End Term

**Definition**
Choose the term inactivation is effective.

**Usage**
The drop down will list available terms.

Provide a rationale for the inactivation of the course.

**Usage**
Enter your rationale.

Cancel

**Definition**
Close form, abandoning unsaved changes.

Start Workflow

**Definition**
Submit current form into workflow.

**Usage**
 Begins the inactivation process and moves the proposal to the next group in the workflow. The next group in the workflow is sent an email advising the proposal is ready for their review.
