Presiding:
Vice Chair

April 21, 2021
REGULAR BUSINESS MEETING OF THE BOARD OF TRUSTEES

Mr. Gingo called the meeting to order at 11:04 a.m. He thanked all attendees who were present in person, electronically, or via live stream. He indicated that those provisions for attendance were in accordance with Ohio government's continued pandemic orders and legislation¹ that temporarily allows public meetings to be conducted via electronic communication and be in compliance with Ohio's Open Meetings Act.

¹ 133rd General Assembly, Substitute House Bill Number 404
REPORT OF THE CHAIR

Mr. Gingo made the following statement:

"As I walked onto campus this morning, I was struck that it has been nearly one year since the pandemic began and dramatically changed all of our lives, and this institution. Yet, for all of the challenges that we have faced as a University community, and there have been many, I also am reminded of the strength that this community has shown, and continues to show, during these difficult times:

- The administration and staff, who have worked so hard and have sacrificed so much to keep the University operating and safe;
- The faculty, who have continued to provide instruction through creative and innovative means; and
- Especially, our students, who also have endured so much to continue their education.

On behalf of the Board, I cannot thank you all enough for what you have done and continue to do. And, as I encountered more students today in this building than what I have seen in recent months, I am encouraged that perhaps we have begun to turn the corner toward better times."

Tentative Agreement with Akron-AAUP

Mr. Gingo said that he was pleased to report that the administration and the Akron Chapter of the American Association of University Professors (Akron-AAUP) had reached a tentative agreement for a new contract. "I want to thank the negotiating teams for both parties, and those people who supported them in their hard work, and we look forward to a successful ratification of the tentative agreement in the near future," he said.

Scholarship Gift

Mr. Gingo then acknowledged the continued generosity of University alumni John and Sarah Adams, who recently established the Mr. John R. and Dr. Sarah A. Adams Family Scholarship in Financial Planning. The scholarship will include financial support for a student in financial planning, as well as mentorship from Mr. Adams, who is a principal in the wealth management firm of Adams, Gut & Associates. "On behalf of this Board, thank you for your continuing support and dedication to this University," Mr. Gingo said.

In Memoriam

Mr. Gingo concluded his report by extending condolences on behalf of the Board to the family and friends of Phil Maynard, who had recently passed away. Mr. Gingo stated that "Phil was a valued member of The University of Akron Foundation executive committee and a tireless volunteer for the University and many other charitable organizations. He will be missed."
REPORT OF THE PRESIDENT (See Appendix K.)

REPORT OF THE STUDENT TRUSTEES

Ms. Gerzanics reported that the spring semester had brought many of their peers back to campus and the classroom, a very welcome change. While students' anticipation and excitement for warmer days ahead is typical, she said, this spring semester seems especially poignant with optimism. As the COVID-19 vaccine distribution is underway, with cases dropping and the nation turned toward the offensive against the pandemic, students are eager for what these developments mean for the summer and fall. More face-to-face instruction, events, and a return to some normalcy are eagerly awaited and seem achievable in some form by the end of 2021.

Ms. Gerzanics, along with Mr. Bennington, invited their colleagues on the Board to join them in the ongoing celebrations honoring Black History during February through the University's excellent virtual programming. Also during February, Undergraduate Student Government would initiate its search for Student Trustee candidates to fill the seat that would be vacated by Mr. Bennington on July 1, 2021.

Mr. Bennington then introduced as the featured speaker third-year law student Henna Schafer (see Appendix L), who presented on her Akron experience, particularly her role as graduate co-chair of the Inclusive Excellence Action Team.

ACTION ITEMS

Mr. Gingo said that, because the Board uses a consent agenda, it would hear reports from each committee proposing actions and would wait to hold one vote for all actions on the consent agenda. The Board would vote on any actions not listed on the consent agenda immediately after those items are raised. All the action items in the Board materials had been discussed in detail during committee meetings held earlier that morning.

CONSIDERATION OF MINUTES (“Board of Trustees” Tab)
presented by Chair Gingo

By consensus, the proposed action to approve the minutes of the Board of Trustees meeting of December 9, 2020 was placed on the consent agenda.

RESOLUTION 2-1-21 (See Appendix B.)

REPORT OF THE FINANCE & ADMINISTRATION COMMITTEE

• Personnel Actions recommended by Dr. Miller as amended (Tab 1)

RESOLUTION 2-2-21 (See Appendix B.)

ACTION: Scala motion on behalf of Committee, passed 8-0
• Investment Report for the Quarter Ended December 31, 2020 (Tab 2)

Operating funds totaled $200.2 million. Endowments totaled $78.6 million, which reflected an increase in market value from June 30, 2020 of $10.9 million.

RESOLUTION 2-3-21 (See Appendix B.)

• Financial Report for the Six Months Ended December 31, 2020 and Revised Fiscal Year 2020-2021 Budgets (Tab 3)

The following revenue and expenditure totals were reported for the University's General Fund, Auxiliary Enterprises, and Departmental Sales and Services, including year-to-date comparisons to Fiscal Year 2020 and revised budget projections for the fiscal year ending June 30, 2021. The impact of various federal grants received by the University to offset expenditures or support University pandemic efforts had been incorporated into the revised budget projections, which also reflected smaller-than-budgeted combined enrollment decline and resulting higher-than-budgeted scholarships, as well as reduced campus utility costs and reinstated State Share of Instruction funding. The projections for June 30 shown below comprised the proposed revised Fiscal Year 2021 budget.

Revisions to University Rule 3359-20-05.1, Grading System, Discipline, Academic Probation and Dismissal (Tab 1)
Proposed modifications would remove language regarding repeating courses, since that language had been consolidated into Rule 3359-60-03.3, Repeating courses. The rule also would be amended to create separate President's List and Dean's List academic honors for part-time students, which is in line with practices at peer institutions.

Revisions to University Rule 3359-60-03.3, Repeating Courses (Tab 2)
The proposed revision would clarify that when a student repeats a course, only the grade for the last attempt at the course will be used in calculating the grade point average, which also is consistent with policies and practices at peer institutions.

RESOLUTION 2-12-21 (See Appendix B.)

CONSENT AGENDA VOTE

Mr. Gingo said that each of the items on the consent agenda had been thoroughly discussed at committee meetings held earlier that morning and had been recommended for approval by the appropriate committee, which also had approved the addition of the items to the consent agenda.

ACTION: Adkins motion, Ciraldo second for approval of Consent Agenda
Resolutions 2-1-21, 2-3-21 through 2-12-21 passed 8-0.
NEW BUSINESS

Mr. Gingo said that the Board would consider two items of new business. He then invited President Miller to present the first proposed action.

- Resolution Pertaining to Modifications to the Temporary Reduction of Employee Compensation (Tab 1)

President Miller made the following statement:

"The first item for discussion under new business is modifications to the temporary reduction of employee compensation. As you know, this Board authorized the University administration to institute a temporary, tiered reduction to annual base wages for several groups:

a) Non-bargaining unit staff and contract professionals earning in excess of $50,000 annually (and University employees subject to individual employment contracts, with whom modifications would be negotiated);

b) All non-bargaining unit faculty and academic administrators with faculty rank not subject to an individual employment contract and earning in excess of $50,000 annually; and

c) Members of the University administration, who accepted larger, temporary voluntary reductions in base wages.

Also, the Board approved memoranda of understanding between the University and the Communications Workers of America (CWA) Local 4302, which included agreements to temporarily reduce the annual base wages of the Staff Bargaining Unit and the Physical Operations Center Unit employees.

In addition, the Board approved a tentative agreement with the Fraternal Order of Police (FOP), which included a temporary tiered reduction of annual base wages for its members.

In light of the University’s revised budgetary projections impacted by the receipt of one-time governmental financial relief and other components, I am pleased to recommend to this Board approval of the resolution to return base wages to their July 1, 2020 levels for these impacted employees, consistent with a January 1, 2021 effective date, and further seek your approval to negotiate with the CWA, FOP and employees subject to individual employment agreements to take similar steps to restore annual base salaries to pre-reduction levels back to January 1, 2021.

I want to thank everyone for their shared sacrifice. We all appreciate the commitment of our University community and all of the efforts that have been made to adjust and adapt to these trying times. Mr. Chairman, I am happy to entertain any questions."

RESOLUTION 2-13-21 (See Appendix B.)
ACTION: Adkins motion, Ciraldo second, passed 8-0
• Board of Trustees 2021-2022 Regular Meeting Schedule and Submission of Materials (Tab 2)

A resolution was proposed to adopt the 2021-2022 regular meeting schedule for the Board of Trustees and its standing committees. The resolution also requires the secretary and assistant secretary of the Board to prepare and implement a schedule for submission of materials and information for Board meetings to the Board office so that each Trustee shall be able to receive same in a timely manner prior to each Board meeting.

RESOLUTION 2-14-21 (See Appendix B.)
ACTION: Adkins motion, Ciraldo second, passed 8-0.

GOOD OF THE ORDER/ANNOUNCEMENTS

Mr. Gingo offered a reminder that Advisory Trustee Dr. David James would deliver his final State of the Akron Public Schools address on the following day, Thursday, February 11, at noon via YouTube. He said that the Board office would be able to provide information to register and receive the online link.

Mr. Gingo then announced that the next regular meeting of the Board of Trustees would take place on Wednesday, April 21, 2021. An executive session would begin at 7:30 or 8:00 a.m. Committee meetings of the Board would take place on Friday, April 16.

THE UNIVERSITY OF AKRON

RESOLUTION 7-1-20

Approval of the Collective Bargaining Agreement between The University of Akron and the Communications Workers of America, Local 4302 (Physical Facilities Operations Center Unit)

WHEREAS, The University of Akron (the “University”) and the Communications Workers of America, Local 4302, Physical Facilities Operations Center Unit, (the “CWA Unit”) (collectively the “Parties”) entered into a Collective Bargaining Agreement (“CBA”) with an effective term of May 1, 2016 through April 30, 2020; and

WHEREAS, The Parties executed two contract extensions, extending the terms of the CBA until June 30, 2020; and

WHEREAS, The negotiating teams for the Parties have reached agreement on a Memorandum of Understanding (attached), which will extend the term of the CBA until June 30, 2021 and will modify other terms and conditions of the CBA during the term of extension; and

WHEREAS, This Memorandum of Understanding has been approved by a majority vote of the CWA Unit membership; Now, Therefore,

BE IT RESOLVED, That the proposed Memorandum of Understanding presented by the University's negotiating team, agreed to by a majority vote of the CWA Unit membership, and containing all of the tentative agreements and memoranda of understanding reached between the respective negotiating committees of the University and the CWA Unit is approved by the Board of Trustees of The University of Akron for a term effective July 1, 2020 through June 30, 2021, and that the Vice President and General Counsel is authorized to execute the necessary documents to effectuate the Agreement on behalf of the Board of Trustees.

M. Celeste Cook, Secretary
Board of Trustees

July 15, 2020
Memorandum of Understanding

The University of Akron ("University") and the Communications Workers of America, Local 4302 ("CWA"), agree that, except otherwise provided below, for a one (1) year period, beginning on July 1, 2020 and ending June 30, 2021, for the bargaining unit certified by the State Employment Relations Board (SERB) on January 10, 1985 in Case No. 84-RC-04-0794 (aka the "CWA Unit"), as follows:

On January 30, 2020, the International Health Regulations Emergency Committee of the World Health Organization (WHO) declared the outbreak of COVID-19 a public health emergency and on March 9, 2020, Governor Mike DeWine issued executive order 2020-010, declaring a State of Emergency.

As a result of the Governor's reduction in state funding for fiscal year 2020, as well as the projected reduction in state funding for fiscal year 2021, and other financial losses resulting from the COVID-19 pandemic, the University projects a revenue shortfall of approximately $65 million for fiscal year 2021.

Recognizing the University's current financial situation, and to assist the University with the budget shortfall, and in sharing the sacrifice of non-bargaining unit University employees, the CWA Unit agrees to the following regarding wages and other terms and conditions of employment.

Wages

The CWA Unit agrees to accept an across-the-board, wage reduction of three-quarters of one percent (.75%) for the 2021 fiscal year (July 1, 2020 through June 30, 2021). The first pay period of the 2021 fiscal year was effective on June 22, 2020, therefore the employees in the CWA agree to accept the voluntary wage reduction beginning on that date.

Health Insurance Premiums

As a result of the savings gained from the voluntary wage reductions, above, there will be no increase in the CWA Unit employees' percentage of health insurance premium contributions. This arrangement is different (i.e. more favorable) to the CWA Unit than that for other, non-bargaining unit employees. The parties agree to revisit the issue of Health Insurance Premiums for the 2022 fiscal year.

Furloughs

The CWA Unit agrees to permit the University to implement up to two (2) furlough days per month (maximum 24 furlough days for the 2021 fiscal year). The furlough would be implemented consistent with University Rule 3359-11-02.1, with the exception as to the total number of days.

Retiree Spouse and Dependent Healthcare Coverage

Effective January 1, 2021, the CWA Unit agrees to permanent discontinuation of the retiree spouse and dependent healthcare coverage benefit. This change is consistent with the discontinuation of this benefit for the non-bargaining unit University employees.

Retirement

1
The employees in the CWA Unit, along with other non-bargaining unit employees, were given the opportunity to retire on or before January 1, 2021 so long as they documented their intention to retire prior to June 30, 2020.

**The Collective Bargaining Agreement**

The parties agree that, with the exception of the deletion of Article 4, Section 6 as a result of the Janus court decision and the modification to Article 35, Section 4(A) regarding health care premium contributions, the terms and conditions contained in Collective Bargaining Agreement, effective May 1, 2019 through April 30, 2020, as was mutually extended through June 30, 2020, shall remain in place for the duration of the this MOU and that said agreement will remain in full force and effect until midnight on June 30, 2021. The parties agree to follow Article 36, Duration, to negotiate a successor agreement.

This MOU and Collective Bargaining Agreement are contingent on the ratification by the CWA Bargaining Unit and the approval of the University Board of Trustees.

IN WITNESS WHEREOF, the parties have caused this Memorandum of Understanding to be made effective this 6 day of July, 2020.

The University of Akron ("University") and the Communications Workers of America, Local 4302 ("CWA"), agree that, except otherwise provided below, for a one (1) year period, beginning on July 1, 2020 and ending June 30, 2021, for the bargaining unit certified by the State Employment Relations Board (SERB) on March 14, 2013 in Case No. 2012-REP-10-0115 (aka the "SBU Unit"), as follows:

On January 30, 2020, the International Health Regulations Emergency Committee of the World Health Organization (WHO) declared the outbreak of COVID-19 a public health emergency and on March 9, 2020, Governor Mike DeWine issued executive order 2020-01D, declaring a State of Emergency.

As a result of the Governors reduction in state funding for fiscal year 2020, as well as the projected reduction in state funding for fiscal year 2021, and other financial losses resulting from the COVID-19 pandemic, the University projects a revenue shortfall of approximately $65 million for fiscal year 2021.

Recognizing the University's current financial situation, and to assist the University with the budget shortfall, and in sharing the sacrifice of non-bargaining unit University employees, the SBU Unit agrees to the following regarding wages and other terms and conditions of employment.

Wages

The SBU Unit agrees to accept an across-the-board, wage reduction of one percent (1%) for the 2021 fiscal year (July 1, 2020 through June 30, 2021). The first pay period of the 2021 fiscal year was effective on June 22, 2020, therefore the employees in the SBU unit employees agree to accept the voluntary wage reduction beginning on that date.

Health Insurance Premiums

As a result of the savings gained from the voluntary wage reductions, above, there will be no increase in the SBU Unit employees’ percentage of health insurance premium contributions. This arrangement is different (i.e. more favorable) to the SBU Unit than that for other, non-bargaining unit employees. The parties agree to revisit the issue of Health Insurance Premiums for the 2022 fiscal year.

Furloughs

The SBU Unit agrees to permit the University to implement up to two (2) furlough days per month (maximum 24 furlough days for the 2021 fiscal year). The furloughs would be implemented consistent with University Rule 3359-11-02.1, with the exception as to the total number of days.

Retiree Spouse and Dependent Healthcare Coverage

Effective January 1, 2021, the SBU Unit agrees to the permanent discontinuation of the retiree spouse and dependent healthcare coverage benefit. This change is consistent with the discontinuation of this benefit for the non-bargaining unit University employees.

Retirement
The employees in the SBU Unit, along with other non-bargaining unit employees, were given the opportunity to retire on or before January 1, 2021 so long as they documented their intention to retire prior to June 30, 2020.

**The Collective Bargaining Agreement**

The parties agree that, with the exception of the deletion of Article 2, Section 6 as a result of the Janus court decision and the modification to Article 34 (Insurance) regarding health care premium contributions, the terms and conditions contained in Collective Bargaining Agreement, effective May 1, 2019 through April 30, 2020, as was mutually extended through June 30, 2020, shall remain in place for the duration of the this MOU and that said agreement will remain in full force and effect until midnight on June 30, 2021. The parties agree to follow Article 35, Duration, to negotiate a successor agreement.

This MOU and Collective Bargaining Agreement are contingent on the ratification by the SBU Bargaining Unit and the University Board of Trustees.

July 15, 2020
TENTATIVE AGREEMENT BETWEEN THE UNIVERSITY OF AKRON AND THE FRATERNAL ORDER OF POLICE, OHIO LABOR COUNCIL, INC.

The University of Akron ("University") and the Fraternal Order of Police, Ohio Labor Council, Inc. ("FOP"), agree to a one (1) year extension of the current Collective Bargaining Agreement ("CBA"), beginning on July 1, 2020 and ending June 30, 2021.

On January 30, 2020, the International Health Regulations Emergency Committee of the World Health Organization (WHO) declared the outbreak of COVID-19 a public health emergency and on March 9, 2020, Governor Mike DeWine issued executive order 2020-01D, declaring a State of Emergency.

As a result of the Governor's reduction in state funding for fiscal year 2020, as well as the projected reduction in state funding for fiscal year 2021, and other financial losses resulting from the COVID-19 pandemic, the University projects a revenue shortfall of approximately $65 million for fiscal year 2021.

The Collective Bargaining Agreement

Recognizing the University's current financial situation, and to assist the University with the significant budget shortfall, and in sharing the sacrifice of other bargaining unit and non-bargaining unit University employees, the parties agree to extend the terms of current Collective Bargaining Agreement ("CBA") for one year, with the following modifications:

Article 3, Section 3.5: Strike/Eliminate Entire Section based on Janus Supreme Court decision.

Article 7, Section 7.1: No bargaining unit member shall, for disciplinary reason, be reduced in pay or position, suspended, discharged, or removed except for just cause, including any violation of University and Police Department work rules. When appropriate, the University shall utilize the principal of progressive discipline in an effort to correct misconduct.

Article 7, Section 7.7: (new language): In disciplining an employee, the University shall not rely upon instances of first step written warnings which are more than twelve (12) months old or instances of suspension, with or without pay, which are more than twenty-four (24) months old.

Article 9, Section 9.2: All newly-appointed Police Officer 1 employees bargaining unit members will be considered probationary employees for the first twelve (12) months in active pay status with the University and during such period shall have no recourse to the grievance and arbitration procedure for the purpose of challenging any discipline or discharge; shall have no ability to exercise the application of seniority; and are employed at the sole discretion of the University. Upon the successful completion of the probationary period, seniority will be retroactive to the employee's date of appointment and said probationary employees shall become Police Officer 2 employees.

Article 10, Section 10.5: A laid-off bargaining unit member will retain recall rights for a period of twenty-four (24) twelve (12) months from the effective date of the layoff. The recalled employee
shall have five (5) calendar days following the date of the recall notice to notify the University of
the intention to return to work and must return to work on the date established by the University,
which shall be not less than ten (10) days after the date of notice of recall, unless the University
and the employee mutually agree to a different date. The laid off bargaining unit member shall
remain in good standing and be responsible for maintaining all necessary certifications and
training requirements during the entire term of the recall period.

Article 12, Section 12.4 (new language): Upon request of a bargaining unit member, disciplinary
records more than twenty-four (24) months old shall not be maintained in the employee
personnel file and shall instead be maintained in a separate inactive disciplinary file to await
destruction as prescribed by the University’s records retention policy.

Article 19, Section 19.1: See modified language in the Memorandum of Understanding
(“MOU”) attached hereto.

Article 24, Section 24.2: When a vacancy occurs in a Sergeant’s or Lieutenant’s position and
the Chief of Police intends to fill the position, a notice of vacancy shall be posted on the bulletin
boards where employee notices are usually posted for seven (7) calendar days prior to filling the
vacancy. Written application must be received by the close of business on the last regular
business day (Monday-Friday) prior to the end of the seven (7) calendar day period. The posting
shall contain a description of the position to be filled, basic and special qualifications required,
and work shift. Vacancies shall be awarded in accordance with University procedures. The
University agrees to meet and confer with the labor-management committee prior to posting
any such Sergeant or Lieutenant’s position.

Article 28, Section 28.1: The University will continue to provide the following items to
bargaining unit members:

1. Duty weapon
2. Duty ammunition
3. Badges
4. Patches
5. Protective Vests (Vests shall be replaced upon the specified time frames recommended by the
manufacturer). The University and the Union shall, through collaboration of the labor-
management committee, mutually determine the protective vest(s) (i.e. protection level, style and
type) to be utilized. Bargaining unit members shall be provided protective vests of similar
protection level, style, type and cost of the protective vests provided to non-bargaining unit
employees (i.e. the command staff). The ultimate decision regarding protective vest shall rest with
the University. The protective level of new vests will be level 2. Two carriers will be provided for
the officer, one internal carrier and one external carrier.

Article 30, Section 30.4 (new language): Field Training Officer (FTO). Bargaining unit members
who are designated as an FTO shall be compensated with one (1) additional hour of pay at the
regular rate for each shift acting as an FTO.

Article 32, Section 32.2: The Chief of Police will post available shifts and schedules and
bargaining unit members will be permitted to express shift preference based on seniority once per year (January) of each year of this Agreement. Seniority will prevail in shift assignments unless disapproved by the Chief of Police, however selections for shifts based on seniority shall not be unreasonably denied. The University agrees to meet and confer with the labor-management committee before the posting of shifts and schedules.

*Article 34:* The Duration of this Agreement shall be from July 1, 2020 through June 30, 2021. The parties mutually agree that upon expiration of this agreement on June 30, 2021, the parties shall continue to abide by the full force and effect of all terms and conditions of the CBA, as modified hereinabove, until such time that the parties reach an agreement to either terminate, modify or negotiate a successor collective bargaining agreement.

This Tentative Agreement extending the Collective Bargaining Agreement are contingent on the ratification by the FOP Bargaining Unit and the University Board of Trustees.

IN WITNESS WHEREOF, the parties have caused this Tentative Agreement to be made effective as of the dates written below.

The University will provide any laid-off employee (and his/her dependents) with the same fee remission benefits offered to then current employees for up to four (4) years from the date of layoff to allow completion of any degree program in which they are currently enrolled, so long as there is no break in attendance. The University shall provide any laid-off employee (and his/her dependents) with the same fee remission benefits offered to then current employees for up to one (1) year for any laid-off employee (and his/her dependents) who is currently enrolled in classes for the first time for the Fall 2020 semester.

No Contracting

The University agrees that for the duration of this MOU, it shall not contract out bargaining unit work except in cases of special events (e.g., sporting events, concerts, etc.), emergency situations, to provide adequate protection of University property (e.g., a University garage, an outlying building, especially valuable property, campus disruption, etc.).

APPENDIX K: REPORT OF THE PRESIDENT

Thank you, Chairman Gingo, and thank you all for your service on this Board.

If I could just add a word of personal privilege regarding Phil Maynard, whom we mourn today, Phil was very kind to me when I first came to the University. He met with me for lunch two or three times to talk with me about the University and the community and answer my questions. I have always appreciated that kindness, and I will miss him.

I also want to add my gratitude to all the people who worked on behalf of the University and on behalf of the Akron-AAUP to come to a tentative agreement. It is appropriate that we will have nothing to say about this agreement until it is approved by the Akron-AAUP membership, but I am incredibly grateful for the energy and creativity of our negotiating team. I want to say here publicly how deeply appreciative I am of the professional and collegial spirit of the union and their negotiating team, so thank you all.

University Highlights

We have a lot going on at the University, even though we are in the midst of the COVID-19 pandemic, and it is my great honor today to give you some updates on what is happening at the University and with some of our people.

• The University and four partnering community colleges received a two-year OhioCorps Pilot Grant from the Ohio Department of Higher Education, valued at more than $345,000. This program will help develop mentorship programs providing pathways to higher education for at-risk secondary students in our region. We are very excited about that.

• We reaffirmed our commitment to The LeBron James Family Foundation's I Promise students by introducing the Zips Promise Scholarship. This new scholarship, valued at more than $13,000 per year, will offer housing and meals for up to four years of study to five first-time, full-time students from the I Promise program's class of 2021. We are very excited about that.

• The University is one of the first higher education institutions worldwide, and one of only two in Ohio, participating in the new Microsoft Learn for Educators program. The program offers students a unique opportunity to learn about new and emerging cloud-based platforms from Microsoft, such as Microsoft Azure. Upon completion of the program, our students will obtain industry-recognized Microsoft credentials and certificates, boosting their employability and market value.

College, Program and Athletics

• We are very proud of the College of Business Administration, which was ranked among the top-100 undergraduate business schools in the country and fourth in Ohio in a recent 2021 ranking. The college moved up 19 places from last year's ranking in the Poets&Quants for Undergrads ranking system. The College ranked Number 76 overall and in the top 50 among public schools. Our strongest category ranking was employment outcomes based on students' internship rate, job placement rate, and starting salaries. Only schools accredited by the
AACSB were eligible for this ranking, and I want to remind you that The University of Akron's College of Business Administration is among approximately one percent of business schools worldwide holding dual AACSB accreditation in business and accounting. We are very proud of that.

I also want to mention a recent event at the College of Business Administration that Georgia and I attended. The College celebrated the unveiling of a commissioned painting done by alumnus and local artist Matt Miller, which had been mounted above the stairway in the Anthony J. Alexander Professional Development Center. Aptly titled "Fiat Lux," it is a wonderful, 8-by-6-foot painting featuring the Greek god Mercury bearing a torch, symbolizing the University's bright and hopeful future. The painting was commissioned by Dean Susan Hanlon and her husband Bill, who also graciously donated the funds to purchase the painting. We really appreciate their work in celebration of the University's sesquicentennial and to give back to the College of Business Administration.

- Our **Emerging Leaders** program in the Department of Residence Life and Housing received a newly established award from the Association for the Promotion of Campus Activities. The program received the Association's first Leadership Training of the Year award, honoring the program's exemplary leadership training for students. The Emerging Leaders program has received numerous awards since its inception in 2001. We are very proud of that group.

- We also are very proud of our student-athletes. Despite unprecedented academic and athletic challenges this past year, our **athletic teams collectively earned a cumulative GPA of 3.385** last fall, with every team earning a GPA of 3.0 or better. Seven programs posted their highest single-semester GPA in the past ten years, including the women's volleyball team, which earned a program-best 3.807 team GPA. Moreover, 14 percent of our student-athletes, or 64 students, recorded a perfect GPA of 4.0. These student-athletes are a great group of leaders!

- Our Esports program, **Zips Esports**, hosted a 48-hour livestream event—only Esports people can stay up 48 hours at a time—to raise $3,500. The funds were used to purchase a GO Kart, which is a portable video game kiosk, from the nonprofit Gamers Outreach for the Akron Children's Hospital. This portable game kiosk will allow children receiving medical treatment to enjoy gaming while they are in the hospital. What a great service!

**Individuals**

- **Dr. Nita Sahai, professor and Ohio Research Scholar in the School of Polymer Science and Polymer Engineering** was featured in a recent documentary about meteorites. The film, titled "Fireball: Visitors from Darker Worlds," was co-directed by acclaimed filmmaker Werner Herzog and Dr. Clive Oppenheimer, and holds a 98-percent critics' approval rating on the review aggregator Rotten Tomatoes.
APPENDIX K: REPORT OF THE PRESIDENT, Page 3

- A student research team led by Dr. Amelia Zhou, assistant professor of Chemical, Biomolecular, and Corrosion Engineering received a $25,000 grant from the U.S. Environmental Protection Agency. The grant supports Dr. Zhou's work on developing an environmentally friendly alternative to polyurethane coatings, which are traditionally produced using hazardous and toxic chemicals.

- Dr. David Bastidas, associate professor of Chemical, Biomolecular, and Corrosion Engineering was honored with a 2020 National Concrete and Corrosion Award from the National Center for Education and Research on Corrosion and Materials Performance. The award recognizes his work as an educator and researcher in developing corrosion inhibitors for concrete steel structures.

- Dr. Christin Seher, co-director of UA's EXL Center and an associate professor of practice in the School of Nutrition and Dietetics was recently recognized for her work on diversity, equity, and inclusion related to dietetics. Dr. Seher earned first place in the Innovations in Nutrition and Dietetics Education and Practice session at the Food and Nutrition Conference and Expo, the world's largest gathering of food and nutrition experts.

- Dr. Erin Miller, professor of instruction in the School of Speech-Language Pathology and Audiology was given the Honors of the Academy award by the American Academy of Audiology. This award, given to individuals who have made notable contributions in the field, acknowledges Dr. Miller's outstanding record of professional service and leadership on more than 60 committees and councils. She has served on the Academy's board of directors and is a past president of the Academy. This is a great example of how our faculty provides service in the community and in their disciplines.

- Kalie Jenkins, assistant athletics trainer at UA and her former colleague, John Walters, recently were given the Lifesaving Award for Professional Responders by the American Red Cross of Greater Akron and the Mahoning Valley. Jenkins and Walters administered CPR to an ill spectator at an indoor track meet at the Stile Athletics Field House in January 2020. This pair provided life support until first responders arrived on the scene, and, as a result, that spectator has made a full recovery.

- Akron Law Professor Camilla Hrdy presented her essay, "Enabling Science Fiction," co-authored with former Akron Law Professor Daniel Brean, at last month's Association of American Law Schools' panel, "Science Fiction and the Law." The essay explores the fascinating parallels between intellectual property and patent law and science fiction, with respect to real and fictional inventions.

- Dr. John Green, former interim president of The University of Akron and director emeritus of The Ray C. Bliss Institute of Applied Politics continues his productive ways. He recently co-authored and published a new book with Cambridge University Press titled Secular Surge: A New Fault Line in American Politics. The book examines the political causes and consequences of the rise of secularism in American society. We congratulate Dr. Green on his continued work and wish him well.
APPENDIX K: REPORT OF THE PRESIDENT, Page 4

- **Dr. Robert Williams**, senior lecturer who teaches Technology and Human Values recently flew the Zips flag in England. He presented his paper, "Garrison State Interventionism in U.S. Politics," at the 47th Conference of the American Politics Group of the UK Political Studies Association, held virtually by the University of Kent in England.

- **Dr. Dimitria Gatzia**, professor of Philosophy published and co-edited a book titled *The Philosophy and Psychology of Ambivalence: Being of Two Minds* with Routledge Studies in Contemporary Philosophy. The book is a collection of original essays by top scholars, including Gatzia, addressing agency and ambivalence with respect to rationality, knowledge, autonomy, self-governance, well-being, and social cognition.

- **David Szalay**, professor of Art illustrated a soon-to-be published, nonfiction picture book about William J. Wilgus, the engineer responsible for designing and constructing New York City's Grand Central Terminal. Szalay, known for his whimsical illustrations in children's books, has won numerous awards in advertising and illustration competitions.

- **Dr. Ann Usher**, associate dean for Arts and Humanities in the Buchtel College of Arts and Sciences and coordinator of music education has been appointed to the Board of Directors of the National Center for Choreography at The University of Akron. We are very proud of her work. She has directed the Cleveland Orchestra Children's Chorus for 20 years and taught in public schools in the Cleveland area for 10 years.

- This past year, four students and alumnae from our nationally renowned Industrial/Organizational Psychology program won major scholarship and teaching awards.
  
  - **Ph.D. students Ketaki Sodhi and Catalina Flores** won awards from the Society for Industrial and Organizational Psychology supporting their dissertation work on feedback seeking.
  
  - **Alumnae Dr. Alexandra Zelin and Dr. Allison Gabriel** won awards recognizing their professional achievements from the American Psychological Association and the Academy of Management, respectively.

Mr. Chairman and members of the Board, I hope you agree that we have a fantastic University with great faculty who remain productive and committed to our students and to their disciplines, and we should all be very proud. Thank you very much.

Mr. Gingo called the meeting to order at 10:30 a.m. The meeting included in-person attendees and others present via teleconference or live stream in accordance with provisions of Ohio government pandemic orders and legislation. The Board adjourned into executive session on a 7-0 vote for the purposes of reviewing for collective bargaining sessions pursuant to O.R.C. 121.22(G)(4). The meeting returned to public session at 10:55 a.m. on an 8-0 vote.

NEW BUSINESS

• Approval of the Collective Bargaining Agreements Between The University of Akron and The University of Akron Chapter, American Association of University Professors (Akron-AAUP)

Mr. Gingo made the following statement:

"On behalf of The University of Akron's Board of Trustees, I want to express how pleased we are that the agreement has been ratified with such overwhelming support. I want to thank the membership of the Akron-AAUP and the University’s administration for their collective efforts throughout this process. This agreement brings stability to the institution and renews a spirit of cooperation for the benefit of our campus community and, most importantly, our students."

Chairman Gingo then invited President Miller to comment. President Miller made the following statement:

"Thank you, Mr. Chairman. I just want to take a point of privilege here to congratulate our Student Trustee Taylor Bennington, who was on Akron Law's Trial Team that just won the Texas Young Lawyer Association national competition, so congratulations to Mr. Bennington.

Mr. Chairman, shortly this morning after this meeting ends, we will have a press conference, and I will make some detailed remarks at that time. For the moment, though, I want to echo what you have said. We believe this agreement will give the University the stability and collaborative environment it needs to grow and find even better ways to meet the needs of our students and sustain our faculty and staff."

1 133rd General Assembly, Substitute House Bill Number 404
I do want to take this opportunity, Mr. Chairman, to extend my deepest appreciation to you and members of this Board. Section 3. Bargaining unit faculty are entitled to freedom in the classroom (including the virtual classroom) in discussing their subject, but they should be careful not to introduce into their teaching controversial matter that has no relation to their subject.

Section 4. College and University faculty are citizens, members of a learned profession, and members of an educational institution. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As scholars and members of the institution, they should remember that the public may judge their profession and their institution by their utterances. Hence they should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that they are not speaking for the institution.

Section 5.

A. Members of the bargaining unit, guided by a deep conviction of the worth and dignity of the advancement of knowledge, shall recognize the special responsibilities placed upon them. Their primary responsibility to their subject is to seek and state the truth as they see it. To this end bargaining unit faculty shall devote their energies to developing and improving their scholarly competence. They have an obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge. They shall practice intellectual honesty. Members of the bargaining unit shall not discriminate against or harass colleagues. They shall respect and defend the free inquiry of associates. In the exchange of criticism and ideas bargaining unit faculty shall show due respect for the opinions of others. Bargaining unit faculty shall acknowledge academic debts and strive to be objective in their professional judgment of colleagues.

ARTICLE 10
GOVERNANCE

Section 1. Board of Trustees

The government of the University is vested in a board of eleven trustees who shall be appointed by the Governor, with the advice and consent of the Ohio Senate. The authority of government vested by law in the Board shall in fact be exercised by the Board. The Board may consult with Faculty Senate about shared collegial academic governance in such fundamental areas as curriculum, subject matter and methods of instruction, and faculty research. Administrative decisions about the utilization of available resources, organizational structure, the operation and staffing of all auxiliary facilities, and administrative personnel shall be the exclusive prerogative of the Board, consistent with Article 3 (Management Rights).

Notwithstanding the exclusive right of Akron-AAUP to negotiate and reach agreement on terms and conditions of employment, recognized in Article 2 (Recognition), and the right of the University to carry out its ordinary and customary functions of management, recognized in Article 3 (Management Rights), the parties agree that it is mutually desirable that the collegial system of shared academic governance be maintained and strengthened so that faculty will have a mechanism and procedures, independent of collective bargaining, for appropriate participation in the governance of the University.

The Board and Akron-AAUP recognize that interdependence among the constituents of the University serves to enhance the University's ability to address educational issues
and that this interdependence necessitates that bargaining unit faculty and others have roles in: (a) the selection of the President, the Provost, academic deans, and department chairs/school directors, and (b) the performance reviews of the academic deans, and department chairs/school directors. The recommendation for the positions of academic deans, and department chairs/school directors, to the Board shall be the responsibility of the President. Such recommendation shall be made with the advice of, in consultation with, and with participation of the appropriate bargaining unit faculty as set out below.

Section 2. Faculty Participation in the Selection of Deans in Degree-Granting Colleges, the Honors College, the Graduate School and University Libraries

The deans of degree-granting colleges, the Honors College, the Graduate School and University Libraries are appointed by the Board upon recommendation of the President through the Senior Vice President and Provost (“Provost”). They hold office at the discretion of the President, are responsible to the President through the Provost, and are selected as follows:

A. A search committee shall be appointed by the Provost.

1. The Provost meets with the chairs/school directors and other college academic administrators to assess strengths and areas of concern for the college.

2. Chairs/school directors and other academic administrators submit to the Provost a recommended list of at least five (5) potential college representatives to serve on the search committee. This list must contain at least three (3) bargaining unit faculty members.

3. College bargaining unit faculty submit to the Provost a recommended list of at least five (5) elected bargaining unit faculty member representatives to serve on the search committee.

4. The Provost will appoint a search committee, chaired by a dean, that will include at least two (2) bargaining unit faculty members from the list recommended by the chairs/school directors and at least two (2) others from the list of elected bargaining unit faculty. Other college, university, and/or community members will be appointed to represent the wide range of individual expertise in the college, including but not limited to, varying lengths of tenure with the University, excellence in teaching, research, and service especially in collaboration with other campus units and community partners, diversity of gender and ethnicity, and administrative and faculty roles.

B. The search committee evaluates candidates and provides their evaluation and recommendation to the Provost.
Section 3. Faculty Participation in the Review of Deans in Degree-Granting Colleges and University Libraries

The dean shall establish annual goals which shall be communicated to all members of the college. The Provost shall assess annually the performance of the dean measured against those goals.

A. Deans, and those who have served into their fourth (4th) year as Interim Deans, shall be subject to a more formal review every four (4) years. The review will be coordinated by an associate provost—Provost’s designee coordinating the review, shall be appointed by the Provost to serve as the chair of the committee.

1. A dean from another college, exclusive of excluding the associate provost—Provost's designee coordinating the review, shall be appointed by the Provost to serve as the chair of the committee.

2. At least one (1) member from the college contract professional constituency selected by the Provost from a list provided by the dean.

3. At least one (1) member from the college staff constituency selected by the Provost from a list provided by the dean.

4. At least four (4) members of the bargaining unit of whom at least three (3) are elected by the bargaining unit faculty and one is appointed by the Provost.

5. At least one (1) department chair/school director, where applicable, selected by the Provost from a list provided by the dean.

The review committee shall be established by end of week 7 of the fall semester. The Provost shall charge the review committee prior to the commencement of the review.

B. Deans under review shall provide to the review committee materials which are necessary and appropriate to the review process. These shall include a self-study by the dean under review, which details accomplishments of management and leadership, problems encountered and solutions provided thereto, and other issues perceived by the dean as germane to his/her performance. The self-study shall be made available to college faculty and staff before the end of week 7 of the fall semester.

C. The evaluation process shall include the opportunity for individual bargaining unit faculty to make professional written qualitative and summary evaluations of the dean, which are held anonymous to the extent permitted
by law. The review committee’s recommendation shall include a summary of the individual bargaining unit faculty's evaluations.

The committee’s evaluation shall be reported to the Provost and communicated to the dean by the Provost by the end of week 4 of the spring semester.

D. The Provost shall conduct an independent review of the dean taking into consideration the review committee’s report. The Provost shall then meet with the dean and convey the results of the Provost’s review. In the event the dean determines not to continue as dean following this meeting, the Provost shall communicate this decision to the review committee, the bargaining unit, contract professionals and staff of the college. Otherwise, the Provost shall meet with the review committee and convey the results of the Provost’s review in writing. By the end of week 7 of the spring semester, the results of the Provost’s review shall be communicated to the bargaining unit, contract professionals and staff of the college and shall include the Provost's recommendation for the dean.

Section 4. Faculty Participation in the Selection of Department Chairs/School Directors

Department chairs/school directors are appointed by the Board with the advice of and upon recommendation of bargaining unit faculty, the dean of the college, the Provost, and the President. Each shall be appointed for an initial term recommended by the President (but of not more than four (4) years); they hold office at the discretion of the President; they are responsible to the deans of their colleges; and they are the representatives and academic leaders of the departmental bargaining unit faculty.

A. When a vacancy occurs in an academic administrative appointment of department chair/school director, the dean confers with the Provost about the need for an interim appointment of a current employee because of timing and available resources to launch a search either nationally or internally for the next appointee to the position. No search process nor waiver is necessary in these circumstances; it is sufficient to make the availability of the position public along with any requirements for the interim appointee's qualifications and experience. The Provost and the dean will then construct a process that obtains the advice and conferral of the appropriate academic unit’s bargaining unit faculty, staff, and contract professionals.

B. A search committee shall be utilized regarding the permanent appointment of department chairs/school directors; each is selected and shall hold office as follows:

1. The search committee is appointed by the dean of the college. The
dean shall appoint at least two (2) committee members from a pool of bargaining unit faculty elected by the department, and the bargaining unit faculty, whether elected or appointed, shall constitute a majority of the committee. Other members will be appointed to represent the wide range of individual expertise in the college or department, including but not limited to, varying lengths of tenure with the University, excellence in teaching, research, and service especially in collaboration with other campus units and community partners, diversity of gender and ethnicity, and administrative and faculty roles.

2. The search committee evaluates candidates and provides their evaluation and recommendation to the dean. The evaluation process shall include the opportunity for individual bargaining unit faculty to make a written qualitative and summary evaluation of each candidate which are held anonymous to the extent permitted by law. The committee’s recommendation shall include a summary of the individual bargaining unit faculty’s evaluations. Whenever possible, the search committee should recommend multiple candidates.

C. Department chairs/ and school directors are selected by the appropriate dean, who, after providing a mechanism for discussion with the academic unit faculty (for example, a meeting with prior notice) and after consulting with the Provost, recommends the candidate for approval by the President and the Board. If the dean or President considers the appointment of someone not on the University faculty, that candidate, at the dean's invitation, usually visits the University and is interviewed by members of the department concerned academic unit faculty members and chairs of related departments academic units. In this case, the dean, after consulting with the bargaining unit faculty within the department and the Provost, may recommends the candidate for approval by the President and the Board.

