There are various projects and tasks that will be completed throughout the year and in order to graduate from the LEAD, each member must complete all requirements. **Attending LEAD gatherings is crucial to your success in the program!**

#### **What do I receive after graduating from the LEAD?**

All graduates will receive a certificate of completion as well as cords to wear during graduation. The LEAD program is designed to provide you with training on various leadership theories with a cohort of students. Therefore, one of the main benefits of LEAD is leadership development training as well as the personal relationships you build with members of your cohort.
