Subject: **2017/2018 Faculty Research Committee Fellowship Guidelines**

The Faculty Research Committee of the Faculty Senate, which is composed of representatives from the various colleges, evaluates proposals submitted by the faculty and determines which of these will be funded. Proposals from all disciplines are welcome. This year the Faculty Research Committee (FRC) will have **one Summer Fellowship competition.**

The **2017-2018** deadline for receipt of faculty summer fellowships is:

**Deadline:**

**January 26, 2018 (4 p.m.)**

**Program:**

**Up to \$10,000 for FRC Summer Fellowships  
Additional remuneration by university  
is limited. Please see the guidelines  
for information.**

All full-time faculty are encouraged to apply. A tenured faculty member who has received funding from this committee during the past two academic years (September through August) will not be considered for funding this academic year. An untenured faculty member is eligible to receive one, and no more than one, award per academic year, and if awarded summer fellowships in two consecutive years is ineligible to receive a summer fellowship in the third year. Awards generally are made within six weeks after the proposal submission deadlines.

Guidelines for the preparation of proposals and a 2017-2018 application are available on the FRC's webpage at <http://www.uakron.edu/research/ora/facultyrc/>.
