B. Membership. Frank Thomas reported that Janet Mealy has left the University and we will experience some delays as her replacement is trained on providing us support. Frank handled presenting her with a parting gift to express our appreciation for all she had done to help us.

As of the August meeting, we had 130 paid members with 5 of them being from last year’s new retirees (17-18). Frank sent out a mailing in late June and in July as well.

Frank also reported a total income of $1,424 for the AUAR Scholarship at the start of the new fiscal year (2019). Last year’s total scholarship income amounted to $5,891.

D. Benefits. Linda Sugarman reported the STRS reported a return of 9.7% for the fiscal year 2018. These returns may not be achieved in future years. There is a group circulating a petition urging the return of the COLA to STRS retiree pensions. There also seems to be several groups or individuals advocating the return of the STRS COLA, pointing out that certain STRS employees received large bonuses.
