(1) Extended circulation periods and other instructional support services in university libraries.

(2) Sick leave.

(3) Fee-based parking in designated university parking areas.

(4) Medical, dental, life, and long-term disability insurance; (regular and full-time auxiliary faculty only), contributions, if required, on a pre-tax basis at an amount periodically approved by the board of trustees.

   (b) Travel and transportation allowance. If travel is by personal automobile the reimbursement will be at the current IRS rate for moving expenses. In lieu of travel by personal automobile, reasonable coach airfare will be reimbursed.

   (c) Moving allowance. The expense for the moving of household goods from the place of residence to the Akron or Orrville area may be paid, subject to the approval by the executive vice president and provost. Expenses may include the following if invoices or signed receipts are presented:

(iii) This policy covers only the cost of moving household goods and excludes reimbursement for meals, lodging, and other personal expenses enroute.

(6) Annuity options.
(a) The university has adopted two voluntary retirement plans, a 403(b) plan and a 457(b) plan. The plans are generally available to all members of the faculty and staff, and the plans provide employees with an opportunity to defer employee contributions into a tax-deferred annuity or an after-tax deferral. These plans are in conformity with current provisions of the Internal Revenue Code and Ohio Revised Code.

(b) A current list of companies qualified to provide annuities under the plans for university faculty and staff may be obtained from the university's office of human resources.

(c) University employees may wish to consult their tax advisors and/or current tax laws for any and all benefits or limitations to a tax-deferred annuity.

(7) Education. Faculty members and members of their immediate families have been granted special educational privileges by the board, whereby eligibility accrues from employment as of the first day of the semester as indicated in the following statement:

(a) Fee reductions for university faculty and administrative officers:

(i) Full-time university faculty (as defined in rule 3359-20-02 of the Administrative Code.)

(a) Credit courses.

Any full-time university faculty member or administrative officer (or retired full-time university faculty member) shall be permitted to take two credit courses or six credit hours, whichever is greater, each semester, free of all charges, excluding late fees and including instructional and general fees, graduate level, laboratory, or other fees associated with these courses. Unused portions of these reductions are not cumulative.

Any full-time university faculty member or administrative officer (or retired full-time university faculty member) shall be permitted to take a total of four credit courses during the summer semester. The credit courses may be taken in any of the summer sessions comprising the summer semester. However, the aggregate of courses will not exceed four credit courses which will be free of all charges, excluding late fees and including instructional and general fees, graduate level, laboratory, or other fees associated with these courses. Unused portions of these reductions are not cumulative.

(b) Non-credit courses.

Any full-time university faculty member or administrative officer (or retired full-time university faculty member) shall be permitted to take two non-credit courses per semester (i.e., combined summer, fall,
spring), which shall not affect his or her eligibility for credit fee reduction enrollment.

Some courses are not available for students using non-credit course fee reduction (AutoCAD, "Microsoft NT," polymer science courses, etc.). A list of such courses will be maintained by the division of university of Akron (UA) solutions.

All individuals using fee reduction for non-credit courses will be placed on a waiting list in the division of UA solutions (with a university of Akron designation assigned) on a first-come, first-served basis, until class meets minimum paying enrollment. These individuals will pay such costs as materials, supplies, lab fees, etc.

(ii) Part-time faculty (as defined in paragraph (A)(1)(c)(iii) of rule 3359-20-03 of the Administrative Code.)

Any part-time faculty member or professional staff appointed to teach three or more credit hours or at least twenty-five percent of a full-time equivalent faculty member during a semester shall be permitted to take one credit course or three credit hours, whichever is greater, during the semester of appointment, free of all charges, excluding late fees, including instructional and general fees, graduate level, laboratory, or other fees associated with these fees. Unused portions of these reductions are not cumulative.

Any part-time faculty member or professional staff appointed to teach three or more credit hours or at least twenty-five percent of a full-time equivalent faculty member during a semester or an individual summer session in the summer semester shall be permitted to take one credit course or three credit hours, whichever is greater. The credit course may be taken during the summer session of appointment or one of the summer sessions subsequent to being appointed within the same summer semester.

One additional credit course may be taken in a different summer session of the same summer semester by any part-time faculty member or professional staff who is appointed to teach three or more credit hours or at least twenty-five percent of a full-time equivalent faculty member. Again, the credit course may be taken during the summer session of appointment or one of the summer sessions subsequent to being appointed. Thus, the aggregate of courses for which fee reduction will be received, during the sessions in the summer semester will not exceed two credit courses, free of all charges, excluding late fees, including instructional and general fees, graduate level, laboratory, or other fees associated with these courses. Unused portions of these reductions are not cumulative.

Fee reductions must be used in the semester or summer session earned or the semester or summer sessions immediately following; except spring semester reductions may be used during the following fall semester. Only
one reduction may be used during a semester or summer session and unused reductions or portions of these reductions are not cumulative. Qualifying part-time faculty who will not make use of the fee reduction for themselves shall be permitted to transfer only the instructional fee reduction or a one course or three credit hours whichever is greater for an academic term to a qualifying spouse, or dependent child, under the conditions specified in paragraph (B)(7)(c)(i)(e) of rule 3359-20-04.3 of the Administrative Code. Part-time faculty are eligible for paragraph (B)(7)(a)(i)(b) of rule 3359-20-04.3 of the Administrative Code.

(iii) "ROTC" officer personnel. "ROTC" officer personnel shall be eligible for reductions as full-time faculty as outlined in paragraph (B)(7)(a)(i) of this rule.

(b) General provisions.

(i) No reductions of residence hall room and board fees shall be granted to any person except members of the resident advisory staff.

