Time to complete

1. Please select your UC Committee

- Awards Special Committee
- Budget and Finance
- Communication
- Information Technology
- Institutional Advancement
- Physical Environment
- Campus Wellness
- Student Engagement and Success
- Talent Development and Human Resources
- ad hoc Social Engagement

2. Did the committee meet this month? If you met, select Yes and complete the rest of the survey. Provide minutes in Question 7. You do not need to upload documents unless they are supporting materials for this month's meeting.

If you did not meet, select No, give reason for the cancellation in question 7 and submit the survey. Please enter the date as Month/no day/year in the "Date of Meeting" section. You do not need to complete the rest of the survey or upload any documents. Thank you for logging this month's meeting status.

- Yes
- No

3. Date of Meeting

10/16/2025 

4. Committee members in attendance or absent with notice

Larry Blake; Marilia Antunez; Lisa Sabol; Becky Handley; Eric Brisker; Craig Menzemer; Melissa Olson; Maggie Mahaney; Aimee Trunko; Kenneth Kugler;

5. Committee members absent without notice

Julia Brooks

6. Based on your goals for the year, outline what decision were made or action items discussed during this month's meeting that moved goal(s) forward

Review space requests

7. Provide Meeting Minutes/Monthly Report or reason for meeting cancellation here (do not attach minutes as a document in #8 below).

Approvals • A motion to approve the 10/16/25 agenda was made by Melissa, seconded by Craig. • A motion to approve the 9/18/25 minutes was made by Lisa, seconded by Melissa. New Business Space Requests—we discussed and voted electronically on the following requests. 12000-509 – Reassign vacated Biomedical Research laboratory space to the School of Polymer Science and Engineering: Request was approved on October 10. 12000-510 – Reassign Disaster Science Lab space to the School of Speech, Language, Pathology and Audiology. No funds needed to renovate. Request was approved on October 9. 12000-512 – Renovate office space for Mechanical Engineering Technology class laboratories. Funds moved from restricted account into project account. Request was approved on October 3. 12000-513 -- Reassign Auburn Science 305 from Electrical & Computer Engineering to Mechanical Engineering. Request was approved on October 17. General Updates from David Musser • Lincoln Building demolition—the Lincoln building will be demolished and a new building will be built on that site. Although UA will have use of the new building, it won't be owned by UA. The engineering portion was awarded to Gandy & Associates. Purchasing has already moved out of Lincoln and into PEAC. Capital Planning will be moving to PEAC as well. Health and Safety will be moving to the 3rd floor in Olson. The Department of Telecom will move to the Computer Center end of November. • Elevator Modernization—(Polsky): It is scheduled to be completed by Christmas. • The Buchtel Commons Hardscape Project—Phase 2 was anticipated to close this month. But complications arose when an unexpected underground vault was found and will now impact the schedule. The phase 1 fence near Colby will be removed in the next few weeks. A fence will be put up within a week or so to the Western portion of the project towards Crouse Hall and where the common splits into a Y by the Goodyear building. There will be a delay of the Y between Goodyear and Auburn until Spring but the other side of the Y between Guzzetta and Goodyear will be part of phase 3A which should be completed by the end of this calendar year. • Shrank Hall—Most classes have moved from upper floors to the first floor. But there is a large Biology lab on the 2nd floor that is being used every day of the week. There is no equal sized lab on campus to move into. Old Business • None Announcements/Good of the Order • If an estimate is needed for a room renovation, send work request to Shawn Stevens to determine if it should reside in Facilities or Capital Planning. • Our committee will be invited to sit in on the 3 finalists for the new CPFO. • UCEC is thinking about combining some committees and it was mentioned that perhaps IT and PEC could be combined. However, it was the consensus of the committee that these are two large, separate areas and wouldn't provide efficiency but put a larger burden on the combined members. • Starting Monday, the transition from air to heat will begin. This is not a simple system to convert and will take several weeks to convert all the buildings. The system works on a schedule so, if you feel that the heat doesn't seem to come on Monday mornings until late, submit a work order to the automation department and they can possibly adjust the schedule. Adjournment • Lisa made a motion to adjourn, seconded by Ken. The meeting ended at 2:50pm. • Next Meeting – November 20 at 2:00 PM.

8. If you have a document that provides supporting materials for this month's work, upload here. This attachment should not be the monthly minutes (minutes should be submitted in #7 above). (Non-anonymous question)

No answer provided.

9. Are there any new topic submissions or other information/feedback you would like to share from the committee?

No answer provided.
