Insurance Certification

INSURANCE CERTIFICATE PROGRAM
Brought to you by MCUC and Westfield Insurance

We are excited to offer the Program in General Insurance (INS) at MCUC this fall! The program provides a solid foundation to build an insurance career or gain general understanding of a complicated product. From a personal perspective, you will gain knowledge on the coverages needed to best protect your family, home or business. From a professional perspective, a career in insurance can be very rewarding. Insurance professionals are committed to getting people back to normal as quickly as possible when the unthinkable happens — car accident, house fire, or business interruption. These courses cover insurance principles, practices and policies in depth.

There are three classes you must take to earn the certificate, including:

INS 21 - PROPERTY AND LIABILITY INSURANCE PRINCIPLES

Exceptional Leadership Series

Developmental Dimensions International (DDI) Partnership with Medina County University Center

Since 1970, DDI products have been used to identify and develop more than 16 million executives and leaders around the globe. MCUC is pleased to bring these effective leadership development programs to Medina County.

ESSENTIALS OF LEADERSHIP
Learn how to accomplish more in your interactions in less time. This foundation course teaches leaders how to get results through people. During the course you will obtain the tools necessary for a successful “leadership journey.” You will acquire a set of proven interaction skills, discover seven Leadership Imperatives that are key to meeting today’s challenges and realize their role in shaping a catalyst leader who inspires others to act. Taking Essentials of Leadership before Adaptive Leadership, Coaching for Success and Delegating for Results will enhance your learning experiences.

Instructor: Judy Bodenhamer
Friday, June 26  9 a.m. to 12:30 p.m.
$119  09SRSUPER506

BOOSTING BUSINESS RESULTS
This course teaches leaders a proactive, strategic process they can apply to leverage their leadership skills so that business objectives will be realized. Designed to follow an IM: EX® curriculum (typically three to six courses), this course has leaders identify a project or task that will require the effective use of newly learned leadership skills to achieve or enhance success. Leaders also determine goals and measurement methods that will help them track and demonstrate the results of their effective leadership.

CEUs: .35
Instructor: Judy Bodenhamer
Friday, Aug. 21  9 a.m. to 12:30 p.m.
$119  09SRSUPER520

INFLUENCING OTHERS
Basics of Influence: Through discussion, learners discover the basics of influence: why to influence, whom you can or should influence, and what influence is and is not. An exercise addresses the challenges and difficulties of influencing others and the characteristics of successful and unsuccessful influencers.

Influence Planning: Participants learn about establishing objectives, identifying benefits and preparing strategies. The Influence Planner provides a tool for covering this information.

FUTURE SCULPTING
Future Sculpting provides a process for personal reexamination of life as it relates to one’s career, vocation and life outcomes. Participants identify what they are uniquely designed to give the world and become mirrors and resources for each other as they explore their life themes, skills and fascinations. This session goes beyond the traditional approach to life and career planning. It explores the place of purpose and hope in life and career, the importance of intention and passions, and focuses on engaging will, courage and spirit in the process.

Intention: To provide a supportive forum, tools and consultation where participants can:
• Clarify their life’s purpose and focal point for career
• Identify the key outcomes important in their life
• Articulate how their skills, experiences and fascinations can contribute to both their life work and career exploration
• Create possible work and life outcomes that reflect their deepest values and gifts
• Engage their will, courage and spirit to become the possible self

In collaboration with SCORE, Medina County Economic Development Corporation, and the Medina Chamber of Commerce, we are excited to present monthly SCORE Workshops at the Medina County University Center.

SCORE, a resource partner of the SBA, is a non-profit group of experienced active/retired executives and business owners. These business men and women provide free counseling, mentoring and workshops to entrepreneurs, existing businesses, both for profit, non-profit and the academic community.

In Medina County, SCORE counsels and presents workshops at the various locations including Medina County University Center, the Medina County Economic Development Corporation, client’s business and other convenient locations.

SCORE is an effective source of FREE, CONFIDENTIAL, and QUALITY small business advice and educational workshops.

SCORE counselors are business men and women who have successful careers in major corporations or managing their own enterprises and volunteer with SCORE to help new business start and existing business grow and prosper.

“We teach old dogs new tricks” characterizes the underlying theme of the counselors’ dedication to helping small business owners become successful. SCORE volunteers contribute 10,000 hours annually.

All workshops are FREE but do require registration. Register using the form in the back of this catalog or call 330-721-2210 for complete details.

General Information

What is the refund policy for professional development programs?
If a professional development program is canceled by the Medina County University Center, a full refund will be issued. Withdrawal requests received up to three business days prior to the first class meeting will result in a full refund, less a $15 processing charge, or an opportunity to transfer to another course. No refunds are issued after the start of the class.

Refunds for professional development programs are determined by the date the withdrawal request is received.

What if my course is canceled?
In the event of a course cancellation or change, you will be notified by phone or mail. Transfers to other courses may be available.

The Medina County University Center reserves the right to change instructors and to cancel or reschedule a program in the event of insufficient enrollment or unforeseen circumstances. Information in the catalog should not be considered a contract between students and the Medina County University Center.

Do you send a confirmation of my registration?
All registrations will be confirmed upon receipt of payment. Confirmation will include a map and credit card receipt, where applicable. If you have not received confirmation three days prior to your class, please call us at 330-721-2210.

What is a CEU?
Continuing Education Units (CEUs) provide a measurable record of course participation in professional development programs. Each CEU is equivalent to 10 class hours (10 hours = 1.0 CEU) and is expressed to the nearest tenth. This unit of measurement has been adopted nationwide by continuing education programs. There is no additional charge for CEUs.

Will I receive a grade?
You will receive a certificate of completion if you attend 75 percent of the program and complete all program requirements. No grades are given. Your permanent CEU record is maintained by our office. A transcript is available for a fee of $4.

Weather Advisory Information
Should it be necessary for the Medina County University Center to cancel classes due to severe weather or other unforeseen circumstances, closing information will be broadcast by area radio and television stations. When conditions are threatening, turn to your local stations for news or call 330-972-SNOW.

The closing of the Akron campus does NOT mean that classes at the Medina Center are canceled. Listen carefully for the notice to include the Medina Center as being closed.