(ii) The requirements of residence in Ohio for one year before the first day of any term or semester to be exempt from nonresident tuition charges shall be waived for employees who are entitled to the fee reduction.

(iii) Eligibility for fee reductions for employees or relatives is determined by employment status on the first day of the course.

(iv) An individual may receive fee reductions under only one eligibility category (e.g., full-time university faculty, part-time faculty, full-time staff, spouse, or dependent) during any one academic period.

(v) Eligibility for other authorized fee credits is determined independently from the individual's status as a university of Akron employee or dependent. Thus, other authorized fee credits from other entities may be received in the same semester as the university's fee reduction.

(vi) Full-time employees with nine-month appointments are eligible for fee reductions during the summer if reappointed for the following academic year.

(c) Fee reductions for relatives of university faculty and administrative officers.

(i) The instructional fees, or an amount equivalent to the graduate level credit fees for Ohio residents, or an amount equivalent to the school of law credit hour fees for Ohio residents shall be deducted from total fee charges for the following groups (general fees, course fees, and other special fees not being affected):

parent is in the service of the university of Akron.

(e) Spouses and dependents of part-time faculty members under the following conditions:

   The part-time faculty member is appointed to teach three or more credit hours or at least twenty-five per cent of a full-time equivalent faculty member during an individual summer session in the summer semester and thus qualifies for a fee reduction during the summer semester of one credit course or three credit hours, whichever is greater, a total of two credit courses. The credit courses may be taken in any of the summer sessions of appointment comprising the summer semester. However, the aggregate of courses may not exceed two credit courses.

   (ii) The part-time faculty member so qualifying elects not to make use of the fee reduction so earned.

   (iii) The spouse or dependent to whom the benefit is transferred applies the benefit during the semester or the individual summer session of the spouse or parent's qualifying appointment or in the semester of summer session immediately following; except spring semester reduction may be used during the following fall. Unused qualifying service or portions thereof are not cumulative.

   (iv) Spouses and dependents are not eligible for fee reduction of non-credit courses.

(f) For purposes of fee reductions:

   (i) Spouses refer to individuals who have contracted the legal status of a marital relationship through religious or civil solemnized marriages and complied with all the statutory requirements pursuant to
applicable law and shall not include common law marriages which may be otherwise recognized under Ohio law or other relationships between persons not legally capable of making a marriage contract under Ohio law.

(ii) Dependants as defined by current rules and dependency tests of the internal revenue service. The employee may be required to submit proof of dependency to the university auditor on request.

(iii) Fee reductions may be taxable income to the faculty member.

(8) Educational assistance program (Internal Revenue Code section 127).

The university of Akron has created, as an exclusive benefit for its employees, this educational assistance program. It is the intent of the university to seek to provide this educational assistance program, the benefit of which shall be to seek to exclude all assistance provided hereunder from an employee's income to the extent allowable under section 127 of the Internal Revenue Code. This fee reduction educational assistance program shall only extend to university employees taking courses at the university of Akron. Eligibility accrues from employment as of the first day of the semester. It is the intent of the university that the provisions of this program shall not apply to graduate assistants who may otherwise qualify for tax exemption of fee reduction pursuant to a separate university program.

(a) Full-time university faculty and administrative employees.

(i) Credit courses.

Any full-time university faculty member or administrative employee shall be permitted to take two credit courses or six credit hours, whichever is greater, each semester, free of all charges, excluding late fees and including instructional and general fees, graduate level, laboratory, or other fees associated with these courses. Unused portions of these reductions are not cumulative.

Any full-time university faculty member or administrative employee shall be permitted to take a total of four credit courses during the summer semester. The credit courses may be taken in any of the summer sessions comprising the summer semester. However, the aggregate of courses will not exceed four credit courses which will be free of all charges, excluding late fees and including instructional and general fees, graduate level, laboratory, or other fees associated with these courses. Unused portions of these reductions are not cumulative.

(ii) Non-credit courses.

Any full-time university faculty member or administrative employee shall be permitted to take two non-credit courses per semester (i.e., combined summer, fall, spring), which shall not affect his or her eligibility for credit
fee reduction enrollment.

Some courses are not available for students using non-credit course fee reduction (AutoCAD, "Microsoft NT," polymer science courses, etc.). A list of such courses will be maintained by the division of UA solutions.

Unused portions of these reductions are not cumulative.

Any part-time faculty member or professional staff appointed to teach three or more credit hours or at least twenty-five per cent of a full-time equivalent faculty member during a semester or an individual summer session in the summer semester shall be permitted to take one credit course or three credit hours, whichever is greater. The credit course may be taken during the summer session of appointment or one of the summer sessions subsequent to being appointed within the same summer semester.

One additional credit course may be taken in a different summer session of the same summer semester by any part-time faculty member or professional staff who is appointed to teach three or more credit hours or at least twenty-five per cent of a full-time equivalent faculty member. Again, the credit course may be taken during the summer session of appointment or one of the summer sessions subsequent to being appointed. Thus, the aggregate of courses for which fee reduction will be received, during the sessions in the summer semester will not exceed two credit courses, free of all charges, excluding late fees, including instructional and general fees, graduate level, laboratory, or other fees associated with these courses. Unused portions of these reductions are not cumulative.

Fee reductions must be used in the semester or summer session earned or the semester or summer sessions immediately following; except spring semester reductions may be used during the following fall semester. Qualifying part-time faculty who will not make use of the fee reduction for themselves shall be permitted to
transfer only the instructional fee reduction or a one course or three credit hours whichever is greater for an academic term to a qualifying spouse or dependent child, under the conditions specified in paragraph (B)(7)(c)(i)(e) of rule 3359-20-04.3 of the Administrative Code.