Section 5. Faculty Participation in the Review of Department Chairs/School Directors

In consultation with the bargaining unit faculty of the department and with the concurrence of the dean, the chair/school director will establish annual goals. The dean shall assess annually the performance of the chair/school director measured against those goals and shall report the results of that assessment to the chair/school director and the departmental bargaining unit faculty.

During the final year of the department chair’s/ or school director’s term of appointment, those who wish to be considered for an additional term shall be subject to a formal performance review of the preceding term. The review shall also apply to those (regardless of primary title) who have served into their fourth (4th) year as interim
chair/director. This includes associate or assistant deans who have served into their fourth (4th) year as interim chair/director. In units without department chairs/school directors, evaluation of bargaining unit faculty may be the responsibility of a first-line academic administrator other than that of the dean. If this administrator is an associate or assistant dean, he/she shall be reviewed in the same manner as a chair/director. If this administrator is not an associate or assistant dean, he/she shall be selected and reviewed in the same manner as a chair/director. The review shall include:

A. A faculty review:

1. An evaluation of the chair’s/school director’s performance shall be conducted by a committee of four (4) members of the bargaining unit of the department: two (2) elected by the bargaining unit faculty, one (1) appointed by the dean, and one (1) appointed by the Provost.

2. The evaluation shall be conducted according to the process set forth in the college and departmental guidelines and approved by the dean and the Provost. Units without guidelines shall promptly prepare and submit them to the Provost.

3. The evaluation process shall include the opportunity for individual bargaining unit faculty to make professional written qualitative and summary evaluations of the chair/director, which are held anonymous to the extent permitted by law. The committee’s recommendation shall include a summary of the individual bargaining unit faculty’s evaluations.

4. The faculty review shall begin by the end of week 7 of the fall semester.

5. The committee shall report its recommendation to the dean after conferring with the bargaining unit faculty by a process established in the college’s guidelines, by the end of week 4 of the following spring semester.

B. A decanal review:

1. The dean shall conduct an independent evaluation of the department chair/school director by a method appropriate to the unit and approved by the Provost.

2. The results of the dean’s review shall be communicated to the chair/school director by the end of week 7 of the following spring semester. In the event the chair/school director administrator determines not to continue to serve in this capacity following this
meeting, the dean shall communicate this decision to the bargaining unit faculty by the end of week 7. Otherwise, the dean shall communicate to the bargaining unit the dean’s decision by the end of week 7.

Section 6. Faculty Participation in the Selection of the Senior Vice President and Provost and President

A. President

In recognition of the legitimate concerns and interests of bargaining unit faculty and their bargaining unit representative, the Akron-AAUP, when the University selects a President, the following shall occur.

1. Prior to the invitation for nominations or applications of candidates, the Akron-AAUP shall have the opportunity to meet with the presidential advisory and screening sub-committee of the Board of Trustees to provide input concerning the proposed criteria, process and scheduling for the search for the president, and to submit suggested criteria and direction to be provided to any third-party search firm.

2. A presidential search committee shall be formed which shall include at least, the Board of Trustees and the President of the Akron-AAUP. If any other non-Board of Trustees non-AAUP university constituency group has more than one representative on the presidential search committee, the AAUP shall have at least equal representation as any other university constituency group. All members of the search committee shall:
   • Participate equally in the search process, including with respect to asking questions of interviewees, discussing the strengths and weaknesses of candidates, and forwarding candidates through rounds of screenings;
   • Have access to all presidential search materials, documents and information;
   • Be included in all presidential search committee discussions held to evaluate the candidates.

3. The search committee shall recommend by consensus those individual(s) to be considered for employment as president by the Board of Trustees.

4. Members of the search committee who are not members of the Board of Trustees shall be required to execute a confidentiality agreement as a condition of participating on the search committee. The confidentiality agreement will relate to what occurs in the
process. Participants may disclose their reasons for support or non-support for the chosen candidate so long as the reasons stated don’t divulge something that occurred within the process or the reasons stated are based upon publicly available information. Participants may not disclose the names of any other candidates.

5. The final successful candidate shall be approved by a formal vote of the Board of Trustees at a public meeting.

B. Senior Vice President and Provost

In recognition of the legitimate concerns and interests of bargaining unit faculty and their bargaining unit representative, the Akron-AAUP, when the University selects either a Provost or President, the following shall occur: bargaining unit shall participate in that selection through a subcommittee composed of regular full-time non-administrative faculty, who shall have the opportunity to discuss orally with the full Board in executive session, their collective views with respect to each finalist candidate. This subcommittee shall include three (3) representatives selected by the Akron-AAUP.

1. Prior to the invitation for nominations or applications of candidates for Provost, the Akron-AAUP shall have the opportunity to provide input concerning the proposed criteria, process and scheduling for the search and to submit suggested criteria and direction to be provided to any third-party search firm.

2. The search committee shall include a representative of the Akron-AAUP.

3. The Akron AAUP representative shall be required to execute a confidentiality agreement the same as any executed by other members of the search committee who are not members of the Board of Trustees (substantially in the same form as the one used in the current Provost search) as a condition of participating on the search committee. The confidentiality agreement will relate to what occurs in the process. Participants may disclose their reasons for support or non-support for the chosen candidate so long as the reasons stated do not divulge search committee deliberations or the reasons stated are based upon publicly available information. Participants may not disclose the identities of any other candidates not otherwise publicly disclosed.
4. The search committee will review the candidates and interview semifinalist candidates confidentially off-site. The search committee will, by consensus, advance to the President the names of two to three individuals to be considered for the position of Provost.

5. Three Akron-AAUP members chosen by the Akron-AAUP will be given the opportunity to provide their collective views on the finalist candidates to the Board of Trustees in executive session.

Section 7. Compensation

The economic success of the University is, in part, dependent upon the productivity of faculty, and the faculty efforts to increase the revenue base upon which the University operates and grows. Special efforts of members of the bargaining unit that contribute to the economic success of the University shall be rewarded as provided in Article 16 (Compensation).

Section 78. Meetings between the President of Akron-AAUP and the Senior Vice President and Provost

The President of Akron-AAUP and the Provost, or their respective designees, shall meet as necessary to discuss implementation issues with respect to this Article and any other provision of this Agreement.

ARTICLE 11
INITIAL HIRE

The University and Akron-AAUP recognize
- that the preferred timeline to hire bargaining unit positions is to approve positions in the spring or summer, to begin searches by the early fall and to make offers by early spring, following the standard practices of academia;
- that all aspects of the search process should be conducted quickly and efficiently;
- that budgeting uncertainties and other issues, such as sudden retirements and resignations, may make it difficult or impossible to follow the preferred timeline for all searches, but that the timeline should be followed as often and as closely as possible; deviances from the preferred timeline are not grievable.

Section 1. Procedures for Appointment of Bargaining Unit Members

A. Academic Unit
For purposes of appointment the term “academic unit” is defined as one of the following:

1. A department or school where bargaining unit members hold a primary appointment;

2. A college without departments/schools where bargaining unit members hold a primary appointment. In such cases, the dean’s role shall substitute for that of the chair/director in the following procedures.

B. Bargaining Unit Member Eligibility

All tenured, tenure track and non-tenure track bargaining unit faculty are eligible to serve on the search committee and to vote on recommending and ranking of candidates.

C. Search Committee

1. The minimum size of the search committee is three (3) members. At least sixty percent (60%) of the members of the search committee must be elected by and from among the bargaining unit faculty.

2. Any search committee members from outside the academic unit are eligible to vote on the departmental recommendation.

D. Position Approval Process

1. The academic unit, with approval of the dean, shall submit a Position Request to the Dean for a bargaining unit position to be forwarded to the Provost by the beginning of the fall semester or by the end of week ten (10) of the Spring semester, whenever possible. The academic unit chair/director is responsible for providing a mechanism (for example, a meeting with prior notice, or an email exchange) for discussion within the academic unit to develop the request. If there is not a consensus, the academic unit may vote to finalize the search criteria. Once the criteria are finalized, the chair shall submit the Position Request, which shall include the job title, salary range, start date, and a suggested makeup of the search committee membership.

2. The Provost shall act to approve or modify the Position Request as soon as possible. The Provost (or designee) may request further information or clarification from the dean and/or academic unit
Approval of the Position Request may include the addition of committee members (in compliance with the membership ratio defined in Section 1C).

23. If the Provost approves, the search committee shall be formed and convened as soon as possible.

34. The search committee shall elect a chair from its members.

45. The search committee shall develop a search plan that includes a list of search criteria, and the proposed advertisement, and the proposed search expenses. The department chair/director shall approve or amend the budget and identify source(s) of funding. The search plan shall be approved by the academic unit. The search plan shall be submitted to the Provost-Dean for approval. The Provost Dean shall submit the search plan to the Provost for approval. The Provost shall act to approve or modify the search plan as soon as possible. The Provost (or designee) may request further information or clarification from the dean and/or academic unit chair/director. Any other substantive modification, such as altering the search criteria or advertisement, must be approved by a majority of the bargaining unit faculty in the academic unit.

6. The proposed advertisement should contain the following information:

a. the expected rank and starting date;

b. a statement on the discipline areas sought by the department;

c. applicant degree requirements;

d. a statement on teaching and research expectations;

e. list of required submission materials;

f. an indication of when the review process begins;

g. appropriate EEO statements;

h. department and/or university web URLs.

57. Approved search plans shall be submitted by the Provost to Human Resources for approval. If changes to the search plan are recommended, representatives from this office shall communicate the issue/s and discuss changes to the search plan with the search committee chair as soon as possible.

68. All search committee members must complete HR training before screening the applications.
After the search plan has been approved, it cannot be changed without the approval of the administration and a simple majority of the bargaining unit faculty of the academic unit.

Once advertisements are approved, they shall be submitted to the appropriate advertising venues as soon as possible.

E. Search Process

1. The search committee shall execute the approved search plan in conformity with legal requirements and academic unit guidelines.

2. Applications, held as confidential by the committee, shall be screened and those that do not meet the minimum criteria stated on the search plan shall be eliminated from the pool. The final pool of candidates meeting the minimum criteria may, if the number of applications is large, be reduced to a “short list”. This reduction process results in a smaller pool of candidates who will be part of phone or virtual interviews before on-campus visits. Following the phone or virtual interviews the committee shall recommend a final list, may involve, for example, reference checking and telephone interviews.

23. The short-final list, with a rationale as to why some candidates may have met the minimum criteria but are not being selected for on-campus interviews, shall be submitted to the academic unit chair/director and forwarded to the dean. If the chair/director and dean approve, the proposed short-final list shall be forwarded to the Provost. Should the chair/director or dean not approve, they shall confer immediately with the search committee to achieve a resolution. If the Provost approves, he/she shall forward the short final list and rationale to Human Resources for review of equal employment opportunity and other legal requirements.

4. Upon confirmation of legal requirements, the Office of Human Resources shall notify the academic unit chair/director and the search committee chair. The on-campus interview process shall commence upon such notification.

36. In the event that the Office of Human Resources determines that equal employment opportunity or other legal requirements have not been met, it shall inform the academic unit chair/director and the search committee chair immediately, and the search committee and a designee from Human Resources shall work jointly to resolve the issue as quickly as possible so that the search process may resume.
During the search process, the search committee may discuss current working conditions and reasonable expectations for applicants, but the search committee has no authority to make guarantees to applicants about future terms of employment, including workload and salary.

F. Academic unit approval of candidates

1. After the completion of the interview process, the search committee shall present its recommendation on the candidates to the academic unit in a meeting of the bargaining unit members; minority views of the search committee can be expressed.

2. After deliberation, the bargaining unit members and any external search committee members shall use secret ballots to determine whether to recommend or not recommend each candidate. A simple favorable majority vote of those present is required for a positive recommendation. The recommended candidates shall then be ranked.

3. It is not necessary to recommend more than one candidate per position. If there is more than one position involved in the search, the academic unit shall indicate which candidates are recommended for each position, and shall develop a ranking of recommended candidates for each position.

4. The search committee shall then generate a letter to the academic unit chair/director summarizing the academic unit recommendation for or against each candidate. The letter shall contain (i) a tally of the vote and ranking by the academic bargaining unit members, and (ii) a statement for each candidate that provides a rationale for the recommendation or non-recommendation of that candidate, which may include, for example, lists of perceived strengths and weaknesses of the candidates.

5. In cases of appointment at advanced rank with or without tenure, the supporting evidence in the academic unit recommendation shall indicate how the candidates meet the rank/tenure criteria, and shall reflect an additional positive vote, made only by those in the academic unit eligible to vote on said rank/tenure.

6. Upon receipt of the academic unit recommendation, the chair/director shall make a separate recommendation, considered sequential not hierarchical, and shall submit his/her
recommendation, as well as the academic unit recommendation and supporting evidence, to the dean. In colleges without departments, where the dean assumes the role of the chair/director, this step is omitted and the implementation of the process described below in Paragraph 1H occurs next.

G. College and University approval of candidates

1. Upon receipt of the academic unit and chair/director recommendations and supporting evidence, the dean shall make a separate recommendation, considered sequential, not hierarchical. If the top choice of the dean differs from the top choice of the academic unit, the dean shall meet with the academic unit and the chair/director as soon as possible to discuss these differences and attempt to achieve consensus.

After the meeting, the academic unit may prepare a statement to be included with the recommendations and supporting evidence, all of which shall be forwarded to the Provost by the dean. At this point, copies of the dean and chair/director recommendations shall be provided to the academic unit and search committee.

2. Upon receipt of the academic unit, chair/director and dean recommendations and supporting evidence, the Provost shall decide to make offers to any of the recommended candidates, or to declare a failed or reopened search.

3. If the Provost approves making offers to any of the candidates recommended for appointment by the academic unit, that information shall be transmitted to the dean. In the case of either a failed or reopened search, a rationale shall be provided by the Provost (or designee) to the dean, chair/director, academic unit, and the search committee. If approval to make an offer to a candidate is granted, the candidate shall be contacted by the dean and offered employment at the University pending approval of the Board. The Provost’s approval of, and countersignature on, all letters of offer are required.

4. Specific conditions of employment that were not previously discussed between the candidate and the dean, either during the on-campus interview or in discussions that lead to the final offer, cannot be attached to the offer.

5. The appointment of bargaining unit members is subject to the approval of the Board. No officer, dean, committee, or other such
entity shall have the authority to employ, set the compensation or other terms of employment except the Board. All offers of employment shall be subject to this condition.

H. The department chair/school director or the dean in colleges without departments shall provide a copy of the academic unit reappointment, tenure, and promotion guidelines and criteria and a copy of this Agreement to all newly appointed bargaining unit members.

I. The guidelines and criteria for individuals with joint appointments are by default those of their primary department for their first year. Thereafter, at the request of the individual, the departments may develop hybrid guidelines as prescribed under Article 13. These guidelines must be clearly specified at the time of hire, and these guidelines shall be determined jointly by the tenured bargaining unit faculty of both the primary and secondary academic units, in consultation with the corresponding academic unit chairs/directors, and with the concurrence of the corresponding dean/s and the Provost. The guidelines and criteria may be those of the primary academic unit or a well-defined hybrid of those of the primary and secondary academic units. The individual has the right to adopt the new hybrid guidelines or remain under their primary department guidelines.

Section 2. Nature of Appointment of Bargaining Unit Members

A. Unless the University has awarded tenure or a fixed-term contract, all appointments of full-time bargaining unit members are on an annual, temporary, or probationary basis, renewable each academic year at the discretion of the University.

B. The Board normally appoints all bargaining unit members for an initial period of one (1) academic year. In some cases, appointments for a period of more or less than one (1) academic year may be made, as in the case of initial appointments at midyear or emergency one (1) semester appointments.

1. Upon appointment every bargaining unit member receives from the Secretary of the Board a certificate or letter of appointment, stating the rank or designation appropriate to the bargaining unit member's status, annual salary or periodic salary if part-time, and length of appointment.

C. Without limiting the authority of the Board as conferred and defined by law to act in such matters upon its own motion, bargaining unit faculty shall be appointed by the Board upon recommendation of the Provost, and the President.
ARTICLE 12
GRIEVANCE AND ARBITRATION PROCEDURES

Section 1. Definitions

A. "Grievance": means any dispute between the University and the Akron-AAUP or between the University and a bargaining unit employee with respect to the interpretation, application, or violation of any of the provisions of this Agreement, subject to those exclusions appearing in other Articles in this Agreement.

B. "Grievant": means either a member of this bargaining unit or the Akron-AAUP, who or which, as the case may be, pursues a Grievance under this Article.

C. "Day": means Monday through Friday, when University classes are scheduled and in session.

D. "GCAO": means the Grievance and Contract Administration Officer of the Akron-AAUP, or his/her designee.

E. "AVPELR": means the person designated by the Provost, which shall be of a rank of Assistant Vice President or higher (or equivalent).

Section 2. Informal Resolution

A. Nothing contained in this Article will be construed to prevent the informal adjustment of any grievance. The parties agree that, whenever possible, disputes shall be resolved informally, and the parties encourage open communications so that resort to the formal grievance procedure will not be necessary. Prior to initiating a formal grievance, the Grievant and the appropriate University administrator (Provost, dean, and/or department chair/faculty coordinator with supervisory responsibility) shall make a reasonable effort to meet and adjust the grievance in an informal manner. Such required informal adjustment must occur within twenty (20) days after the occurrence of the events upon which it is based or within twenty (20) days after the Grievant knew, or through the exercise of reasonable diligence, should have known of the events on which it is based. Such informal adjustment shall continue for no less than fifteen (15) days after the initiation of the informal resolution process, after which either the Grievant or the University may terminate the process by giving notice to the other party.
B. While an individual Grievant has the right to be advised or assisted by the Akron-AAUP in attempting to secure informal resolution, such advice or assistance is not required. However, any resolution achieved without the Akron-AAUP’s assistance shall not be binding upon the Akron-AAUP or another bargaining unit member.

Section 3. Initiation of Formal Grievance

A. The formal grievance process shall be initiated by reducing the grievance to writing, signed and dated by the Grievant and/or the GCAO and two (2) copies will be presented to the AVPELR within twenty (20) days after the conclusion of the informal process set forth in Section 2, supra. The formal grievance document shall state the events upon which the grievance is based, the basis for the grievance, including the specific Articles and Sections of this Agreement or University rules or practices that are alleged to have been violated, and specify the relief and remedy sought and shall be submitted on forms, which shall be agreed to by the parties. However, the failure to comply with any of these specific requirements regarding the grievance document shall not be a basis for claiming that the grievance is untimely, or for denying the grievance so long as the missing information is provided at the initial meeting.

B. A grievance may be initiated at Step Two if all parties concur to initiate it at that level.

Section 4. Step One

Within ten (10) days of receiving the formal grievance document the AVPELR will schedule a Step One meeting involving the dean and/or the dean’s representative, the Grievant and the GCAO. The Step One meeting will occur at a time and place convenient to all parties and shall transpire no later than ten (10) days of the AVPELR receipt of the formal grievance document. Within ten (10) days after the Step One meeting, the AVPELR shall provide the GCAO and the Grievant with a written response.

Section 5. Step Two

If the GCAO and the Grievant are not satisfied with the AVPELR’s Step One response to the formal grievance, the formal grievance may be advanced to Step Two by the Akron-AAUP filing a written Notice of Appeal with the AVPELR within ten (10) days after the receipt by the Akron-AAUP of the Step One response. This Notice of Appeal shall state the reasons why the Step One disposition is not satisfactory. Within ten (10) days of receipt of such Notice of Appeal, a Step Two hearing, with the Provost and/or designees, the Grievant, and the GCAO, will be scheduled by the AVPELR. The Provost and the President of the Akron-AAUP may reasonably include other representatives in the meeting. The AVPELR shall send a written disposition of the formal grievance to both the
Grievant and the GCAO within ten (10) days following the conclusion of the Step Two hearing.

Section 6.  Arbitration

If the Akron-AAUP is not satisfied with the University’s Step Two written disposition, it may, at its sole discretion, within twenty (20) days of the receipt of the Step Two answer, appeal the grievance to arbitration. Any appeal to arbitration made hereunder shall be initiated by giving written notice of such appeal to the Federal Mediation and Conciliation Service (“FMCS”) and simultaneous written notice to the AVPELR.

A. Within five (5) days following receipt of a list of arbitrators, all of whom must be members of the National Academy of Arbitrators, from FMCS, if the arbitrator is not selected by mutual agreement, the parties will alternate in striking names until only one (1) name remains. Which party strikes first (1st) shall be determined by a flip of the coin, or as the parties otherwise may agree. If the arbitrator thus chosen cannot serve, the parties shall request a new list and begin the selection process anew. However, in the event either party finds the initial panel to be unacceptable, it may reject the same and request a new panel at its expense. The party which did not reject the first panel shall have the option of having the parties alternatively strike from the second panel only or from both panels.

B. The procedural format for arbitration shall be either: (a) the FMCS rules for voluntary labor arbitration or (b) the FMCS rules for expedited labor arbitration. If the parties cannot agree in advance of the date the notice of appeal to arbitration is to be filed, as to the procedural format to be followed, the arbitration shall be conducted under the FMCS rules for voluntary labor arbitration.

C. Two (2) days prior to the hearing, the parties will exchange the names of all witnesses to be called and exhibits to be introduced during their case in chief.

Section 7.  Arbitrator’s Authority and Decision

A. The arbitrator shall have no authority to vary the procedures (including any time limit) prescribed herein or otherwise to add to, subtract from, or modify the terms of the Agreement. The arbitrator’s task shall be to interpret the specific provisions which the Grievant or GCAO allege that the University has violated.

B. The arbitrator’s decision will be rendered in writing within thirty (30) days of the close of the hearing or twenty (20) days from his/her receipt of the briefs, whichever is later, unless the parties mutually agree to a later award.
C. Arbitration awards shall be in writing and shall explain the reasons for the arbitrator's decision. The arbitrator's decision will be final and binding on the University and Akron-AAUP and may be enforced in any court of competent jurisdiction. If either party seeks clarification of the arbitrator's decision or seeks to request the arbitrator's assistance regarding implementation of the remedy, any such communication to the arbitrator shall be done jointly by the parties.

Section 8. Arbitration Procedures

A. If the procedural arbitrability of the grievance is challenged, the issue of procedural arbitrability shall be heard and decided by written opinion before the grievance is heard on its merits.

B. The arbitrator shall not hear multiple grievances in the same hearing unless the issues are identical or the parties mutually agree otherwise.

C. The grievant shall be restricted to the specific Agreement violation alleged in the grievance and the documents relating to Steps 1 and 2.

D. Either party shall have the right to have the hearing transcribed at its cost and to submit a post-hearing brief.

E. In disciplinary cases, evidence of all relevant prior offenses or misconduct shall be admissible.

F. The arbitrator shall not consider any statement made by a federal or state mediator unless made at the table to both parties.

G. The University and the Akron-AAUP will bear their own grievance process and arbitration expenses individually and share the arbitrator's fee and expenses equally.

Section 9. Time Limits

A. Time limits in the steps may be shortened or extended by mutual written agreement of both parties. Any such extension or contraction does not constitute a waiver of the right to insist on the time limits on any other grievance or arbitration.

B. Failure of either party to abide by the time limits shall result, at the other party's option, in the advancement of the grievance to the next level, or, upon five (5) days written notice, acceptance of the party's position which last responded, unless the other party further responds within the five (5) day period.
Section 10. Mediation

Notwithstanding the other provisions of this Article, the GCAO and the AVPELR may mutually agree, in writing, to mediation at any time during the grievance/arbitration process.

B. Overview

1. The purpose of these procedures for reappointment, tenure, and/or promotion (RTP) is to promote a process at the University that is fair, consistent, and faculty-driven. The procedures are designed to define the guidelines and evaluative measures under which the tenure track faculty operate. All RTP recommendations are seen as a serious measure of the progress of the tenure track faculty and shall serve as clear benchmarks of and suggestions for future progress.

2. It is understood that the tenure process is cumulative, and not all criteria need be met every reappointment year. However, all criteria must be addressed by the time the tenure track faculty applies for tenure and promotion.

3. The term “academic unit” is defined as a department or school in which bargaining unit members hold a primary appointment, one of the following:
   a. A department or school where bargaining unit members hold a primary appointment;
   b. A college without departments where bargaining unit members hold a primary appointment.

4. The Labor Management Committee shall consist of two persons appointed by the Provost and two persons appointed by Akron AAUP except that, in the event of a planned change in the membership of the Committee, both the outgoing and the incoming member may serve on the Committee temporarily to provide continuity.
This Article strives to establish fair and systematic methods of evaluating tenure track faculty. Detailed criteria and procedures shall be adopted by each academic unit and shall be suitable for its special needs but consistent with this Article.

Members of the bargaining unit at the rank of assistant professor, associate professor and professor generally have a full range of responsibilities to academic units including teaching, research, scholarship and other creative professional work; service to the department, college and University; and public service.

All academic units shall follow University-wide procedures for RTP and adhere to the timelines as shown in this Article below.

C. Parliamentary Procedure

The rules contained in the current edition of "Robert's Rules of Order, Newly Revised," in the most recent edition, shall be accepted as the authority on govern all questions of parliamentary procedure to which they are applicable and in which they are not inconsistent with this Agreement.

D. Flowcharts of the RTP Process

The following flowcharts provide an outline of the review and appeal processes in colleges with departments and colleges without departments. Refer to Sections 6, 7 and 8 for details of the review processes, and to Section 9 for details of the appeals process. A timeline is provided in Section 5.

Section 2. Eligibility

A. Overview

1. Bargaining unit members in the rank of professor, associate professor and assistant professor are eligible to be awarded indefinite tenure.

2. Bargaining unit members at the rank of assistant professor and associate professor are eligible for promotion to a higher rank.

3. Bargaining unit members at the rank of professor are eligible to be awarded the title Distinguished Professor, which is not a change of rank.

4. To be eligible for consideration for tenure and/or promotion, a bargaining unit member must meet the minimum criteria specified in the academic unit guidelines. Bargaining unit faculty who have sufficient time in rank for reappointment or tenure, but who do not meet the eligibility criteria or who do not wish to apply for reappointment or tenure, should submit a letter of resignation by the end of the spring semester. Untenured bargaining unit faculty should submit a letter of resignation by the end of the spring semester if they do not intend to apply or do not meet the minimum criteria for reappointment the following fall semester. Untenured bargaining unit faculty who are in the fifth year of their probationary period should submit a letter of resignation by the end of the spring semester if they do not intend to apply or do not meet the minimum criteria for tenure the following fall semester.

B. Reappointment

Tenure track faculty enter University employment in a probationary period, during which they are subject to annual review for reappointment according to the following schedule:

- Fall of first (1st) year: no review
- Fall of second (2nd) year: review by department, chair/director, dean and, if any of the preceding recommendations is negative, the Provost
- Fall of third (3rd) year: review by department, chair/director, dean and, if any of the preceding recommendations is negative, the Provost
Fall of fourth (4th) year: review by department, chair/director, dean, Provost
Fall of fifth (5th) year: review by department, chair/director, dean, and, if any of the preceding recommendations is negative, the Provost
Fall of sixth (6th) year: application for tenure: review by department, chair/director, college, dean, Provost

The probationary period ends when indefinite tenure becomes effective.

C. Tenure

1. Overview

Tenure track bargaining unit members may receive indefinite tenure, according to the following provisions:

a. Bargaining unit members in a professorial rank may be granted indefinite tenure, that is, they are appointed for an indefinite term without the necessity of reappointment each year. An assistant professor, associate professor, or professor may be granted tenure not later than the end of the twelfth (12th) full semester of active service in professorial rank at the University subject to the conditions outlined in this Article.

b. If tenure is granted, it shall be effective either at the beginning of the academic year of service after which the candidate applied, or as specified in the certificate of appointment issued by the Board.

c. If at the end of six (6) years in a tenure track position, indefinite tenure has not been received, notice shall be given that employment terminates at the end of the seventh (7th) year of service.

d. Full-time appointment for two (2) semesters shall equal one (1) year of active service. Summer sessions or leaves without compensation granted for one-half (½) or more of any semester may not be counted toward the probationary period for tenure. Professional development leaves count toward the probationary period for tenure.

e. Bargaining unit members must have U. S. citizenship or permanent residency to receive tenure. The University shall
in good faith endeavor to petition for such status permanent residency for those individuals who need it, and to extend the probationary period for those tenure candidates whose applications for permanent residency have not yet been approved. In the event that a tenure candidate is recommended by the Provost to be granted indefinite tenure but has not yet been granted permanent residency, the granting of said tenure shall be held in abeyance until the candidate has received permanent residency. If promotion in rank is to accompany the granting of tenure, the promotion shall not be held in abeyance.

f. In exceptional circumstances, the Board may grant indefinite tenure upon initial appointment to scholars who are nationally or internationally recognized. This may be done only upon the affirmative recommendation of every level of review -- the tenure committee of the academic unit of primary appointment, the academic unit chair/director, dean, the Provost and the President.

g. Bargaining unit members who hold the rank of assistant professor may be awarded tenure only if they are granted promotion to associate professor at the same time. If academic unit guidelines allow it, an application for promotion to Associate Professor may be made before the application for tenure, and if approved, promotion to Associate Professor may be awarded before the awarding of tenure. Such promotion does not guarantee the eventual awarding of tenure.

h. Bargaining unit members who hold the rank of associate professor without tenure may seek and be awarded tenure without promotion. In such cases, the candidate shall have been hired at the rank of associate professor, or shall have previously been granted early promotion before the end of the probationary period.

i. The formal application for tenure or early tenure occurs in the fall semester when the candidate submits his/her full application file. The letter of intent, made in the previous spring semester, does not constitute the formal application.

j. Scholarly achievements must bear the University of Akron address to be considered in the tenure decision, unless the faculty member is granted indefinite tenure upon initial hire, as specified in paragraph f above, or unless approved academic
unit guidelines allow otherwise, or as otherwise stated in the letter of hire.

2. Probationary Period

All non-tenured tenure track bargaining unit members are subject to annual reappointment following their initial appointment, except that non-tenured tenure track bargaining unit members in their first (1st) year of service shall not be reviewed for reappointment for their second (2nd) year of service (the initial hiring process will serve as the first year reappointment review).

The probationary period ends once indefinite tenure becomes effective.

3. Regular Application for Tenure

a. A candidate’s application for indefinite tenure shall normally be initiated after ten (10) full semesters of active service. For faculty starting at the beginning of the fall semester, the application will be made at the beginning of their eleventh (11th) semester. For faculty starting after Friday of week seven (7) of the fall semester, the application will be made at the beginning of their twelfth (12th) full semester. For faculty starting in the spring semester or the summer, the application will be made at the beginning of their twelfth (12th) semester.

b. In the event that a tenure track bargaining unit faculty member either:
   (i) has a serious illness or disability, or is the primary caregiver or co-caregiver (requiring a minimum of 20 hours of care per week) of a newborn, newly adopted child or newly placed foster child, or immediate family member (as defined in Article 17, Section 2.A.1.c.) who has a serious illness or disability; or
   (ii) is called to active military duty;

   for eight (8) weeks or more, the affected faculty member may promptly (within the earlier of six (6) months from the beginning of the leave or sixty (60) calendar days after returning to work) request and upon such request shall automatically be granted a one (1) year extension of the probationary period. The faculty member’s request need only provide the basic facts and documentation to establish that one of the above events occurred and when it occurred. Any
such leave must occur prior to submitting the letter of intent for tenure.

In any other cases where there are clearly documented extenuating circumstances, the probationary period may be extended by one (1) year provided that the request is initiated by the candidate, recommended by the academic unit chair/director and dean, and approved by the Provost. In cases where there are clearly documented extenuating circumstances, the probationary period may be extended by up to one (1) year provided that the request is initiated by the candidate, recommended by the academic unit chair/director and dean, and approved by the Provost.

4. Early Application for Tenure

a. Early tenure may be granted before the sixth (6th) year, contingent upon the candidate's successful completion of the following criteria:

(i) The candidate shall have completed at least two (2) years of active service at the University before formal application for early tenure can be made (i.e., the letter of intent may be submitted at the end of the second (2nd) year of active service);

(ii) The candidate must at least meet the minimum academic unit criteria for tenure;

(iii) The candidate shall submit a letter of intent to apply for early tenure per the standard timeline; the academic unit tenure committee shall vote in that spring semester to determine if the candidate may apply for early tenure the following fall semester. The decision of the tenure committee is final and cannot be appealed.

b. A candidate may apply for early tenure only once. Should early tenure be denied, the candidate shall be awarded reappointment for the next academic year, and shall complete the standard probationary period before making reapplication for tenure.

c. A candidate at the rank of Assistant Professor who is applying for early tenure must also apply for promotion to Associate Professor.
5. Initial Hire at Advanced Rank

A candidate hired at the rank of Associate Professor may apply for tenure and promotion to Professor at the same time, but only if he/she meets both sets of criteria.

D. Promotion to Associate Professor

1. The formal application for promotion to Associate Professor occurs in the fall semester when the candidate submits his/her full application file. The notification of intent to apply, made in the previous spring semester, does not constitute the formal application.

2. Bargaining unit members who hold the rank of Assistant Professor are eligible to apply for promotion to the rank of Associate Professor if the following conditions are met:
   a. The candidate must have completed at least two (2) years of active service at the University before application for promotion to Associate Professor can be made (i.e., the letter of intent may be submitted at the end of the second (2nd) year of active service), unless the candidate’s Initial Appointment Letter indicates that such promotion may be considered early;
   b. The candidate must meet the minimum criteria specified in the academic unit guidelines;
   c. If academic unit guidelines allow it, an application for promotion to Associate Professor may be made before the application for tenure, and if approved, promotion to Associate to Professor may be awarded before the awarding of tenure. Such promotion does not guarantee the eventual awarding of tenure.
   d. A bargaining unit member at the rank of Assistant Professor who is applying for tenure on the normal schedule or early tenure must also apply for promotion to Associate Professor. In this case, if approved, both tenure and promotion to Associate Professor are awarded together.

3. If academic unit guidelines explicitly permit it, and written documentation to this effect is provided in the candidate’s
application file, scholarly achievements completed before employment at the University, while in a faculty position at another college or university, may be considered in the RTP deliberation process.

E. Promotion to Professor

1. The formal application for promotion to Professor occurs in the fall semester when the candidate submits his/her full application file. The notification of intent to apply, made in the previous spring semester, does not constitute the formal application.

2. Bargaining unit members who hold the rank of Associate Professor are eligible to apply for promotion to the rank of Professor if the following conditions are met:

   a. The candidate must have completed at least two (2) years of active service at the University with tenure before application for promotion to Professor can be made (ie, the letter of intent to apply may be submitted at the end of the second (2nd) year with tenure), unless the candidate’s Initial Appointment Letter indicates that such promotion may be considered early, or unless the candidate was hired as an Associate Professor without tenure (in which case Section 2C5 applies);

   b. The candidate must meet the minimum criteria specified in the academic unit guidelines;

3. If academic unit guidelines explicitly permit it, and written documentation to this effect is provided in the candidate’s application file, scholarly achievements completed before employment at the University, while in a faculty position at another college or university, may be considered in the RTP deliberation process.

4. If an applicant is denied promotion to professor, he/she cannot reapply until the subsequent application file contains evidence that efforts have been made to address previous concerns.

5. A bargaining unit faculty member who was hired as an associate professor may apply for promotion to professor concurrent with the tenure application only if both sets of criteria, for tenure and for promotion, are met.
Section 3. Criteria

(v) The candidate may add information to the application file on previously submitted internal or external grant proposals that are formally awarded before the deadline in (ii) above.

d. The departmental RTP Committee must consider any such file additions in its deliberations and final recommendation.

Section 4. External Review Letters

A review, external to the University, of scholarly publications and/or creative activities is required for all tenure and/or promotion applications. One set of external review letters may be used for concurrent tenure and promotion applications. Neither the external review letters nor the identities of the external reviewers shall be disclosed to the tenure or promotion candidate.
A. Purpose of External Review

The purpose of external review is to ensure that scholarly and creative standards at the University are commensurate with those at comparable universities and colleges, and are in line with discipline standards.

B. Process of Obtaining External Reviews

1. The pool of potential external reviewers shall be generated in the spring semester as described below, after the candidate has submitted the letter of intent. Whenever possible, reviewers should be solicited and sent the review materials by the end of spring finals week. The pool must be large enough to reasonably ensure a minimum of three (3) reviews to be received by the end of week 2 of the following fall semester, at which time the departmental review process begins.

2. Candidates for tenure and/or promotion must submit to the RTP committee chair all materials relevant to external review, as determined by academic unit guidelines, and a list of at least three (3) potential external reviewers with the letter of intent, by April 15. The list shall include a statement of the relationship between the potential reviewers and the candidate, to avoid conflict of interest. These materials may be submitted after April 15 only if the RTP committee grants an extension.

3. The RTP committee shall create an additional list of potential reviewers with no perceived conflict of interest with the candidate, and shall forward the list to the chair/director and dean (to the dean in colleges without departments). The chair/director and dean may provide additional potential reviewers to the pool. The candidate shall be apprised of the full list of names considered by the committee.

4. It is expected that reviewers will ordinarily be from academic institutions and shall:
   
a. be at or above the requested rank of the candidate;

   b. be from institutions that are at least comparable in the discipline.

   c. have expertise appropriate to address the candidate’s meeting of the academic unit criteria. In some cases reviewers...
may be from other reputable external organizations relevant to the discipline, for example, from industry, business, or government. It is expected that reviewers will ordinarily be from academic institutions and;

a. Shall be at or above the requested rank of the candidate;

b. Shall be from institutions that are comparable in the discipline.

c. Reviewers with expertise appropriate to address the candidate’s meeting of the academic unit criteria may be from other reputable external organizations relevant to the discipline, for example, from industry, business, or government.

5. Reviewers shall not be current or former students or mentors of the candidate, shall not be a current or former employee of the University, and shall not have any perceived conflict of interest, as defined by University rules.

6. The committee, with the approval of the dean, shall select the initial set of reviewers to be solicited, at least one third (1/3) of which shall be from the candidate’s list.

7. If the initial set of reviewers does not yield a sufficient number of responses, the committee shall select subsequent sets of reviewers as needed. These sets may or may not include reviewers from the candidate’s list. The committee may consult with the candidate to select these additional reviewers, if it so desires. The dean must approve each subsequent set before the committee may contact the potential reviewers.

8. Once a set of reviewers has been approved, the committee chair shall contact the reviewers to request review letters bearing the reviewer’s affiliation and signature; this contact may include offers of honoraria. These reviews shall not be questionnaires or surveys constructed by the academic unit. Each academic unit shall develop instructions for the external reviewer including the materials and bases by which the materials shall be assessed.

9. At least three (3) reviews shall be required. The file shall not be considered complete and shall not go forward until three (3) letters of external review have been included. If three (3) reviews have not been received by Wednesday of week four (4) of the fall semester, the dean may permit the file to go forward if compelling
circumstances, documented by the committee chair, justify the absence of any of the external reviews.

10. The committee shall include copies of the text of all requested and received external reviews in the candidate’s file.

11. The identity of the external reviewers and the review letters shall be deemed by the University and the candidate as confidential to the extent permitted by law. No letters of recommendation submitted by University personnel as part of the candidate’s RTP process shall identify the names or affiliations of the external reviewers. In addition, any quotations from external review letters used in any University recommendation letter shall be carefully chosen or redacted so as to not identify the names or affiliations of the external reviewers.

12. The reviewer shall be apprised that the review may be subject to disclosure under such circumstances including but not limited to as pursuant to subpoena, validly issued court order, or public records request, or other legally obligatory demand.

C. Use of External Review Letters

All departmental, college and university RTP committees must use their best professional judgment, based on discipline-specific standards at the University. The external review letters are to be used by these committees to augment their reasoned assessment, in order to ensure that candidates are held to reasonable, objective standards. As a general rule, departmental assessments, and then college level assessments, should carry more weight than external review letters.

B. In the event that the deadline for completion of a step cannot be met, a request for extension and supporting rationale shall be forwarded to the
appropriate committee chair, academic unit chair in academic units with
departments, dean, or Provost prior to said deadline. The request and
rationale shall be included in the candidate’s file.

1. The committee chair, academic unit chair/director, dean, or Provost
shall accept or reject the request for extension within one (1) week
of its receipt. Rationale for the decision shall be included in the
candidate’s file.

2. Extension of the deadline at any level does not automatically
extend future deadlines.

Section 6. Academic Unit Review

A. Guidelines

1. Overview
   a. Each academic unit shall develop guidelines for the
      reappointment, tenure, and promotion of its bargaining unit
      members:
   b. All operative academic unit guidelines shall be available in the
      academic unit, the office of the dean of the college, and the
      office of the Provost.
   c. All academic unit guidelines shall comply with the applicable
      provisions of this Article.
   d. In case of conflict, the applicable provisions of this Article
      supersede all other guidelines.

2. Contents
   a. All academic unit guidelines shall enumerate the specific
      materials that are to be included in the candidate’s RTP files.
   b. All academic unit guidelines shall enumerate clear and
      specific minimum criteria that a candidate must meet to be
      recommended for tenure and/or promotion. Such criteria may
      include both quantitative and/or qualitative criteria relevant to
      the discipline(s) represented in the academic unit.
   c. Academic units may permit promotion to associate professor
      before tenure. If so, the unit guidelines shall enumerate clear
and specific minimum criteria that a candidate must meet to be recommended for such a promotion. However, such a promotion to associate professor does not guarantee a subsequent recommendation for tenure.

d. All academic unit guidelines shall enumerate clear and specific minimum criteria that clearly distinguish the requirements of the professor rank from those for obtaining tenure.

3. Approval and Revision

   a. Guidelines shall be approved before they can be applied to bargaining unit members. They may be revised based on a two-thirds (2/3) vote of the department/school’s tenured and tenure-track bargaining unit faculty in accordance with the following schedule: Revised guidelines must be submitted to the chair/director by the end of week five (5) of the Spring semester. The chair/director, the dean, and the Provost shall review the revised guidelines and provide feedback as appropriate by the end of week ten (10) of the Spring semester. The bargaining unit faculty shall resubmit the guidelines by the end of week fifteen (15) of the Spring semester. Once approved by the Provost, the guidelines shall take effect for applications submitted during the Spring semester of the following calendar year.

   b. The guidelines prepared by each academic unit must be formally approved by two-thirds (2/3) of the tenure track faculty of that unit.

   c. The academic unit chair/director, dean and the Provost shall also formally approve the guidelines before they become effective.

   d. Each academic unit’s guidelines shall include a process to review and, if necessary, revise the guidelines.

