HOW TO APPLY TO THE DNP-CRNA

FOR LOURDES UNIVERSITY STUDENTS

College of Health and Human Sciences
The University of Akron

How to Apply

Submit your application to The University of Akron.
Note: *There is no application fee or confirmation fee required.*

Step 1: Create your application portal account.
- Check your spam/junk email folder for your account password confirmation email

Step 2: Upload documents
- Official transcripts from all previously attended institutions are required and can typically be ordered through the institution's registrar. For former UA students, we will access your UA transcript and add it to your application materials for you. All official documents MUST be sent electronically or mailed directly to the address below:

Optional: Alert FAFSA
- If a student relies on grants or loans to help finance their education, they should add The University of Akron to their FAFSA. Students should go to www.studentaid.gov. Log on and navigate to the school choice section to add UA. UA's school code is 003123.

What's Next

After submitting your application, you'll receive an email acknowledging that we received your application. The School of Nursing will review your materials.

Next Steps for Admitted Students

Step 1: Confirm your enrollment by completing the form in your Applicant Portal.
- Your UA account and email will be created after you confirm your enrollment: Within 48 hours of confirming your offer, our campus IT team will email you information regarding your University of Akron ID and email address. The subject line for this email is Your UA Account Info is Ready. Please check all your email folders for this email.

Step 2: New student onboarding activities
- Once in your newly created UA account, click the Workday app under Quick Links to complete a checklist of onboarding activities. You will not be able to register for classes until this task has been completed.

Step 3: Course registration
- Your academic department will contact you about enrolling for the upcoming term.
