later than a week before the start of your Fundamentals of Lawyering class. After that date, no deferral requests will be accepted and students must instead reapply for admission for a later term.

All requests for deferrals will be reviewed by the Akron Law Admissions Committee. Two possible outcomes may arise:

- The Admissions Committee may choose to grant your request. In such event, you will need to pay your seat deposit by the deadline required for the subsequent admission cycle; or
- The Admissions Committee may choose to deny your request. If your request is denied, you may still enroll in the current entering class by paying your seat deposit by the deadline or reapply for admission at a future date.

Please note that we cannot defer scholarship offers from one year to the next. However, if an applicant is competitive for a scholarship in one application cycle, it is likely that the applicant will be competitive for a scholarship in a subsequent cycle.

CHARACTER AND FITNESS

Achieving Bar Exam Clearance and your Continuing Duty to Inform.

Page 1/4

The American Bar Association and the Board of Bar Examiners requires all law schools to ensure that their law students have the necessary fitness and character to be lawyers. That is the purpose of the section of the Bar Exam application entitled, "Character, Fitness, and Bar Exam Clearance." If you find that you need to update the information you provided in your application to The University of Akron School of Law, all applicable supporting documentation related to this section of the application may be sent to the Admissions Office via fax, mail, or email to lawadmissions@uakron.edu.

The charges of driving under the influence of alcohol, driving under the influence of drugs, and reckless driving must be disclosed as criminal charges.

Your answers to these questions are confidential and are limited to a determination of your character and fitness to practice law. You are under a continuing obligation to notify the Admissions Office of any changes in your answers to these questions up until the time of your enrollment. Once enrolled, you are under a continuing obligation to notify the Assistant Dean of Student Affairs of any changes in your answers to these questions.

If you answer "yes," to any of these questions, please submit a DETAILED statement that references the question number and that includes the following information (please be as SPECIFIC as possible):

1. Date of incident and your age at the time of the incident
2. Parties involved
3. Description of incident

Continuing Duty to Inform

Remember that – as stated on the law school application – candidates have a continuing duty to inform the School of Law if at any time between the submission of the law school application and graduation from law school they are able to answer “Yes” to any of the Bar Exam Clearance Requirement questions. The duty to inform statement from the admission application is reprinted below.

I certify that to the best of my knowledge the information herein is true. I understand that any misrepresentation of facts on this application could be cause for refusal of admission, cancellation of admission, or suspension or dismissal from the University if discovered subsequently. I acknowledge that I have a continuing duty to inform the School of Law as to any relevant information or change in circumstances that relates to any of these questions of which I became aware after the date of my signature below. In accordance with 20 U.S.C. Section 1232 (g), et. seq., of the Family Educational Rights and Privacy Act of 1973, I hereby authorize each school or college that I have attended, and the officers and faculty thereof, to make available all my educational records and personally identifiable information contained herein concerning me to the officers and faculty of The University of Akron School of Law.

After enrollment, statements concerning Bar Exam Clearance Requirements may be directed to the Assistant Dean of Student Affairs.

Character, Fitness, and Bar Admission

The information described above is considered by the Supreme Court of Ohio or other state Supreme Court in determining whether a candidate will be permitted to sit for the Ohio (or other state) bar examination. Such matters are not within the jurisdiction of this law school or any other law school. In Ohio, for example, the board of commissioners on character and fitness and/or the Supreme Court in the state(s) in which the candidate wishes to practice law will determine the candidate's eligibility to sit for the bar exam. We recommend that candidates contact the board of bar examiners of the state(s) in which they plan to practice to learn whether or not such information as disclosed in accordance with the guidelines above may prevent you from becoming a licensed attorney.

Remember: when in doubt, disclose it.

ACCESSIBILITY AND ACCOMMODATIONS

Any student who has a disability that currently substantially limits learning in a higher education setting may contact The University of Akron Office of Accessibility 330.972.7928 (voice) or 330.972.5764 (TDD), access@uakron.edu, uakron.edu/access for information regarding eligibility for reasonable accommodations. It is the student's responsibility to provide appropriate documentation of the disability according to the guidelines established by the Office of Accessibility. Please contact the Office of Accessibility directly to obtain a copy of the Disability Documentation Guidelines if you plan to request accommodations.

After your documentation has been reviewed by a disability specialist from their office, you will be asked to meet with one of them to discuss your eligibility status and appropriate accommodations if applicable. Once this process is completed, you will receive a letter describing your accommodations that you may present to the Law School. If you have any questions about accommodations for disabilities, please contact the Office of Accessibility.

As an Akron Law student, you will need your Zip Card - your student ID. Zip Cards are produced in the Zip Card Office on the first floor of Simmons Hall.

Simply present your schedule or admission letter, and a photo ID, and an employee will take your picture and produce your Zip Card on the spot!

NOTE: You cannot receive your Zip card until AFTER you have registered for your first semester classes.

For current Zip Card office hours, call 330.972.5637 or visit uakron.edu/zipcard.

Note that your Zip Card can also act as a debit card. You can use it to pay for vending machine items, copying and printing fees, and for purchases at restaurants and other vendors on and off campus. Manage your account online and view a list of participating vendors at uakron.edu/zipcard.