B. Departmental Procedures

1. Eligible candidates shall submit to the academic unit chair/director a letter of intent to apply for reappointment, tenure and/or promotion per the timelines above. Those applying for tenure and/or promotion shall also submit external review materials and a list of at least three (3) potential reviewers with the letter of intent, as described in Section 4..
2. The candidate may withdraw his/her application at any time by submitting a letter to the academic unit chair/director, or to the dean in colleges without departments. The letter recipient shall inform all committee members involved in the candidate’s RTP review up to that point in time that the application has been withdrawn, and shall retrieve the candidate’s file and return it to him/her. External review letters shall be sealed and kept by the academic unit chair/director, and may be used in either of the next two (2) RTP cycles as part of a subsequent application if the candidate and the RTP committee agree. Any recommendations that had been made as part of the review process by the RTP committee or academic unit chair/director prior to the withdrawal shall be kept in the candidate’s personnel file maintained by the academic unit.

3. Each candidate eligible for reappointment, tenure and/or promotion shall submit his/her full RTP file to the appropriate committee chair per the timelines above.

4. The committee chair shall notify the candidate, all committee members, the academic unit chair/director, and the dean of the location and availability of the candidate’s file.

5. The RTP committee chair shall notify all committee members, the academic unit chair/director, and the dean of any additions made by the candidate to the RTP file.

6. Promotion for candidates with joint titles.
   a. Promotion applications for candidates with joint titles are considered by both primary and secondary academic units. The RTP Committee chair of the primary academic unit shall forward a copy of the application materials to the RTP Committee chair of the secondary academic unit. The secondary academic unit shall simultaneously review the candidate, using its own criteria, to determine whether the joint title shall be maintained at the promoted rank; should it be awarded in the event that the candidate is promoted within the primary academic unit. The recommendation made in the primary academic unit shall not be affected by the recommendation made in the secondary academic unit.
   b. In the event a promotion in rank is awarded to the candidate by the primary academic unit, but the secondary academic
unit does not recommend maintaining the joint title at the promoted rank, the joint title shall be terminated.

c. Tenure applications for candidates with joint titles are considered only by the academic unit of primary appointment.

7. Reappointment, promotion and tenure for candidates with joint appointments.

a. Promotion and tenure applications for candidates with joint appointments are considered by both primary and secondary academic units. A joint committee shall be formed, composed of all eligible bargaining unit members from both the primary and secondary academic units. This committee shall follow all rules and procedures outlined above for Departmental RTP committees. The criteria used to evaluate the candidate are those determined at the time of initial hire as documented in the letter of offer, as specified in Article 11 Initial Hire.

8. Tenure resides in the academic unit of primary appointment.

C. Formation of the RTP Committees

1. All tenured bargaining unit members of the academic unit who have completed at least one (1) year of service at the University, including those whose tenure has been approved by the Board but whose tenure has not yet become effective, are eligible to serve on reappointment and tenure committees. Only those tenured and with rank above that of the candidate may serve on promotion committees. Distinguished Professors are eligible to serve on all RTP committees.

2. The academic unit chair/director shall call an organizational meeting of all eligible bargaining unit faculty in the spring semester, per the Timelines listed above, to form the RTP Committees (Reappointment Committee, Tenure Review Committee, Promotion to Associate Professor Review Committee, and/or Promotion to Professor Review Committee).

3. In academic units in colleges with departments/schools, RTP committees shall be composed of all eligible bargaining unit members.
Academic units in colleges without departments have two (2) options for composing RTP committees.

a. Option 1: The RTP committee shall be composed of all the eligible bargaining unit members in the college. In this case, appeals are referred to the University-wide appeals committee.

b. Option 2: The RTP committee shall be composed of no fewer than three (3) eligible bargaining unit members who have completed at least one (1) year of service at the University.

(i) The eligible bargaining unit members of the academic unit shall select the committee members according to academic unit guidelines.

(ii) Membership shall not be by administrative appointment.

(iii) Selection shall be made per the timelines above.

If there are fewer than three (3) eligible bargaining unit members in the academic unit to form any committee, the tenure track college faculty who are members of the bargaining unit shall formulate rules to add committee members from outside the academic unit. These rules shall be included in the procedures of the college or school. In such cases, the RTP committee should be formed as quickly as possible to facilitate the solicitation of external reviews.

A chairperson, or co-chairs if the committee chooses, shall be elected at the organizational meeting and shall serve for one (1) year. If co-chairs are elected, the duties of the chair shall be divided between the co-chairs. In the remainder of this section, the term “committee chair” refers to the chair or co-chairs.

D. Procedures of the RTP Committees

1. RTP committees must have a quorum present in order to conduct business. For the purpose of RTP deliberations, a quorum is defined as two-thirds (2/3) of the eligible members. In the case where there are fewer than six (6) eligible members, a quorum is defined to be at least three (3) members.

2. The processes of RTP decision-making process within the bargaining unit are shall be deliberative processes. Eligible committee members who do not participate in or attend the
deliberations. Review the candidate’s file and attend the committee meetings in which the candidate's application is considered shall not be permitted to vote.

3. RTP committee meetings may be held by electronic means.

3. To be eligible to vote, a member shall review candidate-submitted materials and shall attend all committee meetings in which the candidate is discussed. Exceptions to this rule are as follows:

a. The committee may, by a majority vote of members present, permit a member who has not attended all meetings, but who has otherwise substantially met the participation standards of the academic unit, to vote on the candidate. The reason for the exception shall be included in the committee recommendation.

b. Unit guidelines may allow for absentee ballots in extenuating circumstances for persons who are otherwise eligible to vote. The committee may determine eligibility for an absentee ballot by a majority vote of members present and voting. Extenuating circumstances include death in the immediate family, serious illness, and inability to attend due to events beyond one's control. The nature of the extenuating circumstances and the vote shall be included in the committee recommendation.

4. For the purposes of RTP deliberations, a favorable recommendation requires at least a simple majority vote in the affirmative, at the minimum, is necessary for a positive recommendation. Academic unit guidelines may specify additional requirements for a minimum affirmative vote beyond a simple majority. Prescribe a supermajority requirement. When there is a tie vote, the motion to recommend in favor of the candidate fails is rejected. It is the duty of every committee member to deliberate in good faith, and the duty of the committee to issue an recommendation, either favorable or unfavorable opinion by a positive or negative vote. However, committee members cannot be compelled to vote, and may abstain from voting. Knowing that the effect is the same as if they had not voted. An abstention counts neither in favor of nor against the motion. In the event that all members abstain from voting, all votes cast are abstentions, the academic unit has forfeited the right to provide a recommendation either positively or negatively, and the decision will be based on the subsequent recommendations will be left to sequential levels of review.
5. For purposes of any RTP matter, all University employees bargaining unit members shall comply with the University’s conflict of interest policy and voluntarily remove recuse themselves from any discussion, voting, or participation of any kind when the candidate is:

a. A member of that bargaining unit member’s immediate family (e.g., spouse, son, daughter, or other family member residing in that family member’s household).

b. A member of that bargaining unit member’s extended family (e.g., siblings, parents, grandparents, cousins, uncles, aunts, or other next of kin).

c. Any other person where as to whom there would exist a conflict of interest or the appearance of a conflict of interest as defined by University rules.

6. Candidates who are applying for reappointment, tenure and/or promotion to associate professor shall be evaluated under the academic unit criteria in effect at the time of the candidate’s official appointment date to the tenure track position. If the criteria have been revised since the date of the initial appointment, the candidate shall have the option to choose the original or amended criteria under which he/she shall be reviewed. Once a choice is made, the candidate may not reverse his/her decision. However, the candidate may choose each time criteria are revised and are approved by the Provost. It is the responsibility of the candidate to inform the committee in the letter of intent of the criteria set the candidate has elected to be used. For colleges without departments, procedures and statements involving the academic unit chair/director are not applicable.

7. Candidates who are applying for promotion but not for tenure shall be evaluated under the academic unit criteria in effect either at the time of the candidate’s last official promotion or the academic unit criteria in effect five (5) years prior to the candidate’s application, whichever is more recent.

8. Persons within the college who are required to provide a separate recommendation for a specific candidate (e.g., academic unit chairs/directors, deans or their designees) cannot be a member of that candidate’s committee, but may, at the committee’s request, attend for informational purposes.

E. Duties and responsibilities of the RTP committee

9. The RTP committee chair shall transmit copies of the committee’s recommendations and the candidate’s RTP file to the academic unit chair/director or the dean in colleges without departments/schools per the timelines above.

Section 7. College-Level Review

A. Role of the Dean

1. Duties and responsibilities of the dean

   a. In tenure and promotion cases, the dean shall transmit the file, if necessary, to the college-wide review committee. Upon return of the file with the college wide review committee’s recommendation, the dean shall transmit his/her recommendation to the Provost along with the candidate’s RTP file per the timelines above with a copy to the candidate,
b. In all reappointment, tenure, and promotion cases, the dean shall evaluate all previous recommendations and materials from the candidate’s RTP file to formulate his/her own recommendation, which shall include a statement of how the candidate meets or fails to meet the expectations expressed in the guidelines.

c. If the dean’s recommendation differs from that of the RTP committee or academic unit chair/director, the dean shall discuss his/her recommendation with the RTP committee and academic unit chair/director.

d. If the dean identifies a procedural error or inadequate consideration in a previous recommendation that materially affected that recommendation, he/she shall inform the Labor Management Committee, which shall review the recommendation letters thus far generated to determine whether or not the case should be returned to the point of origin of the error for reconsideration. If the Labor Management Committee agrees that the case should be returned, or is unable to achieve consensus, the case shall be returned to the point of origin of the error for reconsideration. If the Labor Management Committee does not agrees that the case should not be returned, the dean shall document the concerns in his/her recommendation, and the review process shall proceed as normal.

e. Except in second-, third-, and fifth-year reappointment cases in which there are no negative recommendations, the dean shall transmit his/her recommendation to the Provost along with the candidate’s RTP file per the timelines above with a copy to the candidate, the academic unit chair/director, and the relevant committee chairs.

B. College-Wide Review Committee

1. All colleges shall have college-wide tenure and/or promotion review committees. The college-wide review committees shall provide a separate and independent recommendation of each candidate for tenure and/or promotion. The order of recommendations is sequential, not hierarchical. The guidelines for each college shall include procedures for constituting college-wide review committees.
2. In colleges without departments that constitute tenure and promotion committees as committees of the whole tenured bargaining unit, the tenure and/or promotion committee shall also operate as the college-wide review committee.

23. In colleges with departments, and colleges without departments that establish separate tenure and/or promotion committees, the college-wide review committees shall be composed of no fewer than five (5) members elected from the tenured bargaining unit of the college. Each college shall develop guidelines for the election process and the voting process, including guidelines for replacing members unable to serve and for selecting members from outside the college if needed.

34. A committee member from the department of the candidate being considered shall not participate in the discussion or voting concerning said candidate.

45. Members of the college-wide review committees shall meet the following criteria:

a. Members of the college-wide tenure review committees shall be tenured bargaining unit members.

d. That the tenure and/or promotion committee and the academic unit chair/director recommendations for the candidate are consistent with the academic unit guidelines;

e. That any conditions of initial hire were duly taken into consideration in the departmental and chair/director recommendations;

f. That the external review letters were impartial and involved no conflict of interest.

67. The college-wide review committees shall not evaluate the merits of departmental guidelines or criteria.

78. If the college-wide review committee identifies a procedural error or inadequate consideration in a previous recommendation that materially affected that recommendation, the committee chair shall inform the Labor Management Committee, which shall review the recommendation letters thus far generated to determine whether or not the case should be returned to the point of origin of the error for reconsideration. If the Labor Management Committee agrees that the case should be returned, or is unable to achieve consensus, the case shall be returned to the point of origin of the error for reconsideration. If the Labor Management Committee does not agree that the case should not be returned, the college-wide review committee shall document the concerns in its recommendation, and the review process shall proceed as normal.

89. The college-wide review committee’s written recommendation shall include in its findings that paragraphs B.56(a)–B.56(f) of this Section have been addressed. recommendation shall include a statement of the reason(s) for such difference(s).

a. In colleges with separate college-wide review committees, if the committee’s recommendation is not consistent with the recommendations from the tenure and/or promotion committee, or from the academic unit chair/director, the committee’s recommendation shall explain those inconsistencies.

b. In colleges with no separate college-wide review committee, the recommendation from the committee of the whole shall explicitly include findings on paragraphs B.6(a)–B.6(f) of this Section.

940. The college-wide review committee shall forward its recommendation to the dean, with copies to the academic unit chair/director, the RTP committee chair, and the candidate per the timelines in Section 5.

C. Discretionary Appeal to the Labor Management Committee

If the candidate, in reviewing the recommendation letters from the departmental RTP Committee, the academic unit chair/director, the College Review Committee and/or the dean, believes that a procedural error or inadequate consideration has materially affected one or more of the recommendations, he/she may present his/her concerns to the Labor Management Committee. The Labor Management Committee shall review the recommendations generated thus far to determine whether or not the case should be returned to the point of origin of the error for reconsideration. If the Labor Management Committee agrees that the case should be returned, or is unable to achieve consensus, the case shall be returned to the point of origin of the error for reconsideration. If the Labor Management Committee does not agree that the case should not be returned, the review process shall proceed as normally.

Section 8. The University Level Review

A. Role of the Provost

1. The Provost or Senior Vice the Provost’s designee shall, if necessary, transmit the file, if necessary, to the University Appeals Committee. Upon return of the file with the University Appeals
Committee’s recommendation, the Provost or Senior Vice-the Provost’s designee shall transmit his/her recommendation to the candidate per the timelines above with a copy to the dean, chair/director, and chairs of other committees involved in the candidate’s review process. The RTP file shall then be returned to the dean, where external review letters shall be removed and stored as part of the candidate’s permanent personnel record before the RTP file is returned to the candidate.

2. The Provost or Senior Vice-the Provost’s designee shall transmit his/her positive recommendations to the President. If the President concurs, these recommendations are forwarded to the Board for consideration, usually at the April Board meeting.

B. Role of the Board of Trustees

Notification of appointment, reappointment, tenure, and promotion of bargaining unit members shall occur as follows:

1. The Board usually acts upon recommendations for appointment, reappointment, promotion, and the granting of indefinite tenure at its April meeting.

2. Recommendations for appointment, reappointment, promotion, and the granting of indefinite tenure may be considered at other Board meetings as appropriate.

3. The appointment, reappointment, tenure, and promotion of bargaining unit members are subject to the approval of the Board. No officer, dean, committee, or other such entity shall have the authority to employ, set the compensation or other terms of employment except the Board. All offers of employment shall be subject to this condition. The University shall make available to the bargaining unit faculty members an electronic record of their employment status, including rank, tenure status, and salary.

   a. Following the Board’s approval, the Secretary of the Board shall send a certificate of appointment detailing the agreement reached between the bargaining unit member and the University. It shall include an endorsement of acceptance that the bargaining unit member shall sign and return to the Secretary of the Board within the time period stipulated.

   b. In the event a bargaining unit member adds or deletes terms to the certificate of appointment, or fails to sign or return the
endorsement, the Secretary of the Board shall submit the issue to the Board at their next regular meeting for consideration of rescinding the certificate of appointment.

Section 9. Appeals Process

A. Procedures

1. The candidate may appeal only once to the University Appeals Committee. After the dean has made his/her recommendation, the candidate may appeal any level of recommendation up to and including the recommendation of the Dean. After the Provost or the Senior Vice Provost’s designee has made his/her recommendation, the candidate may appeal any level of recommendation up to and including the recommendation of the Provost or Senior Vice Provost’s designee.

2. If an appellant believes that an adverse decision ultimately rendered on an appeal was caused in substantial part by a procedural error or omission either in the original decision-making process or in the appeals process and such alleged procedural error or omission was timely raised as set forth in this Section, such appellant may, with the concurrence of the Akron-AAUP, appeal the matter to arbitration. This shall be done by filing a grievance, which shall be initiated at the Step 2 level and thereafter proceed to arbitration pursuant to the procedures established in Article 12 (Grievance and Arbitration Procedures).

3. In any such arbitration, the arbitrator shall consider all procedural errors or claims of inadequate consideration and determine if, in their totality, they constitute substantive prejudice to the candidate.

4. The arbitrator shall remand the promotion or tenure decision being grieved to the point of initial error with directions as to which of the existing procedures in the Agreement or in applicable college or departmental bylaws are to be followed.

5. The arbitrator does not have the authority to award promotion or tenure to a bargaining unit member.

6. At each level where a tenure or promotion case is remanded and/or subsequently reviewed, individuals and committees will duly consider all advice and recommendations of the arbitrator on an expedited basis.
7. In the case of a violation of the procedures, it is not intended that appointment, reappointment, promotion or tenure be awarded by default.

B. University Appeals Committee

1. The University Appeals Committee shall consist of one (1) member from the tenured professors or Distinguished Professors of each degree-granting college except the School of Law, elected by its tenure track bargaining unit members and one (1) tenured professor or Distinguished Professor from the University libraries, elected by its tenure track bargaining unit members. Committee appointments shall be established as three (3) year staggered terms.

2. The following procedures for the University Appeals Committee shall be followed.

   a. The candidate shall file an appeal with the University Appeals Committee within two (2) weeks of receiving the dean’s or the Provost’s recommendation. The written and signed appeal shall be sent to the chair of the University Appeals Committee with copy to the appropriate chair/director, dean, committee chairs and Provost.

   b. The candidate’s appeal shall provide a statement of specific procedural error or a claim of inadequate consideration.

   c. The appeals committee shall consider all procedural errors or claims of inadequate consideration and determine if, in their totality, they constitute substantive prejudice to the candidate.

   d. The appeals committee shall not evaluate the merits of the candidate’s application in order to determine if the candidate has met all approved RTP criteria.

   e. Within seven (7) calendar days after receiving the appeal, the chair of the University Appeals Committee shall hold a meeting.

   f. All committee members shall read the candidate’s written and signed appeal before attending the meeting.

   g. The appellant shall be notified of the meeting and shall be invited to attend to answer whatever questions might arise concerning the appeal.
h. After reviewing the appeal, and in closed session, the committee shall vote to accept or reject the appeal. A simple majority vote of the full committee shall be required to accept the appeal and to submit it to further investigation.

i. If the appeal is rejected, the committee shall notify the candidate of the rationale for the decision, with copy to the appropriate chair/director, dean, committee chairs and Provost.

j. If the appeal is accepted, the committee shall notify the candidate, with copy to the appropriate chair/director, dean, committee chairs and Provost.

k. Within fifteen (15) calendar days, the committee shall complete its investigations and report their findings and recommendations to the Labor Management Committee, with copy to the candidate, the appropriate chair/director, dean, committee chairs and Provost.

l. The Labor Management Committee shall determine whether the case shall be returned to the point of origin of a procedural error, or whether the review process shall move forward.

m. In the case of an appeal of reappointment or tenure the candidate will be reappointed for the following year on a terminal contract.

ARTICLE 14
DISCIPLINARY ACTION

Section 1. The University and Akron-AAUP agree that discipline for just cause, up to and including termination of a bargaining unit member, may be necessary from time to time. In the case of an oral or written reprimand, such discipline shall not be subject to the formal process set forth in the Article, but shall be subject to less formal due process, and, in any event, all discipline shall be only for just cause and shall be subject to the Grievance and Arbitration procedures set forth in Article 12, supra.

Section 2. When the University has reason to believe an incident(s) has occurred which might constitute grounds for discipline, other than an oral or written reprimand, it shall conduct an investigation pursuant to this Article.

Section 3. If after such investigation the Provost believes disciplinary action is warranted, discipline may be imposed on a bargaining unit faculty member for just cause.
Engaging in conduct that constitutes just cause for discipline may lead to any one or more of the following types of disciplinary action: oral reprimand, written reprimand, suspension with pay, suspension without pay, or termination of employment. In determining the level of disciplinary action to impose in any given situation, the University shall take into account the severity of the offense, prior disciplinary action, the bargaining unit member's improvement since the last disciplinary action was taken, and the bargaining unit member's overall employment record.

**Section 4.** Prior to imposing disciplinary action, other than an oral or written reprimand, the department chair, dean, or the Provost will meet with the bargaining unit faculty member to discuss the charge(s) against the bargaining unit member, and provide the bargaining unit faculty member with an opportunity to present his or her case. The following procedures will be followed:

A. The bargaining unit faculty member shall be given the opportunity to be accompanied by an Akron-AAUP representative.

B. At least ten (10) days prior to the meeting, the University shall notify both the bargaining unit faculty member and the Akron-AAUP in writing of the specific charge(s) and the specific basis(es) of those charges to be discussed at the meeting. Where the contemplated discipline may be suspension or be more severe, the University shall provide the bargaining unit faculty member and the Akron-AAUP with copies of the documents which the University can release legally upon which the charges are based. However, all identities will be redacted.

C. If the matter is not disposed of by mutual agreement at the meeting, the bargaining unit faculty member and the Akron-AAUP shall be sent a written statement of the charges and the discipline imposed, as well as copies of the documents which the University can release legally upon which the charges and discipline are imposed, to the extent not previously provided, within ten (10) days of the meeting. Such statement will be signed by the administrator imposing discipline and initialed by the Provost.

D. If discipline is imposed the University will disclose those identities which can be released legally.

**Section 5.** A bargaining unit faculty member who disagrees with the disciplinary action that has been imposed may seek recourse through the Grievance and Arbitration Procedure.

**Section 6.** Bargaining unit members alleged to have violated the University of Akron's Interim Gender-Based Misconduct and Title IX Policy & Protocol (“Title IX Policy”) located

ARTICLE 15
RETRENCHMENT

Section 1. Determining the Necessity for Retrenchment

A. Retrenchment may be necessary when a judgment, made by action of the Board President, based upon evidence made available to the Akron-AAUP according to the schedules set forth in this Article, indicates one (1) of the circumstances listed in Section 1(A)(1) through 1(A)(5) exists at the University.

1. Financial exigency, defined as financial problems so severe that they threaten the University’s ability to maintain its operations at an acceptable level of quality;

2. Significant reduction in enrollment of a college, department, or program continuing over five (5) or more academic semesters (not including summer) and which is expected to persist;

3. Modification, elimination, or suspension leading to elimination of an academic Discontinuation of a college, department or program(s) that requires the reduction or replacement of bargaining unit faculty;

4. Reorganization of departments, schools, or colleges that reduces the need for bargaining unit faculty by improving efficiency;

5. Action by the Ohio Board of Regents or Ohio General Assembly which requires the University to implement a retrenchment.

Section 2. Bargaining Unit Reductions through Attrition First

A. Normal attrition is the preferred approach to alleviating financial exigency or responding to enrollment patterns.

B. If the Board President determines, according to the criteria listed in Section 1 of this Article, that retrenchment is necessary and, further, that in
implementing this retrenchment a reduction in bargaining unit faculty is necessary, the President of the University shall attempt to achieve the desired result through attrition, including voluntary early retirement.

C. If, after completing the procedures in Section 2(B), the Board of Directors makes the judgment that retrenchment requires reductions in bargaining unit faculty beyond those conducted through attrition, the following procedures establish the process for implementing any retrenchment.

Section 3. Information

In this Article, “day” means Monday through Friday during fall and spring semesters, excluding University-observed holidays. In the case of financial exigency, “day” also includes Monday through Friday during the summer, excluding University-observed holidays.

A. The University Provost shall provide to the Akron-AAUP evidence of the need for retrenchment, based on the criteria listed in Section 1 of this Article, of efforts to implement this retrenchment as outlined in Sections 2(A) and 2(B) of this Article, evidence that these efforts remain insufficient, and evidence that clearly documents the necessity for a recommendation to release bargaining unit faculty.

B. At the same time, the Provost shall notify the dean/director of the affected unit(s) or program(s) that retrenchment may be required. Accompanying such notification shall be a written description and rationale for the proposed reductions, a copy of which is to be simultaneously forwarded to the Akron-AAUP.

C. Upon receipt of the above-described notice of possible retrenchment, the dean/director of the affected unit(s) shall obtain the recommendations of the affected unit(s)'s members on how best to carry out the proposed retrenchment. The unit members’ recommendations, including any alternative proposals, shall be submitted by the dean/director to the Provost and to the Joint Committee on Retrenchment (see Section 4 of this Article, below) within ten (10) days after receipt of the notification of possible retrenchment, unless otherwise mutually agreed in writing.

D. The Akron-AAUP shall be provided access and the opportunity to inspect, request, and/or copy any additional information relevant to the anticipated retrenchment within five (5) days after the delivery of a written request to the Provost.

Section 4. Consultation
A. Within five (5) days after the Akron-AAUP’s receipt of the data and information in Section 3(A) a Joint Committee on Retrenchment, with three (3) members appointed by the President and three (3) members appointed by the Akron-AAUP, shall be formed. The Provost, or designee, shall chair the committee in an ex-officio, non-voting capacity. The members shall be provided the information regarding retrenchment identified in Section 3 of this Article, and this group The Committee shall hold its first meeting within five (5) days after the Joint Committee on Retrenchment is formed. Once the Joint Committee meets it may request additional information and documents that are relevant. The Provost, or designee, shall chair the committee in an ex-officio, non-voting capacity.

B. In the case of an anticipated retrenchment affecting a college, department, or program, the Joint Committee on Retrenchment’s recommendations shall include, with respect to such college, department or program, consideration of:

1. Its historical role and contributions in the University’s educational, scholarly and service mission, and those long-range circumstances which may have changed to alter that role and those contributions;

2. The dependence of other programs in the University on the college, department, or program;

3. Duplication elsewhere in the University of courses, research or services offered through the department, college or program, and possible organizational arrangements which might serve as alternatives to discontinuation;

4. Arrangements which can be made to allow students enrolled to satisfy degree or certificate requirements;

5. Stature of its faculty and alumni, and the possible consequences to the academic stature of the University through discontinuation;

6. The profile of ages, periods of service and tenure status of its bargaining unit faculty and an estimate of their possible usefulness elsewhere within the University;

7. Possible arrangements for planned phasing out of the college, department, or program as an alternative to abrupt discontinuation; and

8. Any other factors the Joint Committee on Retrenchment deems relevant.
C. Unless otherwise mutually agreed to in writing, within thirty (30) days after the receipt of the data and information in Section 3(A) and 3(C) this first meeting of the Joint Committee on Retrenchment, the Committee will submit its advisory recommendations to the President. Such recommendations may include ways to relieve the need for retrenchment by raising additional funds, by reallocating funds, or by cutting or eliminating specified activities.

D. The President shall forward these recommendations along with his or her own recommendations to the Board as soon thereafter as practicable. Other than as provided in Section 12 of this Article, the University agrees to take no action regarding retrenchment until the President and the Board have reviewed the recommendations from the Joint Committee on Retrenchment.

Section 5. After receiving and considering the recommendation(s) in Section 4, the Board will make the final determination to implement retrenchment.

Section 6. The Retrenchment Process

Once the final determination has been made that retrenchment is necessary, the following factors shall determine which bargaining unit faculty within the affected unit(s) will be released:

A. All visiting faculty not funded by outside sources shall be released before any bargaining unit faculty of any category, unless no bargaining unit faculty member has the qualifications necessary to teach the non-bargaining unit faculty member’s course(s).

The affected bargaining unit faculty member shall first be placed in the appropriate one of the following major categories:

1. Probationary faculty status
2. Tenured faculty status

B. Bargaining unit faculty, when within each of the categories listed in above Section 6(A), will then shall be placed in the appropriate subcategory listed below within each such major following categories:

1. Instructor Assistant Professors of Practice/Instruction

2. Assistant Professors and Associate Professors of Practice/Instruction
3. Untenured Associate Professors and Professors of Practice/Instruction

4. Untenured Professors

5. Tenured Associate Professors

6. Tenured Professors

7. Distinguished Professors

C. If further reductions are necessary after faculty have been released pursuant to Section 6(A), a bargaining unit faculty member may volunteer to retire or otherwise sever employment to prevent or reduce the need for retrenchment. If such voluntary action prevents or reduces the need for retrenchment, the net savings from such voluntary retirements or departures shall be applied dollar-for-dollar to reduce the number of faculty retrenched as long as the voluntary action does not require the University to replace the retired or departed bargaining unit faculty member at an equal or greater cost. Such voluntary retirements or departures may include incentives such as a period of continued health care, financial compensation, a part-time teaching arrangement, or other agreed-upon terms. Any such incentives shall be included in determining the net savings to be applied to reduce the number of faculty retrenched. This Section 6(C) shall not apply to reduction by attrition under Section 2(A) or 2(B).

If further reductions are necessary, bargaining unit faculty will be recommended for released starting with the lowest numbered subcategory within the lowest numbered major category in Section 6(B). In making the final determination within each subcategory of a major category as to whether or not an individual bargaining unit faculty member will be released, the following additional factors will be given full consideration:

1. The University's commitment to affirmative action and its policies adopted thereunder

2. The quality of the bargaining unit member's contributions service in the areas of teaching, research, and/or publication and University and public service (as appropriate to the appointment)

3. The impact on the academic program resulting from the release of the bargaining unit member

4. Length of service with the University as a fulltime faculty member
5. The strategic importance of each academic program to the mission of the University

6. The financial viability of each academic program

7. The feasibility of other faculty performing the bargaining unit member’s responsibilities in the areas of teaching, research and publication and University and public service

8. The disparate impact on bargaining unit faculty in legally protected classifications.

Each bargaining unit faculty member in the affected unit will have the opportunity to submit a recommendation with rationale to the dean of the affected unit regarding the individual bargaining unit faculty to be released, consistent with Sections 6(B) and (C).

The dean/director of the affected unit(s), after receiving the recommendations of the affected unit’s members concerning the factors listed in this Section 6(C), will make final recommendations in accordance with Section 6(A), (B), and (C) to the Provost concerning the individual bargaining unit faculty to be released. Whenever bargaining unit faculty within a subcategory are considered approximately equivalent in the ratings on the factors set forth in this Subsection (C), then length of service with the University as a full-time faculty member will be the deciding factor.

D. The Provost will then make the final decision for the University in accordance with Section 6(AB), (CB), and (C) and (D) concerning the bargaining unit faculty member(s) to be released and will notify each such bargaining unit faculty member in accordance with the time limitations set forth in the following Section 7. Where some but not all bargaining unit faculty within a category are selected for release, the notice will include an explanation of how the factors in Section 6(C) were applied and provide the released bargaining unit faculty with an opportunity to be heard. A copy of each such notification shall be sent to the Akron-AAUP.

Section 7. Notice of Release

A. The University will provide notice of release to affected members of the bargaining unit in accordance with the following:

1. For a bargaining unit faculty member holding a first (1st) or second (2nd) one (1) year contract expiring at the end of that academic year, not later than March 15; or if the one (1) year appointment terminates
during an academic year, at least three (3) months in advance of its termination.

2. For a bargaining unit faculty member holding more than a second (2nd) one (1) year contract expiring at the end of that academic year, not later than December 15; or if the one (1) year appointment terminates during an academic year, at least six (6) months in advance of its termination.

3. For an untenured tenure-track or tenured bargaining unit faculty member who is under tenure consideration, tenured bargaining unit faculty member, or an Associate Professor of Practice/Instruction, or Professor of Practice/Instruction, at least twelve calendar (12) months, spanning at least two (2) academic semesters, not including summers.

4. For a tenured bargaining unit member, at least eighteen (18) months, spanning at least three (3) academic semesters, not including summers.

Section 8.

A. The University will endeavor to place released bargaining unit faculty, if qualified, in other available teaching positions within the University. No tenured bargaining unit faculty member will be dismissed solely on the basis of discontinuance, reduction or consolidation of a program or department without the University making documented good-faith efforts to relocate the bargaining unit faculty member within the University. In addition to the foregoing, the University will endeavor to find other areas of employment within the University community for tenured bargaining unit faculty that are scheduled for release under this retrenchment Article.

B. Notwithstanding the foregoing, if there is a consolidation of programs or departments or colleges among any of the public institutions of higher education within Northeast Ohio, such that the University would lose an existing program or department or college, the University may, in lieu of its above obligations to bargaining unit faculty members in such program or department or college: (1) first (1st) place all such tenured bargaining unit faculty members in corresponding positions within that public institution of higher education for which they are qualified within the locus of tenure, at the same salary and in the same rank, as they had at the University at the time of release (and with the same benefits of other tenured faculty of such salary and rank at that other institution); and (2) also place all, or if unable to do so, less than all non-tenured other bargaining unit faculty in
corresponding positions within that public institution of higher education for which they are qualified within the locus of tenure appointment, at the same salary and in the same rank, as they had at the University at the time of release (and with the same benefits of other non-tenured faculty of such salary and rank at that other institution). In the event any such released bargaining unit faculty member had obtained tenure at the time of release from the University, such placement with that other public higher education institution shall include placement with tenure.

Section 9. During a period of three (3) academic years following release of a bargaining unit faculty member under this Article, such bargaining unit faculty member shall be offered reinstatement to the same or similar position if reauthorized. Released bargaining unit faculty who have been offered reinstatement will have a period of sixty (60) days in which to accept or decline the offer of reinstatement. The released bargaining unit faculty member shall be able to complete the term of his or her current employment (up to one (1) year) before beginning the recalled position at the University. The University's offer to reinstate, if accepted, shall be at the same tenure level, appointment, type, rank, and salary, adjusted to incorporate any general, non-performance based salary increases that were granted since the time the bargaining unit faculty member was released. If the bargaining unit faculty member declines the offer of reinstatement, all reemployment rights at the University shall be terminated and the position may be filled in accordance with regular employment policies and practices of the University. If the same or similar position is not reopened within the three (3) academic years referenced above, the bargaining unit member's employment rights at the University shall be terminated.

Section 10. In the event that a part-time teaching position becomes available in the program of a released bargaining unit faculty member and if the bargaining unit faculty member has the appropriate qualifications for the position, the bargaining unit faculty member will receive first (1st) consideration for the position. Acceptance or declination of such a part-time teaching position does not affect in any way the rights of a released bargaining unit faculty member to reemployment under Sections 8 or 9 of this Article.

Section 11. A bargaining unit faculty member who accepts reappointment shall be credited with rank and shall be reappointed with tenure if tenured at the time of release or with the remaining years of a term appointment if applicable. A bargaining unit faculty member released due to financial exigency will receive from the University, to commence at the time of release, a one (1) year continuance of the University health insurance policy without charge. A terminated bargaining unit faculty member shall be eligible to continue coverage under the University’s group rate benefit programs for health insurance benefits at his/her own expense as provided for under COBRA.

Section 12. The procedure for retrenchment set forth in this Article is designed to accommodate both the orderly change in the University and reductions that must accompany more abrupt changes in circumstances. The parties recognize that
catastrophic circumstances, such as *force majeure*, could develop which are beyond the control of the University and would render impossible or unfeasible the implementation of procedures set forth in this Article. Therefore, this Section 12 shall not be used to accomplish retrenchment as set forth in this Article. If such unforeseen, uncontrolled and catastrophic circumstances should occur, then the University agrees that, before taking any action that could be interpreted as bypassing the retrenchment procedures, representatives of the University will meet with representatives of the Akron-AAUP to discuss and show evidence of the circumstances described above and that this evidence will at least satisfy the requirements outlined in Section 3(A) of this Article and to discuss the proposed course of action. The University shall not take action under this section after such catastrophic circumstances have ceased to exist.
ARTICLE 16
COMPENSATION

Section 1. Wages

A. 2020-2021 Academic Year

There shall be no general increase to base salaries for the 2020-2021 academic year.

B. 2021-2022 Academic Year - Temporary Salary Reductions

1. Effective July 1, 2021 through June 30, 2022, each bargaining unit member with a base salary greater than $50,000 (except those described in Subsection B(2)) shall be subject to a temporary reduction in base salary based upon the following formula:

\[
\text{(% reduction) } = (6.22 \times 10^{-7}) \times (2020-21 \text{ base salary}) - 0.0015 \times 0.655
\]

2. This temporary reduction shall not apply to a bargaining unit member who was: (a) not employed as a bargaining unit member during the 2020-21 academic year; or (b) laid off from employment during Fiscal Year 2021, pursuant to Article 15, Section 12 of this Agreement and reinstated at any time before June 30, 2022.

C. 2022-23 Academic Year – Contingent Lump Sum Payment

1. Effective July 1, 2022, faculty base salaries shall be determined without regard to any temporary salary reduction imposed pursuant to Section 1(B).

2. Each bargaining unit member employed as a member of the faculty as of July 1, 2022, who was a member of the bargaining unit as of the beginning of fall semester 2021, and whose performance review for the 2021 calendar year, including any immediately preceding period that was not included in the previous merit evaluation, is satisfactory or better as determined by the merit review criteria, shall receive a lump sum payment of $1,000 if the condition in Subsection C(3) is met.

3. If the Census Headcount for Fall 2022 (defined as including all enrolled students at all University of Akron campuses except...
College Credit Plus students) is equal to or greater than 16,100, then the lump sum specified in Subsection (C)(2) shall be provided. If the Fall 2022 enrollment (as defined above) is less than 16,100, there shall be no lump sum payment for FY23.

D. 2023-24 Academic Year – Contingent Lump Sum Payment

1. Each bargaining unit member employed as a member of the faculty as of July 1, 2023, who was a member of the bargaining unit as of the beginning of fall semester 2022, and whose performance review for the 2022 calendar year is satisfactory or better as determined by the merit review criteria, shall receive a lump sum payment of $1,500, if the condition in Subsection D(2) is met.

2. If the Census Headcount for Fall 2023 (defined as including all enrolled students at all University of Akron campuses except College Credit Plus students) is equal to or greater than 17,400, then the lump sum specified in Subsection (D)1 shall be provided. If the Fall 2023 enrollment (as defined above) is less than 17,400, there shall be no lump sum payment for FY24.

E. 2024-25 Academic Year – Contingent Lump Sum Payment

1. Each bargaining unit member employed as a member of the faculty as of July 1, 2024, who was a member of the bargaining unit as of the beginning of fall semester 2023, and whose performance review for the 2023 calendar year is satisfactory or better as determined by the merit review criteria, shall receive a lump sum payment of $2,000, if the condition in Subsection E(2) is met.

2. If the Census Headcount for Fall 2024 (defined as including all enrolled students at all University of Akron campuses except College Credit Plus students) is equal to or greater than 18,700, then the lump sum specified in Subsection (E)1 shall be provided. If the Fall 2024 enrollment (as defined above) is less than 18,700, there shall be no lump sum payment for FY25.

1 College Credit Plus students are shown in the Census Headcount as “Total CCP & ECHS.” The Census Headcount for purposes of this Article 16, Section 1 shall be determined by Institutional Research in the same manner as the “Fall 2020 Census Enrollment By Academic Career – Census” report (attached as Exhibit A) and measured on the fifteenth day of the semester. The Census Headcount number used for Article 16, Section 1 shall include all graduate students, law students, and undergraduate students and shall exclude only College Credit Plus students. For example, for Fall 2020, the Census Headcount for purposes of Article 16, Section 1 would be 15,230 (17,829 minus 2,599).
F. 2025-26 Academic Year – Salary Increase

1. Each bargaining unit member employed as a member of the faculty as of July 1, 2025, who was a member of the bargaining unit as of the beginning of fall semester 2024, and whose performance review for the 2024 calendar year is satisfactory or better as determined by the merit review criteria, shall receive a 2.0% increase to base salary.

2. If the Census Headcount for Fall 2025 (defined as including all enrolled students at all University of Akron campuses except College Credit Plus students) for Fall 2025 is equal to or greater than 20,000, then a 2% increase to base salary, in addition to the increase specified in Subsection (F)1, shall be provided (resulting in a total 4% increase to base salary).

3. Any compensation increases granted under this section shall be retroactively applied to the bargaining unit member’s base salary for the academic year for nine-month faculty and to July 1, 2025 for twelve-month faculty.

G. Comparable Increases

If administrators, staff, contract professionals, or non-bargaining unit faculty, as a group, receive an across-the-board raise, lump sum payment, or other economic benefit (including fringe benefits) that is greater than or more beneficial to employees than that provided to bargaining unit faculty under Section 1(A)-(F) or Article 17, the amount of the additional increase or value of the greater benefit shall be provided to bargaining unit faculty members.

Section 1. Wage Increases

A. 2014-2015 and 2015-2016 Academic Years

There are no general salary increases.

B. 2016-2017 Academic Year

Each bargaining unit member employed as a member of the faculty as of July 1, 2016, who also was a member of the bargaining unit as of the beginning of fall semester 2015, whose performance review for the 2015-2016 academic year is satisfactory or better as determined by the merit review criteria shall receive a 3.0% increase.
C.—2017-2018 Academic Year

Each bargaining unit member employed as a member of the faculty as of July 1, 2017, who also was a member of the bargaining unit as of the beginning of fall semester 2016, whose performance review for the 2016-2017 academic year is satisfactory or better as determined by the merit review criteria shall receive a 2.0% increase.

D.—2018-2019 Academic Year

Each bargaining unit member employed as a member of the faculty as of July 1, 2018, who also was a member of the bargaining unit as of the beginning of fall semester 2017, whose performance review for the 2017-2018 academic year is satisfactory or better as determined by the merit review criteria shall receive a 1.0% increase and be eligible for the following increase. An amount of 1.25% will be set aside for a merit increase based on merit evaluation for the academic year 2017-18. An amount of 0.75% will also be set aside for salary compression/market adjustments.

E.—2019-2020 Academic Year

Each bargaining unit member employed as a member of the faculty as of July 1, 2019, who also was a member of the bargaining unit as of the beginning of fall semester 2018, whose performance review for the 2018-2019 academic year is satisfactory or better as determined by the merit review criteria shall receive a 1.5% increase. An amount of 2.25% will be set aside for a merit increase based on merit evaluation for the academic year 2018-19. An amount of 0.25% will also be set aside for salary compression/market adjustments.

Section 2.  Merit Increases

A.  Departmental Merit Criteria

Unless already in place, each department shall formulate and adopt by majority vote of its bargaining unit faculty criteria for merit evaluations with specified weighting for the research, teaching, and service components. These criteria may subsequently be modified only by a majority vote of the department bargaining unit faculty. The department chair, dean, and the Provost must also approve these criteria.

Upon implementation of this current contract, merit increases will be based on the calendar year rather than the academic year, which has been the past practice. This shift in the merit cycle is intended to give more time for
the submission and processing of merit raises with the ultimate goal of synchronizing them with payroll. Annual raises shall be based on Spring/Summer/Fall activities and on those of any immediately preceding period that was not included in the previous merit evaluation.

