

## *Welcome from the President*

Welcome to the 2016-2017 school year University of Akron MFT/C students! Whether you're new or returning I wish you abundant success in your studies as we begin another exciting year. As members of our MFT/C community at the University of Akron, I'd encourage you to challenge yourself in your studies and to become involved in our extra-curricular opportunities like Delta Kappa Lambda!

The MFT/C student members and faculty advisors of Delta Kappa Lambda have made amazing contributions to the field of MFT/C and to the community as a whole through clinical training workshops, guest lectures, local toy and food drives, counselor self-care programs, student mentorship program, and community outreach. Delta Kappa Lambda will assist you enrich your academic experience while you assist the local community and MFT/C profession!

On behalf of myself and the Delta Kappa Lambda Board of Directors, welcome back to the MFT/C program! Please join us at DKL as we enter a new, exciting year.

Sincerely,

Rick Dawson  
MFT/C PhD Student  
President of Delta Kappa Lambda
