The staff in the Office of Accessibility extends a warm welcome to our students as we transition into longer days filled with sun and warmer weather! We are so glad you are here and a part of the Office of Accessibility family. The University of Akron has so much to offer. Our beautiful campus will start turning green and flowers will start to bloom. We hope the transition of season brings growth, not only to campuses our physical landscape, but to you, our students. We encourage you to take moments to yourself. Whether it be a peaceful walk, reading a book for enjoyment, or practicing self-care. As important as it is to immerse yourself in your studies, it is equally important to engage in practices of self-care.

We encourage you to take advantage of all the resources UA has to offer, take time to meet new people and explore all that our campus has to offer. If you would like to learn more about campus resources please reach out the Office of Accessibility for suggestions.

The team in the Office of Accessibility looks forward to continuing to be a part of your academic journey!

Sincerely,

The Office of Accessibility Team
