Part 1: Add the Turning Technologies widget to your Brightspace Course

**Skip Part 1 if you already have the Turning Technologies Widget on your Brightspace Homepage.**

The Turning Technologies widget allows your students to sign-up for a Turning account and register their device to your course. As an instructor, you can similarly use the integration to sign-up for your own Turning account.

You will need to make a copy of your course’s Brightspace homepage before adding the integration (if you use the Course Default).

1. Log into Brightspace and enter your course.
2. Scroll to the bottom of your Brightspace Homepage. Click the three dots in the bottom right hand corner and select “Manage Homepages”
3. Select the downward arrow to the right of Course Default.
4. Select “Copy.”
5. You will now have a copy of the course’s default homepage in your list of homepages.

6. Under Active Homepage heading use the drop down menu to select “Course Default - Copy” and select the “Apply” button.

7. Click on the new blue “Course Default - Copy” link to edit this homepage.

8. Scroll down the page till you find the pannels layout of your homepage. You will see a number of pannels in different sizes representing the different widgets on your homepage.

10. Select the “Turning - Students - Register Clicker Here!” widget.

11. Select “Add.”

12. Select “Save and Close”. Return to your course homepage and make sure there is a new widget that looks like the one to the right.
Part 2: Log-in/Register for a Turning Technologies account

1. If you do not already have a Turning Technologies account, you will need to sign-up for one.

2. Click the link in the Turning Registration Widget on your homepage.

3. Sign-up for a Turning account. Enter your University of Akron email address and select “Create Account.”

4. A confirmation email will be sent to your email address. Check your email and select the link within the email.

5. The link will bring you to a form to create an account. Complete the required fields in the form.
6. Select the checkbox to agree to the terms. Select the Finish button. Another email will be sent to your email address confirming your account creation.

7. The account registration process is complete.

Part 3: Add your courses to the Turning Point Web-portal

1. Go to https://account.turningtechnologies.com/account/ and log into your account.

3. You will find a listing of your available courses. Click the connect button on each course you want synced with TurningTechnologies. (Make sure to select the active semester)
4. Each course you connect with will populate under the Current Courses heading. Your course is now ready to be used with the TurningPoint application. Open the TurningPoint application and you will find your course has been added to the course list.
