\*Please consult with Graduate MSA-Financial Forensics Program advisor to determine the number of MSA-FF credits needed and which JD credits will apply toward the MSA-FF degree. This document was created by School of Law Student Services Office and only accounts for the 88 credits required for the J.D. degree. We hope this mapping guide is helpful in balancing both programs. Please contact Director of Law Student Services, Ivy Banks at [ikw1@uakron.edu](mailto:ikw1@uakron.edu) if you have any questions or would like to create a mapping strategy that works best for you once you know how many MSA-FF and JD credits will be needed for the JD/MSA-FF joint degree.
