15% Follow a predetermined schedule of preventative maintenance and daily observations of general building systems including ventilation, air conditioning and heating equipment. Change filters and belts. Grease equipment as needed. Troubleshoot and fix equipment as needed.
15% Perform masonry, concrete, painting, welding and sheet metal work as needed.
10% Assist in ordering supplies. Monitor buildings for potential problems. Coordinate work with other trades. Complete work, time and material usage reports. Perform other duties as assigned by Supervisor.

Education:
Requires high school diploma or GED.

Licenses/Certifications:
Valid Ohio Driver’s License.

Experience:
Requires a minimum of 2 years experience performing semi-skilled and skilled repairs in plumbing, electrical, carpentry, HVAC and roofing. Ability to operate and use standard powered and non-powered tools and equipment such as hammers, saws, screwdrivers, drills, crowbars, jackhammers, core drills, circular saws, and hammer drills required. Ability to perform mathematics associated with trade applications (fractions, ratios, percentages) required. Ability to read, write and accurately follow oral, written and graphic instructions required. Ability to work alone required. Problem solving skills and the ability to use judgment in determining the correct course of action required.

Leadership:
Provide guidance to nonexempt staff including general scheduling, assigning tasks and monitoring the work of others, as assigned by the Supervisor.

Physical Requirements:
Must be able to lift 80 pounds without assistance and demonstrate bending, crouching and lifting. Must be able to climb a ladder, scaffolding and work on rooftops.

Working Conditions:
Routine exposure to heat, cold, moisture/wetness, inclement weather, noise, air pollution, and heights. May involve exposure to chemical substances, hazards and moving parts. Work schedule is subject to change in accordance with University needs and/or the results of the shift line-up process. Overtime/Call-ins may be mandatory based on University need.

The intent of this classification specification is to provide a representative summary of the types of duties and responsibilities that will be required of positions given this title and shall not be construed as a declaration of the specific duties and responsibilities of any particular position. Employees may be requested to perform job-related tasks other than those specifically presented in this description. The University requires that all University employees whose assigned duties include some involvement with The University of Akron's intercollegiate athletics program, comply with all relevant NCAA Bylaws in performing their work.