Units that, due to the reorganization of Summer 2020, now contain faculty who were previously subject to differing sets of merit guidelines shall develop and submit new merit guidelines by the end of week five (5) of the Spring 2021 semester. The department chair/director, dean, and the Provost shall review these new guidelines and provide feedback as appropriate by the end of week ten (10) of the Spring 2021 semester. The bargaining unit faculty shall resubmit the guidelines by the end of week fifteen (15) of the Spring 2021 semester. The goal is to have these new guidelines administratively approved to take effect in calendar year 2022.

Although not required, any unit may revise its merit guidelines based on a majority vote of the unit’s bargaining unit faculty. These revised guidelines shall be developed and submitted to the chair/director by the end of week five (5) of the Spring semester. The department chair/director, dean, and the Provost shall review these new guidelines and provide feedback as appropriate by end of week ten (10) of the Spring semester. The bargaining unit faculty shall resubmit the guidelines by the end of week fifteen (15) of the Spring semester. The goal is to have these revised guidelines administratively approved to take effect by the next calendar year.

Annual merit raises may be based on up to a three (3) year rolling average if academic unit merit guidelines so indicate. In addition to any materials required by this Agreement, by department merit criteria, or by the department chair/director, bargaining unit faculty may include whatever material will provide evidence of successful teaching, scholarship or service.

B. Merit Review

The department chair/director shall conduct an annual evaluation of every bargaining unit faculty member in accordance with the department's bargaining unit faculty member evaluation criteria established pursuant to Subsection (A).

1. In preparation for the chair/director’s evaluation, all members of the bargaining unit will submit to the chair/director a report of their teaching, scholarship, and service during the preceding academic calendar year by the end of week three (3) of the Spring semester. For the purposes of merit review only, the academic year is defined as beginning on the first (1st) day of the first summer session and
concluding with the day prior to the first day of the following year’s first summer session. Bargaining unit faculty hired to begin either summer or fall semester of the preceding academic year shall be eligible for raise pools as outlined in Sections 1, 2, and 3 of this article. Bargaining unit faculty hired to begin in the spring semester shall be eligible for only the across-the-board raise pool if he/she is reappointed for the coming year. A three (3) year rolling average may be the basis for the evaluation, if appropriate. In addition to any materials required by this Agreement, by department merit criteria, or by the department chair, bargaining unit faculty may include whatever material will provide evidence of successful teaching, scholarship or service.

2. For each area -- teaching, scholarship, and service -- the chair/director will provide a written evaluation to the faculty member by the end of week eight (8) of the Spring semester and assign a ranking of "unsatisfactory," "satisfactory," "meritorious," "outstanding," or "extraordinary."

3. After conducting the evaluations, the department chair/director shall send to each member of the bargaining unit a copy of his or her evaluation before or simultaneously with submission to the dean.

4. Any member who disagrees with the chair/director’s evaluation may send a written response rebuttal to the chair/director by the end of week ten (10) of the Spring semester. The chair/director shall send each member of the bargaining unit a final copy of his or her evaluation, simultaneously with submission to the dean, by the end of week thirteen (13) of the Spring semester. This rebuttal shall be attached to the original evaluation and forwarded to the college dean for resolution. The dean shall provide a copy of his or her decision to the member and department chair. A bargaining unit faculty member may appeal to the dean any final merit evaluation with which they disagree by the end of week fifteen (15) of the Spring semester.

46. Merit evaluation shall not be grievable unless the bargaining unit faculty member has been rated less than meritorious and then only as to procedural error and/or inadequate consideration in the review process. A bargaining unit faculty member may appeal a merit evaluation with which they disagree to the Provost.

### C. Merit Raise Computation

An overall score is calculated, rounded to the nearest 10th, based on the relative weights assigned to teaching, scholarship, and service as specified in the department bylaws. In this calculation, the following values are assigned in each area: "unsatisfactory" = 1, "satisfactory" = 2, "meritorious" = 3, "outstanding" = 4, and "extraordinary" = 5.

An aggregate overall score of less than two (2) points shall be considered unsatisfactory and shall disqualify the bargaining unit faculty member from participation in the merit pool. For example, if teaching is awarded forty percent (40%), research is awarded forty percent (40%), and service is awarded twenty percent (20%); the bargaining unit faculty member receives individual scores of two (2) for teaching, two (2) for research, and one (1) for service. The weighted scores would be 0.8 for teaching, 0.8 for research and 0.2 for service for an aggregate overall score of 1.8 which would disqualify the bargaining unit faculty member from participation in the merit pool.

The merit raise $m_i$ for an individual bargaining unit faculty member will be determined as follows:

\[
m_i = \left( \frac{p_i}{\sum_{j=1}^{n} p_j} \right) \times \frac{M}{2} + \left( \frac{p_i \times b_i}{\sum_{j=1}^{n} p_j \times b_j} \right) \times \frac{M}{2}
\]

where

- $M$ is the total merit pool for the Member’s department, $M = \sum_{j=1}^{n} b_j \times r$
$r$ is the percentage merit increase specified by the applicable contract section.

$n$ is the number of bargain unit faculty in the member’s department.

$p_i$ is the member’s ‘overall score rounded to the nearest 10$^{th}$’ as specified in Subsection (C).

$b_i$ is the member’s base salary.

$p_j$ and $b_j$ are the overall score and base salary, respectively, for all the bargaining unit faculty in the member’s department. Here $j$ is equal to 1,2,3, and so forth, up to $n$.

The merit pool will be divided into two (2) equal parts – one (1) part will be used to decide the merit ignoring the salary of the bargaining unit faculty and the other part will include the salary of the bargaining unit faculty. The following example illustrates the formula above:

\[
\begin{align*}
 n &= 5 \\
\text{Salaries of: } &\$40,000; \$30,000; \$30,000; \$40,000; \$60,000 \\
\text{Total salaries: } &\$ 200,000 \\
\text{1% raise pool = } &\$ 2,000 \\
\text{Merit raise divided into two pools of } &\$1000 each
\end{align*}
\]

**Section 3. Market Adjustment**

Compression/market adjustments for bargaining unit members will be determined by appropriate benchmarking within disciplines. The process proceeds as follows:

**A.** The goal is to work from data including at least discipline, rank, special title or designation, years of service, gender and salary, which shall be collected each year from mutually agreed upon benchmark lists for Main Campus, Wayne College, and the College of Applied Science and Technology. The benchmark lists will be constructed by the joint Administration – Akron AAUP committee described below. The committee shall complete its work by May 1 of each year, and if not completed by that time then the status quo benchmark list regarding market adjustment shall be maintained.
B. The market comparison categories shall be:

   a. Non-Tenure Track Faculty
   b. Assistant Professor
   c. Associate Professor
   d. Professor without special title
   e. Professor with special title--distinguished professor or endowed professor

C. Half of the amount of compression/market adjustment for each bargaining unit faculty member in the categories listed in Sub-section B, supra, shall be

\[
a_i = \left( \frac{d_i}{\sum_{j=1}^{N} d_j} \right) \times \frac{A}{2}
\]

where

- \( A \) is the total market adjustment pool
- \( d_i \) is the deficit for the Member in question
- \( d_j \) is the deficit for each Member
- \( N \) is the total number of Members for the purposes of this section; hence the summation in the formula above is the total deficit for all Members affected by this section

The deficit for each member is computed as the difference between the years of service adjusted average for that member’s discipline and category for the “benchmarking” schools above and the member’s salary. The years of service adjusted average is computed as the product of the average for that member’s discipline and category for the “benchmarking” schools and the years of service factor, \((1 + i)^{(n-M)}\), where \( n \) is the member’s years in rank and for 2015-2016\,\,2020-2021, \( i = 0.02 \), and \( M = 12 \) for Professors, and the service factor is 1.0 for non-tenure track faculty, assistant professors, and associate professors, \( i.e., \), \( i \) equals 0.00 for this rank. Only positive deficit values are used in the calculations for this section. The parameters \( i \) and \( M \) may be adjusted by the joint Administration – Akron AAUP committee described below.

In the case of faculty on overload, their salary shall be corrected to reflect a regular academic year load.
APPENDIX A: EXHIBIT A OF RESOLUTION 3-1-21, Page 86

D. Chairs/directors in consultation with at least 2 elected bargaining unit members of the department will determine the allocation of the other half based on the full history of documented performance of bargaining unit members at The University of Akron. Each allocation to the bargaining unit member shall be supported by written documentation of the basis and justification for the allocation based on a majority vote of the chair/director and elected bargaining unit members.

E. A joint Administration – Akron AAUP committee with two members selected by the Provost and two members selected by the President of Akron-AAUP will: administer the technical details of the compression/market adjustments, devise a mutually acceptable way to carry out the calculations where strict application of this section is not possible due to limitations in the available data or other technical reasons, construct and amend the benchmark lists and adjust the years of service factor parameters based on a continuing review of the available data. This committee shall make decisions based on a simple majority vote and report its actions to the Provost and the President of Akron-AAUP respectively.

Section 4. Promotion Raises

A bargaining unit faculty member who is promoted in academic rank shall receive an increase to his or her annual base salary on the effective date of the promotion, as follows:

Promotion to associate professor of practice/instruction: the greater of ten percent (10%) or $3,000.

Promotion to professor of practice/instruction: the greater of twelve percent (12%) or $4,000.

Promotion to associate professor: the greater of ten percent (10%) or $7,000.

Promotion to professor: the greater of twelve percent (12%) or $10,000.

Section 5. Bonuses for Prestigious Awards

In the event a bargaining unit faculty member receives a national or international prestigious award as determined by the University, the bargaining unit member, as recommended by the President and approved by the Board, shall receive at least $2,500 in the form of a lump sum payment to be paid within sixty (60) days after the date of receipt of the award.

Section 6. Adjustment to Salary Based on Bona Fide Offer, or other Special Cases.

84
The University of Akron has the right (but not the obligation) to make a positive salary adjustment for any bargaining unit faculty member who has been given a *bona fide* written offer of employment, in order to counter such offer and retain the bargaining unit faculty member to whom it has been made. The University shall inform the Akron-AAUP of any adjustment made pursuant to this section and shall provide the Akron-AAUP with a copy of the *bona fide* written offer within ten (10) working days of the bargaining unit member's acceptance of such adjustment. Adjustments made pursuant to this section shall not decrease the salary increases that might be available to other bargaining unit faculty as provided for in this Agreement, and shall be approved by the dean of the bargaining unit member's college and the Provost.

In special cases, the University reserves the right to adjust a member's salary beyond the negotiated levels to retain the member or for some other justifiable reason. Funds for such increases shall come from outside of those negotiated within this Agreement. When such an adjustment is deemed warranted by the administration, the Provost or his/her designee will consult with the Akron-AAUP President or his/her designee and then provide a written justification for the proposed action in writing if requested by the Akron-AAUP President or his/her designee. A corresponding response will be provided promptly by the Akron-AAUP President, or his/her designee. The Provost will consider this response before any action is taken.

Section 7. Compensation for Additional Teaching

A. It is understood by both parties to this agreement that the administration shall assign twenty-four (24) load hours to each bargaining unit faculty member each academic year, and that this assignment shall include one or more of the following types of activities: teaching, research, service, administrative. Similar to NTT faculty, tenure-track bargaining unit faculty members shall receive on or before the start of each academic year a written description of their teaching, administrative, service and research responsibilities for that academic year.

B. In situations when assigned courses have enrollments larger than the norm in the discipline, Deans are authorized to adjust workload consistent with Section 9 of this Article.

C. Additional teaching assignments may be offered to any bargaining unit faculty member at the University's discretion, consistent with the availability of courses and the needs of the academic unit. These additional teaching assignments may be during the Fall or Spring semesters, any of the Summer sessions, and any of the intersessions. In such situations, the regular duties and compensation of the bargaining unit faculty member remain unchanged, and additional pay is provided for additional teaching duties. Bargaining unit faculty may decline these additional assignments with no negative ramifications.
D. Additional compensation shall not be provided for loads beyond twelve (12) load hours in a single semester that do not result in an academic year load above twenty-four (24) load hours provided said semester-semester imbalance does not exceed three (3) load hours.

E. For the duration of this contract, additional teaching pay per credit hour shall be:

F. The per credit hour rates in Section E apply to regularly scheduled classroom or field classes that meet minimum enrollment numbers of ten (10) for graduate courses and twelve (12) for undergraduate courses, except where mandatory external standards require specific, quantifiable maximum class sizes that are smaller than the class sizes indicated above, in which cases the minimum enrollment number shall follow those standards. In the event it is determined by the University to allow a course to run without meeting the minimum enrollment threshold, including summer independent studies, the bargaining unit faculty member shall be compensated on a pro rata basis. The faculty member’s compensation for the course shall be based upon the number of students as of the day after the drop deadline. After this day, a one-time lump sum payment shall be processed.

G. Each Dean shall develop a written policy for distribution of additional teaching load before any additional load is assigned.

H. This section does not preclude summer compensation from grants, endowments, contracts, or for other non-teaching activities.
Section 7. Overload Compensation

A. General.

Overload may be offered to any bargaining unit faculty member at the University’s discretion, consistent with the availability of courses and the needs of the academic unit. Overload is intended to be used when a temporary need arises for additional teaching by a bargaining unit faculty member (in contrast to the thirty (30) hour contracts described below). In overload situations, the regular duties and compensation of the bargaining unit faculty member remain unchanged, and overload pay is provided for additional teaching duties. Overload of more than six (6) load hours per academic year will not be approved. Overload shall be compensated at one twenty-fourth (1/24) of the academic year salary for each credit or fraction thereof.

This section shall not apply to loads beyond twelve (12) load hours in a single semester that do not result in an academic year load above twenty-four (24) load hours provided said semester-semester imbalance does not exceed three (3) load hours.

B. C.A.S.T and Wayne College.

Bargaining unit faculty whose principal appointment is in the College of Applied Science and Technology or Wayne College shall have the option to elect a thirty (30) credit contract, if offered by the University, consistent with the needs of the academic unit. If elected, the additional six (6) credits of teaching load shall be compensated as follows:

These per credit hour rates apply to regularly scheduled classroom or field classes that meet minimum enrollment numbers of ten (10) for graduate courses and twelve (12) for undergraduate courses. In the event it is determined by the University to allow such a course, including summer independent studies, to be taught with fewer than the minimum number of students, the bargaining unit faculty member shall be compensated on a pro rata basis.

This section does not preclude summer compensation from grants, endowed chairs, contracts, or other non-teaching activities.

Section 98. Load credit not always equal to course credit

Assigned load hours may differ from course credit hours as determined by the University.

Section 10. Distance Education and Distributed Learning Compensation

A. Compensation for Developing Distance Education/Distributed Learning Courses

1. Compensation: Bargaining unit faculty who initially develop or extensively revise a course as defined in Section 1 of Article 20 shall receive compensation to be consistent with the University policy and to be agreed upon in advance among the bargaining unit member, department chair (or equivalent) and the dean. Such compensation may be appropriate course load reduction or cash payment, or as the above parties may otherwise agree in writing.

88
2. Collaboration: In the event of collaboration in the development or extensive revision of a course as defined in Section 1 of this Subsection (A) among two (2) or more bargaining unit faculty, an appropriate distribution of the compensation option(s) indicated above is to be determined and agreed to in writing prior to the undertaking of the development/revision activity.

B. Compensation for Teaching Distance Education/Distributed Learning Courses

1. Compensation for the initial semester of teaching distance education or distributed learning courses as defined in Section 1 of Article 20 shall be four (4) load hours for a three (3) credit hour course. Courses of fewer or more credit hours will be compensated proportionately. These courses shall be part of the bargaining unit member's workload and shall be included in the bargaining unit member's workload statement.

Section 119. Incentive Retirement Benefits.

In special cases, the University may grant retirement incentive benefits at any time outside the scope of the Article or in addition to the maximum annual University contribution. These benefits will be granted only upon the written agreement of the Bargaining Unit member, the Department Chair/School Director, the Dean, and the Provost. When such an arrangement is deemed warranted by the administration, the Provost or his/her designee will consult with the Akron-AAUP President or his/her designee and provide justification in writing if requested by the Akron-AAUP for the proposed action. A corresponding response will be provided promptly by the Akron-AAUP President or his/her designee. The Provost will consider this response before any action is taken.

Section 1210. Distinguished Professor.

A bargaining unit faculty member who is awarded the title of Distinguished Professor shall receive a minimum compensatory award equal to the greater of $11,000 or 14% of the bargaining unit’s member salary, whichever is greater and it shall be added to the base salary of the recipient.

ARTICLE 17
BENEFITS

Section 1. Insurance Benefits

A. Coverage
From the effective date of this Agreement through December 31, 2016, the University will provide bargaining unit faculty with substantially equivalent substantive insurance benefits—consisting of the group medical, pharmacy, dental, vision, life, employee assistance, and long- and short-term disability plans—as have been provided to bargaining unit members pursuant to the 2013-2015 collective bargaining agreement, subject to the same terms and conditions, and subject to the provisions of this Article. Employee monthly contributions toward premiums, co-payments and deductibles shall be as provided in this collective bargaining agreement. A description of these insurance benefits is set forth in the summary description attached to this Agreement (Attachment #1). The actual plan document is written in much more technical and precise language. If the non-technical language of the attached summary plan description and the technical language of the plan document conflict, the language of the plan document shall govern. To the extent either party seeks changes which are substantially equivalent substantively or seeks to change vendors, the parties shall negotiate these changes prior to implementation.

B. From January 1, 2017 through December 31, 2020, the University will provide bargaining unit faculty with medical and pharmacy benefit plans as set forth in Attachment #2. The other benefits provided to bargaining unit faculty (dental, vision, life, employee assistance and long- and short-term disability) will remain the same as described in Attachment #1. With respect to the summary description set out in Attachment No. 2, the actual Plan document is written in much more technical and precise language. If the non-technical language of the Summary Plan Description in Attachment No. 2 and the technical language of the Plan document conflict, the language of the Plan document shall govern. To the extent either party seeks changes which are substantially equivalent substantively or seeks to change vendors, the parties shall negotiate these changes prior to implementation.

C. Employee Contributions for 2016

Through December 31, 2016, bargaining unit faculty will offset the cost of insurance benefits set out in paragraph A and through payroll deduction in the following amounts:

A. Coverage

From January 1, 2021 through December 31, 2026, the University will provide bargaining unit faculty with medical and pharmacy benefit plans as set forth in Attachment #1. The other benefits provided to bargaining unit faculty (dental, vision, life, employee assistance and long- and short-term disability) will remain the same as described in Attachment #1. With respect to the summary description set out in Attachment #1, the actual Plan document is written in much more technical and precise language. B. Health and Dental Employee Contributions for 2021 through 2026

From January 1, 2021 through December 31, 2026, the employee contribution percentages for the Gold Plan (PPO 85%) will be as follows:

<table>
<thead>
<tr>

The percentage of University employees in each tier will remain the same throughout the term of this Agreement, but the salary ranges corresponding to each tier will change each calendar year in reference to the salaries as of September 1 of the previous calendar year, e.g., the tiers for 2022 will be based on salaries in effect on September 1, 2021. The actual employee contribution amounts will change each calendar year based on the premium equivalency rates established.

From January 1, 2021 through December 31, 2026, the employee contribution percentage for coverage under the Blue Plan (PPO 75%) will be changed so that the University’s portion of the premium equivalency rate is equal for the Gold and Blue Plans.

Employees will contribute 15% of the premium for their selected tier of dental coverage.

D. Health and Dental Employee Contributions for 2017 through 2020

From January 1, 2017 through December 31, 2020, the employee contribution percentages for the Gold Plan (PPO 85%) will be as follows:

The percentage of University employees in each tier will remain the same as in 2016, but the salary ranges corresponding to each tier will change each calendar year in reference to the salaries as of September 1 of the previous calendar year, e.g., the tiers for 2017 will be based on salaries in effect on September 1, 2016. The actual employee contribution amounts will change each calendar year based on the premium equivalency rates established.

From January 1, 2017 through December 31, 2020, the employee contribution percentage for coverage under the Blue Plan (PPO 75%) will be changed so that the University’s portion of the premium equivalency rate is equal for the Gold and Blue Plans.

Beginning January 1, 2017, employees will contribute 15% of the premium for their selected tier of dental coverage.

E. Retiree Spouse and Dependent Healthcare Coverage
Through December 31, 2020, for all bargaining unit faculty members who were hired prior to January 1, 1992 and who retire from the University and begin to collect their state public pension and who have at least ten (10) consecutive full-time service years at the University immediately prior to retirement, their spouses and dependents eligible for insurance when the retiree's health insurance coverage was terminated by the University shall receive medical and prescription drug benefits (Gold Plan only) which are substantially equivalent substantively to such benefits received by the spouses and dependents of active bargaining unit faculty. The contribution to monthly premium will be the same as the average contribution percentage for active employees participating in the Gold Plan (15% in 2016, 16% in 2017, 17% in 2018, 18% in 2019, and 19% in 2020). However, bargaining unit faculty who were hired after September 13, 1977, and retire after December 31, 2010 will receive no life insurance benefits.

CF. Initiation of Benefits Coverage

Newly hired bargaining unit faculty members and their eligible spouse and/or eligible dependents, as applicable, shall be entitled to the benefits provided in this section beginning the first day of the month following their date of hire.

DG. Spousal Eligibility

Spouses with access to subsidized health coverage through their own place of employment, where the employer contributes at least 50% or more of the cost, are restricted to secondary University coverage allowance at full employee cost for the same.

EH. Section 125 Plan – Flexible Spending Accounts

The University shall maintain substantially equivalent substantive Section 125 Plans for the duration of this Agreement, including flexible spending accounts (“FSAs”) for unreimbursed, out-of-pocket medical expenses (“Health FSA”) and work-related dependent care expenses (including day care and elder care) (“Dependent Care FSA”). The annual maximum contribution to an employee’s Flexible Spending Accounts for 2016 shall be $5,000 for Dependent Care FSAs and $2,500 for Health FSAs, provided, however, that the maximum amount shall continue to be consistent with federal law. Beginning with the 2017 plan year and for the duration of this Agreement, the maximum amount shall be the maximum allowed under federal law.
1. Deadline to Use Dependent Care FSA Funds and Submit Dependent Care FSA Claims

For all plan years, Dependent Care FSAs funds for a plan year must be used by March 15th of the following year. Dependent Care FSAs have a run-out period of 90 days. This means that claims incurred before the plan year ends can be submitted until March 31st of the following year (March 30th in leap years).

2. Deadline to Use Health FSA Funds and Submit Health FSA Claims.

For the 2016 plan year, unused Health FSA funds as of December 31, 2016 may be used through March 15, 2017. These claims must be submitted by the end of the run-out period on March 31st (March 30th in leap years).

Starting with the plan year beginning 1/1/2018, Health FSA funds must be used for expenses incurred within the calendar year, except that Health FSAs will allow for the carryover of $500 unused funds remaining at the end of the prior 2017 plan year. Claims must be submitted by March 31st (March 30th in leap years) for expenses incurred in the calendar year. Pursuant to this change, participants in Health FSAs will no longer have a 75-day grace period to utilize unused funds after the plan year ends. In other words, Health FSA funds deposited during the 2017 calendar year must be used by December 31, 2017, except that funds up to $500 may be carried over into the 2018 plan year. This change applies to only Health FSAs and does not apply to Dependent Care FSAs.

Section 2. Leaves of Absence

A. Sick Leave

1. General policy

   a. The University shall provide paid sick leave to all bargaining unit faculty, as outlined below.

   b. Paid sick leave is defined as the authorized absence from duties for the following reasons:

      (i) Personal illness, pregnancy, or injury (if the illness or injury is for more than five (5) days, Talent Development & Human Resources may require a physician's certificate).
(ii) Exposure to contagious disease which could be communicated to other members of the University community.

(iii) Illness or injury in the individual's immediate family (as defined below).

(iv) Death (to a maximum of five (5) days) in the individual's immediate family (as defined below).

(v) Medical, psychological, dental, or optical examination or treatment of the employee or a member of his or her immediate family (as defined below).

c. Definitions.

(i) Immediate Family: The employee’s immediate family is limited to the employee's current spouse, parents, children, dependent children, grandparents, siblings, grandchildren, current brother-in-law, current sister-in-law, current daughter-in-law, current son-in-law, current mother-in-law, current father-in-law, step-parents, step-children, step-siblings or a legal guardian or other person who under Ohio law is legally recognized to stand in the place of the parent.

(ii) Pay Status: Active pay status means the conditions under which an employee is eligible to receive pay, and includes, but is not limited to, vacation leave, sick leave, leave with pay, bereavement leave, court leave, professional development leave and administrative leave. No pay status means the conditions under which an employee is ineligible to receive pay, and includes, but is not limited to, leave without pay, leave of absence, and disability leave.

2. Accrual of sick leave credit

a. Sick leave is accrued at the rate of ten (10) hours per month for all twelve (12) months of the year, or as otherwise provided by law.
b. Only accrued sick leave hours can be requested for authorized paid absences.

c. There is no accumulation of sick leave benefits while on leave of absence without compensation.

d. Sick leave accrual shall accumulate without limit, from the date of hire.

3. Procedure governing utilization of sick leave

a. Sick leave must be requested as far in advance when possible. If advance notice is not possible, then it must be requested by the employee or employee’s legal representative by notifying the department head as soon as is practicable, presumably on or before the first day of absence, unless extenuating circumstance exist.

b. The University reserves the right to require a physician's certification or other verification in all instances of paid sick leave, and also reserves the right to obtain a second certification from a physician of the University's choice, and at the University's expense. When such certification or verification is required, it shall be collected by Talent Development & Human Resources for audit and retention.

c. For 12-month bargaining unit faculty, a continuous period of sick leave commences with the first (1st) day of an absence and includes all subsequent days, or part of a day, except Saturdays, Sundays, and holidays observed by the University, until the employee returns to work. However, Saturdays, Sundays, and holidays shall be included in the calculation of a continuous period of sick leave for those employees who may be scheduled to work on those days, provided, however, no more than five (5) sick days shall be counted in any period where an employee is continuously absent Monday through Sunday.

d. For academic year (9-month) bargaining unit faculty, a continuous period of sick leave commences with the first (1st) day of an absence and includes all days classes are in session during the academic year or summer session except Saturdays, Sundays, and holidays observed by the University. However, Saturdays, Sundays, and holidays shall be included in the calculation of a continuous period of sick leave for those
employees who may be scheduled to work on those days, provided, however, no more than five (5) sick days shall be counted in any period where an employee is continuously absent Monday through Sunday.

e. Bargaining unit faculty shall comply with the sick leave reporting system by Talent Development & Human Resources.

f. In all cases of leave for illness or injury, the University may require written certification by a physician attesting to an employee's fitness to return to work, and reserves the right to obtain a second (2nd) certification from a physician of the University's choice and at the University's expense.

g. Paid sick leave will be charged when used.

h. When sick leave is used, it will be deducted from the employee's accumulated total, one (1) hour for each hour thereof of absence.

4. Transfer of sick leave

A bargaining unit faulty member who transfers from one public agency to another, or who is reappointed or reinstated, or who transfers from one state department to another shall, upon reentering and submitting certified evidence of accumulated sick leave, be credited with the unused balance of accumulated sick leave, provided the time between separation and reappointment does not exceed ten (10) years. The words "public agency," as used above, include the state, counties, municipalities, and all boards of education within the state of Ohio. The amount of sick leave transferred to state service shall not be greater than the maximum accumulation which would have been allowed if all public employment had been in the state service.

5. Payment of sick leave upon retirement

a. Upon retiring from active service with the University after ten (10) or more years of service with the State or any of its political subdivisions, a bargaining unit faculty member may elect to be paid for one-fourth (¼) of the accrued but unused sick leave credit up to a maximum of one-fourth (¼) of one hundred twenty (120) days. This payment will be based upon the bargaining unit faculty member's rate of pay at the time of
retirement. Upon accepting such payment, all sick leave credit accrued up to that time will be eliminated.

b. Such payment will be made upon retirement in a lump sum in one (1) paycheck at the end of the month following the month in which the retirement is effective.

6. Any unexcused absence or failure to give proper notification may result in the absence being charged to leave without pay. Falsification of either a written, signed statement or a physician's certificate shall be grounds for disciplinary action up to and including dismissal. Subject to the Family and Medical Leave Act (FMLA), monthly or annual absences greater than the number of hours or days accrued may be considered excessive, except in instances due to extended illness or injury.

7. Vacation leave may not be converted to sick leave unless the employee or a member of the employee's immediate family is admitted to or treated in a hospital or is under the treatment of a licensed physician and is not released to work. Written verification is required. Only those hours/days medically certified may be converted to sick leave.

8. Sick leave shall not be paid upon the death of an active employee.

B. **Vacation**

1. **Academic Year Bargaining Unit Faculty**

   Bargaining unit faculty on an academic year (9-month) appointment shall not be eligible for vacation. Such members shall be eligible for all academic recesses, breaks, and holidays as scheduled during the academic year.

2. **12-month Bargaining Unit Faculty**

   Bargaining unit faculty on a full time 12-month appointment (effective July 1) have twenty-two (22) working days (176 hours) of vacation as arranged with their dean or administrative supervisor.

   Vacation is accrued at the rate of 1.833 days (14.67 hours) for each calendar month of active pay status, excluding leaves without compensation. Vacation days shall include Monday through Friday, exclusive of holidays.
Bargaining unit faculty are expected to use their accrued vacation annually. Any accrued and unused vacation leave credit for prior years, up to a maximum of forty-four (44) days (352 hours), may be carried forward to the following year. Any accrued and unused vacation in excess of forty-four (44) days (352 hours) shall be forfeited on June 30 of each year.

To minimize interruption of services, all vacation leave must be approved by the appropriate dean or administrative department director. The use of vacation leave may be authorized in advance of accrual upon approval of the appropriate dean or administrative department director, and with final approval of the President or appropriate vice president. Upon separation from service, the bargaining unit member's final pay check shall be reduced by the amount of used, but not accrued, vacation leave.

If a bargaining unit member's employment basis is changed from 12-month to 9-month, any accrued but unused vacation time shall be paid to the bargaining unit faculty member in a lump sum based on the 12-month rate of compensation on the effective date of the change up to a maximum of twenty-two (22) days.

Upon separation of service, payment for accrued and unused vacation leave shall be made to the bargaining unit faculty member in a lump sum based on the rate of compensation at separation for any accrued but unused vacation leave up to a maximum of twenty-two (22) days.

For purposes of calculating the lump-sum payment upon (1) 12-month to 9-month employment status change or (2) separation, twenty-two (22) working days shall be equal to one twelfth ($\frac{1}{12}$) of the annual salary of the bargaining unit member.

If a bargaining unit faculty member dies during active pay status, the accrued and unused vacation leave for the current year, plus any accrued and unused vacation leave shall be paid in accordance with the Ohio Revised Code §2113.04 up to a maximum of twenty-two (22) days.

C. Family and Medical Leave

The Family and Medical Leave Act of 1993 ("FMLA") entitles eligible employees of covered employers to take unpaid, job-protected leave for specified family and medical reasons with continuation of group health insurance coverage under the same terms and conditions as if the
employee had not taken leave. In order to be eligible, bargaining unit faculty must have been employed by the University for at least twelve (12) months (this twelve month period need not be consecutive), and worked at least 1,250 hours (0.6 FTE) over the twelve (12) month period preceding the leave. Eligible employees under current law are entitled to:

1. Twelve workweeks of leave in a 12-month period for:
   a. the birth of a child and to care for the newborn child within one year of birth;
   b. the placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement;
   c. to care for the employee’s spouse, child, or parent who has a serious health condition;
   d. a serious health condition that makes the employee unable to perform the essential functions of his or her job;
   e. any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member on “covered active duty;” or

2. Twenty-six workweeks of leave during a single 12-month period to care for a covered servicemember with a serious injury or illness if the eligible employee is the servicemember’s spouse, son, daughter, parent, or next of kin (military caregiver leave).

The University is a covered employer under the FMLA and will provide unpaid leave to qualifying employees to the extent of and pursuant to FMLA and the Federal Regulations promulgated thereunder. Employees are directed to the Department of Labor, Wage and Hour Division website, currently found at http://www.dol.gov/whd/fmla/, to determine eligibility for FMLA leave as well as for an explanation of the rights and responsibilities of both employees and employers under the FMLA including notice requirements, certification by a health care provider and other important information. Additional information about the FMLA is found in Attachment #3 to this Agreement. For further questions or information about the FMLA, please contact the Talent Development & Human Resources Department.

Application for FMLA Leave is made to Talent Development & Human Resources which will make the determinations regarding approval.

A "rolling" twelve (12) -month period measured retrospectively from the date a Member uses any FMLA leave shall be used to determine the eligibility to use FMLA leave in the proceeding (12) -month period.
Paid vacation leave (with supervisor approval) or sick leave may, at the employee's option, be substituted for unpaid leave.

Group health benefits will be continued for the duration of a FMLA leave, provided however, that the employee continues to timely pay his or her contribution to premium.

When intermittent or reduced work schedule leave is foreseeable due to planned medical treatment, the bargaining unit member must make reasonable efforts to schedule the treatment so as not to unduly disrupt the University’s operation and the University may temporarily transfer the member to an alternative position for which the member is qualified, if it better accommodates these recurring periods of leave.

Nothing in this section shall be deemed to create any additional benefits, rights, or entitlements to bargaining unit members beyond those provided by the provisions of the FMLA, the Regulations or applicable law of the state of Ohio, except in the situation addressed in the paragraph below.

In the event that a bargaining unit faculty member has been on family and medical leave and the University obtained a replacement, and if, when the family and medical leave concludes, there are fewer than thirty (30) calendar days remaining in the semester, the bargaining unit faculty member may take an unpaid leave for the remainder of that semester. In that case, all benefits shall continue, provided that the individual continues to timely pay the employee contribution(s). For the purpose of implementing this FMLA policy, the definitions and provisions of the FMLA in effect at that time shall be followed when necessary to ensure compliance with the law.

D. Court Leave

1. Except as otherwise provided by law, employees will be granted leave with pay if:

   a. Summoned for jury duty by a court of competent jurisdiction;

   b. Subpoenaed to appear before any court, commission, board or other legally constituted body authorized by the law to compel the attendance of witnesses, where the employee is not a party to the action; or

   c. Participating in any action, as an appellant or subpoenaed witness, before the State Personnel Board of Review (SPBR) and is in active pay status at the time of scheduled hearing before the SPBR.
When utilizing court leave, a copy of the summons or subpoena must be forwarded to Talent Development & Human Resources for retention in the employee's personnel file.

2. An employee who is appearing before a court or other legally constituted body in a matter in which the employee is a party, such as but not limited to a plaintiff or defendant, may be granted vacation time or leave of absence without pay. Such instances would include, but not be limited to, criminal or civil cases, traffic court, divorce or custody proceedings, or appearing as directed as a parent or guardian of a juvenile.

3. Proof of appearance will be required.

4. Any compensation or reimbursement for jury duty or for court attendance compelled by subpoena, when such duty is performed during an employee’s normal working hours, and for which the employee was paid by the University, shall be remitted by the University employee to the payroll office.

E. **Disability Leave**

A disability leave is defined as an unpaid leave granted or required by the University for medical reasons after the bargaining unit faculty member has exhausted all accrued sick leave. The bargaining unit faculty member must exhaust all paid leave before going on unpaid disability leave. A bargaining unit faculty member whose absence due to illness or injury exceeds all paid leave may be granted disability leave for up to six (6) months and may be extended by increments of up to six (6) months for a total of one (1) year. During the period of disability leave, the University will not pay salary or wages nor contribute toward retirement benefits nor provide for the accumulation of sick leave or vacation leave, but will provide all other employment benefits that the employee elects during an enrollment period, or subsequent qualifying event, subject to the applicable employee’s timely contributions in providing the same.

A bargaining unit faculty member shall receive and otherwise participate in all employment benefits except retirement while on unpaid disability leave. Upon return from disability leave, the bargaining unit faculty member will be reinstated to his or her position or a comparable position (with the same tenure status and rank) with equivalent pay and benefits, including any increases of salary not related to merit and comprehensive changes in benefits.
F. Military Leave

The University will comply with all current state and federal laws regarding bargaining unit faculty who either enlist or are drafted into the uniformed or Armed Forces of the United States. Certain of those provisions, include 38 U.S.C. Chapter 43, O.R.C. §§ 5903.01-5903.02, 5923.05 and O.A.C. 123:1-34-01-05, and provide in part as follows.

1. A bargaining unit faculty member who performs reserve duty is entitled to leave of absence from the member's positions without loss of pay for the time the member is performing service in the uniformed services, for periods of up to one (1) month, and thereafter if called to active duty will be paid each month an amount that equals the difference between the member's gross monthly wage or salary as a University employee and the sum of the member's gross uniformed pay and allowances received for that service.

2. A bargaining unit faculty member who is called to active duty or active duty training in the uniformed or Armed Services shall have the right to continue all or part of existing health and dental insurance benefits (including dependent coverage) on the same terms as if the bargaining unit faculty member were working fulltime in the bargaining unit. In addition, such activation shall be considered a "qualifying event" for purposes of being able to modify benefits coverage.

G. Adoptive and Foster Parent Leave

Upon the adoption of a child or arrival of a foster child, a bargaining unit faculty member who is on active pay status is entitled to twenty (20) working days of paid leave which will not be taken from sick days, but which will run concurrently with any available FMLA leave.

G1. Parental Leave

Parental leave is available to all bargaining unit faculty members who become parents or legal guardians as the result of the birth of a child or the placement of a child for adoption or foster care ("Parental Leave Event"). Parental leave is a contractual benefit separate from and complementary to FMLA leave and sick leave.

A bargaining unit faculty member who experiences a Parental Leave Event on active pay status upon either her own delivery or a pregnant spouse's delivery is granted, within one hundred and eighty (180) days of the delivery, twenty (20) working days of paid paternity leave which
will not be taken from sick days, but which will run concurrently with any available FMLA leave. Parental leave may be used at any time, so long as it is used within 180 days of the Parental Leave Event.

Application for parental leave shall be made to Human Resources as far in advance as practicable. The only certification that may be required is the occurrence of a Parental Leave Event within the applicable time period.

H. BirthingMaternity Leave

Upon delivery, a pregnant bargaining unit faculty member who is on active pay status shall, in the ordinary course of recovering from either a vaginal birth without complication, be entitled to use up to six (6) weeks of paid sick leave, or if a vaginal birth with complication as verified by a physician or cesarean birth, be entitled to use up to eight (8) weeks of paid sick leave, as long as the employee has accrued the requisite amount of sick leave, and if less, then shall be entitled to use such lesser amount. In any event, the use of such sick leave shall be at the employee’s option to use however much sick time as the employee deems appropriate. If, upon delivery of the child, the employee is not in pay status, but becomes in pay status within six (6) weeks, in the case of a vaginal birth without complication, or eight (8) weeks, in the case of a vaginal birth with complication as verified by a physician or cesarean birth, the employee shall be entitled to use accrued paid sick leave upon being in pay status for the remainder of the six (6) or eight (8) week period, as applicable. In any event, after using (or not using) such sick leave, the employee is granted twenty (20) working days of paid Maternity Leave not taken from sick days. In addition to the paid birthing maternity leave, such bargaining unit faculty member who thereafter is physically unable to perform her duties may elect paid sick leave on the same terms that sick leave is available for any other illness, injury, or disability.

In addition, the employee is entitled to FMLA leave if a pre- or post- delivery bargaining unit faculty member wishes to be absent from work for a period of time longer than the period of actual physical disability (see Family and Medical Leave subsection C, above).

Use of BirthingMaternity Leave shall run concurrently with any available FMLA leave.

I. Responsibility of the University to find replacement.

When a bargaining unit faculty member is to be out on leave such that a replacement is needed, it shall be the responsibility of the University to find and make arrangements for the replacement.
J. Special or Emergency Leave

The University may grant special or emergency leaves for purposes, time periods, and under circumstances other than those described in other provisions of this Agreement. Such leaves may be requested by a bargaining unit faculty member and granted if supported by the department or unit head, dean, and Provost and approved by the Board. The terms and conditions of such leaves shall be mutually approved by the bargaining unit faculty member and the University.

Section 3. Child Day Care

Bargaining unit faculty covered by this agreement may be provided Full-Day Pre-School, Toddler Full-Day and/or Hourly/Flextime Pre-School services at the University's Center for Child Development as long as the University maintains the program, and at tuition rates equal to the University's cost for the same. This benefit can be provided only as space is available and on a first come basis.

Bargaining unit faculty utilizing the Center's services shall be responsible for all other fees as incurred.

Section 4. Retirement Plans

A. State Teachers Retirement System of Ohio. All bargaining unit members covered by this Agreement shall have the option based on their date of hire and eligibility as determined by State Teacher’s Retirement System (STRS) to participate in one of STRS’s plans – currently a defined benefit plan, a defined contribution plan or a combination plan. Employee and employer rates of contribution to the plan are set by the STRS Board.

B. Alternative Retirement Plan (ARP). The University shall continue to offer the Alternative Retirement Plan (ARP) implemented March 1, 1999, to bargaining unit members who are eligible under state law to participate in such a plan. The terms of this defined contribution plan are currently spelled out in a plan document approved by the Ohio Attorney General.

C. Tax-Sheltered Annuities - Section 403 (b). Bargaining unit members covered by this Agreement shall have the option to purchase through payroll deduction supplemental retirement benefits through a Tax-Sheltered Annuity (TSA) program as authorized by Section 403 (b) of the Internal
Revenue Code. A Roth 403(b) option will be made available January 1, 2011.

D. Deferred Compensation / Section 457 Plan - Bargaining unit members covered by this Agreement shall have the option to participate through payroll deduction in deferred compensation / Section 457 plans offered by annuity providers.

Section 5. Tuition & Fee Reduction

A. The University has created, as an exclusive benefit for its employees, an educational assistance program. The University intends to provide this educational assistance program to exclude all assistance provided from an employee’s income to the extent allowable under Internal Revenue Code Section 127 as amended. This educational assistance program is only available to University employees taking courses at the University of Akron. Bargaining Unit Faculty are eligible for this benefit as of the first day of the first semester of their employment. This program does not apply to graduate assistants who may otherwise qualify for tax exemption of fee reduction under a separate University program.

B. Fee reductions for bargaining unit faculty pursuant to Internal Revenue Code Section 127, as amended, include:

1. Credit courses

   Any University bargaining unit faculty member shall be permitted to take two (2) credit bearing courses or six (6) credit hours, whichever is greater, each semester, free of all charges, excluding late fees and including instructional and general fees, graduate level, laboratory, or other fees associated with these courses. Unused portions of these reductions are not cumulative.

