AGENDA TOPICS

Deans Report: Tudor – Deans continue to review Three Year Action Plans

Chairs Report: No update, Cheung was not able to attend the meeting

Mortimer briefly commented on the FY19 Budgets and also reminded the group of the budgeting process and that initial FY20 projections will begin after Census. Mortimer also commented the Three Year Action Plans will help form the Budgets.

Allen provided updates for the new Research Policy. The plan will be grant funded and a workload policy is being looked at and discussed. In the past we have not required that funding be included, tuition covered, and a stipend be provided. Additionally, for every $2 researcher pays themselves, they must pay themselves $1 during the summer session. Allen reviewed that the new Research Policy could add significant financial resources to the general fund.
