Approvals • A motion to approve the 11/20/25 agenda was made by Ken seconded by Melissa. • A motion to approve the 10/16/25 minutes was made by Melissa, seconded by Craig. New Business Since one of our committee goals is to invite campus stakeholders to share recommendations and other safety related practices, Marilia asked for any suggestions. One suggestion was to invite Allan from Athletics as we had questions on use of their facilities such as their track. Marilia will contact the Athletic Director to schedule a time to come to one of our meetings. General Updates from Larry • Lincoln Building—the Lincoln building will be demolished (funded by a HUD grant) between February and April to provide a site for Polymer Industry Cluster (PIC) pilot facility. Begun removal of 2 underground tanks that held gas and diesel. West and North parking lots will be transferred to the Greater Akron Chamber for construction of the PIC plant facility. We also need to keep an access easement to the Summit Metro Parks Freedom Trail. • Knight Center for Creative Engagement project (Polsky)—Schematic design is completed and design architects are 55% done. Rising Roll café will be locating on the 1st floor on Main St. • Elevator modernization—Polsky elevators are scheduled to be completed by the end of the year. Elevators in Leigh Hall, Buckingham and PFOC are completed. Change orders to replace all 3 Shrank elevators has been approved. But lead time to get equipment and complete is at least a year. • The Buchtel Commons Hardscape Project—Phase 2 was anticipated to close this month. But complications arose when found an underground leak in the high temp water line Southwest of Bierce that needs to be replaced. Also unforeseen duct banks and pipes by College St. cul-de-sac are at a higher elevation than expected. • The existing bridge between Guzetta Hall and EJ Thomas will be demolished due to structural issues. Old Business • None Announcements/Good of the Order • Marilia thanked Ken for representing our committee on the campus safety walk. • Malik said that now he is back at UA as an adjunct faculty, he would be willing to represent the faculty members although he is not part of the Faculty Senate. Marilia said she would speak to Heather Loughney to ask if the Faculty Senate has appointed a member. (Subsequent note: Lauren Conway is our representative from Faculty Senate.) Adjournment • Becky made a motion to adjourn, seconded by Mellisa. The meeting ended at 2:55pm. • Next Meeting – December 18 at 2:00 PM.