   Any bargaining unit faculty member shall be permitted to take a total of four (4) credit bearing courses or twelve (12) credit hours, whichever is greater, during the summer semester. The credit courses may be taken in any of the summer sessions comprising the summer semester. However, the aggregate of courses will not exceed four (4) credit bearing courses which will be free of all charges, excluding late fees and including instructional and general fees, graduate level, laboratory, or other fees associated with these courses. Unused portions of these reductions are not cumulative.

2. Non-credit courses
Any bargaining unit faculty member shall be permitted to take two (2) non-credit courses per semester (i.e., combined summer, fall, spring), which shall not affect his or her eligibility for credit bearing course fee reduction enrollment.

Some courses are not available for non-credit course fee reduction (AutoCAD, "Microsoft NT," polymer science courses, etc.). A list of such courses will be maintained by the division of workforce development and continuing education.

All individuals using fee reduction for non-credit courses will be placed on a waiting list in the division of workforce development and continuing education (with a University designation assigned) on a first-come, first served basis, until class meets minimum paying enrollment. These individuals will pay such costs as materials, supplies, lab fees, etc.

C. Tuition waivers for bargaining unit faculty spouses, and dependents.

Tuition waivers for the instructional fees, or an amount equivalent to the graduate level credit fees for Ohio residents, or an amount equivalent to the School of Law credit hour fees for Ohio residents shall be deducted from total fee charges for the following groups (general fees, course fees, and other special fees are not included in this benefit):

1. Spouses and dependents (as "dependents" are defined by current rules and dependency tests of the IRS) of bargaining unit faculty.

2. Spouses of all bargaining unit faculty while one (1) or both are in the service of the University. Spouses of bargaining unit faculty who are also employees may elect to receive fee reductions as either an employee or a spouse.

3. Spouses and "dependents" of deceased bargaining unit faculty who were serving the University at the time of death.

4. Spouses and "dependents" of all retired full-time University faculty.

5. For purposes of fee reductions, "spouses" refer to individuals who have contracted the legal status of a marital relationship through religious or civil solemnized marriages and complied with all the statutory requirements pursuant to applicable law;
and shall not include common law marriages which may be otherwise recognized under Ohio law or other relationships between persons not legally capable of making a marriage contract under Ohio law.

6. Fee reductions may be taxable income to the bargaining unit member.

D. General provisions regarding tuition waivers and fee reduction benefits.

1. No reductions of residence hall room and board fees shall be granted to any person except members of the resident advisory staff.

2. The requirements of residence in Ohio for one (1) year before the first (1st) day of any term or semester to be exempt from nonresident tuition charges shall be waived for employees who are entitled to the fee reduction.

3. Eligibility for fee reductions for employees or relatives is determined by employment status on the first (1st) day of the course.

4. An individual may receive fee reductions under only one (1) eligibility category (e.g., as a bargaining unit member or other eligible University employee, a spouse or a dependent) during any one (1) academic period. For example, a bargaining unit member who is also the spouse of a bargaining unit member may only receive fee reductions as either a bargaining unit member or a spouse and may not combine the reduction allotments.

5. Eligibility for other authorized fee credits is determined independently from the individual's status as a University employee or dependent. Thus, other authorized fee credits from other entities may be received in the same semester as the University's fee reduction.

6. Bargaining unit employees with nine (9) month appointments are eligible for fee reductions for themselves and/or their spouse /dependents during the summer if reappointed for the following academic year.

7. University-funded scholarship awards awarded to students who are also receiving a fee reduction as a spouse/dependent of a bargaining unit faculty member can be applied to other educational expenses on that student’s account, including, but not limited to: on-campus housing, board, and fees. However, no refunds will be issued where University undergraduate scholarship awards exceed the
undergraduate student’s expenses for tuition, fees, and on-campus housing and board as reflected on the student’s bill.

Section 6. Other Benefits

During the term of this Agreement, all bargaining unit faculty covered by this Agreement shall receive:

A. University faculty identification card

D. Use of the Student Recreation and Wellness Center at the same charge as other employees,

ARTICLE 18
PROFESSIONAL DEVELOPMENT

Section 1. Purpose

The University is committed to the development of an academic community recognized for its achievement in contributing, transmitting and using knowledge and ideas. An essential means for the faculty periodically to enhance competence and widen professional activity is the Professional Development Leave (PDL) Program. The major purpose of this program is to promote the professional growth and new or renewed intellectual achievement of faculty. The intended outcome of a PDL is to increase individual effectiveness or produce academically or socially useful results. A PDL may entail specialized scholarly activity or be designed to provide broad cultural experience and enlarged perspective.

Section 2. Eligibility

A. Any bargaining unit faculty member (tenure-track, tenured or non-tenure track) with at least seven (7) academic years of teaching service at the University, which may include periods of paid leaves of absence or temporary administrative duties (for example, chair or interim chair), may be granted a PDL for a period of not more than one (1) academic year to engage in further education, research, or any other activity approved by the Board. Additionally:

B. If the faculty member shows that the project is better served by dividing the PDL over two (2) academic years, the split leave may be permitted at the discretion of the President and the Board provided that such an understanding is reached before the leave is approved.

C. A PDL shall not be granted for the sole purpose of becoming self-employed or obtaining employment elsewhere. However, a PDL may be granted to acquire an advanced degree so long as pursuing the same is in the mutual interest of the University and the bargaining unit member.

D. A faculty member may be considered for an off-cycle PDL under the following conditions:

1. The faculty member must inform the academic unit chair/director of their intention to apply for funding that might be used to fund an off-
cycle PDL, and must keep the chair/director apprised of the status of the funding opportunity.

2. The faculty member must have completed at least six (6) semesters (three (3) academic years) of teaching service since a previous PDL before applying for an off-cycle PDL.

3. The external funding opportunity must provide funding for the faculty member’s salary for the duration of the off-cycle PDL. The University shall give consideration to providing partial support to supplement that funding if it is not sufficient to meet the faculty member’s base salary for the duration of the off-cycle PDL.

4. In the case of a negative recommendation, the Provost or a Vic the Provost’s designee shall provide the applicant with a written rationale for the denial. A negative recommendation is not grievable.

E. A faculty member who has completed a PDL must complete another six (6) years of paid status at the University before becoming eligible for a PDL. Application for a subsequent PDL may be made after the completion of ten (10) semesters (5 academic years) of paid status at the University, with said PDL not to begin before the completion of twelve (12) semesters (6 academic years) of service at the University.

F. Professional leave taken as part of the faculty development program shall not be deemed to be in lieu of ongoing commitments in connection with a specific research, scholarly or creative program.

Section 3. Compensation

Compensation and other benefits paid to full-time faculty who are on professional leave will be handled as follows:

A. The University shall pay the faculty member for or during a period of professional leave a salary not to exceed the amount that would have been paid to said faculty member for the performance of regular duties during the period of the leave. A faculty member shall receive not less than full pay for one (1) semester of PDL. If the PDL is for two (2) semesters, the faculty member will receive one half (½) compensation for the two (2) semesters. The salary paid for such leave may not be suitable for inclusion in a final average salary for retirement purposes, as determined by STRS.

B. No faculty member shall, by virtue of being on professional leave, suffer a reduction or termination of regular employee retirement or insurance
benefits or of any other benefit or privilege received as a faculty member at the University. Whenever such a benefit would be reduced because of a reduction in the faculty member's salary during the PDL, the faculty member shall be given a chance to have the benefit increased to its normal level.

C. A person granted leave under the faculty development program will be considered as providing full-time service to the University during that period, and the University shall not pay any additional stipend or other compensation during such period of leave. Leaves may include funding by third (3rd) parties. Outside employment shall be governed by Article 24, Professional Activities Outside the University. However, no outside employment, not otherwise previously approved, whether for compensation or otherwise, shall be performed without the prior written approval of the dean and the Provost. The salary received from the University will be subject to retirement deduction and other appropriate tax deductions.

Section 4. Application Contents

The PDL application must contain the following information:

A. A non-technical abstract (cannot exceed one (1) page);

B. A statement of the proposed activities, including a summary of the plan of action and its significance (cannot exceed three (3) pages);

C. A statement of any additional financial subsidy (ie, external funding) associated with the application (cannot exceed one (1) page);

D. A statement of how the proposed activities relate to the applicant’s current fields of expertise: are the proposed activities an extension of current activities, are they new, etc (cannot exceed one (1) page);

E. A statement of the expected results and the impact (cannot exceed two (2) pages); expected results may include, for example, publications, presentations, or curriculum development; impact may include, for example, increasing individual effectiveness, or producing academically or socially useful results;

F. A statement on the feasibility of the proposed activities (cannot exceed one (1) page);

G. A two (2) page Curriculum Vitae.

Section 5. Application Criteria
A. A PDL application must meet the following criteria:

1. The application outlines a specific plan indicating the PDL will increase the faculty member’s effectiveness;

2. The application demonstrates a strong potential for success;

3. The PDL activities will lead to deliverables (for example, book contracts, publications, reports, grants, and/or creative accomplishments);

4. The applicant’s vita demonstrates a history of scholarly/creative productivity;

5. The project has anticipated benefits to the University;

6. When applicable, the faculty member demonstrates success from earlier PDL’s.

B. Preference should be given to applications that involve one or more of the following:

1. Work at other institutions or sites in order to enhance research, scholarship, creative accomplishment and/or pedagogy;

2. Collaboration with scholars at other institutions or sites;

3. Projects that lead to proposals for external funding;

4. Projects that cannot be completed without the PDL.

Section 6. Procedures

The following procedures shall be followed for the submission and review of PDL proposals.

A. It is possible for more than one (1) PDL to be granted within an academic unit in any semester or academic year. Bargaining unit faculty intending to apply for a PDL are encouraged to discuss scheduling options with the academic unit chair/director and other faculty in order to minimize the potential impact of multiple PDLs on the academic unit.
B. Applications shall be submitted to the academic unit chair/director before October 1 of the academic year preceding the professional leave, unless there is a compelling reason to modify the deadline.

C. The academic unit chair/director shall review each application submitted within the academic unit, and make a recommendation based on the Application Criteria above, and the benefit to the applicant and the academic unit. The recommendation, positive or negative, shall then be forwarded to the dean by October 8.

In colleges without departments, applications are submitted directly to the dean, who shall review each application submitted within the college as above.

The academic unit chair/director (or dean in colleges without departments) shall provide each applicant with a written copy of the recommendation. If an application is not recommended for approval, an explicit rationale must be included.

D. The dean shall review each application submitted within the college and make a recommendation, positive or negative, based on the Application Criteria above and the staffing needs of the college. The dean shall provide each applicant with a written copy of the recommendation. If an application is not recommended for approval, an explicit rationale must be included. The determination shall be forwarded to the Provost by November 8.

E. PDL Joint Review Committee

1. The PDL Joint Review Committee shall be composed of two (2) representatives from the University chosen by the Provost, including at least one (1) representative from the Provost’s Office, and two (2) representatives appointed by the Akron-AAUP.

2. The Committee shall review all applications after they have been submitted to the Provost, and make a recommendation, positive or negative, on each application. The Committee should, whenever possible, complete its work by December 1.

3. In making the final decision on approval of applications, the Provost shall take into account the recommendations of the academic unit chair/director, the dean, and the PDL Joint Review Committee.

F. The Provost shall approve or deny each application based on the previous recommendations and the Application Criteria above by December 8, whenever possible.
Section 7.  Faculty Commitment

Faculty members are expected to return to the University for at least one (1) academic year after completion of their professional development leave, unless the faculty member dies or becomes disabled. Within one (1) month of the completion of the professional leave, the faculty member shall submit to the Provost a report detailing the accomplishments of the faculty member under this professional development program and the faculty member's compliance with the terms of the faculty development leave program. Upon receipt of the report by the Provost, the faculty member shall be entitled to participate in any salary increase for which the faculty member may be eligible during the term of any professional development leave on the same basis as any faculty member who did not participate in a professional development leave.

While on professional development leave, faculty members shall not be eligible to serve on any university, college or departmental committees, with the exception of thesis and dissertation committees.

Every PDL recipient is required to make a public presentation of their work in the academic year following the PDL. Each college shall develop a forum for PDL recipients to make these public presentations.

Section 8.  University Commitment

The University shall continue its commitment to support research, teaching and instructional improvement/enhancement activities. This commitment shall be demonstrated in part by making a good faith effort to approve as many recommended proposals as is feasible, based on academic and economic considerations. All recommended proposals that are not able to be funded shall receive the highest priority for approval if resubmitted in the following year.

ARTICLE 19
INTELLECTUAL PROPERTY

Section 1.  University research, copyright, and patent policy

A. It is the policy of the University, with reference to all creative endeavors of its bargaining unit faculty, conducted on University time or with its facilities, to recognize the interests of the University, the bargaining unit member, sponsor, and other cooperating or participating agencies. However, the University reserves the right to recognize and administer such interests and equities of the participating parties consistent with the public interest as determined by its Board from time to time provided, however, that provisions herein with respect to individual bargaining unit member’s rights shall not be altered.
1. In accordance with the custom established in institutions of higher learning, copyright ownership of textbooks and manuscripts and royalties resulting therefrom belong to the author(s) thereof except when the textbook or manuscript is prepared as an assigned project; in which case it is the property of the University and shall be assigned to the University by its author(s). Bargaining unit faculty shall use the following notice when displaying University-owned copyrighted material: “Copyright © (year), The University of Akron, Ohio. All rights reserved.”

2. The University encourages the publication of scholarly works including the results obtained through research and scientific investigation approved, sponsored or conducted as a University project, as well as graduate and undergraduate theses. The University may require that such publications be withheld for a limited period of time to permit the preparation and filing of patent applications or such other activities as may be necessary to protect intellectual property contained in such results, and to otherwise meet applicable government and sponsor contractual obligations.

3. The following general conditions and restrictions will be observed for the best interests of all parties concerned:

   a. Research will be the type of work that will enhance the reputation of the University as a seat of higher learning.

   b. Research will be restricted to the type of work for which the University can provide adequate staff and facilities.

   c. No extra compensation will be paid any bargaining unit faculty member for participating in sponsored and contract research during the academic year; however, participation in research during the summer months will be paid for at the same salary rate received by a bargaining unit faculty member during the academic year.

   d. The University will not pay salary or wages for work done by a candidate for academic credit leading to a degree; however, students pursuing degree programs may receive University awards, assistantships, stipends, scholarships or fellowships.

4. Contract research

   a. The Director of Research Services and sponsored programs shall coordinate all contract research.
b. Bargaining unit faculty who wish to pursue specific projects shall consult the director and the approach to the sponsor shall be made by the director or by the director's designee.

c. All contracts shall be approved by the President or the Vice President for Research University's chief research officer before any work thereunder is begun or any commitments are made.

d. A bargaining unit faculty member shall have the right to accept or decline participation in any contract research made available.

e. A plan for graduate assistantships should be put into effect to facilitate contract research whenever such research becomes available.

5. Patent rights and licensing procedure

a. The Board seeks to stimulate innovative research and to encourage the development and utilization of the discoveries and inventions of research at the University in a manner consistent with the public interest. The Board believes it should make the results of its research available to industry and the public on a reasonable and effective basis.

b. In compliance with the Ohio Revised Code §3345.14, the Board retains authority, for setting policy in the matter of rights to intellectual property including discoveries, inventions, patents and copyrights which result from research or investigation conducted in any laboratory or research facility of the University, and no bargaining unit faculty member shall have any rights to or interests in such discoveries or inventions except as set forth herein.

c. It is the policy of the Board that intellectual property rights belong to the University unless otherwise expressly approved by the Board and stipulated in a written agreement to which the Vice President for Research, or President is a signatory. In the instance of research developed with the support of funding from governmental agencies, the regulations of such funding agencies may take precedence to this policy and Article.
d. The University will prosecute applications only for those patents that appear to be of potential economic benefit to the University. Within one (1) year following the submission of a written disclosure of invention, should the University elect not to pursue commercialization, the University will surrender its claim to ownership, in the absence of contractual commitments to the contrary, and will allow the inventor(s) to undertake prosecution for patent protection at their own expense. In the absence of any positive action either by the University or the inventor toward commercialization, the Board recognizes a value in such discoveries becoming public domain.

e. The University is concerned with safeguarding the public interest as well as rewarding the initiative of researchers. In the spirit of public service, the University shall seek aggressively to bring those designs, processes, and products for which it holds patents or rights of ownership into highest public use. Such negotiations, on a "best efforts" basis, may involve granting of exclusive licenses.

f. In the course of licensing agreements or sale of rights to manufacturers or others, fees and royalties may accrue. From the gross funds received with regard to any intellectual property held solely by the University, the University will be reimbursed its out-of-pocket costs incurred as of the date of receipt of such funds in obtaining, maintaining, enforcing and licensing the intellectual property. Thereafter, forty percent (40%) of the net remaining funds will be distributed to the inventors in recognition of and reward for initiative. An additional ten percent (10%) of net funds will be placed in an account to support the inventor's ongoing University research, five percent (5%) of net funds will be placed in an account to be used for college purposes by the dean(s) of the college(s) in which the inventor(s) has(have) primary appointment, five percent (5%) of net funds will be placed in an account to be used for departmental purposes by the chair(s) of the department(s) in which the inventor(s) has(have) primary appointment and the balance of net funds will accrue to the University.

g. Stipulations of P.L. 96-517 may take precedence over any other terms of agreement negotiated by the University in matters of patenting and technology transfer.
h. Intellectual property resulting from federally sponsored research is disposed of in accordance with the terms of the applicable agency.

i. Intellectual property resulting from research sponsored by industry or other non-governmental sources of support, other than the University itself, is disposed of in accordance with contract terms negotiated between the University and the sponsor, and approved by both parties. In such negotiations the University may agree to a non-exclusive royalty bearing license; a license of limited exclusivity which is royalty bearing; an exclusive, royalty bearing license for the life of the patent, a one-time payment for the entire technology; or any other mutually acceptable consideration. Acceptable contract terms will depend upon such factors as the initial amount of research support, financial expenditures for further development, costs of patent acquisition, duration of exclusivity, period likely needed for market development, or other pertinent factors.

j. The amount of royalty shall be based upon arms length negotiation within percentage ranges common to the particular technology and the applicable industry. The potential market, potential profit, and the amount of investment needed for development, as well as other factors should be considered in establishing a royalty. The royalty should be based upon an easily audited item, such as "net sales."

k. The University has an equity interest in any invention or discovery of its bargaining unit faculty resulting from research that involves a non-de minimus use of funds, space, or facilities administered by the University. The University seeks to stimulate innovative research and to encourage the development and utilization of the discoveries and inventions of its research in a manner consistent with the public interest. The University believes it should make inventions resulting from its research available to industry or the public on a reasonable and effective basis. In this regard, the University actively seeks licensing of its patented technology on the best available terms, subject to the following conditions:

(i) The University should not be expected to expend additional funds to improve the viability of the patent.
(ii) The stipulations of P.L. 96-517 relative to terms of exclusivity, etc., become effective if any federal funds have supported research leading to the invention.

(iii) The potential licensee should provide sufficient credentials of financial and marketing capability for University review.

(iv) Any agreement should include, as applicable, a royalty fee schedule, term and termination, considerations of "due diligence" provisions which establish levels of expectation and performance of the licensee, and provision for possible license renewal.

I. The University should retain for itself and, whenever possible, for other public or private institutions, the free right to use non-confidential technology for research and education.

m. All matters relating to discoveries, inventions, patents or technology transfer in which the University is in any way concerned are administered by the office of the Vice President for Research. Except with respect to agreements involving the waiver or transfer of ownership of intellectual property as provided by this Article, the President or the Vice President for Research shall have authority to execute any agreements, grants, or contracts involving discoveries, inventions, patent rights or technology transfer to the public or industry to the extent that such agreements conform to these regulations. Prior approval of the Board shall not be required with respect to the transfer of intellectual property resulting from research sponsored by governmental agencies that is disposed of in accord with the terms of the applicable agency. At each regular meeting of the Board, the Vice President for Research shall provide an executive summary to the Board of those agreements negotiated and executed involving licensing of rights or transfer of technology.

n. Any variance to this policy must receive prior approval of the Board before any commitments, grants, or contracts are made.

6. Use of the name of the University

a. In soliciting consulting work outside the University, the bargaining unit faculty member may only mention that the
bargaining unit faculty member is a member of the University faculty. The University's name shall not be used in advertising.

b. The name of the University may be used in research reports, books and papers for publication and otherwise as may be set forth in the applicable research contract or as approved by the Board, the President or the Vice President for Research.

7. Waiver of rights in intellectual property

Upon written recommendation of the applicable chair/institute director and dean, and written approval of the Vice President for Research—University's chief research officer and the President, University center managers are authorized to execute experimental/technical service agreements, and the Associate Vice President for Research and Director and Associate Director of the Office of Research Services and Sponsored Programs are authorized to execute materials and information testing agreements, that waive University rights in intellectual property and related patents and copyrights under the following guidelines:

a. It is reasonably demonstrated that:

(i) Well established and accepted technical procedures, e.g. “ASTM” methodology, are expected to be used in conducting client’s project, or all work is expected to be directed by client company personnel with the only intellectual input expected of center personnel or University students to be at a level that would not support a patent; and

(ii) There has not been, nor is there expected to be any development of new materials, processing methods, or reduction to practice of ideas and methodology resulting from significant intellectual input by University personnel in connection with the project.

b. The principal bargaining unit faculty member has the respective dean verify and certify in writing that there has not been and is to be no input from anyone (e.g., University faculty) other than center personnel or University students, as the case may be, and the client. If there is, in fact, such input, then any such waiver shall be ineffective as to intellectual
property rights attributable to said input, and all intellectual property rights will be retained by the University.

c. Execution of such agreements shall be on forms drafted or approved by the Office of General Counsel for that purpose, which forms cannot be modified whatsoever without the prior written approval of the Vice President for Research and the Office of General Counsel.

8. Guidelines for use of University research and service centers for economic development.

a. University research and service centers may expend funds and utilize lands, facilities, equipment, and the services of employees and students to benefit the people of the state of Ohio by creating or preserving jobs and employment opportunities or improving the economic development and welfare of the people of the state when all of the following factors are present:

   (i) There is reasonable assurance that the proposed use and/or activity would not interfere with or compromise the University’s academic and research mission.

   (ii) There is reasonable assurance that the proposed use and/or activity would not unfairly interfere with, displace or compete with any existing private or public entity’s performance of the same or similar activity.

   (iii) There is reasonable assurance that the proposed activity would result in revenues to the University which shall at least be sufficient to recoup any direct expenses to the University. Depending upon the extent of use and/or activity, as determined by the Controller of the University, the revenues established for any use and/or activity may include a factor to recover all or a portion of the University’s actual or potential indirect costs, including but not limited to any unrelated business income tax liability.

   (iv) There is reasonable assurance that the activity to be undertaken will allow public or private entities or enterprises the opportunity to compete more effectively in the marketplace and/or fulfill needs that are being inadequately met by the private market.
(v) There is a reasonable assurance that the proposed use and/or activity is incidental to a viable academic program. All such use and/or activity shall contain substantial and appropriate academic content consistent with the University’s academic and research mission.

(vi) All contracts regarding the proposed activity must receive prior written approval as to legal form and sufficiency by the Office of General Counsel. All such contracts shall contain provisions for liability insurance naming the University as an insured, indemnity by the agency or person seeking the research or service, or some other measure reasonably appropriate to minimize any University liability. Center managers shall forward these agreements, after respective decanal approval and legal review, to the Associate Vice President for Research and Director of Technology Transfer for signature.

b. Academic deans for the college in which the respective centers are located, shall assure that the requirements are met before approving any such use and/or activity.

ARTICLE 20
DISTANCE AND DISTRIBUTED LEARNING

Section 1. Principles and Definitions

A. Distance learning is defined as courses (or course sections) in which instruction occurs remotely and various forms of technology are utilized to provide students/faculty with differentiated various modes of interaction and communication, including synchronous, asynchronous, and dual-mode distribution, but not limited to modes identified in the following terms:

1. Synchronous distribution, e.g., face-to-face interaction provided through room-based video, desktop-based video, or other modes of interactive audio and video conferencing; and,

2. Asynchronous distribution, e.g., web-based or internet-based online courses/sections;

3. Dual mode distribution, e.g., a video-based distance learning section/taught simultaneously with a conventional classroom course.
B. It is not the intent of the University to use distance education technology to permanently reduce, eliminate, or consolidate fulltime bargaining unit positions at the University.

C. The University recognizes that changes in technology offer new opportunities for student learning and that such changes should be made according to sound pedagogical principles.

Section 2. Teaching Assignment

A. The University will offer, consistent with the overall needs of the academic unit, to qualified bargaining unit faculty a right of first refusal to teach any distance learning course to be offered by the University, with first preference to the course developer.

B. No member of the bargaining unit shall be required to participate in distance education courses or programs, unless otherwise stated in the faculty member’s letter of initial hire. Where such requirement is not stated in the letter of initial hire and such faculty member does not wish to participate in distance education courses or programs, but the University believes that such faculty member’s participation is required to meet the goals of the academic unit’s mission, representatives from the Chapter and the University will meet and confer. The University and the Akron-AAUP acknowledge that distance learning is now an integral part of the higher education system in the United States, and, consequently, it is the responsibility of the University to provide technology and training to enable the faculty to stay current in this mode of delivery. In return, it is also acknowledged that all faculty teaching distance learning courses must be able and willing to stay current in this mode of delivery.

C. Methods of presentation and course materials are to be under the control of the bargaining unit faculty member assigned to develop and/or teach the distance education course. Review and coordination by the bargaining unit member’s colleagues or academic unit chair within the department or program shall be subject to the usual norms and responsibilities of review and coordination associated with the functions of the department.

D. Individual bargaining unit faculty should have the same responsibility for selecting and presenting textbooks and learning materials in courses offered through distance education technologies that they have in those offered in traditional classroom settings. For team-taught or interdisciplinary courses and programs, the bargaining unit faculty involved should share this responsibility.
E. The University shall provide the technology, software, equipment, internet infrastructure (bandwidth), and technical support necessary to develop, operate, and maintain distance learning courses approved, requested, or assigned by the University. When assigned to teach a specific distance learning course, a bargaining unit faculty member will receive in writing a response to any written request(s) he or she makes for any equipment, software or support that he or she feels is needed to offer the class.

F. All distributed learning and distance education courses shall utilize the University–approved standardized interface to facilitate uniformity for the transfer of learning, unless otherwise mutually agreed between the University and bargaining unit member.

Section 3. Distance Learning Course Development

A. Distance learning courses shall receive approval through the curriculum review process before being offered. The course content shall be subject to the same academic standards and shall comply with the same standard practices, procedures and criteria as traditional course content.

B. In the development of courses for electronic delivery, academic units shall give the right of first refusal to bargaining unit faculty within the unit consistent with the nature of the course and the qualifications and technical expertise of bargaining unit faculty. This does not, however, preclude other bargaining unit faculty or external constituents from developing courses for electronic delivery.

C. Initial development or extensive revisions of distance education courses, where requested or agreed to by the University, shall be compensated as specified in Article 16, Compensation.

CD. The University will not enter into a contract(s) or other agreement(s) with a third party vendor(s) or outside entity to provide a distance learning course (or materials that constitute the majority of the content for any distance learning course) without first providing the opportunity to appropriate and qualified bargaining unit faculty. Any such contract or agreement must meet the applicable provisions of this Article, including, without limitation, Section 3.A.

DE. Any course developed by anyone outside the bargaining unit must be reviewed for content and approved by academic unit bargaining unit faculty before submission to the curriculum review process.

Section 4. Ownership
A. Distance learning materials are works, including course content in any medium, which are created and distributed in connection with online instruction and distance learning.

B. Where a Bargaining Unit Faculty Member develops copyrightable distance learning materials with substantial support of the University (as defined in the MOU regarding Intellectual Property), the following shall apply:

1. The University and the Member may negotiate a written agreement in advance which shall specify the allocation of specific ownership rights, obligations, and such other issues as they may agree upon including, but not limited to, allocation of royalties, if any, and limitations on use or transferability of ownership. The Member has the right to have an AAUP representative present during such negotiations. The University shall provide a copy of any executed agreement to the AAUP.

2. Unless the Member and the University agree otherwise in writing, any royalties earned from the commercialization of distance learning materials shall be divided in accordance with the percentages set forth in Article 19.

3. If the Bargaining Unit Faculty Member and the University do not execute a written agreement, the materials developed in the course and scope of employment are works for hire and owned by the University. However, the University grants the developing Member an undivided co-equal ownership interest in the entire work. The Member and the University will both retain a nonexclusive license to use the materials in educational settings, even if the Member leaves the University. Provided, however, that while in the employment of the University, a BUF may not use such distance learning materials to teach at another educational institution.

C. If a Bargaining Unit Faculty Member develops copyrightable distance learning materials without the substantial support of the University (as defined in the MOU regarding Intellectual Property) the materials remain the sole property of the Bargaining Unit Faculty Member. Provided, however, that while in the employment of the University, a BUF may not use such distance learning materials to teach at another educational institution, where such teaching would create a conflict of interest or of commitment.

Section 5. Office Hours.
A Bargaining Unit Faculty Member teaching a distance learning course may hold some of the normally expected office hours online. The Member must specify in the syllabus sufficient availability (via email or otherwise) to meet reasonable student needs.

A. Consistent with other University policies, a Bargaining Unit Faculty Member may block a disruptive student’s access to a distance learning course.

B. Determination of class size for distance learning classes shall be based on pedagogical considerations. Limits on the size of each class shall be based on the goals and mission of the academic unit as determined by the academic unit chair and the dean of the college in consultation with the Bargaining Unit Faculty Member.

The terms and conditions of such reemployment including, but not limited to, compensation, shall be negotiated between the employee and the University. All such agreements shall be reduced to writing and shall be subject to prior approval by the Provost, President, and Board. The provisions of this Article shall not be deemed to obligate the Board to approve any such agreement or to create any right to such reemployment or expectancy of reemployment or expectancy of any right to reemployment for any bargaining unit faculty member of the University. Reemployed retirees will not be covered under the provisions of this Agreement.

The University shall be limited to employing nine (9) former bargaining unit faculty at any given time who retire and are re-employed by the University, pursuant to the provisions of Am. Sub. Senate Bill 144.

Section 1. Consideration of spousal/same sex domestic partner hiring issues should occur only at the initiative of the candidate for recruitment or retention and with the approval of the Provost, and notice to the President of the Akron-AAUP, or designee. ---

2 This does not require any given college to provide offerings during every summer session.
complete an Affirmation of Same Sex Domestic Partnership, a copy of which is appended to this Agreement.

Section 2. The policy will apply only to persons recruited through a national search process. The level of opportunity provided will be based on institutional priorities and need.

Section 3. Levels of opportunity

A. A second (2\textsuperscript{nd}) tenure track position can be created.

B. A three (3) year term appointment can be created. At the conclusion of the three (3) year term appointment, a tenure track position can be created and a national search can be launched. The spouse/same sex domestic partner would have to be the successful candidate to continue.

C. An instructor\textit{A professor of instruction or of practice} position of any rank can be created.

D. If the spouse/same sex domestic partner is in the same discipline as the potential hire, a shared position can be created.

E. A college lecturer position can be created.

Section 4. Considerations of merit and affirmative action

A. Under no circumstance should a spousal/same sex domestic partner appointment jeopardize current or prospective affirmative action searches/lines intended for the goal of increasing diversity.

B. In the event that a candidate initiates consideration of the appointment of a spouse/same sex domestic partner and such consideration includes the creation of a new position, the receiving academic unit bargaining unit faculty members shall make recommendations to the dean and the Provost concerning the following:

1. Merits of the spousal/same sex domestic partner candidate in relation to others of comparable rank in the academic unit;

2. The consequences of such an appointment for immediate departmental needs and long-term planning;
3. Explicit assessment of the affirmative action consequences of such appointments;

Section 5. Receiving Department

The department "receiving" the spouse/same sex domestic partner must desire want and need an additional faculty member. A spouse/same sex domestic partner will not be offered an opportunity outside of the potential hire department without the consent of the receiving department.

Section 6. Hiring Procedures

If the accommodation includes the creation of a new instructor or tenure track bargaining unit faculty position, the procedure for hiring the person to fill that position must conform to all provisions of Article 11 (Initial Appointment), with the exception of Section 1 B and C (which refer to the creation of a search committee and its rules). In particular, the bargaining unit faculty of the academic unit in which the new position is created must interview the candidate and vote by secret ballot to recommend his or her appointment.

Section 7. Same-Sex Domestic Partners

In the event the United States Supreme Court's decision in Obergefell v. Hodges is overruled, the provisions of this Article shall apply equally to same-sex domestic partners as to spouses. In order for a candidate’s same-sex domestic partner to be considered, the candidate must complete an Affirmation of Same-Sex Domestic Partnership.

ARTICLE 29

PROFESSOR OF PRACTICE AND PROFESSOR OF INSTRUCTION:
FULL-TIME NON-TENURE TRACK (NTT) FACULTY

Section 1. General Considerations

Professors of Practice and Professors of Instruction are full-time non-tenure track BUF members—(NTT) bargaining unit faculty members. Such faculty may expect continuing employment if they have satisfactory performance reviews and the University identifies a continuing need for their position. If the University's needs change, and subject to Article 15, such positions may be modified or eliminated only at the end of the appointment year for NTT holding Assistant rank or at the end of the fixed-term appointment of NTT at the Associate or Professor ranks. NTT faculty who will not be reappointed shall be notified pursuant to Section 5(C) of this Article.

The procedures and reasons for retrenchment under Article 15 do not apply to the procedures and reasons for termination and non-renewal under this Article 29.
Notwithstanding anything to the contrary in this Agreement, an NTT member at the rank of Associate or above who is not reappointed as a result of a change in the University’s needs shall be notified as soon as possible but no later than the end of Spring Semester of the preceding academic year and receive a one-year terminal contract. During that terminal year, the University may assign the NTT member such additional duties as may be reasonable, appropriate and helpful to the University.

Section 2. Title

The title of a Professor of Practice or a Professor of Instruction will be specified in the letter of appointment/reappointment, defined by the purpose for the position for which the BUF-bargaining unit faculty member is hired/retained.

A. **Professor of Practice** is a full-time NTT BUF-bargaining unit faculty member with practical experience in industry, business, medicine, government, law, and/or other professional fields. The primary purpose of such a position is to share real-world knowledge with students in a classroom or experiential setting in support of degree, certificate, and/or licensure programs. The title may be specific to the BUF-faculty member’s expertise—such as “Professor of Clinical Practice,” “Professor of Theatrical Practice,” or “Professor of Engineering Practice.”

Such faculty will have appropriate credentials and background, but need not have a terminal degree in the discipline(s) associated with the academic unit(s) in which they are appointed.

B. **Professor of Instruction** is a full-time NTT BUF-faculty member with credentials in an academic discipline. The primary purpose of such a position is to teach in a classroom, laboratory or other instructional setting in support of the University’s degree, certificate, and/or licensure programs. The title may be specific to the BUF-faculty member’s duties, such as “Professor of Clinical Instruction,” “Professor of Theatrical Instruction,” or “Professor of Engineering Instruction.”

Such faculty will have an appropriate academic degree, but need not have a terminal degree in the discipline(s) associated with the academic unit(s) in which they are appointed.

Section 3. Rank

The rank of a Professor of Practice or Professor of Instruction will be specified in the letter of appointment, and defined by the credentials, experience, and/or years of service of the BUF-faculty member.
A. **Assistant** rank is the initial rank for NTT faculty, and is defined by credentials and experience that meet the minimum requirements for the position, and less than five years of relevant service in or outside of the University. (Example: “Assistant Professor of Practice” or “Assistant Professor of Instruction.”)

B. **Associate** rank is the intermediate rank for NTT faculty, and is defined by credentials and experience that are greater than the minimum requirements for the position, and more than five years of relevant service in or outside of the University. (Example: “Associate Professor of Practice” or “Associate Professor of Instruction.”)

C. **Professorial** rank is the highest rank for NTT faculty, and is defined by credentials and experience that are far superior to the minimum requirements for the position, and more than nine years of relevant service in or outside of the University. (Example: “Professor of Practice” or “Professor of Instruction.”)

Section 4. Appointment, Reappointment, and Promotion

A. All NTT faculty initial letters of appointment or subsequent letters of reappointment will contain the specific duties assigned to them. Each faculty member’s load will be made up of one or more of the following: sharing expertise with students, teaching, instructional support, scholarship, and service or research activities. It is expected that the bulk of their duties will be sharing expertise with and/or teaching students. The appointment and reappointment letter shall specify the term of employment, and shall be approved by the dean, in consultation with the academic unit administrator/director.

1. Service or administrative activities of a recurring or short-term but time-intensive nature shall receive workload credit and/or a stipend. Examples of such activities include coordinating/directing a program, serving as an academic advisor to a substantial number of students, overseeing program accreditation report writing, and overseeing curriculum review. Accordingly, no NTT faculty member shall be compelled to engage in service or administrative activities of a recurring nature or short-term but time-intensive nature without the faculty member receiving workload credit and/or a stipend.

2. All NTT faculty, including those who are on a 100% teaching contract, are free to engage in service or scholarly activities on a voluntary basis. Faculty participation in duties not described in the letter of appointment shall not in itself lead to negative merit or retention/promotion decisions.
B. All NTT reappointments and promotions are subject to the evaluation process outlined below and contingent upon the duties specified in the current letter of appointment.

C. Duties specified in letter of appointment may be amended within the term of employment by mutual consent of the faculty member and the academic unit chair/director. A faculty member may request and initiate such an adjustment in duties by a written request to the academic unit’s chair/director. When a requested adjustment is not approved, the BUF faculty member shall receive a written explanation as to the specific reason(s).

D. NTT BUF members at the assistant rank shall be reappointed annually, subject to the evaluation process outlined below.

   After three annual performance reviews in (years 1 through 2 and 3) and a performance review of a three-year term of annual appointments (years 4 through 6) that yield a satisfactory evaluation, an NTT faculty member shall be promoted to associate rank upon receiving a favorable recommendation. During years 4 through 6, the unit chair/direction will provide the faculty BUF member with written feedback on their progress toward promotion to the associate rank. In cases of exceptional performance by an NTT at the assistant rank, the NTT member’s chair or director may request that the Dean and the Provost permit the NTT faculty member to apply for promotion to associate rank in year 4.

   After six (6) years, if a faculty BUF member at assistant rank has promotional evaluations that are unsatisfactory, the member’s employment shall terminate at the conclusion of the 6th year.

   After six (6) years, if the faculty BUF member’s promotional evaluation is satisfactory, but is not recommended for promotion, he or she shall receive a one-year extension of the appointment term and shall be subject to the promotional evaluation procedures for that year. Upon the expiration of the one-year extended term, if the faculty BUF member is recommended for promotion, the member shall be promoted to the associate rank. If the faculty BUF member is not recommended for promotion, the member’s employment shall terminate at the conclusion of the extended term.

E. NTT faculty at the associate rank shall be appointed for a three (3) year fixed-term renewable appointment, with a presumption that the BUF member will be renewed unless his or her performance is unsatisfactory or the University’s needs have changed. During the term of such appointments, the faculty BUF member may be terminated only for just cause and by means of due process pursuant to Article 14, or pursuant to Article 15. During the term
of such appointments, the unit chair/director will provide the faculty BUF member with written feedback on their progress toward promotion to the senior rank.

F. NTT faculty at the associate rank with a satisfactory performance evaluation and a recommendation for promotion shall be promoted to professorial rank. NTT faculty at the associate rank with a "satisfactory" performance evaluation but who are not recommended for promotion shall be reappointed to another three (3) year term at the associate rank unless the University’s needs have changed.

G. NTT faculty promoted members at the to professorial rank shall be appointed for a five (5) year fixed-term renewable appointment and reappointed for successive five (5) year terms unless with a presumption that the BUF member will be reappointed unless his or her performance is has been previously documented to be unsatisfactory or the University’s needs have changed. Position is being eliminated because it is no longer needed. During the term of such appointments, the faculty BUF member may be terminated only for just cause and by means of due process pursuant to Article 14, or pursuant to Article 15. During the term of such appointments, the academic unit administrator chair/director will annually provide the faculty BUF member with written feedback on their performance in memorandum form distinct from the annual merit evaluation. The faculty BUF member shall have the opportunity to respond to all written feedback.

H. If an NTT faculty of professorial rank has been documented by the academic unit administrator as having unsatisfactory performance as prescribed above, the academic unit administrator shall initiate an evaluation by the appropriate NTT Evaluation Committee during the Spring Semester of the final year of the five (5) year term. This evaluation shall be conducted in accordance with the procedures prescribed in Article 29, Section 5.

I. Continued reappointment of NTT faculty for longer than six (6) years shall not constitute de facto tenure.

Section 5. Reappointment and Promotion Process

A. Except as otherwise provided in this Article, all academic units shall follow the University-wide procedures for reappointment and promotion in Article 13, Section 8-6(B)-(F) and adhere to the timelines set forth below when conducting a performance evaluation, or considering a reappointment or promotion application.

B. Process for Promotion
1. An application for promotion to associate or senior professorial ranks shall be submitted by the NTT faculty member to the academic unit NTT Evaluation Committee, in accordance with the procedures of that committee.

2. The NTT Evaluation Committee shall submit its recommendation to the academic unit chair/director. The committee's recommendation may be "unsatisfactory," "satisfactory" or "superior" performance. At appropriate times, the recommendation shall also include "not recommended for promotion," or "recommended for promotion."

3. The NTT Evaluation Committee's recommendation shall include commentary on the faculty member's performance, including suggestions for achieving promotion (if appropriate). The committee's recommendation shall be provided to the faculty member.

4. The NTT Evaluation Committee shall submit to the academic unit chair/director its favorable or unfavorable recommendation.

5. The academic unit chair/director shall consider the NTT Evaluation Committee's recommendation as well as his or her own evaluations and make a recommendation to the dean regarding promotion.

The dean shall independently review the recommendations and make his or her own recommendation regarding promotion to the Provost, who shall have the final determination in his or her sole discretion regarding reappointment/promotion/renewal subject to formal Board approval. Negative decisions regarding promotion/renewal may be appealed to the Provost, after which the decision will be final, subject to Section J.

6. At all levels of review, a written copy of the recommendation shall be distributed to the candidate and all prior reviewing entities.

D. In the event that the deadline for completion of a step cannot be met, a request for extension and supporting rationale shall be forwarded to the academic unit chair/director, dean, or Provost prior to said deadline. The request and rationale shall be included in the candidate’s file.

