Savings App Research

Saving money is always a good thing no matter how much money you make. Fortunately, there's lots of apps to help make saving a little easier. Investigate at least 3 different saving apps and fill in the chart below. Try one of the apps yourself for a couple of weeks and see what you think! Either email your completed challenge to bel5@uakron.edu or drop off at the Simmons Hall Information Desk Attn: Brian Long.

	APP #1	APP #2	APP #3
What is the name of the savings app?			
Briefly describe the savings app.			
Is there a cost? How much?			
What are some positive aspects of the app?			
What are some negative aspects of the app?			
Could you see yourself using this savings app? Why or why not?
