Provide specific examples of Engagement, Assessment, Intervention, & Evaluation (the foundational skills of the social work profession)

### **Section II: What did you learn this week?**

Describe what you would have done differently? Why?

When thinking about how to answer this question, think about two areas: (1) the knowledge you gained and (2) the skill you learned.

### **Section III: Describe the process that occurred resulting in learning or not learning.**

### **Section IV: Describe your supervisory experience.**

When thinking about how to answer this:

*Weekly supervision is a requirement of participation in your field education experience. If you are not receiving weekly supervision, please inform your field instructor and/or your faculty field liaison. Supervision is a non-negotiable as an emerging social worker.*

Provide a list of the agenda items submitted to task supervisor and/or field instructor for weekly supervision. How did the conversation in supervision support your skill development?