1. The academic unit chair/director, dean, or Provost shall accept or reject the request for extension within one (1) week of its receipt. Rationale for the decision shall be included in the candidate’s file.

2. Extension of the deadline at any level does not automatically extend future deadlines.

DE. The criteria to be considered for evaluation for reappointment and promotion are found in the letters of appointment/reappointment and as those described in Article 13, Section 3(b) for tenure track faculty, if relevant. If an Assistant Professor of Instruction or an Assistant Professor of Practice is not required to engage in research activities, those criteria will not apply. Professional activities submitted by the faculty member shall be considered in the evaluation, including the achievement of additional credentials, such as a relevant terminal degree.

EF. It is not necessary for departments and academic units to adopt additional formal guidelines for evaluation and promotion of non-tenure-track faculty in accordance with the schedule for approval and revisions of RTP guidelines prescribed in Article 13, Section 6(A)(3). The specific duties of each NTT faculty member are to be identified in each appointment letter and may differ among faculty members and from year to year according to the needs of the academic unit. The duties specified in current the letter of appointment form the basis for evaluation of NTT faculty.

FG. All tenured faculty and all NTT faculty of a higher rank in each department or school, all NTT faculty of a higher rank in the academic unit shall constitute the NTT Evaluation Committee. For academic units with fewer than three (3) tenured and NTT faculty of a higher rank, eligible faculty from outside the academic unit shall be added so that the committee has three (3) members. The process used to identify these outside members is the same as is used in the RTP process, Article 13, in accordance with the same college rules. These outside members may be tenured faculty or NTT faculty of higher rank or tenured faculty. The academic unit chair/director
shall call an organizational meeting where the committee shall elect a chair from its members.

GH. The candidate’s file shall include evidence of teaching performance, as described in Article 13, Section 3(E.B.1.e. and f.), and shall include evidence of service and scholarly achievement if such duties are listed in the current letter of appointment.

HI. There is no external review process for reappointment or promotion of NTT faculty.

Section 6. Extending the Promotion Clock

In the event that an NTT bargaining unit faculty member either:

(i) has a serious illness or disability, or is the primary caregiver or co-caregiver (requiring a minimum of 20 hours of care per week) of a newborn, newly adopted child or newly placed foster child, or immediate family member (as defined in Article 17, Section A.1.c.) who has a serious illness or disability; or

(ii) is called to active military duty;

for eight (8) weeks or more, the affected faculty member may promptly (within the earlier of six (6) months from the beginning of the leave or sixty (60) calendar days after returning to work) request and upon such request shall automatically be granted a one (1) year extension of the probationary period. The faculty member’s request need only provide the basic facts and documentation to establish that one of the above events occurred and when it occurred. Any such leave must occur prior to submitting the letter of intent for promotion to the associate rank.

In any other cases where there are clearly documented extenuating circumstances, the period prior to seeking a promotion to the associate rank may be extended by one (1) year provided that the request is initiated by the candidate, recommended by the academic unit chair/director and dean, and approved by the Provost.

Section 76. Credit For Past Service

Former part-time instructors and visiting faculty with teaching experience at the University who have been hired into full-time NTT service shall be credited with equivalent full-time years of service at the rate of twenty-four (24) credit hours per year. This credit shall be used only for scheduling the performance evaluations. For example, an individual with fifty (50) credit hours of teaching experience hired as Assistant professor NTT shall be
credited with two years of experience and shall undergo the second initial performance review in their first (1st) year of full-time service. Similarly, an individual with only twenty-three (23) credit hours of teaching experience is not credited with any prior experience.

Section 78. Annual Merit Evaluation

All NTT faculty may submit evidence of service and research/scholarship in their annual merit self-assessment reports even if such activities are not assigned in the letter of appointment. Credit for such additional activities shall be awarded to the same fashion as for tenured and tenure-track faculty per the academic unit’s merit evaluation guidelines, but cannot be substituted for evaluation of the duties assigned in the letter of appointment.

Section 889. Nothing in this Agreement shall create either special advantage for or detriment to faculty in applying for appointment to available tenure-track positions for which they are qualified. All NTT faculty may apply and compete for such opportunities as they become available on the same basis as all other qualified candidates from within or outside the University, and without jeopardy to the appointment he/she currently holds.

Similarly, nothing in this Agreement shall either guarantee, or preclude the University from offering, a tenure-track appointment to an NTT faculty member during the term of his/her appointment, consistent with the fulfillment of the criteria, procedures and policies for making appointments to such positions.

Section 9. First Implementation of Changes to NTT Faculty Positions

All current NTT faculty shall be reclassified as Professors of Practice or Professors of Instruction, with comparable rank, as of Fall semester 2016.

After consultation with the BUF members and the individual NTT faculty, the unit chair/director shall recommend the reclassification of all current NTT in the unit. Individual NTT faculty may petition the unit chair/director for reclassification to a different title and/or rank based upon the faculty member’s credentials, experience, and length of service in or outside of the University.

If disputes arise about reclassification, a special joint labor/management committee shall meet to resolve the dispute.

Current terms of appointment for NTT faculty will continue unchanged until the next reappointment cycle at which time sections F and G will apply. No current NTT faculty will receive reduced compensation as part of this implementation.

Section 940. NTT faculty shall have the same bases of appeal – procedural error or inadequate consideration – as are set forth in Section 9 of Article 13. In addition,
nonrenewal due to changes in the University’s needs must be demonstrated and is subject to the appeal process.

**ARTICLE 30**

**BRANCH CAMPUSES**

**Section 1. Faculty**

Branch campus bargaining unit faculty, as members of the University bargaining unit, shall be held to all rules and regulations and afforded all benefits, applicable to all other colleges, as defined in this Agreement.

**Section 2. Parking**

Branch campus bargaining unit faculty will not be required to pay for parking permits.

**Section 3. Academic Administrators**

Academic administrator appointments at a branch campus will be made consistent with Article 10 (Governance) of this Agreement. Academic administrator appointments at the branch campus will be reviewed consistent with Article 10 (Governance) of this Agreement.

**Section 4. Retrenchment**

A branch campus shall be considered as a college of the University and subject to retrenchment as defined in Article 15 (Retrenchment) of this Agreement.

**ARTICLE 31**

**PAST PRACTICES**

Except as set forth in this Agreement, the University and the Akron-AAUP shall not be obligated to continue any practice, policy or benefit that was or may have been in existence prior to the signing of this Agreement, and the continuation or modification of any such practice, policy or benefit shall not be considered as creating an obligation to continue that or any other practice, policy or benefit. However, the University agrees that any discontinuance or modification of a practice, policy or benefit that is not set forth in this Agreement, that affects a number of bargaining unit members in more than one department, will be developed and implemented only after due consultation with and advice of appropriate faculty bodies. Should no agreement be reached on any discontinuance or modification proposed, the University may implement the same only after engaging in effects bargaining with the Akron-AAUP.

**ARTICLE 32**
SEPARABILITY

Section 1. Shall any portion of this Agreement be found by a duly constituted court or regulatory authority to be in conflict with applicable law or public regulation, from which no appeal can be taken, then such conflicting portion of this Agreement shall be rendered null and void and the applicable law or regulation shall be controlling. In such event, upon request of either party, the parties shall commence good faith bargaining for replacement language.

Section 2. The invalidation of any portions of this Agreement in accordance with this Article shall not affect the legality and enforceability of the remainder of this Agreement.

Section 3. If any provision of this Agreement that is rendered null and void by operation of Section 1 of this Article is subsequently rendered valid (a) by a duly constituted court or regulatory authority (i.e., by reversal on appeal or by virtue of a court decision being overruled), or (b) by the amendment, abolishment or enactment of a statute(s) or regulation(s), then the original provision shall be reinstated, notwithstanding that the parties may have agreed to replacement language in the interim time period. In that event, the replacement language shall be superseded and rendered null and void by the reinstated provision.

Section 4. For purposes of this Article the Board shall not be considered a regulatory authority.

ARTICLE 33
DURATION AND NEGOTIATION PROCEDURE

Section 1. This Agreement shall be effective upon the ratification of the same by the Akron-AAUP’s membership and approved by the University of Akron’s Board, retroactive for compensation purposes, to July 1, 2014, and shall continue in full force and effect through December 31, 2020, and will continue from year to year thereafter unless either party notifies the other in writing not less than ninety (90) days prior to the expiration date (or subsequent annual anniversary of such date) that a modification or termination of this Agreement is desired. Should either party to this Agreement serve such notice upon the other party, the University and the Akron-AAUP will meet for the purpose of negotiation and will commence consideration of proposed changes or modification to the Agreement not earlier than July 1, 2020 and not later than one hundred twenty (120) days prior to the expiration date of the Agreement (or subsequent annual anniversary of such date). The University and Akron-AAUP will attempt to agree in advance as to who shall be the mediator/fact-finder.

Section 2. In the event that either party provides timely notice of a desire to terminate or modify this Agreement, in accordance with Section 1 above, the following terms and procedures shall apply to the parties' negotiations and dispute resolution.
A. The University and the Akron-AAUP shall each select its own collective bargaining committee of not more than six (6) members, including one Chief Negotiator for each side. In the event that either the University or the Akron-AAUP plan to bring any additional resource people to a negotiating session, at least twenty-four (24) hours’ notice of such intention shall be given to the other party. Each party will normally be represented by not more than seven (7) persons, inclusive of resource persons, at any negotiating session.

B. Negotiation sessions will be conducted as frequently as the parties determine, consistent with each party's obligation to negotiate in good faith. If either party is unable to attend a scheduled session, at least twenty-four (24) hours’ notice shall be given to the other party, unless twenty-four (24) hours’ notice is impracticable due to exigent circumstances, in which case notice shall be given as soon as practicable.

C. All negotiating sessions will be held at the Student Union Center unless mutually agreed otherwise. There will be no smoking in the room in which the parties actually conduct negotiations.

D. Each party will provide an electronic copy and sufficient written copies of its proposals and other materials for everyone anticipated to be present.

E. Each negotiating team will have the authority to negotiate tentative agreements. The tentative agreements shall be subject to ratification by the Akron-AAUP membership and subject to the approval of the Board. Any tentative agreements reached shall be drafted and initialed by the Chief Negotiators, but shall not become effective until a full contract is finally approved and executed unless otherwise agreed between the parties as to specific issues.

F. All negotiations will be done in private in accordance with Ohio Revised Code Section 4117.21.

G. Each side is responsible for taking its own notes during negotiations. There will be no recordings, official minutes, mechanical, stenographic or verbatim notes of the sessions permitted.

H. Each party agrees that each committee shall have the right to caucus upon request, providing the committee requesting the caucus advises the other committee of the expected length of the requested caucus.

I. The two (2) Chief Negotiators may meet in private to review progress of negotiations and to explore alternatives which may be fruitful at the bargaining table.
J. This section constitutes the parties’ sole and exclusive mutually agreed dispute (MAD) settlement procedure. The parties agree to utilize the statutory dispute settlement procedure as set forth in Ohio Revised Code § 4117.14, except with respect to the following:

1. That the Federal Mediation and Conciliation Service (FMCS) will be used in lieu of a mediator selected by the State Employment Relations Board;

2. That fact finding may be initiated by either side at any time after mediation is attempted and after the parties have mediated in good faith for at least thirty (30) days;

3. If fact finding is requested by either side the parties shall request from SERB a list of fact finders (unless the parties have previously agreed to a fact finder, who has agreed to serve consistent with this MAD) and a fact finder shall be selected within two (2) weeks of receipt of the list of fact finders from SERB utilizing the procedures in Ohio Revised Code § 4117.14;

4. That the fact finding hearing shall be conducted in accordance with Ohio Revised Code § 4117.14, subject to the provisions of this Agreement;

5. That the fact finding hearing shall be scheduled within four (4) weeks of the appointment of the fact finder by SERB; and

6. That the rejection deadline date for any fact finder's report shall occur the later of (1) fourteen (14) days following said report's delivery; or (2) fourteen (14) days after classes begin for spring or fall academic semester.

Section 3. The University may seek to modify any provision of this Agreement prior to its expiration only if immediate action is required due to (1) exigent circumstances that were unknown at the time of negotiations; or (2) legislative or regulatory action taken by a higher-level legislative or regulatory body after this Agreement became effective that requires a change to conform to the statute or rule. In such event the University shall immediately so notify the Akron-AAUP and the parties shall meet and negotiate in good faith, including providing relevant information and documents, and attempt to reach agreement. If agreement cannot be timely reached, as either side may determine, then either side may submit the dispute to arbitration pursuant to Article 12, infra.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement
FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:
- for incapacity due to pregnancy, prenatal medical care or childbirth;
- to care for the employee’s child after birth, adoption, or foster care;
- to care for the employee’s spouse, son, daughter, or parent who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee’s job.

Military Family Leave Entitlements
Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is:
1. a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retirement list, for a serious injury or illness; or
2. a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.

“The FMLA definitions of “serious injury or illness” for current servicemembers and veterans are distinct from the FMLA definition of “serious health condition”.

Benefits and Protections
During FMLA leave, the employer must maintain the employee’s health coverage under any “group health plan” on the same terms and conditions as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee’s leave.

Eligibility Requirements
Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Special hours of service eligibility requirements apply to airline flight crew employees.

Definition of Serious Health Condition
A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave
An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave so as not to unduly disrupt the employee’s operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave
Employees may choose how to use FMLA leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer’s normal paid leave policies.

Employee Responsibilities
Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer’s normal call-in procedures.

Employer Responsibilities
Employers must provide notice of the leave for FMLA protection and the anticipated length and duration of the leave. Sufficient information may include that the employee is unable to perform the job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees who do not provide notice in a timely manner may be required to provide a certification and periodic recertification supporting the need for leave.

Unlawful Acts by Employers
FMLA makes it unlawful for any employer to:
- interfere with, restrain, or denies the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

WHD Publication 1850 - Revised February 2013
Counselor Nobil:

This side letter constitutes the mutual understanding of The University of Akron and the Akron-AAUP regarding an issue which arose previously and its potential application in the current negotiations regarding tenure and promotion, and had also arisen during the prior negotiations and was the subject of a prior side letter. That prior issue related to a faculty member who was unable to achieve a promotion in the department in which that faculty member worked. That faculty member then obtained the promotion outside of that department. This past incident has been cited by a current faculty member as a basis to request similar relief from the current Provost in a very similar situation (where the current faculty member has been unable to secure a promotion/tenure from that member's home department), and the Provost has taken the position that such relief is not appropriate in the current Situation, and that the past incident should not be a basis in making current or future decisions.

Concerned in part about this specific history and the issue of where an individual's tenure resides, the University made a contractual proposal that relates to where tenure resides. The Akron-AAUP expressed its concern that it is unaware that the proposed language exists in any other collective bargaining agreement and effectively was a solution looking for a problem.

This side letter re-confirms the prior side letter and the representations made by the Akron-AAUP whereby The University's withdrawal of its proposal regarding where tenure resides does not affect or undermine the correctness of the Provost's position regarding the above referenced matter, and, assuming the parties reach agreement regarding Retention, Tenure and Promotion that excludes The University's proposal regarding where tenure resides, the Provost's position, as set forth above, would not violate the parties' agreement.
MEMORANDUM OF UNDERSTANDING REGARDING ARTICLE 19—INTELLECTUAL PROPERTY

The University of Akron and the American Association of University Professors, University of Akron Chapter agree to the following regarding the application and interpretation of Article 19—Intellectual Property:

1. The parties acknowledge that copyrightable materials created by a Bargaining Unit Faculty Member within the course and scope of university employment are “works for hire” and so any copyrights related thereto are the property of the University. However, the University and the AAUP recognize the tradition between the University and the faculty of the University disclaiming its rights in copyrights in certain faculty created works for hire, and as such, the University disclaims all ownership rights in traditional products of scholarly activity, which include, but are not limited to, journal articles, textbooks, papers, manuscripts, dissertations, theses, monographs, novels, poems, paintings, sculptures, other works of art, musical compositions, teaching materials, and examination materials.

2. Substantial Support. Unless otherwise provided in this MOU or Article 19 (Intellectual Property), the Bargaining Unit Faculty Member and the University shall be joint owners of any copyrightable work created by a Bargaining Unit Faculty Member with substantial support from the University. In such instances, the Bargaining Unit Faculty Member and the University shall negotiate in advance the allocation of specific ownership rights, obligations, and such other issues as they may agree upon.

   a. For purposes of this Article, “substantial support” shall mean University financial support in the form of money, facilities, professional technical support services, graduate assistant support, course release or other assigned time that exceeds the norm for a Bargaining Unit Faculty Member’s usual assignment or salary.

   b. “Substantial support” does not include:

      (i) Ordinary library services;
      (ii) Ordinary clerical or administrative support;
      (iii) Office or laboratory supplies and equipment provided within the normal scope of employment;
      (iv) Merely assigning a Bargaining Unit Faculty Member to teach a course that uses instructional materials that are provided to students electronically, including online; and
(v) Ordinary computer network support.

c. “Substantial support” includes, but is not limited to:

(i) Course release or other assigned time (other than a Professional Development Leave);
(ii) Additional office or laboratory space, supplies or equipment beyond the normal scope of employment.

d. For the development of distance learning materials, “substantial support” includes, but is not limited to:

(i) Provision of designated technical assistance, such as audio-visual department personnel or a qualified graduate assistant, to assist development of an online course, or provision of specialized software purchased for a particular online project, which exceeds normal University support for traditional courses, or

(ii) Support commissioned by the University by the provision of course release or other assigned time or other compensation to a faculty member as an adjustment to normal assigned duties for the purpose of creating a distance learning course, which exceeds normal University support for traditional courses.

e. For the development of distance learning materials, “substantial support” does not include:

(i) Ordinary use of University servers and software platforms for the delivery of distance education;
(ii) Ordinary orientation to the operation of online instructional techniques and processes; and
(iii) Ordinary technical troubleshooting assistance.

MEMORANDUM OF UNDERSTANDING

REGARDING SAME-SEX DOMESTIC PARTNER BENEFITS

WHEREAS, as a result of the United States Supreme Court decision in *Obergefell v. Hodges*, 135 S. Ct. 2584 (2015), same-sex marriage is now legal in Ohio;

WHEREAS, before the decision in *Obergefell*, The University of Akron (the “University”) and the American Association of University Professors, The University of Akron Chapter (“Akron-AAUP”) agreed that health insurance and other benefits extended to bargaining unit faculty spouses and dependents would be extended to same-sex domestic partners and the dependents of same-sex domestic partners, provided that the bargaining unit member met the requirements listed in the Affirmation of Same Sex Domestic Partnership (the “Affirmation”) and submitted a completed copy of the Affirmation, and promptly advised the University of the termination of such relationship and completed the Affirmation of Termination of Same Sex Domestic Partnership; and

WHEREAS, during November, 2015, the open enrollment period for benefits for calendar year 2016, the University offered same sex domestic partner and same-sex domestic partner dependent benefits on the same terms and conditions as it did prior to *Obergefell*; and

WHEREAS, the University and the Akron-AAUP desire to have the University continue to offer same sex domestic partner and same-sex domestic partner dependent benefits to eligible bargaining unit employees throughout calendar year 2016, but not thereafter, so long as same sex marriage is legal in Ohio, and desire to remove the provisions relating to same-sex domestic partner and same-sex domestic partner dependent benefits from the Collective Bargaining Agreement now that same-sex couples may legally marry while also giving same-sex couples a reasonable amount of time to make marriage arrangements;

NOW, THEREFORE, the University and the Akron-AAUP agree as follows:

1. Eligible bargaining unit faculty may enroll same-sex domestic partners and same-sex domestic partner dependents during the 2016 plan year upon qualifying for a special enrollment period.

2. The ability to have coverage for same-sex partners and their dependents without marrying will extinguish at midnight on December 31, 2016.

3. Beginning with the 2016 open enrollment period and the 2017 plan year, bargaining unit faculty with same-sex partners and same-sex partner dependents must be legally married to obtain spousal or dependent coverage through the University.
4. In the event that the Obergefell decision is overturned, the University and the Akron-AAUP agree to revive the provisions of the collective bargaining agreement, including applicable affirmations, relating to extending benefits to same-sex domestic partners and their dependents, to the extent the University may legally offer such coverage.

MEMORANDUM OF UNDERSTANDING

Labor-Management Bargaining Unit Composition Policy Committee

Feb. 17, 2016

The labor-management Bargaining Unit Composition Policy Committee (“Policy Committee”) shall be composed of, at a minimum, the Provost or Senior Vice-Provost, an additional high level administrator designated by the University, the President of the Akron-AAUP, and the Chief Negotiator of the Akron-AAUP, or such substitute designees as the Akron-AAUP may determine. The Policy Committee’s principal charge, on an ongoing basis, is to discuss and seek a mutually-agreed resolution regarding the future composition of the bargaining unit faculty—tenure/tenure track and non-tenure track (professors of practice/professors of instruction) with the understanding that the Board of Trustees makes the ultimate decision on the composition of the bargaining unit faculty. In addition, the Policy Committee’s secondary charge, on an ongoing basis, is to discuss, as the Policy Committee members shall mutually agree, important, structural, long term issues between the bargaining unit faculty and the University regarding topics and issues for which the Chapter (as distinguished from the Faculty Senate) has jurisdiction.

The Policy Committee shall meet regularly throughout the year on a mutually agreed upon schedule.
Memorandum of Understanding Regarding the New Title IX Regulations and Policy

WHEREAS, the University of Akron (the “University”) and the American Association of University Professors, The University of Akron Chapter (the “Chapter”) (the University and the Chapter are collectively referred to herein as the “Parties”) understand that as of August 14, 2020, the Secretary of the United States Department of Education amended the regulations (“regulations”) implementing Title IX of the Education Amendments of 1972 (“Title IX”).

WHEREAS, these new regulations specify in certain respects how recipients of Federal financial assistance covered by Title IX, including the University of Akron, are required to respond to allegations of gender-based misconduct, including sexual harassment, consistent with Title IX’s prohibition against sex discrimination.

WHEREAS, the regulations require the University to disseminate its non-discrimination policy and to adopt a grievance procedure regarding Title IX.

WHEREAS, in response to the new regulations, on August 14, 2020, the University amended its Title IX grievance process to comply with the new regulations by adopting and implementing certain provisions in its Interim Gender-Based Misconduct and Title IX Policy & Protocol (“Title IX Policy”) located at https://www.uakron.edu/title-ix/docs/title-ix-policy.pdf and must bargain with the Akron-AAUP about certain issues to be addressed in the Title IX Policy to ensure compliance with the Title IX Regulations or risk foregoing federal funding.

WHEREAS, from time to time, bargaining unit members may be complainants of or respondents to allegations of gender-based misconduct.

NOW, THEREFORE, the Parties agree as follows:

1. Bargaining unit faculty alleged to have violated the Title IX Policy shall be afforded all of the rights and privileges enumerated in the University’s Title IX Policy, including the right to a fair and impartial hearing before an independent hearing officer and an advisor of the member’s choice during the investigatory process and during the hearing.

2. A bargaining unit faculty member’s advisor may, but is not required to, be a representative of the Akron-AAUP. The University shall make its advisor training program available to representatives of the Akron-AAUP. The Akron-AAUP shall have the discretion to decline to serve as the advisor for a bargaining unit faculty member on a case-by-case basis, and a bargaining unit faculty member is not required to utilize an Akron-AAUP representative as an advisor. The Akron-AAUP may provide a representative to serve as an advisor through the investigatory phase without being obligated to continue to provide an advisor at the hearing phase. The University shall, upon request by the bargaining unit member, provide the bargaining unit member with an advisor, free of charge, to be utilized by the bargaining unit member during the Title IX
investigatory process, including the hearing before an independent hearing officer. The faculty member may hire personal legal counsel to serve as the member's advisor, at the member's own expense. The Akron-AAUP may provide suggestions of individuals that could serve as independent hearing officers and University-provided advisors, and may provide feedback to the appropriate University official regarding the performance of independent hearing officers.

3. Any conflict between the Title IX regulations, the University’s Title IX Policy, or this MOU and Article 14 of the CBA shall be resolved in favor of the Title IX Regulations, the Title IX Policy, and this MOU.

4. In accordance with the Title IX Policy, an independent hearing officer (not the Provost) appointed and assigned by the University shall, after a hearing, make a determination regarding any alleged violation of the Title IX Policy. These determinations shall be made applying a preponderance of the evidence standard. The independent hearing officer shall also recommend any and all disciplinary action, if any, and other remedies, up to and including termination of employment of said bargaining unit member. Any final disciplinary action by the University must be consistent with principles of just cause under Article 12 of the CBA.

5. The bargaining unit member shall be entitled to receive all evidence against the member during the investigation and in advance of the hearing in accordance with the Title IX Policy and the Title IX Regulations. The member’s advisor shall have right to cross-examine the complainant (and all relevant witnesses) in accordance with the Title IX Regulations during the hearing and prior to any determination of responsibility being made by the independent hearing officer.

6. Any disciplinary action imposed by the independent hearing officer for conduct found to have been a violation of the Title IX Policy may be appealed to the AVPELR, who shall serve as the appeals officer, also known in the Title IX Policy as the Appeals Decision Maker. Any recommended corrective action imposed by the independent hearing officer shall be delayed during the appeal and subject to this review.

Appeals of disciplinary action imposed by the independent hearing officer pursuant to the Title IX Policy shall be filed within ten (10) business days from the date the independent hearing officer’s findings are provided to the parties. This appeal shall serve as the bargaining unit member’s right to grieve the decision or level of discipline of the independent hearing officer pursuant to the Title IX Policy.

The decision of the hearing officer shall include a notice of this ten-day deadline and the procedure and bases for filing an appeal.

7. The AVPLER’s appeal decision may be appealed to arbitration pursuant to Article 12, Section 6. The normal deadline in the CBA for filing this appeal (20 days) will apply. The arbitrator shall be bound by the CBA in the same manner as any other discipline case.
8. Appeals under the Title IX Policy and to arbitration may be filed for the following reasons:

- There occurred a procedural irregularity that affected the outcome of the matter;

- New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made and that could affect the outcome of the complaint;

- The Title IX Coordinator, investigator(s), or decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter;

- There was a misapplication or misinterpretation of the rule/policy alleged to have been violated;

- There was not a reasonable basis to support the hearing officer’s findings that a violation of the rule/policy was established;

- The sanction(s) imposed by the hearing officer is not proportionate to the violation found by the hearing officer.

9. In any event, the due process protections provided to bargaining unit faculty shall not be less than the protections guaranteed by Article 14 and Article 12 of the CBA. In the event of an arbitration under Article 12 regarding sanctions imposed under the Title IX Policy, the arbitrator shall determine the burden of proof for determining just cause and the appropriate remedy, if any.

FINANCIAL REPORT FOR THE EIGHT MONTHS ENDED FEBRUARY 28, 2021
DATE: April 5, 2021

TO: Dallas A. Grundy, MBA
Senior Vice President and Chief Financial Officer

FROM: Amy S. Gilliland
Director of Resource Analysis & Budgeting

SUBJECT: General Fund, Auxiliary Funds, and Departmental Sales and Services Funds: Budget to Actual Results for the Eight Months Ended February 28, 2021

As requested, the Office of Resource Analysis & Budgeting provides the accompanying Financial Report for the eight months ended February 28, 2021 for the General Fund, Auxiliary Funds, and Departmental Sales and Services Funds (Akron and Wayne combined) together with accompanying FY21 budget assumptions and narratives. This Financial Report should be presented for consideration and approval at the April 21, 2021 Board of Trustees meeting.

The University’s two primary revenue sources continue to be tuition and fees and State Share of Instruction. For tuition and fees, the FY21 revised budget reflects projections as of February 28, 2021. With actual spring revenues now known, indications are that by year end, net tuition and fees may fall short of the revised budget by approximately $3.6 million.

The General Fund expenditures are being closely monitored and significant expected variances from the revised budget will be explained in the narrative as appropriate. The revised budget reflects the impact of the CARES Act funding the University had received, or expected to receive, as of the December month end report.

The revised budgets for Auxiliary Enterprises Funds reflect the known and expected impact of the pandemic in spring 2021. The outlook is more favorable than initially anticipated in the original budget.

While the revised budget reflects an addition to the operating reserves of about $19.6 million, this will be unfavorably impacted by lower than expected net tuition and fees and investment income and the mid-year reversal of the temporary salary reductions. Also, the miscellaneous income includes $1.4 million from the sale of IP addresses which may not fully materialize in the current fiscal year.
As referenced above, favorably impacting FY21 budget performance are the various federal grants that the University has received thus far. The schedule below shows the federal grants that will offset expenditures or support University pandemic efforts. The impact of the federal grants has been incorporated into the General Fund, Auxiliary Funds, and Sales and Services Funds projections.
The $14,151,818 of grant funds received for emergency aid to students was awarded to students to help them pay for living expenses and additional expenses incurred due to the pandemic wherein some individuals were unable to work. The University acted as a fiduciary in administering all emergency aid to the students. The University must submit eligible expenditures to government officials in support of claiming any of the grant funds. The eligibility requirements vary by grant and amounts claimed are subject to audit by the University’s external auditors as well as federal and state auditors.

The FY 2021 Revised Budget Assumptions and Narratives of the Revised Budget to Actual Results are integral to this statement.
Overall: The COVID-19 pandemic has complicated the instructional process; however, all efforts will be made to provide quality instruction to our valued students while providing a level of protection to students and our campus community.

- The University will provide face-to-face instruction in the fall while complying with appropriate physical distancing;
- The original budget reflects potential instructional disruption as indicated by switching to remote instruction from the middle of the fall term through the middle of the spring term. This would result in partial refunds of room and board and certain other fees, as well as lost revenues from event cancellations causing net shortfalls in auxiliaries and reflected in additional transfers-out of $8.3 million to support the impacted auxiliaries; and
- In reality, the hybrid instruction delivery mode was in effect until November 16, 2020 when all instruction was switched to remote delivery. Spring 2021 instruction is being delivered via face-to-face and remote blended learning and the term will be adjusted by starting two weeks of remote instruction followed by face to face and blended instruction then shifting to remote-only after spring break and through final exam week.

Revenues

Tuition & General Service Fees

- The original budget reflects overall blended student credit hour reduction of 15 percent; however, the revised budget reflects actual enrollment and reflects an overall decline of eight percent;
- Tuition and certain fee increase of 2.1 percent for the fall 2020 baccalaureate Tuition Guarantee Cohort; and
- Initiation of Tuition Guarantee for regional campuses effective fall 2020.

Other Fees

- The original budget reflects overall blended student credit hour reduction of 15 percent; however, the revised budget reflects actual enrollment and reflects an overall decline of eight percent.

Scholarships

- The revised budget for Undergraduate scholarships is $42.8 million including College Credit Plus and Early college in the total amount of $8.3 million as compared to the original budget of $37.1 million, which includes College Credit Plus and Early College;
- The revised budget for Graduate assistant tuition and fee remissions is $6 million as compared to the $7.9 million original budget; and
- The revised Law School scholarship is $3.9 million as compared to the $3.3 million original budget.
State Share of Instruction
- The revised budget assumes State Share of Instruction (SSI) of $95 million as compared to the original budget of $90.4 million;
- Ohio Department of Higher Education (ODHE) indicated potential further reductions later in the fiscal year are possible depending on tax revenues collections and the outlook will be closely monitored; however, the Governor recently restored previous SSI reductions. The revised SSI allocation of $95 million reflects a $4.6 million increase over original budget.

Indirect Cost Recovery
- Reduction to align with FY20 revenues and assumed reduction in research activity due to COVID-19; and
- Distributions limited to the Principal Investigator at 10 percent with remainder to the Center.

Investment Income
- The original budget reflected a reduction of 64.5% in anticipation of loss of market value resulting from reduced balances and the impact of COVID-19 on the federal funds rate;
- The revised budget reflects the significant impact of unfavorable interest rates combined with lower short term balances; and
- Market fluctuations, either way, will impact the actual amount.

Miscellaneous Revenues
- Major revenues include $2.3 million from the University of Akron Research Foundation (UARF); $0.5 million from Federal energy tax credit; $250,000 from phase out of Perkins Loan program; and rental income from leased space; and
- The revised budget considers the sale of older generation Internet Protocol (IP) addresses for $1.4 million.

Expenditures

Payroll and Vacancies
- No raise pool is contemplated;
- Abolishment of 178 filled and unfilled positions;
- $1 million of salary and vacancy savings related to the amount of time funded positions remain vacant;
- $625,000 in reallocation of General Fund compensation to grants, leaves without pay, and professional development leaves;
- Except for the AAUP, the remainder of campus employees accepted tiered one-time wage reductions totaling $2.2 million. The wage reductions, if effectuated for the AAUP would increase to $4.1 million;
- After approval of the revised budget, the Board agreed to end the temporary salary reductions after six months, and the ratified AAUP contract included a six-month
temporary salary reduction, among other compensation items, to take effect in FY 2021-22; and
• Vacation and sick leave payoffs will be at least $1 million more than in a normal fiscal year.

Fringes
• Pooled fringe rates as follows:
  o 29 percent – full time
  o 15.45 percent – part time
  o 5 percent – graduate assistants and student assistants
• Voluntary Retirement Incentive Program (VRIP) - Final year of the three-year program. HRSA and 403(b) payments totaling $931,000;
• Voluntary Separation and Retirement Program (VSRP) – Annual salaries of separated employees paid in two installments during FY21, totaling $3.7 million;
• $1 million in savings associated with increased employee contributions to healthcare and elimination of the retiree dependent coverage effective December 31, 2020; and
• $2 million provided for estimated unemployment compensation payments.

Utilities
• Original budget of $9 million assumed electric, natural gas, and water and sewer expenditures increasing from prior year’s actual by $1.5 million. However, the revised budget reflects an additional reduction of $970,000.

Operating
• The designated fees such as course fees and technology fees, etc., are enrollment driven and are assumed to follow the 15 percent student credit hour decline; however will be higher as anticipated blended annual student credit hour production is closer to eight percent;
• The designated fees and start-ups assume that only current-year revenues and/or allocations are expended; however, a certain level of carry over exists within these fees and start-ups, which may be expended by the units and therefore cause expenditures to exceed the initial allocations;
• Assumes departmental operating budgets were reduced $3.4 million in accord with the target reductions;
• Assumes campus operating budgets will be underspent by $1.5 million;
• In the absence of departmental and college level IDC distributions, the Center continues to assume certain research related costs in the amount of $450,000; and
• State minimum wage adjustment.

Other

Re-Charge of Prior-Year Expenditures
The University of Akron
Akron and Wayne General Fund Combined
FY 2021 Revised Budget Assumptions

- Certain FY2020 expenditures in the amount of $8.1 million were or will be recharged and covered by various COVID relief grants.

Re-Charge of Current-Year Expenditures
- Certain FY2021 expenditures in the amount of $8.8 million were or will be incurred within the General Fund in response to COVID preparedness and related safety. These expenditures were or will be re-charged to various COVID relief grants.

Transfers-In (Draw on Operating Reserves)
- The original budget reflected a draw on reserves of $7.8 million; however, the revised budget does not reflect a draw on reserves. The revised budget presumes that largely due to the COVID relief funds and better-than-expected enrollment and SSI an operating surplus in the amount of $19.6 million will occur. This will be reduced by the amount of the temporary salary reductions that were reversed mid-year and may also be impacted if the sale of IP addresses is not fully executed in the current fiscal year. All revenues and expenditures will be closely monitored and significant changes will impact the year-end outcome.

Transfers-Out Plant Fund
- The revised budget presumes that capital projects will be funded by $1.3 million as compared to the original budget of $1 million.

Transfers-Out
- Original budgeted transfers to Auxiliaries assumed General Service Fee, $9.3 million; Facilities Fee, $4.9 million; and Other, $26.7 million and were based on a 15 percent decline in student credit hours; whereas the revised budgets presume an eight percent decline. The mix and blend of transfers will be adjusted on the March report and will be adjusted based on revenue challenges of the auxiliaries; and
- The revised budgets indicate $2.9 million less of auxiliary reliance upon General Fund support.

**Debt Service**

- The General Fund debt service requirement for FY21 reflects $4.8 million of temporary relief as a result of the debt deferral initiative. Recent refinancing and reserves that reside in the Plant Fund, and debt reserves will service the remaining $4.7 million FY21 General Fund debt service obligation.
Revenues

Tuition & General Service Fees: Tuition & General Service Fees revenues total $152.6 million or approximately 94 percent as compared to the annual revised budget of $161.6 million. This amount reflects all but the first portion of summer 2021.

The summer credit hours exceeded the prior year by four percent in undergraduate production but lagged prior year activity by eight percent in graduate and about one percent in law. Fall numbers exceed expectations as the expected 15 percent decline in credit hour production is closer to a decline of about 7.5 percent. Spring credit hour production was down 9.9 percent from the prior spring. Overall credit hour production for the year is eight percent lower than in FY20. The Tuition and Fee budget was revised from $149.7 million to $161.6 million to reflect the favorable enrollment results, however, trending indicates revenues may fall short by $3 million. However, the increase in enrollment also resulted in an increase in projected scholarships and the budget was revised to $52.7 million from the original $48.3 million. Net Tuition and Fees revenues are trending to approach $123.5 million by year end.

Other Fees: Other Fees revenues total $17.6 million or approximately 96 percent as compared to the annual revised budget of $18.2 million which was increased from the original budget of $16.7 million.

Other Fees include various student fees such as technology fees (28 percent), facilities fees (23 percent), and unit and course/content, administrative, career advantage and other fees (49 percent). The electronic content fees are charged to a student’s account, the proceeds of which accrue to Barnes & Noble.

Many of the fees remain within the General Fund and are used for operations while the Facilities Fee passes through to Auxiliary units and contributes toward the debt service requirements of the Student Recreation and Wellness Center, Student Union, InfoCision Stadium, and the Fieldhouse.

Scholarships: Scholarships total $52.1 million or approximately 99 percent of the $52.7 million annual revised budget. Year-to-date Scholarships include undergraduate ($42.4 million), graduate tuition remissions ($5.9 million), and law ($3.8 million). The discounts associated with College Credit Plus and Early College are expected to be around $8.6 million for the fiscal year. Scholarships are trending to total $52.8 million by the end of the fiscal year.

State Share of Instruction: State Share of Instruction (SSI) revenues total $61.3 million or 64 percent as compared to the annual revised budget of $95 million. As a result of the Governor’s recent executive order restoring previous SSI reductions, the expected SSI of $95 million reflects a $4.6 million increase over the original budget.
Indirect Cost Recovery: IDC revenues total $2.2 million or approximately 60 percent as compared to the annual revised budget of $3.6 million. Anticipated revenue of $3.6 million is in line with the revised budget.

IDC is proportionately related to externally funded research activities and is allocated with 90 percent used to pay the general expenditures of the University and 10 percent allocated to the principal investigators.

Investment Income: Investment Income revenues total $14,154. A decline in the cash balances as well as lower interest rates are factors in this unfavorable return. Expected Investment Income of $26,000 is in significantly less than the revised budget of $500,000.

Miscellaneous Revenues: The revised budget of $4.6 million includes the support provided by the University of Akron Research Foundation (UARF) in the amount of $2.3 million and the proceeds in the amount of $1.4 million from the sale of the older generation Internet Protocol (IP) addresses.

Expenditures

Compensation: Gross payroll expenditures total $77.4 million or 66 percent of the annual revised budget of $116.9 million. Approximately $5.3 million of prior-year payroll expenditures were also re-charged to COVID relief grants, thereby reducing the gross amount. Year-end payroll is expected to exceed the revised budget as the temporary salary reductions were reversed mid-year.

Gross fringe benefits of $28.9 million are 75 percent of the revised budget of $38.4 million. Approximately $1.6 million of prior-year and $.8 million of current-year fringe benefit expenditures were re-charged to COVID relief grants. Fringes are trending to end the year in line with the revised budget.

Utilities: The gross Utilities charges approximated $4.3 million or 54 percent of the $8 million revised budget. Approximately $.3 million of current-year utility expenditures were re-charged to COVID relief grants. Usage is down from prior years as activity on campus is significantly reduced. Indications are that by year-end, total utility spend will be in line with the revised budget.

Akron and Wayne General Fund Combined
Narrative of FY 2021 Revised Budget and Actual Results for the eight months ended February 28, 2021

Operating: Gross operating expenditures total $17.5 million or approximately 69 percent of the $25.5 million revised budget. These expenditures trend higher in the first half of the year as annual contracts and blanket purchase orders are encumbered. The eight-month results include $4.3 million in encumbered funds.

The expenditures are incurred within the operating units primarily for software license, supplies and services, transcribing, advertising, travel and occasionally smaller dollar capital items such as computers and equipment.

The outlook of the year-end operating expenditures of $25.5 million will be further analyzed for future reports.

Gross Expenditures $180,196,000
Current-year re-charge (3,074,752)
Net current-year expenditures $177,121,248

Note: The expenditures are summarized by functional classification.

Transfers, Advances, and Loan

Transfers-In (Draw on Operating Reserves): The original budget assumed the draw on operating reserves of $7.8 million, whereas the revised budget contemplates an operating draw will no longer occur due to better than expected enrollment, increased State Share of Instruction, reduced costs and the re-charge of expenditures to COVID-related grants. The revised budget indicates an addition of $19.6 million to the operating reserves, however, this will be impacted as tuition and fees are trending less than expected, as well as investment income and miscellaneous income which may not fully realize the expected $1.4 million from the sale of IP addresses. Payroll expenditures will be higher than expected following the mid-year reversal of the temporary salary reductions. Revenues and expenditures will be closely monitored, and significant variances will be reported as to the impact on year-end results.

Transfers-Out Plant Fund: To date, the following transfers have been made for capital projects or underspent funds returned from completed projects:
- $400,000 EJ Thomas concrete repair;
- $125,000 JAR air conditioning;
- $120,000 Wonder Bread site improvement;
- $50,000 Kolbe Hall roof chiller;
- $30,000 Polsky building waterproofing;
- ($86,000) Auburn Science and Engineering Center (ASEC) project; and
- ($73,000) Medina campus wet lab.

Transfers-Out Facilities Fee: The anticipated annual Facilities Fee revenues are transferred ratably throughout the fiscal year to support the debt service of the Stadium, Fieldhouse, Student Union, and Student Recreation and Wellness Center. At 67 percent of budget, these transfers are in line with the budget. To the extent the facilities fee revenues differ from the budget, this transfer will be adjusted, and
The Transfers-Out Other – Debt Service (see immediately below) will be increased or decreased accordingly.

Transfers-Out Other – Debt Service: The Facilities Fees support the debt service of the Stadium, Fieldhouse, Student Union, and Student Recreation and Wellness Center. The Facilities Fees have declined over the years and no longer fully service the affiliated debt service of those buildings so these transfers provide the remaining debt service funding. The transfers are provided ratably throughout the year and $3.1 million or 37 percent of the revised budget was transferred to date. The remaining balance will be transferred ratably over the final four months of the fiscal year.

To the extent the facilities fee revenues differ from the budget, this transfer will be adjusted and increased or decreased accordingly.

Transfers-Out General Service Fee: The majority of the General Service Fee revenues, 94 percent, is transferred to Intercollegiate Athletics in support of operations. The annual budget amount is transferred evenly throughout the fiscal year and will be adjusted as needed to reflect actual revenues. To date, $6.2 million has been transferred which represents 67 percent of the revised budget.

Transfers-Out – Other: The revised budget reflects $15.3 million to provide supplemental support to various auxiliaries. This amount is $6.7 million less than the original budget and the adjusting transfers will be reflected in future months.

Loan: During FY20 the University of Akron Foundation provided a loan to the University in the form of a line of credit of up to $1 million to help fund the baseball field project until donations materialize. The outstanding balance on July 1, 2020 was $300,000. As of February 28, additional draws totaling $540,000 and gifts of $400,000 leave an outstanding balance of $440,000. The construction project is concluding so future draws are unlikely.

The FY 2021 Revised Budget Assumptions and Narratives of the Revised Budget and Actual Results are integral to this statement.
The Revised FY 2021 Assumptions

Overall: The COVID-19 pandemic has complicated the instructional process; however, all efforts will be made to provide quality instruction to our valued students while providing a level of protection to students and our campus community.

Revenues
- The original budget reflects overall blended student credit hour reduction of 15 percent; however, combined summer and fall student credit hours actually declined around seven percent; while spring 2021 blended student credit hours declined around nine percent from spring 2020. Assuming this holds, the expected annual blended credit hour decline is around eight percent;
- The University will provide face to face instruction in the fall, practicing physical distancing, and online options for at-risk and/or medical exceptions; and
- In reality, the hybrid instruction delivery mode was in effect until November 16, 2020 when all instruction was switched to remote delivery. Spring 2021 instruction is being delivered via face-to-face and remote blended learning and the term will be adjusted by starting two weeks of remote instruction followed by face to face and blended instruction then shifting to remote-only after spring break and through final exam week.

Payroll
- Assumes zero percent raises in all personnel categories as well as temporary tiered salary reductions as approved by the Board of Trustees.

Fringes
- Benefits such as 14 percent employer contribution to the respective retirement system, University contribution toward employee group insurance, employee and dependent fee remission, and University portion of employee parking permits.
- Fringe Benefits rates include 29 percent for full-time, 15.45 percent for part-time, and five percent for graduate and student assistants.

Transfers-In
- Represents General Service Fees, Facilities Fees and operating support passed through or from the General Fund.

The Revised FY 2021 Assumptions

Other

Re-Charge of Prior-Year Expenditures

- Certain FY2020 expenditures in the amount of $31,000 were or will be recharged and covered by various COVID relief grants.

Re-Charge of Current-Year Expenditures

- Certain FY2021 expenditures in the amount of $34,000 were or will be incurred within Athletics in response to COVID preparedness and related safety. These expenditures were or will be recharged to various COVID relief grants.

Transfers-In

- Includes $716,000 to cover the net impact of no fall sports;
- Facilities Fees totaling $2.5 million through the General Fund;
- General Service Fees totaling $9.3 million from the General Fund; and
- The original assumption assumed Transfers-In - Other support totaling $8 million from the General Fund, while the revised budget incorporates $9.6 million.

Residence Life & Housing

Revenues

- Fall revenue estimate based on room assignments as of June 12, 2020 (include $450 discount per person for students remaining in double occupancy rooms for fall);
- Due to the COVID-19 pandemic, Residence Life & Housing will use Quaker Square exclusively for quarantine and isolation;
- Spring revenues estimate assumes a 13% decline in revenue;
- Closure at 8-week mark of the fall semester and re-opening at the 8-week mark of the spring 2021 term is basis of original budget;
- Expectations for no summer housing or summer conference revenue for Summer 2020 remain, and the AA conference for Summer 2021 will not resume as previously indicated; and
- The budget assumed closing the residence halls mid-fall term till mid-spring. Current expectations indicate remaining open even as instruction on November 16th became remote, and there will be no refunds. The revised $10.7 million revenue budget reflects the campus is remaining open, increasing revenue by $3.5 million above the original $7.2 million budget.

Payroll

- Business Systems Administration position as well as the Quaker Square Residence Life Coordinator position will remain unfilled;
Residence Life & Housing (continued)

- Residence Life Coordinators will be on an 11-month contracts for FY21 (not working the month of June). This will transition to 10-month contracts for FY22 (not working July and June). Two, 2-month temporary positions to be created to complete essential summer work;
- Three UAPD Officers and half of the Student Conduct Coordinators will remain on Residence Life and Housing budget for FY21 with the goal of moving the positions off the budget in FY22;
- Residence halls remained open in October. Therefore, Residence Life & Housing staff did not require three months of furlough generating a revised budget of $1 million or $125,000 above the original $876,000 budget.

Operating

- Expenditures include maintenance, resident assistant meals, student employment, resident student events, and utilities;
- Cancellation of Exchange Street Living Room Furniture project (savings $400,000);
- Delay migration to Mercury Cloud (savings $5,000);
- Quaker Square off-line for FY21 unless needed to quarantine individuals or overflow housing; therefore, the maintenance and the custodial budget includes half of the budget estimated by PFOC;
- The $1.7 million increase in the revised $6.8 million budget will cover the cost of maintenance, student assistant wages, and utilities for the residence halls remaining open the entire fiscal year.

Other

Re-Charge of Prior-Year Expenditures

- Certain FY2020 expenditures in the amount of $32,000 were or will be recharged and covered by various COVID relief grants.

Re-Charge of Current-Year Expenditures

- Certain FY2021 expenditures in the amount of $13,000 were or will be incurred within Residence Life & Housing in response to COVID preparedness and related safety. These expenditures were or will be recharged to various COVID relief grants.

Transfers-In

- Transfers-In - Other original assumptions assumed General Fund support for operations budgeted at $8.1 million. The revised budget reflects the General Fund support for operations including debt service will total $6.7 million; and
- The original assumption contemplated that $1.2 million in the fund balance would be available to transfer from Residence Life & Housing’s fund balance, while the actual
amount is $990,000. The entire $990,000 fund balance amount will be needed to balance the revised budget.

**E. J. Thomas Performing Arts Hall**

**Revenues**
- Externally generated revenues from various sources such as Broadway Series sales, Akron Civic Theater pass-through, hall rental, and endowment gifts; and
- The original budget assumed Spring 2021 shows only with a budget of $2.7 million, and the fall COVID-19 mass gathering restrictions would not affect the budget. In keeping with the advice and recommendations from health officials regarding COVID-19, to avoid the assemblage of large numbers of people within proximity to one another, large events scheduled for the fiscal year 2021 were canceled. As of March 19th, E. J. Thomas Performing Arts Hall will hold two small shows with attendance limitation of 150 people per show. The expectations indicate that the change in restrictions will increase the revenue budget $5,000 above the revised budget of $244,000.

**Payroll**
- Due to the cancellation of events for the fiscal year, the auxiliary will not employ part-time staff. The revised budget indicates that payroll and fringes will approximate $313,000 or $100,000 below the original budget.

**Operating**
- Expenditures include artist fees, advertising, maintenance, stage & wardrobe, student employment, and utilities; and
- The cancellation of events eliminates artist fees, student assistant wages, stagehand payments, hospitality & advertising costs, Akron Civic Theatre consulting fees, ticket office expenses, and UAPD services. The revised budget indicates operating expenditures will be $2.2 million less than the original $2.6 million budget.

**Transfers-In**
- Transfers-In Other of $630,000 from the General Fund; and
- The original assumption presumed a break-even budget, but the revised budget reflects that EJ Thomas Performing Arts Hall will access $91,000 out of the $761,000 fund balance to balance.
The Revised FY 2021 Assumptions

Dining (Aramark)

Revenues
- Assumes contractually provided revenues such as utilities, maintenance, and equipment repair;
- Meal plan increase of four percent for the fall 2020 Tuition Guarantee Cohort; and
- The original annual budgeted revenue of negative $3.4 million assumed face-to-face instruction in fall 2020, followed by potential mid-term COVID-19 related enrollment disruption, would close the campus in September 2020 and remain online in Spring 2021, creating refunds. Given the current reality, Aramark revenue will approach $1.4 million for the fiscal year 2021 as represented in the revised budget.

Compensation
- The CWA employees remain University employees, with the University responsible for the difference between FICA and SERS;
- Reallocate a portion of Dining Services employees' salaries to Aramark (cost $17,491);
- All other employees are the fiscal responsibility of Aramark; and
- The revised budget includes a $180,000 increase for unanticipated payroll costs through June 30, 2021, changing the original budget from $205,000 to $385,000.

Operating
- Card access and point of sale software, equipment, maintenance, and utilities; and
- The revised budget indicates operating expenditures will be $50,000 below the original budget.

Transfers-In
- Transfers-In - Other original budget represents General Fund support for operations and is budgeted at $2.9 million. The revised budget indicates the General Fund support for operations will not be needed; and
- The original assumption estimated that $2.7 million would be transferred from Dining Services (Aramark) fund balance to balance, while the revised budget contemplates that $907,000 of the fund balance will be needed.
Student Recreation & Wellness Services

Revenues
- Externally generated revenues from various sources such as memberships, pool rental, and locker and facility rentals; and
- The original budget assumed closing the campus mid-fall term until mid-spring, anticipating mass gathering restrictions and membership income loss. The revised budget indicates $56,000 in revenue, which is $452,000 lower than the actual income received in FY20.

Payroll
- Workforce reductions of $150,772 based on IUC Campus Operations Resumption Plan with social distancing and group size restrictions. If restrictions are lifted or reduced additional revenue (especially with long standing contracts) will be sought and workforce will need to be increased to manage groups, programs, events, and additional members;
- Two full-time vacant positions to remain unfilled (savings $96,028);
- No furloughs for staff members with salaries below $40,000;
- Abolish the Coordinator Membership and Personnel position (savings $40,462);
- Salary reduction for Director, Student Recreation & Wellness Services and the Assistant Director, Programs (savings $5,038);
- Changing 12-month contracts to 10-months due to low summer program participation (June/July). Contract change effective August 1st (savings $9,244) as follows:
  - Manager, Intramurals
  - Manager, Club Sports
  - Manager, Outdoor Adventure
- An additional $6,650 in student employment fringe benefit savings during October 2020 to mid-February 2021; and
- The revised budget includes Mid-August staffing changes that raise the compensation cost above the original $596,000 to $622,000.

Operating
- Expenditure reductions of $926,000 for aquatics, fitness and wellness, intramural sports, maintenance, outdoor adventures, membership, student employment, operations, and utilities;
- Reduction in operating hours (12 hours reduced per week) and reduction of student staff positions that would be covered by full-time employees;
- Reduce student staffing between July and early August, and having professional staff fulfill vacant roles (savings $177,000);
Student Recreation & Wellness Services (continued)

- Cancellation of all group programs, rentals, and events that cannot be done without social distancing; and
- Due to the campus remaining open maintenance cost (Oct – Feb) plus repair work to Leisure Pool and ONAT diving tower formed a revised budget of $1.2 million or $170,000 above the original $1 million budget.

Other

Re-Charge of Prior-Year Expenditures
- Certain FY2020 expenditures in the amount of $31,000 were or will be recharged and covered by various COVID relief grants.

Re-Charge of Current-Year Expenditures
- Certain FY2021 expenditures in the amount of $22,000 were or will be incurred within Student Recreation & Wellness in response to COVID preparedness and related safety. These expenditures were or will be recharged to various COVID relief grants.

Transfers-In
- The original other sources of funding include a Transfers-In Facilities Fee and Transfers-In - Other budgeted at $856,000 and $2.3 million, respectively; and
- The original assumption contemplated $59,000 of fund balance usage while the revised budget presumes that $232,000 will be needed.

Jean Hower Taber Student Union

Revenues
- Externally generated revenues from various sources such as bookstore commission, bank commission, and room rentals;
- A 75 percent reduction in room and AV rental income based on campus needs for use of space as classrooms and physical distancing/group size guidelines. Current expectations suggest that $25,000 room rental budget will not come to fruition due to COVID-19 mass gathering restrictions remaining in effect;
- A 35 percent reduction in Bookstore revenue; and
- In the revised $628,000 budget, year-end income will be $29,000 below the original $657,000 budget.
Jean Hower Taber Student Union (continued)

Payroll
- Five full-time vacancies remain unfilled (savings $224,990); and
- The revised budget of $645,000 includes an increase in fee remission and salary totaling $20,000 assumed through an additional employee gained via the bumping process.

Operating
- Student assistant wages reduced to reflect predicted use of facility and programming planning/execution in some areas of the budget and increased in others based on cleaning standards;
- Additional financial assistance provided previously to keep the facility open for the use of Aramark will be addressed in FY21;
- Programming options will continue for FY21 but have been reset for fall 2020 under the current/predicted climate;
- Elimination of the budgets for Alternative Spring Break and Winter Immersion trips;
- Supplies & services and travel and hospitality reduced based on the reduction of events with an offset to increase supplies & services to reflect additional cleaning standards;
- A reduction in PFOC maintenance and purchase utilities expectation to reflect FY20 actual usage;
- Expecting a reduction in PFOC custodial labor and supplies; and
- Current indications suggest expenditures remaining at budget. However, student assistant wages may increase due to expanded operating hours and a January minimum wage increase.

Other

Re-Charge of Prior-Year Expenditures
- Certain FY2020 expenditures in the amount of $32,000 were or will be recharged and covered by various COVID relief grants.

Re-Charge of Current Year Expenditures
- Certain FY2021 expenditures in the amount of $16,000 were or will be incurred within Jean Hower Taber Student Union in response to COVID preparedness and related safety. These expenditures were or will be recharged to various COVID relief grants.

Transfers-In
- Facilities Fees totaling $1.5 million through the General Fund; and
- Other support totaling $2.6 million from the General Fund.
Parking & Transportation Services

Revenues

- The original assumption estimated a 15 percent blended enrollment reduction while actual summer and fall combined enrollment is six percent;
- The initial assumption remains, the auxiliary will achieve $3.6 million in revenue;
- Majority of Special Events Parking $10 and $20 maximum for additional preferred lots;
- Increase Parking Fine collections rate through expanded iParq capabilities, change to courtesy policies/grace periods, more target of meters, handicapped spaces, and fire lanes; and
- The original assumptions indicate the campus closing in October 2020 and reopens in mid-February 2021 with 50 percent of fall transportation fee revenue refunded and 25 percent of spring transportation fee revenue refunded. Current expectations reflect campus is staying open for the entire fall 2020 semester and spring 2021 with blended remote learning and certain periods of remote learning at the end of fall and beginning and end of spring.

Payroll

- Eliminate two full-time positions (savings $57,000) and reduce part-time staff hours by 50 percent (savings $11,000);
- Reduce the number of student assistants, office staff, lot monitors, event workers by 50 percent and no visitor parking lot booth (savings $84,000); and
- The revised budget of $241,000 forms a $7,000 increase above the $234,000 original budget to support the campus remaining open.

Operating

- Shuttle savings of $250,000 due to the campus closure (from both the Roo Express and METRO RTA contract). While Parking & Transportation Auxiliary will realize the expenditure savings for the Roo Express during the University campus closure, some costs will be incurred for a portion of the downtime;
- Close all deck rooftops (except half of Polsky’s rooftop deck to access CBA bridge) for the winter season, and additional surface lots as well. Reduce Parking maintenance group to one full-time employee and one student assistant to empty trash receptacles. Restrict maintenance to essential services, safety issues, lighting, trash removal, elevator repair, limited signage placement, graffiti removal, and minimal flower planting. Assumption assumes no parking lot or deck repairs using outside contractors (total savings of $347,000); and
Parking & Transportation Services (continued)

- The current indications suggest with cost-saving measures, the revised budget of $1.4 million will have reduced operating costs of $200,000 below the $1.6 million original budget.

Other

Re-Charge of Prior-Year Expenditures
- Certain FY2020 expenditures in the amount of $29,000 were or will be recharged and covered by various COVID relief grants.

Re-Charge of Current-Year Expenditures
- Certain FY2021 expenditures in the amount of $8,000 were or will be incurred within Parking & Transportation Services in response to COVID preparedness and related safety. These expenditures were or will be recharged to various COVID relief grants.

Transfers-In
- Transfers-In - Other original estimate assumed General Fund support for operations budgeted at $2.2 million. Current expectations indicate the General Fund support for operations, including debt service, will total $2 million; and
- The original assumption contemplated the entire $570,000 fund balance usage, and this assumption remains valid.

Wayne Student Union

Revenues
- Externally generated commission revenue from bookstore online sales, bookstore space rent and room rentals.

Operating
- Artist fees, equipment, and property and fire insurance.
- The offset to the COVID-19 mass gathering restrictions will reduce operating expenditures $1,000 below original budget.
Athletics

Athletics actual revenues total $461,000 as compared to revised annual budgeted revenues of $4.7 million. The NCAA and MAC distributions which account for the significant revenue variances are expected to materialize in April or May. Unearned revenue for season and single tickets is realized in the fiscal year when the game is held. Currently, $14,000 is unearned. Current expectations indicate that revenues will total $4.7 million to match the revised budget.

Payroll and fringes total $5.6 million or 64 percent of the revised annual budget of $8.8 million. The fiscal year 2021 reflects temporary salary reductions.

Operating expenditures total nearly $4.5 million or 64 percent of the revised annual budget of $7 million. The principal operating expenditures include supplies & services (67 percent) and travel & hospitality (20 percent). The majority of supplies & services include athletic supplies (25 percent), maintenance (17 percent), and liability insurance (12 percent). The bulk for expenditures for athletic supplies is team equipment purchases. Equipment purchases mainly take place during the first few months of the fiscal year when new equipment for the season is being received and generally slows drastically as the year continues. The majority of operating expenditures in travel & hospitality are team travel and recruiting (67 percent). Majority of the travel & hospitality expense is for charter flights purchased for football prior to the Fall season being cancelled. Although the funds are nonrefundable, most of these funds can be used towards future travel through December 2021.
Athletics (continued)

Scholarships, or Athletics financial aid, totaled $4.9 million or 89 percent of the revised annual budget of $5.5 million. Scholarships and other, student aid will match the revised budget.

Athletics Re-charge lines include $65,000 in compensation reduction from the COVID relief grants. The prior fiscal year 2020 has $31,000 in compensation credits and $34,000 for 2021.

The other sources of funding include transfers-in of Facilities Fee, General Service Fee, and Other budgeted at $2.5 million, $9.3 million, and $8 million, respectively. The revised budget contemplates Transfers-In – Other (Debt Service) to be $9.6 million. The actual Facilities Fee totaling $1.7 million services a portion of the Stadium and Fieldhouse debt while the Athletics actual general services fee, and other transfers-in combined total $11.5 million. Athletics will meet its $4.4 million cost reduction target for the fiscal year ended June 30, 2021 plus additional cost control measures were implemented as the revenues are expected to fall well short of budgeted revenues in large measure due to COVID implications.

At the end of each fiscal year, commitments often remain for goods and services that have not yet arrived or been received by June 30. Those outstanding commitments are carried over to the succeeding fiscal year and become a liability and expenditure in that following year. The $11,000 Transfers-In - Encumbrances represent those types of commitments.

The budgeted Transfers-Out - Debt Service is $5 million. To date, $3.3 million or 67 percent has been transferred out to pay the debt service payment with the remaining transfers to occur throughout the year. The debt service pays the bonded debt related to InfoCision Stadium (94 percent) and the Athletic Fieldhouse.

Residence Life & Housing

Residence Life & Housing actual revenues total $11.2 million as compared to the revised annual budgeted revenues of $10.7 million. The principal revenues include residence hall occupancy (annual average of 74 percent) and are predominately earned during the academic year.

Residence Life & Housing (continued)

Currently, $510,000 of Spring 2021 revenue is deferred. Actual revenues equal to 104 percent of the $10.7 million revised annual budget, with 1,712 contracts for the fall instead of 1,822 as budgeted. The budget assumed closing the residence halls mid-fall term till mid-spring. Current expectations indicate remaining open even as the Spring 2021 semester will start with remote instruction. Spring semester revenues will be 13 percent below Fall Census.

Payroll and fringes total $604,000 or 60 percent of the revised annual budget of $1 million. The compensation increase includes additional costs related to the residence halls remaining open the entire fiscal year. The fiscal year 2021 reflects temporary salary reductions.

Operating expenditures total $3.5 million or 52 percent of the revised annual budget of $6.8 million. The principal operating expenditures include supplies & services (55 percent) and utilities (20 percent). The major spending components in supplies & services include maintenance (85 percent). The majority of expenditures in utilities are electricity (54 percent), water (31 percent), and gas (10 percent). The majority of operating expenditures in travel & hospitality are Resident Assistant Meals (93 percent). The revised budget increased to absorb the additional cost to cover maintenance, student assistant wages, and utilities for the residence halls remaining open the entire fiscal year.

Residence Life & Housing Re-charge lines include $45,000 in compensation reduction from the COVID relief grants. The prior fiscal year 2020 has $32,000 in compensation credits and $13,000 for 2021.
Residence Life & Housing (continued)

Transfers-In - Other original assumptions assumed General Fund support for operations budgeted at $8.1 million. The revised General Fund support for operations, including debt service, will total $6.7 million. To date, $5.4 million has been transferred with the expectation the full amount will be adjusted to reflect the actual shortfall after utilizing the remaining fund balance at the end of the fiscal year.

The original assumption estimated that $1.2 million would be available to transfer from Residence Life & Housing’s fund balance to balance, while the realization indicates the actual fund balance amount of $990,000 will be needed. The actual transferred amount may vary pending the fiscal year-end outcome.

At the end of each fiscal year, commitments often remain for goods and services that have not yet arrived or been provided by June 30. Those outstanding commitments are carried over to the succeeding fiscal year and become a liability and expenditure in that following year. The $8,000 Transfers-In - Encumbrances represent those types of commitments.

The budgeted Transfers-Out - Debt Service total $10.6 million. To date, $7.1 million or 67 percent has been transferred out to pay the debt service payment with the remaining transfers to occur throughout the year. The debt service pays the debt related to the renovation of seven residence halls and construction of four new buildings.

EJ Thomas Performing Arts Hall

EJ Thomas Performing Arts Hall actual revenues total $244,000 as compared to the revised annual budgeted revenues of $244,000. The principal revenues include endowments (70 percent) and hall rental (29 percent). Two shows will be held this spring semester with a gathering limitation of 150 people per show. Current expectations are that the revenue will exceed the revised budget by $5,000. Ticket revenue is considered unearned until the show is held. The spring graduation ceremony will be held at InfoCision Stadium so the auxiliary will not gain revenue from that event. EJ Thomas Performing Arts Hall will make available their volunteer ushers for the ceremony at no cost.

EJ Thomas Performing Arts Hall (continued)

The original assumption presumed a break-even budget, but the expectations indicate that EJ Thomas Performing Arts Hall will access $91,000 out of the $761,000 fund balance to balance.

At the end of each fiscal year, commitments often remain for goods and services that have not yet arrived or been provided by June 30. Those outstanding commitments are carried over to the succeeding fiscal year and become a liability and expenditure in that following year. The $38,000 Transfers-In - Encumbrances represent those types of commitments.

The fiscal year 2021 reflects temporary salary reductions.
Dining Services (Aramark) (continued)

Operating expenditures total $500,000 or 42 percent of the revised annual budget of $1.2 million. Transfers-In - Other original budget represents General Fund support for operations and is budgeted at $2.9 million. The revised budget indicates the General Fund support for operations will not be needed. To date, the $1.9 million support transfer will reverse back to the General Fund in March 2021.

The original assumption estimated that $2.7 million would be transferred from Dining Services (Aramark) fund balance to balance, while the revised budget contemplates that $907,000 of the fund balance will be needed. The actual fund balance transferred amount may vary pending the fiscal year-end outcome.

At the end of each fiscal year, commitments often remain for goods and services that have not yet arrived or been provided by June 30. Those outstanding commitments are carried over to the succeeding fiscal year and become a liability and expenditure in that following year. The $24,000 Transfers-In - Encumbrances represent those types of commitments.

Transfers-Out - Plant Fund of $19,000 represents the remaining balance returned from replacing the Student Union dishwasher.

The budgeted Transfers-Out - Debt Service totals $778,000. To date, $519,000 or 67 percent has been transferred out to pay the upcoming debt service payment with the remaining transfers to occur throughout the year. This debt service pays the bonded debt related to various buildouts of space and renovations including the dining hall and retail sites located throughout the campus over the course of the last 14 to 21 years. The debt will be retired during the fiscal year ended June 30, 2038.
Recreation & Wellness Services

Student Recreation & Wellness Services (SRWS) actual revenues total $55,000 as compared to the revised annual budgeted revenues of $56,000. The principal revenues include memberships (53 percent) and swimming meets (30 percent). While swim meets are not being held due to the pandemic, revenue represents past season payments.

Due to the COVID-19 restrictions, memberships were limited to current students and University employees only. The regulations prohibit external memberships, including University alumni until this spring semester when fall graduates were able to purchase Alumni memberships. Membership renewal is available to those who maintained membership in the fall semester. The University is waiving the membership fee for students with online classes only (non-fee paying) since being online might have been their only option for courses instead of their choice. Revenue-generating activities canceled for fiscal year 2021 include swim meets, basketball tournaments, indoor soccer tournaments, and facility rentals. The budget assumed closing the campus mid-fall term till mid-spring. In anticipation of mass gathering restrictions and the loss of membership income, the revised budget indicates $56,000 in revenue, which is $452,000 lower than the actual income received in FY20.

Payroll and fringes total $363,000 or 58 percent of the revised annual budget of $622,000. Mid-August staffing changes are included in the revised budget. The fiscal year 2021 reflects temporary salary reductions.

Recreation & Wellness Services (continued)

Operating expenditures total $678,000 or 57 percent as compared to the revised annual budget of $1.2 million. The principal operating expenditures include supplies & services (58 percent), student assistants (25 percent), and utilities (16 percent). The majority of supplies & services spending includes maintenance (89 percent). The majority of expenditures in utilities are electricity (67 percent) and steam (22 percent). As an offset to COVID-19 related loss in membership, student staffing is reduced as much as possible while trying to maintain disinfection and additional cleaning standards. The revised budget increased $170,000 above the original budget due to an increase in maintenance and staffing cost (Oct – Feb).

Recreation & Wellness Services Re-charge lines include $53,000 in compensation reduction from the COVID relief grants. The prior fiscal year 2020 has $31,000 in compensation credits and $22,000 for 2021.

The other sources of funding include a Transfers-In Facilities Fee and Transfers-In - Other budgeted at $856,000 and $2.3 million, respectively. Actual total Transfers-In of $2.1 million represents facilities fee and General Fund support to service the building’s debt and operations.

The original assumption contemplated $59,000 of fund balance usage while the revised budget presumes that $232,000 will be needed. The actual fund balance transferred amount may vary pending the fiscal year-end outcome.

Since the budget assumed closing the campus mid-fall term till mid-spring, SRWS facilities would be closed, causing a significant reduction in operating expenses, including maintenance, custodial, and student staffing. With facilities remaining open, those operating expenses have been added back into the budget leading to an estimated additional fund balance transfers-in of $173,000. The majority of this transfer will allocate towards the maintenance of $139,000, of which $8,000 is construction work in the Ocasek Natatorium.

At the end of each fiscal year, commitments often remain for goods and services that have not yet arrived or been received by June 30. Those outstanding commitments are carried over to the succeeding fiscal year and become a liability and expenditure in that following year. The $1,000 Transfers-In - Encumbrances represent those types of commitments.

The budgeted Transfers-Out - Debt Service totals $1.7 million. To date, $1.1 million or 67 percent has been transferred out for the debt service requirements associated with the facility and its retail space. The outstanding debt will be retired in the fiscal year ended June 30, 2033.
Jean Hower Taber Student Union

Due to COVID-19, the face to face restrictions prohibit the Student Union from hosting external client room rentals and mass gatherings that exceed 10 people. The negative $1,000 originates from prepaid room rental refunds. The Student Union actual revenues total $566,000 as compared to the revised annual budgeted revenues of $628,000.

The budget assumed the campus would close mid-fall term till mid-spring. In anticipation of the mass gatherings restriction, the budget includes room rental revenue in the amount of $25,000, which is $65,000 lower than the previous fiscal year's actual amount. If the restriction for mass gatherings remains, the $25,000 room rental budget will not come to fruition. Current expectations indicate the campus will remain open. Therefore, operations and programming efforts will show that there will be potential for expenditures far greater than budgeted.

Payroll and fringes total $378,000 or 59 percent of the revised annual budget of $645,000. Fringe benefits will be slightly higher than budget due to the fee remission assumed through an additional employee gained via the bumping process. The fiscal year 2021 reflects temporary salary reductions.

Operating expenditures total $697,000 or 56 percent of the annual budget of $1.2 million. The principal operating expenditures include supplies & services (46 percent), utilities (34 percent), and student assistants (18 percent). The majority of supplies & services spending include maintenance (89 percent). The majority of expenditures in utilities are electricity (45 percent), chilled water (25 percent), water (17 percent), and steam (12 percent). Operating costs may increase due to student wage increases related to expanded operating hours and a January increase in minimum wage. However, expenditures will not exceed the budget.
Jean Hower Taber Student Union (continued)

The other sources of funding include Transfers-In - Facilities Fee and Transfers-In - Other budgeted at $1.5 million and $2.6 million, respectively. To date, $2.7 million has been transferred with the expectation the remaining amount will be transferred throughout the rest of the fiscal year.

The budgeted Transfers-Out - Debt Service totals $2.9 million. To date, $1.9 million or 67 percent has been transferred out for the upcoming debt service requirements associated with the facility and its retail space. The outstanding debt will be retired in the fiscal year ended June 30, 2033.

Parking & Transportation Services

Parking actual revenues total $4 million as compared to the annual budgeted revenues of $3.6 million. The primary sources of revenues are the student transportation fee and parking permits (94 percent). Unearned revenue generated from parking permits purchased before the semester begins is recognized when the revenue recognition criteria is met.

Payroll and fringes total $128,000 or 53 percent of the revised annual budget of $241,000. Expectations indicate payroll and fringes will match the revised budget. The fiscal year 2021 reflects temporary salary reductions.
Parking & Transportation Services (continued)

Operating expenditures total $1.2 million or 89 percent as compared to the revised annual budget of $1.4 million. The principal operating expenditures include supplies & services (84 percent) and utilities (11 percent). The major spending components in supplies & services include transportation-related activities, including busing, parking lot, and deck maintenance (84 percent). The majority of expenditures in utilities are electricity (93 percent). The total operating expenditures include $525,000 for the entire fiscal year Roo Shuttle operation. During the development of the budget, the elimination of busing was considered. However, it was determined to be a valuable service that should continue to be supported. To trim costs the auxiliary closed all deck rooftops (except half of Polsky’s rooftop deck to access CBA bridge) for the winter season, and additional surface lots as well. The auxiliary is expecting an additional $200,000 in savings with the revised budget.

Parking & Transportation Services Re-charge lines include $36,000 in compensation reduction from the COVID relief grants. The prior fiscal year 2020 has $28,000 in compensation credits and $8,000 for 2021.

Transfers-In - Other original estimate assumed General Fund support for operations budgeted at $2.2 million. Current expectations indicate the General Fund support for operations including debt service will total $2 million. To date, $1.5 million has been transferred with the expectation the full amount will be adjusted as needed at the end of the fiscal year.

The original assumption contemplated $570,000 of fund balance usage and that assumption remains valid. To date, $380,000 has been transferred with the expectation the full amount will be adjusted as needed at the end of the fiscal year.

At the end of each fiscal year, commitments often remain for goods and services that have not yet arrived or been received by June 30. Those outstanding commitments are carried over to the succeeding fiscal year and become a liability and expenditure in that following year. The $6,000 Transfers-In – Encumbrances represent those types of commitments.

The budgeted transfers-out for debt service total $4.5 million. Transfers-out of $3 million or 67 percent represents the debt service that pays the bonded debt related to the renovation and construction of six parking decks. The outstanding debt for deferred maintenance Bond 1997A will be retired in the fiscal year ended June 30, 2022, and the West Deck/Deferred Maintenance bond will be retired in the fiscal year ended June 30, 2029. The outstanding debt for the Schrank Deck, North Campus Deck, Polsky Deck, and E.J. Thomas Deck will be retired in the fiscal year ended June 30, 2032. The South Campus Deck outstanding debt will be retired in the fiscal year ended June 30, 2038.

Wayne Student Union

Wayne Student Union's revenues total $28,000 as compared to the annual budgeted revenues of $48,000. The principal revenues include Barnes & Noble bookstore commission (57 percent) predominately earned evenly throughout the fiscal year.

The FY 2021 Revised Budget Assumptions and Narratives of the Revised Budget and Actual Results are integral to this statement.
Overall Assumptions

The COVID-19 pandemic has complicated the instructional process; however, all efforts will be made to provide quality instruction to our valued students while providing a level of protection to students and our campus community.

Payroll and Fringes
- No increase for bargaining unit employees;
- No raise pool equivalent for qualifying non-represented employees;
- Temporary tiered salary reductions as approved by the Board of Trustees;
- Application of the pooled rate for benefits such as 14 percent employer contribution to the respective retirement system, University contribution toward employee group insurance, employee and dependent fee remission, and University portion of employee permits; and
- Fringe rate reduction.

Fund Assumptions

Self-Insurance Health Care

Revenues
- University contributions to employee-provided benefits such as medical, prescription drug, dental, long-term disability, and life insurance with fringe rate reduction. Effective January 1, 2021, University contributions for non-bargaining unit employees who earn between $50,000 and $66,999 will decrease from 81% to 70%; for employees who earn between $67,000 and $91,999, University contributions will decrease from 80% to 69%; for employees who earn between $92,000 and $124,999, University contributions will decrease from 79% to 68%; and for employees who earn $125,000 and above, University contributions will decrease from 77% to 66%; and
- Employee and retiree contributions for coverage that requires an employee cost share or is voluntary (100 percent employee paid) such as medical, prescription drug, short-term and long-term disability, life insurance, vision, and flexible spending accounts.

Operating
- Amounts expected to be paid for administrative and consulting fees; and
- Effective January 1, 2021, the Retiree Dependent Health Insurance Program (RDHIP) for the eligible dependents of non-bargaining retirees and active employees will cease. The RDHIP continues for eligible dependents of active bargaining unit faculty. The budgeted $25.1 million expenditure budgeted for FY21 is funded by the Self Insurance Health Care reserve. The revised budgeted amount will be $20.7 million.

Premiums and Claims
- Estimated cost for insurance premiums and self-insured claim payments related to employee benefit program; and
- Medical, prescription drug, dental, stop loss insurance, and other ancillary benefits.
Workforce Training Solutions

Revenues
- Open enrollment and contract training fees revenues to support the coordination of noncredit professional development classes open to the public and to provide customized training for local businesses.

Operating
- Student assistants, supplies and services, and travel and hospitality;
- Workforce Training Solutions will manage to ensure expenditures are limited to revenues; and
- The COVID-19 pandemic has complicated the instructional process. Many customers/companies either do not want virtual classes, or do not feel comfortable with in-person classes (either on campus or onsite) and therefore are postponing classes.
- The revised budgeted year end deficit of $84,000 will be fully offset by Workforce Training Solutions fund balance.

New Student Orientation

Revenues
- Fee revenues to support the activities related to orientation and first-year experience programs.

Operating
- Peer mentoring, New Roo Weekend, supplies and services, and travel and hospitality;
- New Student Orientation will monitor expenditures; however, the revised budgeted $47,000 deficit will be offset by the New Student Orientation carryover from fiscal year ended June 30, 2020. Fund balance will approximate $418,000 at June 30, 2021; and
- The COVID-19 pandemic has altered operations. Student assistants working at any given time are limited to one staff member and the orientation programs for spring 2021 are online. Virtual orientation option for summer 2021, and the smaller on-campus orientation program will institute all CDC recommendations to prevent the spread of COVID-19.

Other

Revenues
- Includes about 115 smaller, revenue-generating activities such as internal Printing Services, Hearing Aid Dispensary, and Akron Polymer Technology Services.

Operating
- Student assistants, cost of goods sold (Hearing Aid Dispensary), supplies and services, and travel and hospitality.
- Individual management and the units will manage to ensure expenditures are limited to revenues; and
- In general, the units are anticipated to “break-even” or generate surpluses.

Capital
- Capital expenditures associated with the purchase of Polymer and Chemistry testing equipment initiated last fiscal year and the purchase of tribometer kits and pump for corrosion engineering and a trailer for the Center for Fire & Hazardous Materials.

Akron and Wayne General Fund Combined
Narrative of FY 2021 Revised Budget and Actual Results for the eight months ended February 28, 2021

---

**Self-Insurance Health Care**

Self-Insurance Health Care actual revenues total $12.3 million or 69 percent as compared to revised annual budgeted revenues of $17.8 million.

The revenues are derived from the University (76 percent) and employee/retiree contributions (24 percent). Some benefits are funded solely by the University and some by the University and employee while some benefits are funded by the University, employee, and retiree as follows: medical (University, employee, and retiree), prescription drug (University, employee, and retiree), dental (University and employee), short-term disability (employee), long-term disability (University and employee), life insurance (University and employee), vision (employee), and flexible spending accounts (University and employee).

Payroll and fringes total $140,000 or 62 percent as compared to the revised annual budget of $226,000.

Operating expenditures total $130,000 or 57 percent for consulting and administrative services as compared to the revised annual budget of $228,000.

Premiums and Claims expenditures total $13.8 million or 67 percent as compared to the revised annual budget of $21 million. Revised budgeted Premiums and Claims are $4.4 million lower than originally budgeted and can be attributed to reduction in headcount and reduced utilization.

The Self-Insurance fund has a planned fiscal year shortfall in the amount of $3.4 million to help achieve a reserve that is more appropriate.
Workforce Training Solutions

Workforce Training Solutions actual revenues from open enrollment and contract training fees total $185,000 or 47 percent as compared to the revised annual budgeted revenues of $395,000.

Payroll and fringes total $172,000 or 48 percent as compared to the revised annual budget of $358,000. Generally, payroll costs related to contract training are incurred prior to the associated revenue being collected.

Operating expenditures total $51,000 or 42 percent as compared to the revised annual budget of $121,000. The principal operating expenditures include supplies and services related to training and instructional support.

The revised budgeted year end deficit of $84,000 will be fully offset by Workforce Training Solutions fund balance.

New Student Orientation

New Student Orientation actual revenues total $152,000 or 38 percent as compared to the revised annual budgeted revenues of $395,000. Confirmation fee (sales revenue) historically peaks January – June. Sales revenue continue to trend lower than previous year. Since its launch on March 31st, the We Rise Together form helps those students who identify recent financial hardships paying the confirmation fee as students are confirming their enrollment to the University. New Student Orientation is waiving the confirmation fee to assist students and advance them in their enrollment process currently for students starting spring 2021, summer 2021, and fall 2021. We will continue to monitor the impact and adjust expectations accordingly.

Payroll and fringes total $109,000 or 55 percent as compared to the annual budget of $196,000.

Operating expenditures total $74,000 or 20 percent as compared to the annual budget of $371,000. Expense activity increases late spring and summer for onboarding new students. Increased activity in student assistants, supplies services, and hospitality are expected as summer approaches. Future operating expenses include preparing for New Roo Orientation Days beginning in June 2021. The principal operating expenditures include New Roo Weekend (54 percent) and student assistants (30 percent). Current expectations are that overall operating expenditures are expected to be $246,000 or $125,000 lower than revised budget. This is can be contributed to later start for orientation programs, opt in virtual orientation option for this summer, and overall smaller program size for students/guests. This revised expected year end deficit of $47,000 will be fully offset by New Student Orientation Program fund balance.
Expenditures will continue to be closely monitored and managed throughout the course of the year.

Other

The Other departmental sales and services actual revenues total $2.8 million or 67 percent as compared to the revised annual budgeted revenues of $4.1 million. The principal revenues are generated from roughly 73 activities including Printing Services (ten percent), University Credit Card Program (ten percent), and Law Enforcement Training Center (ten percent).

Payroll and fringes total $1.8 million or 67 percent as compared to the annual budget of $2.7 million.

Operating expenditures total $1.4 million or 77 percent as compared to the annual budget of $1.9 million. The primary operating expenditures are supplies and services (89 percent).

Capital expenditures total $61,000. The capital expenditures are associated with the purchase of Polymer and Chemistry testing equipment initiated last fiscal year and the purchase of tribometer kits and pump for corrosion engineering and a trailer for the Center for Fire & Hazardous Materials.

At the end of each fiscal year, commitments often remain for goods and services that have not yet arrived or been received by June 30. Those outstanding commitments are carried over to the succeeding fiscal year and become a liability and expenditure in that following year. The $176,000 Transfers-In – Encumbrances represents those types of commitments.

TO: Dallas A. Grundy, MBA
Senior Vice President and Chief Financial Officer

FROM: Luba Cramer, M.A.Ed.
Director of Purchasing

SUBJECT: Award Exceeding $500,000 for Board of Trustees Consideration and Approval: Research Instrument

As requested of me, I provide to you the following procurement, which exceeds $500,000, for Board of Trustees consideration and approval at its meeting on April 21, 2021.

**Research Instrument (Grant Funds, Research Foundation, and Sales Fund)**

The School of Polymer Science and Polymer Engineering received a grant from the U.S. Department of Energy Advanced Manufacturing Office in the amount of $1,300,000. The grant is to investigate methods of reinforcing recycled plastic feedstock through the manipulation of the polymer interfaces for potential broader usage in sustainable manufacturing practices.

The Bruker NanoIR3 IR-AFM (IR-AFM) was uniquely specified within the grant as the needed instrument to perform the agreed-upon grant work so the sole source procurement approach was pursued. The IR-AFM is the state-of-the-art system with integrated high-resolution spectroscopy and microscopy.

The instrument’s funding sources follow:

Re: Renewal of waiver of domestic non-resident surcharge for certain graduate students

To: Dallas Grundy, Sr VP & CFO

Dear Dallas,

This memo is to bring your attention to a Board of Trustees request to renew the 2021 Directive to reduce the non-resident graduate surcharge for graduate students who have completed a bachelor’s or master’s degree in Ohio from an Ohio Institution.

The specific request approved by the BOT in 2020 was to reduce the domestic non-resident surcharge to $1.00 per credit hour for graduate students in UA’s graduate programs. This applies only to graduate students living in Ohio. The BOT-approved waiver is assumed to be in effect until further notice or a subsequent request to alter the reduction is submitted.

The initial request to ODHE was for the 2020-2021 academic year. To maximize recruitment opportunities, the renewal request will be for the 2021-2022 and 2022-2023 academic years. Continuing renewal requests will utilize a biennial time frame.

I would request that you share with the Board for endorsement or approval, as appropriate. Thank you for considering this request.

LOCAL ADMINISTRATION OF STATE FUNDED CAPITAL PROJECTS
TO:      Dallas A. Grundy  
         Senior Vice President of Finance and Administration/Chief Financial Officer

FROM:    Misty M. Villers, CPA  
         Assistant to the VP/Fiscal Officer, CPFM

DATE:    March 29, 2021

SUBJECT: Local Administration of State Funded Capital Projects

The Ohio Department of Administrative Services implemented, and for many years the University of Akron has participated in the Local Administration Competency Certification Program (Program). The Program permits colleges and universities to locally administer state funded capital projects instead of the Department of Administrative Services performing that role. Local administration results in project timeline efficiencies and also fiscally benefits the participants as the 1.5 percent administrative fee accrues to the benefit of the respective college or university.

Those colleges and universities that participate in the Program must provide written notice to the Ohio Department of Higher Education via a Board of Trustee’s resolution that asserts the college or university will comply with the laws that govern the selection of consultants, preparation and approval of contract documents, receipt of bids, and award of contacts. Our Board most recently provided its approval during its October 10, 2018 meeting via Resolution 10-04-18.

The accompanying Board resolution, if approved, satisfies the requirements and will enable the University to continue to locally manage its state capital funded projects.

I recommend the University of Akron continue its participation in the Program and request your approval and that of the Board of Trustees at its meeting on April 21, 2021.
THE UNIVERSITY OF AKRON

RESOLUTION 4-21

Pertaining to Local Administration of State Funded Capital Projects

WHEREAS, The Local Administration Competency Certification Program (the “Program”) allows institutions of higher education to administer state-funded capital facilities projects pursuant to Ohio Revised Code §3345.51, without the supervision, control or approval of the Ohio Department of Administrative Services; and

WHEREAS, The University desires to continue to participate in the Program and administer its own capital facilities program for state funded projects; Now, Therefore,

BE IT RESOLVED, That the appropriate University officials are directed to take all necessary steps to accomplish that purpose, including without limitation, giving written notice to the Chancellor of the Ohio Department of Higher Education, pursuant to Ohio Revised Code §3345.51(A)(2), of the Board of Trustees’ request to administer a capital facilities project; and

BE IT FURTHER RESOLVED, That pursuant to the requirements of Ohio Revised Code §3345.51(A)(3), the University intends to comply with Ohio Revised Code §153.13 and the guidelines established pursuant to Ohio Revised Code §153.16, as well as all laws that govern the selection of consultants, preparation and approval of contract documents, receipt of bids and award of contracts with respect to the project; and

BE IT FURTHER RESOLVED, That pursuant to the requirements of Ohio Revised Code §123.24(D)(6), the University agrees to indemnify and hold harmless the state of Ohio and the Ohio Department of Administrative Services for any claim of injury, loss or damage that results from the University’s administration of a capital facilities project pursuant to the Program; and

BE IT FURTHER RESOLVED, That pursuant to the requirements of Ohio Revised Code §123.24(D)(5), the University will conduct biennial audits of the University’s administration of capital facilities projects in accordance with Ohio Revised Code §3345.51(C); and

BE IT FURTHER RESOLVED, That pursuant to the requirement of Ohio Revised Code §123.24(D)(2), the University will select new employees to participate in the Program as necessary to compensate for employee turnover.

Project Deliver Methods:

- General Contracting (GC) – A design-bid-build process in which the owner selects an Architect/Engineer (A/E) to fully document the project criteria and design prior to bidding. The lowest responsive and responsible GC (single prime) is awarded the contract. The owner holds a single contract with the GC.

- Multiple Prime Contracting – A design-bid-build process in which the owner selects an A/E to fully document the project criteria and design prior to bidding. Multiple packages are separately bid and awarded to the lowest responsive and responsible prime contractors. The owner holds all prime contracts and is responsible for coordination during construction.

- Design/Build (DB) – A single entity is hired through a best value selection process to deliver a complete project. The owner’s criteria and design intent is documented by a separate criteria architect. The design is completed by the DB entity and a guaranteed maximum price is provided to the owner prior to bidding. The DB entity bids to prequalified subcontractors and holds all subcontracts for construction.

- Construction Manager at Risk (CMR) – A contractor is hired through a best value selection process during the design phase. The owner’s criteria and full design is documented by a separate A/E. CMR provides a guaranteed maximum price to the owner prior to bidding. The CMR bids to prequalified subcontractors and holds all subcontracts for construction.

Social media and display ad awareness campaign

This campaign features UA digital display advertisements, as well as social media ads on Snapchat, Instagram, TikTok and Facebook. These ads are being used to build awareness of UA so that, over time, UA will be a first-destination school for more prospective students. The chart below depicts the annual campaign timeline.
‘Future Roos-day’ leads to jump in confirmations

On Tuesday, March 23, social media accounts across campus joined together for a social media takeover event.

During “Future Roos-day,” the accounts each posted several times throughout the day, encouraging incoming freshmen to confirm their enrollment.

We also held a few Facebook Live sessions, and several college and program accounts conducted student takeovers.

The event was successful, with 53 new confirmations – about three times higher than an average day.

Sesquicentennial mural

This eye-catching, 24’ x 8’ mural was recently installed in one of the Polsky Building’s gateway hallways.

It calls out that UA is “Celebrating 150 years of our people, our place and our promises.”
From UA to ‘Shark Tank’: Students’ invention in spotlight

The box at top was sent to students who have been accepted as undergraduates to the College of Engineering and Polymer Science. It told the story of two UA graduates who invented Sauce-moto, a clip you put into your vehicle’s air vent to hold fast-food sauces. The box contained a Sauce-moto dip clip and invited the prospective student to follow in the footsteps of these inspirational inventors/marketers by attending UA. The College of Business Administration will also send a similar box to prospective students of their college.
Interactive timeline of Akron Law’s 100 years

To help celebrate the law school’s centennial this year, we created a page to highlight the school’s many achievements and milestones. See the page at uakron.edu/law/100.

Zippy leads by example with COVID testing

To continue promoting on-campus COVID testing, we followed Zippy in a video as she signed up online, took her test and received her results.

Zippy’s video shows that the process is simple. We hope it will encourage more students to sign up for testing.

From Akron to astronaut

We told the inspiring story of “Akron’s Rocket Man,” alumnus Kenneth Smith. After dropping out of college, he later went on to earn his bachelor’s degree in aerospace systems engineering from UA and launch a career at NASA. Now, he’s shooting for the moon and training to become an astronaut.
Celebrating our elite College of Engineering and Polymer Science

As part of our sesquicentennial celebration — honoring 150 years of our people, place and promises — we continued our “Celebration of Academic Excellence” by highlighting the history and achievements of the newly expanded and strengthened College of Engineering and Polymer Science, with advertisements, web stories and social media posts.
The College of Business Administration recently launched a new homepage as the first step in a multi-phase website redesign.

The new site will reduce the number of pages in the site, making it easier to navigate, discover areas of academic excellence, highlight corporate partnerships and student success.

Phase II currently in progress focuses on graduate programs in the college.
Multi-channel campaign to encourage confirmations

In coordination with Undergraduate Admissions, UCM has been working with nearly a dozen academic departments on fall 2021 yield initiatives that include elements for email, video and web.

For each program, a unique landing page was created featuring faculty, student and alumni testimonials, and a clear call-to-action to persuade admitted students to confirm their enrollment. At left is the page for the LeBron James Family Foundation School of Education.

PUBLIC LIAISON AND
GOVERNMENT RELATIONS UPDATE
PUBLIC LIAISON AND GOVERNMENT RELATIONS UPDATE

March-April 2021

The University of Akron government affairs office and public liaison communicate with local, state, and federal elected officials and staff about University priorities and objectives. We monitor and track legislation, regulations, and financial issues and opportunities that could impact higher education in general and the University in particular. During the months of March and April, we worked with the Inter-University Council of Ohio (IUC), which represents all 14 Ohio public four-year universities; and the Association of Public Land-Grant Universities (APLU), which represents 246 public research universities, land-grant institutions, state university systems, and affiliated organizations across the country, to formulate legislative and budgetary requests to both state and federal governments. We communicated frequently with elected officials and community leaders regarding developments at the University. We participated in virtual meetings with elected officials and community leaders, and connected them with our administration, our faculty and staff, and our students. A detailed state legislative update is found in this report.

FEDERAL UPDATE

Higher Education Emergency Relief Funding

The American Rescue Plan Act includes $39.58 billion in funding dedicated to higher education for another Higher Education Emergency Relief Fund (HEERF). Unlike previous bills, the American Rescue Plan Act specifies in statute that funds will be available for use through September 30, 2023. APLU projects that The University of Akron is slated to receive $41,556,769.76. Like the CARES Act, institutions are required to use at least half of the new funds for emergency financial aid grants to students. A 50/50 split of The University of Akron funds results in $20,778,384.88 for emergency financial aid grants to students and $20,778,384.88 for institutional use.
President Biden’s Infrastructure Proposal

President Biden has proposed an approximately $2 trillion infrastructure plan that includes investments in university-based research, related infrastructure, and increased broadband access. There may be additional items within the proposal that will benefit higher education.

Double the Maximum Pell Grant Award Amount

The University of Akron joined nearly 1,200 organizations and nearly 900 other colleges and universities in asking Congress to bring an affordable, high-quality college education within reach for all students by doubling the maximum Pell Grant amount. The support letter states that this long overdue investment will drive economic recovery, help address racial and economic inequities in college completion rates, and increase overall educational attainment.

Appropriation Requests

The University of Akron submitted four FY 22 appropriation requests to Congressman Tim Ryan’s office. The requests included projects involving corrosion ($5 million), sustainability ($5 million), precision manufacturing ($1 million), and tire research ($2 million).

Ohio Birthday Party

The University of Akron has coordinated and led the Ohio Birthday Party in Washington, D.C. for nearly 20 years. This year, due to COVID-19 concerns, we held a virtual Ohio Birthday Party on Wednesday, March 3. President Gary L. Miller welcomed guests and introduced members of the Ohio delegation and several state-wide elected officials to make remarks about Ohio.
Ohio Political Panel

Immediately before the Ohio Birthday Party, we held an Ohio Political Panel, moderated by Dr. John C. Green, which included two University of Akron alumni: Mr. Derrick Clay, President and CEO of New Visions Group, and Mr. Bob Paduchik, Chairman of the Ohio Republican Party. The panel discussed federal and state issues related to Ohio politics and Ohio’s bellwether status.
STATE UPDATE

Operating Budget – HB 110

Introduced on February 16, the proposed state operating budget (HB 110) includes $75 billion in General Revenue Fund spending over the biennium — $35.4 billion in FY 22 and $39.3 billion in FY 23. Despite a once-in-a-century pandemic resulting in widespread unemployment, HB 110 proposes neither a tax increase nor a plan to borrow from the state’s “rainy day” Budget Stabilization Fund and manages to avoid a significant cut in spending.

Specific to higher education, the state is proposing a $2.58 billion investment in FY 22 followed by $2.79 billion in FY 23. Included in the state’s investment in higher education is a two-percent increase in the state subsidy line (State Share of Instruction), a $500 per student increase to the Ohio College Opportunity Grant (OCOG), and boosting support for Ohio’s Choose Ohio First scholarship to support students in the critical fields of science (including health professions), technology, engineering, and mathematics (STEM).

UA will receive $5,802,600.00 for the Choose Ohio First (COF) STEMM Scholarship Program. The award is divided between two grants:

1. The FY21 COF grant will provide $1,092,000.00 over five years to recruit and support each cohort during its educational journey.

2. The FY16 Completion grant will award $4,710,600.00 for a four-year program to support previously recruited and enrolled COF scholars to complete their degree.

UA, alongside the IUC and other public universities, is advocating the state adopt a long-term policy that funds the SSI line at the national average on a per-student basis. However, short of that, the collective ask is to provide for an increase consistent with the Consumer Price Index or an increase above the increase contained in HB 110 of $17.1 million in FY 22 and $35.3 million in FY 23 above the increase currently contained in HB 110.
Relative to OCOG, Ohio’s public universities are asking the state to restore OCOG funding to previous budget amounts approved by the legislature in the last state operating budget (HB 166) or an increased investment of $59 million above the as-introduced version of the current state operating budget.

On March 3, President Miller offered written testimony to the Ohio House Finance Subcommittee of Higher Education. In addition to touting several UA programs recognized at the state, national, and global levels including Biomimicry, Business, Cybersecurity, Emergency Management and Homeland Security, Engineering, Law, Polymers, and Psychology, Dr. Miller called for increased investment in SSI and OCOG. Additionally, Dr. Miller called for the restoration of funding for the Ray C. Bliss Institute of Applied Politics. UA Government Affairs has reached out to our legislative delegation, which has expressed general support for funding our public policy institute.

The Ohio House is expected to pass HB 110 in late April with the Senate following suit in late May. In early June, a joint House/Senate Conference Committee will work through the differences with the goal of sending the bill to the Governor for his signature prior to July 1.

**Delegation Meetings**

President Miller, alongside representatives of the UA External Relations Committee of the Board and UA Government Affairs, held another state delegation meeting to promote a variety of issues of importance to UA specifically, and to higher education generally. The agenda focused on several bills pending before the General Assembly, including the state operating budget and SB 135/higher education reform, along with UA-specific updates around spring semester, commencement, fall plans, and land conveyance.

**Land Conveyance**

Language included in the state operating budget/HB 110 changes state law around how the Ohio Department of Administrative Services (DAS) can dispose of state-owned real property to allow DAS to take land conveyances valued under $1 million through the State Controlling Board. Current law requires such conveyances to be legislatively authorized by the Ohio General Assembly.

**Legislation**

**HB 6. (Roemer)**

Extends the ability of nurses to practice with temporary licenses from March 2021 to July 2021. This passed the House in early March by a near-unanimous vote and is expected to be considered soon in the Ohio Senate. IUC testified in favor of this legislation, and President Miller expressed UA’s support on a recent state delegation call.
**HB 43 (Hoops) HB 77. (Manchester)**
While HB 43 is more permissive, both bills permit public university boards of trustees the flexibility to meet electronically. UA supports passage of either bill, which permanently extends the current law allowing trustees to meet remotely. IUC testified in favor of this legislation.

**SB 126. (Kunze/Gavarone)**
After seeking input from Ohio’s colleges and universities, this legislation establishes a third-degree felony for hazing involving forced consumption of alcohol. President Miller joined his fellow university presidents in signing a letter in support of the measure stating the bill’s passage will be a deterrent to this aberrant behavior.

**SB 135. (Cirino)**
Introduced on March 17, this bill creates significant financial reporting and bureaucratic burdens on Ohio’s four-year institutions, and UA is working collaboratively with our fellow IUC institutions to share these concerns with our respective legislative delegations and leaders across the state. IUC is coordinating with presidents and IUC Government Affairs to identify the top-tier concerns, and the association will testify in opposition to this legislation.

**LOCAL UPDATE**

**South of Exchange Street Safety Initiative**

The University of Akron will serve as the fiscal agent for the South of Exchange Safety Initiative, for which the County of Summit received money ($100,000) through the community project allocation of the FY21-22 state capital budget.

The project will deploy upgraded street lighting with camera and software technology to provide a safer environment for the large number of students and residents living in this residential area as well as the police who patrol it. The University of Akron, the County of Summit, and the City of Akron meet monthly to discuss project plans.
The Ray C. Bliss Institute of Applied Politics Update

Staff members of The Ray C. Bliss Institute of Applied Politics have spoken to local and national media and local business, economic, and civic groups about various political issues. The Bliss Institute has been preparing for the launch of the revised Master of Applied Politics (MAP) program (as well as the Graduate and Undergraduate Certificate in Applied Politics). The MAP, a signature program of the Bliss Institute, has been updated to reflect current political trends and will allow students to participate virtually, meaning that students do not have to reside in northeast Ohio to participate in the program.

Testimony on Senate Bill 80

On Tuesday, March 23, 2021, Dr. John C. Green, director emeritus of the Ray C. Bliss Institute of Applied Politics, testified before the Ohio Senate Local Government and Elections Committee regarding Senate Bill 80. The bill would require specific judicial candidates to appear on the ballot with a party designation.

As an expert on Ohio judicial elections, Green stated that “greater factual transparency alone is a good reason for resolving this disparity on general election judicial ballots.”

The Bliss Institute has a long-standing reputation for promoting greater participation in judicial elections by hosting Judicial Votes Count. This state-wide initiative easily connects voters to information about judicial nominees, making it more likely that down-ballot judicial votes are cast during an election.

Events

Bliss Institute personnel continue to participate in public virtual events. On March 15, 2021, Bliss Institute Associate Director Dr. Matthew Akers interviewed former Secretary of Defense Dr. Robert Gates about his recent book Exercise of Power (at the invitation of the Hudson Library).
Former Secretary of Defense Robert Gates and his recent book Exercise of Power.

On April 21, from 4-5 pm, Dr. Akers will interview Director Emeritus Dr. John C. Green about his newly released book Secular Surge, which examines the rise of secularism in American politics.

PROPOSED COLLEGE NAME CHANGE
DATE: April 1, 2021

TO: Dr. John M. Wiencek
    Executive Vice President and Provost

FROM: Dr. Susan C. Hanlon
      Interim Dean, College of Business Administration

SUBJECT: Proposed Name Change of the College of Business Administration to the College of Business for Board of Trustees Consideration and Approval

At the College of Business Administration faculty meeting of September 25, 2020, per your previous approval, I made a motion to change the name of the College to the College of Business. This was in response to requests from many faculty members over the past five years. Discussion ensued regarding the merits of removing the word "Administration" from the name due to it being an outdated term in the business academy.

Faculty felt the new name would convey a more modern perception of the College and better reflect the direction of the College. The vote to approve was unanimous.

The name change request was forwarded to the Faculty Senate and was approved at its meeting of February 4, 2021.
THE UNIVERSITY OF AKRON

BE IT RESOLVED, That the recommendation presented by the Academic Issues & Student Success Committee on April 21, 2021 pertaining to the approval of the proposed College name change be approved.

This program includes opportunities for an internship, exhibit design, grant writing, and fund raising.
Program Revisions With Name Changes:

Revise the curriculum and change the name of the Bachelor of Science in Exercise Science, Physiological Sciences to the Bachelor of Science in Exercise Science, Applied Exercise Physiology in the College of Health and Human Sciences, School of Exercise and Nutrition Sciences, proposal for 555230BS.

This proposal changes the name of the Bachelor of Science in Exercise Science, Physiological Sciences to the Bachelor of Science in Exercise Science, Applied Exercise Physiology to align with trends in the field of exercise science and the curriculum of the program. The curriculum changes will align with standards to seek accreditation through the Commission on Allied Health Education Programs (CAAHEP).

Revise the curriculum and change the name of the Bachelor of Science in Exercise Science, Pre-Physical Therapy to the Bachelor of Science in Exercise Science, Pre-Professional Concentration in the College of Health and Human Sciences, School of Exercise and Nutrition Sciences, proposal for 555232BS.

This proposal changes the name of the Bachelor of Science in Exercise Science, Pre-Physical Therapy to the Bachelor of Science in Exercise Science, Pre-Professional Concentration to better reflect the breadth of pre-professional undergraduate coursework. The curriculum changes will allow students to have more flexibility to obtain necessary pre-requisite courses for a number of allied health professional graduate programs.

Program Name Change:

Change the name of the Master of Science in Electrical Engineering to the Master of Science in Electrical and Computer Engineering in the College of Engineering and Polymer Science, Department of Electrical and Computer Engineering, proposal for 440000MS.

The change in the degree title from the Master of Science in Electrical Engineering (MSEE) to the Master of Science in Electrical and Computer Engineering (MSECE) to better align the degree title with the curriculum, research focus and faculty expertise that combines electrical and computer engineering. The change will allow the program to recruit students with an interest in either area of engineering.

UA partners with LTA Research to develop airships in Akron

LTA has entered into an agreement with The Development Finance Authority of Summit County to sublease space at the Akron Airdock to house manufacturing and flight operations. For more than two years, LTA has partnered with UA to design, develop, and test small unpiloted airships and have received certification from the Federal Aviation Administration for previous test flights. The innovative team includes graduate and undergraduate students in the College of Engineering and Polymer Science who are proud to be reviving this legacy of aviation and renewing manufacturing innovation in Akron, where it all started. LTA Research is a company focused on the research and development of 21st century piloted and unpiloted airships. This significant work has the potential to provide multiple benefits, including an innovative approach to delivering humanitarian aid, the reduction of carbon emissions normally associated with aircraft, and growth for local economies.

UA researcher named Senior Fellow of National Academy of Inventors

Dr. George Chase, professor of chemical, biomolecular and corrosion engineering, has been named a Senior Member of the National Academy of Inventors (NAI). NAI Senior Members are active faculty, scientists, and administrators from NAI member institutions who have demonstrated remarkable innovation producing technologies that have brought, or aspire to bring, real impact on the welfare of society. Dr. Chase, who has been teaching at UA since 1985, is listed as an inventor on 15 patents, has received several honors and awards from science organizations, and participates in industrial research as director of the Coalescence Filtration Nanofibers Consortium at UA. “Personally, it is gratifying to receive recognition for your work from peers and colleagues,” says Dr. Chase. “Being a Senior Member provides opportunities within the entrepreneur community locally and nationally. Most important to me is the message that faculty researchers at UA are recognized for their innovations and entrepreneurial spirit.” He is among 61 academic inventors named to the 2021 class of NAI Senior Members.

UA I-Corps Site trains 300th team

UA’s I-Corps Site program hit a milestone in early 2021: training its 300th team in the “I-Corps method,” an iterative process through which teams test their business assumptions by interviewing potential customers. UA was one of the first three locations nationwide selected as an I-Corps Site by the National Science Foundation. Since 2013, the program has trained 318 teams with more than 1,000 faculty members, students and business mentors participating. Graduating teams have gone on to raise R&D funding and start Ohio-based companies.

**FY20td Research Expenditures**

- **CEPS 70.13%**
- **Other Non-Academic Units 11.63%**

*Expenditures are reported in FY19, FY20, and FY21.*
Disclosures submitted in FY21 to date continue in a variety of fields, with 63% being in advanced materials and the field of computers, data, sensors and devices. All are being assessed regarding the technology and potential market. A provisional patent application protects an invention for one year. During this time a technology and market assessment is conducted to determine if a non-provisional patent should be filed. Once filed, it takes several years for the claims to be evaluated, revisions to be filed, and a patent to issue.

The funding source of research leading to inventions can affect the ability to commercialize the technology. Industry research agreements usually provide options for exclusive or non-exclusive licenses, with negotiated fees. Agreements often include provision for patent costs to be paid by the research sponsor. Government funding gives the university the right to patent and license, while including government use provisions. Other funding sources typically leave patent rights under university control and responsibility. Regardless of research funding, by Ohio statute any intellectual property created by State employees or by anyone using state funding or facilities is owned by UA.

OFFICE OF FRATERNITY AND SORORITY LIFE RECOGNITION

Fraternity and Sorority Life celebrated the 45th annual Greek Leadership Awards featuring Songfest on March 25, 2021. The combined program took place on Zoom. Five chapters participated in an adapted Songfest event, creating video performances for this year’s theme ‘Dancing Through the Decades.’ Twelve chapters submitted award applications in the areas of academic programming, alumni outreach, campus and Greek involvement, member development, public relations, recruitment innovation and retention, risk management, and service commitment. The Dean’s Cup Award, recognizing one IFC fraternity for overall
chapter excellence, went to the men of Phi Gamma Delta. The Praestantia Award, recognizing one PHC sorority for overall chapter excellence, went to the women of Alpha Delta Pi. Carson Moore of Alpha Delta Pi was selected as PHC Chapter President of the Year, Graham Hess of Phi Gamma Delta for IFC Chapter President of the Year, and Ariana Williamson of Alpha Kappa Alpha Sorority, Inc. for NPHC Chapter President of the Year. Ten juniors and seniors representing 6 chapters were awarded the Thomas J. Vukovich Award for Outstanding Leadership for their achievements and contributions to the community. Three students were awarded the inaugural Innovation in Leadership Award for creativity and adaptability.

**NEW STUDENT ORIENTATION – NEW ROO EXPERIENCE LAUNCH**

On February 22nd, the New Roo Experience launched. New freshman students who have confirmed began receiving their confirmation email and details of their New Roo Experience (orientation). To date, 1,097 new freshman have received their confirmation email and New Roo Experience details. The New Roo Experience is the beginning of a new student’s Akron Experience as a Zip. During this time, New Roos will have the chance to start getting more familiar with campus life, resources, meet with your academic advisor, schedule classes, and meet other New Roos along the way. New for summer 2021, the New Roo Experience provides UA the opportunity to begin connecting earlier and throughout the summer. While it’s the goal to safely welcome New Roos to campus this summer for New Roo Orientation, NSO also understands students may feel more comfortable attending their orientation virtually. Students have the option to choose your experience – on-campus or virtual. In-person dates are expected to kick off June 11th along with the launch of the online orientation.

**SERVEAKRON Launches Spotlight330**

Spotlight330 is a new initiative to encourage students to consider volunteer and/or career opportunities with area nonprofit organizations. Local agencies, including Open M, Akron-Canton Regional Foodbank, Stan Hywet, and The Well CDC have been showcased in brief video interviews conducted by William “Billy” Bernard, Assistant Director for Student Life. Students learn what the agency does, their role in the Greater Akron/Northeast Ohio area, and how they may become involved.

**Support Group for African American Students Formed**

The Counseling and Testing Center started a new support group named BLAKRON for African American students to address their concerns around the racial pandemic, COVID and the unique impact of attending a predominately white institution (PWI). It is a virtual space to find support, connection and community.
UA VIRTUAL INTERNSHIP AND CAREER FAIR

UA Internship and Career Fairs took place on Handshake’s virtual career fair platform. Some of the employers in attendance included: Goodyear Tire and Rubber Company, The J.M. Smucker Company, Progressive Insurance, Union Home Mortgage, City Year, Cintas, The Village Network, and OhioGuidestone. The College of Engineering and Polymer Science Virtual Career Fairs were hosted via Zoom.

ESPORTS ROCKET LEAGUE, RAINBOW 6 SIEGE VARSITY TEAMS CHAMPIONS

Akron won the inaugural MAC Esports Rocket League Championship, besting teams from Kent State, Ohio University, University of Toledo, Western Michigan, University at Buffalo, Ball State, Miami University (Ohio), Central Michigan, Bowling Green State University, and Northern Illinois. Upon winning the CollegiateR6 Tournament, Akron’s Varsity Rainbow 6 Siege team continues to dominate all competition with their eighth straight title.

“GEAR UP BOX” - A ZIPS WELCOME TO CONFIRMED STUDENTS THAT LASTS ALL SUMMER

Admissions, University Communications and Marketing, and New Student Orientation have been working collaboratively to design a “Gear Up” box for confirmed students. Within the box, new students receive a welcome message, a map to their New Roo Experience, a New Roo To-Do List to review and check off throughout the summer, their Class of 2025 t-shirt voucher, and UA gear to prepare for their exciting start this fall. Beginning April 5th, these boxes will begin to be mailed to newly confirmed students and will continue to be mailed throughout the summer on a bi-weekly basis.

SRWS, RED CROSS CONDUCT EMERGENCY MANAGEMENT TRAINING

SRWS Outdoor Adventure and Aquatic programs hosted the first Emergency Management in Remote Settings blended-style Red Cross Wilderness and Remote First Aid class. Throughout the two-day session, four scenarios were conducted for two separate groups. These scenarios included unsafe scene, fall victim, multi-trauma victim, and water rescue/hypothermia and allowed the participants to get hands-on practice with patient assessment and care.
SRWS SEES “HEALTHY” ACTIVITY

STUDENT HEALTH SERVICES
Campus surveilllance testing with rapid PCR testing remains available through CVS in the Honors Complex. As the University of Akron plans for increasing face-to-face classes and socialization efforts for Summer and Fall 2021, having vaccinated students, faculty, and staff is one of the best possible interventions to allow for maximum harm reduction associated with COVID-19. Advantages to having the vaccine include protection for the individual and those they encounter, vaccine safety, high rates of effectiveness with the vaccine, and vaccines do play a role in ending the pandemic. Having a vaccinated campus community will also play a large role in the COVID-19 testing and contact tracing efforts on campus. To support COVID-19 vaccination initiatives and to combat vaccine hesitancy Lisa Ritenour, MSN, FNP-BC, Director of Student Health Services, and Committee Member at Large for Ohio College Health Association is collaborating with Ohio College Health Association Executive Board members, American College Health Foundation, and American College Health Association to present a statewide workshop looking at best practices to educate, motivate and vaccinate Ohio Institutions of Higher Education. The workshop is planned to take place this summer.

FROM: John J. Reilly

Assistant Secretary, Board of Trustees

RE: Summary of Rules Committee Agenda Items for April 2021

The Board of Trustees will be asked to consider revisions to the following Rules at its Rules Committee meeting on April 16 and at the regular meeting of the Board of Trustees on April 21, 2021:

1. **O.A.C. 3359-1-02 Officers of the Board**
   
   The proposed revisions to this Rule were previously discussed with the Board of Trustees and will reduce the number of Vice Chairpersons from two Vice Chairpersons to one Vice Chairperson.

2. **O.A.C. 3359-2-01.1 Deans of the Degree-Granting and Professional Colleges and Schools**
   
   The proposed revisions to this Rule update the name of the Honors College and update the title of the Executive Vice President and Provost.

3. **O.A.C. 3359-2-02 Organization of Instruction**
   
   The proposed revisions to this Rule update the recent name changes of colleges and schools, including those contained in The University of Akron Board of Trustees’ Resolutions 5-1-20 and 2-9-21, and update the title of the Executive Vice President and Provost.

4. **O.A.C. 3359-10-02 The University of Akron Bylaws of the Faculty Senate**
   
   The proposed revisions to this Rule were approved by the Faculty Senate at the March 4, 2021 meeting and have been accepted by the President. Revisions also update the title of the Executive Vice President and Provost.
5. **O.A.C. 3359-22-01 Contract Professional Information**

The proposed revision to this Rule removes the language pertaining to contract professional employees receiving a certificate or letter of appointment at the time of appointment. This change aligns the Rule with the language of the new Collective Bargaining Agreement with the Akron-AAUP, which removed the administration of Certificates of Appointment for faculty.

6. **O.A.C. 3359-60-06 Graduate Student Classification**

The proposed revision to this Rule updates the name change of the College of Business Administration to the College of Business, which was specifically approved at the February 4, 2021 Faculty Senate meeting and has been accepted by the President.

Please let me know if you have any questions or if I can be of further assistance.

The nominating committee shall meet annually in May, so that its report and recommendations may be voted upon at the board's regular meeting in June annually. The officers shall be elected at the board's regular meeting in June and shall take office at the first regular meeting of the board in each fiscal year beginning the first of July and shall serve until their successors are elected.

(B) Duties of officers.

The duties of the officers of the board shall be as follows:

(1) Chairperson.

(a) The chairperson shall preside at all meetings of the board and shall decide all questions of order. It shall be the chairperson's duty to see that the bylaws of the board are complied with; that the duties of the executive officers of the university, as prescribed in the regulations of the board, are followed; and that the resolutions and documents of the board are properly executed. The chairperson shall be an ex-officio member of all committees of the board.

(b) The chairperson shall, for and on behalf of the university and the board, sign instruments, contracts, minutes, resolutions, diplomas, and other documents authorized by the board, or authorize the president of the university or the secretary to so act in the chairperson's behalf.

(2) Vice chairpersons.

During the absence or incapacitation of the chairperson, the vice chairperson designated by the chairperson shall be invested with the powers and discharge the duties of the chairperson. Should the chairperson fail or be unable to make a designation, the vice chairperson with the most seniority as vice chairperson shall act as chairperson during the chairperson's absence or incapacitation. Should both vice chairpersons have equal seniority as vice chairpersons, the vice chairperson with the most seniority as a board member shall act as chairperson.
(3) Secretary and assistant secretary.

(a) The secretary and assistant secretary, as officers of the board, shall be the custodians of the seal of the university of Akron, of all records, books, deeds, contracts, documents and papers of the board. (b) The secretary and assistant secretary shall attend all meetings of the board and committees of the board and shall keep accurate and complete records of minutes of said meetings in a manner consistent with the requirements of Ohio law respecting the records of public meetings. In implementing this requirement with respect to regular or special meetings of the board, such meetings shall be mechanically recorded and thereafter reduced to writing with the aid and benefit of such recordings. The written minutes shall be submitted for formal approval by the board of trustees to ensure that such minutes are accurate and complete in memorializing the proceedings, decisions, and actions of the board in such meetings. Upon approval of the minutes by the board of trustees, the mechanical recordings shall no longer be required to be kept.

Minutes of the meetings of committees of the board shall also be mechanically recorded, but inasmuch as committees of the board are not authorized to act on behalf of the board of trustees, such mechanical recordings shall constitute the complete record of minutes of said meetings, without the necessity of being reduced to writing or otherwise require formal approval by the respective committee. Otherwise, the secretary and assistant secretary, when elected thereto by the board, shall be made an
unclassified contract professional employee of the university and shall hold office and be employed thereafter at the sole discretion of the board, and pursuant to terms and conditions established by the board. The secretary and assistant secretary shall report directly to the board through the chairperson of the board, and shall work in close cooperation and coordination with the president. This reporting arrangement shall not preclude the right of trustees and the secretary and assistant secretary to communicate directly with the other at any time on all matters the board, individual trustees, or chairperson shall require.

Proposals from faculty and staff, either as a group or as individuals, shall be referred to the president pursuant to paragraph (B) of rule 3359-1-05 of the Administrative Code, with a copy thereof to the chairperson. Requests to address the board or any committee of the board shall not normally be considered unless submitted in writing to the secretary or assistant secretary at least two weeks prior to any regularly scheduled meeting. Such requests shall include information requested by the secretary, including, but not limited to, the purpose of the request and a summary of the topic to be addressed. The chairperson of the board, in consultation with the chairperson of any committee of the board, as appropriate, shall, for and on behalf of the board or committee, determine if and when the matter should be scheduled upon the agenda of the board or committee of the board. In the event the chairperson determines not to schedule the matter on the agenda of the board or committee of the board, the chairperson shall direct the secretary or assistant secretary to provide notice of such request to members of the board for their information.

(f) The secretary or assistant secretary shall confer with each member of the board of trustees concerning the procedure each trustee prefers regarding receipt of anonymous transmittals. Individual trustees may direct the secretary or assistant

Reduction of two or more contract professional positions, including coaches, in this manner may occur for a variety of reasons including but not limited to, budgetary constraints, changing priorities, lack of work, reasons of economy, efficiency improvements, reorganization, or due to extraordinary or catastrophic circumstances or events beyond the university's control.

(1) Employees with less than five years of continuous employment with the university of Akron will be provided with at least thirty calendar days' written notice prior to the effective date of termination.

(2) Employees with five years or more of continuous employment with the university of Akron will be provided with at least forty-five calendar days’ written notice prior to the effective date of termination.

(3) Employees shall be entitled to paid leave at their current rate of pay with benefits during the first thirty days of the notice period, subject to the following conditions:

(a) The paid leave will start on a date to be determined by the employee's supervisor in consultation with human resources and may be immediate, or may be delayed, but will begin no later than fourteen calendar days after notice of the reduction in force is given.

(b) Employees with five or more years of continuous employment at the university of Akron may choose to utilize their accrued vacation leave to be paid for any days past the first thirty days of the notice period. Otherwise, this time shall be considered a leave of absence without pay.

(c) If an employee obtains a full-time position with the university or any other employer before the completion of the applicable notice period, the paid leave shall terminate on the date of the new employment.

(E) Termination of appointment for cause. The appointment of a contract professional may be terminated for cause at any time upon the recommendation of the appropriate vice president and approval by the president or the president's designee(s).

Prior to the vice president's recommendation to the president or the president's designee(s), the contract professional shall be advised by the immediate supervisor or appropriate administrative officer in writing of the supervisor's (or administrative officer's) decision to recommend to the vice president the contract professional's dismissal for cause not less than thirty calendar days prior to the effective date of such dismissal, except in case of conduct involving moral turpitude or public safety. Prior to the decision to recommend such dismissal, and during the thirty-day period, the contract
professional shall have a hearing on the reason for termination before the president or the president's designee(s). The contract professional shall be notified of the date, time, and procedures for the hearing.

In the case of conduct involving moral turpitude or public safety, the contract professional shall be immediately placed on administrative leave with or without pay, pending the vice president's recommendation and action by the president or the president's designee(s).

(F) Deprivation of a "liberty" or "property" interest. If, in cases other than a reduction in workforce, the contract professional believes that the separation from employment without cause constitutes a deprivation of a "property interest" or "liberty interest," protected by the due process clause of the United States Constitution, the contract professional may be afforded a hearing upon request before the president or the president's designee.

(1) Hearing procedure. The contract professional shall request the hearing on the alleged deprivation, in writing within ten calendar days following the date of notification of separation and shall provide the specific reasons why the contract professional believes termination was a violation of either their "liberty" or "property" interest. Upon request of such hearing, the president or president's designee shall decide whether a hearing is necessary. If it is determined that a hearing is necessary, the contract professional shall be notified of the date, time and procedures for the hearing.

(2) The contract professional shall have the right to be assisted by an advisor or attorney at his or her own cost, but such advisor or attorney shall not actively participate in the hearing, other than to privately counsel and advise the contract professional.

(G) Resignation. A contract professional who proposes to resign from the university of Akron should give sufficient notice to obviate serious embarrassment and difficulty to the university in filling the position. Once a resignation has been submitted and accepted by the employee's immediate supervisor, it may not be withdrawn without the specific approval of the immediate supervisor and the chief human resources officer.

(H) Vacation. Contract professionals on annual appointment are entitled to one hundred seventy-six hours of vacation at a time approved by the president or the president's designee (see rule 3359-11-03 of the Administrative Code).

(I) Leave of absence. Leaves of absence without compensation may be granted by the president or the president's designee(s) upon recommendation of the appropriate vice president. Leaves of absence without compensation for the purpose of career development will be considered on an individual basis, considering the value of the experience to the individual and to the institution and the capabilities of the individual's department to manage the individual's responsibilities during the absence.
(J) Furloughs. Contract professionals shall be subject to furloughs as provided in rule 3359-11-02.1 of the Administrative Code (Furloughs for non-bargaining unit employees).

(K) Retirement. Any contract professional who proposes to retire from the university of Akron should give notice early enough to avoid serious interruption to the university operation, the length of time necessarily varying from the circumstances of the contract professional's particular case.

Applicants for graduate admission will be classified in one of the following categories. Any change in admission status must be made by the graduate school.

(A) "Full admission" may be given to any applicant who desires to pursue a graduate degree and has a baccalaureate degree from an accredited college or university with an overall grade-point average of 2.75 or better, or 3.00 for the last two years (sixty-four semester credits or equivalent), or holds an advanced degree from an accredited college or university in or appropriate to the intended field; or holds a baccalaureate or master's degree from a foreign college or university with first-class standing or its equivalent, plus satisfactory evidence of competence in English. Full admission may also be granted to applicants to the college of business administration who meet the college's admission requirements.

(B) Provisional admission may be granted to a person who has not met all of the requirements for full admission. This admission status permits a student to take up to fifteen semester credits of graduate coursework. Graduate courses taken under this admission status may be applied to a graduate degree program, but only when all requirements for full admission have been met.

(C) Deferred admission may be granted if the applicant's record does not meet provisional admission standards. After completion of a postbaccalaureate program of study with an appropriate GPA, as prescribed by the department (usually two to five courses), the student may be reconsidered for provisional admission to the graduate school. No graduate-level coursework can be taken by a student under the deferred admission status.

(D) "Special workshop" status is for a person permitted to take workshops for graduate credit without being admitted to graduate school. Such permission is granted by the workshop director upon receipt of a signed statement of possession of a baccalaureate degree by the applicant, and terminates upon completion of this workshop. A student admitted to special workshop status must apply through regular channels for any other category. A maximum of six workshop credits may be applied to degree work at a later date if the applicant is given full admission to the graduate school.

(E) "Transient" status may be given to a person who is a regularly enrolled graduate student in good standing in a degree program at another accredited university and has written permission to enroll at The University of Akron. Such permission is valid only for the courses and semester specified, with a maximum of ten semester credits allowable, and is subject to the approval of the instructor, department head and graduate school. A transient student is subject to the same rules and regulations as a regularly enrolled student of the university.
(F) Undergraduate.

(1) "Undergraduate" status is for an undergraduate student at the university who may be granted permission to take one or more graduate-level courses if all the following conditions are met:

(a) Senior standing.

(b) Overall grade-point average of 2.75 or better through preceding term (if a student does not have a 3.00 or better in the major field, special justification will be required).

(c) Written approval is given by the instructor of the course and the student's adviser.

(2) These courses may later be applied to a degree program if not used to satisfy baccalaureate degree requirements. The maximum number of graduate credits that may be taken by an undergraduate and applied later toward a graduate degree is twelve.

(G) "Postdoctoral" status is divided into three categories:

(1) A "fellow" is a person holding an earned doctorate who is engaged in advanced research. A fellow shall be considered a guest of the university and provided space and use of facilities within limits of practical need of the undergraduate and graduate programs. Tuition and fees shall be collected if allowed under sponsoring contract for any courses the fellow may choose to take.

(2) A "special" is a person holding an earned doctorate who desires an additional graduate degree. A special may be admitted to any program upon submission of application forms, application fee (if new student) and an official transcript from the institution awarding the doctorate. This student will be treated as a regular student subject to registration fees and program degree requirements.

(3) A "guest" is a person holding an earned doctorate who desires to attend courses and seminars relevant to individual work or interests without registering or receiving grades. A written application should be submitted to the dean of graduate studies and research for each course taken, and approval of the instructor, department head and college dean shall be obtained. A guest is welcome to any course or seminar provided space is available. Normally, space and facilities for research cannot be provided for a postdoctoral guest but special requests will be considered. Requests should be submitted, in writing, to the dean of graduate studies and research who will review such requests with the appropriate college dean and department head.
