Step 1: Purchase a Turning license or a clicker and Turning license from the bookstore.

For a smart device or laptop: If you have a smart device (iPhone, iPad, Android), or a laptop and your instructor will allow you to use it in class, you will only need to purchase a Turning license from the bookstore. You will then need to download and install the ResponseWare app for your device. Guides are available on The University of Akron’s clicker support site. If you are using a laptop, you will only need to log into the ResponseWare site.

For a clicker: If you do not have a smart device or your instructor does not allow the use of a smart device in class, you will need to purchase a clicker and Turning license. (the license is included in the box with the clicker). The included Turning license allows you to use ResponseWare as well as a clicker.

Step 2: Create a Turning account through the Turning Technologies link in Brightspace.

A. Log into Brightspace and enter your course.

B. Select the Turning Technologies registration link in your course home.

C. You will need to sign-up for a Turning Technologies account if you do not have one already.

Enter your email address and select “Create.” You must use your UA email address.

D. A confirmation email will be sent to the email address you used in creating your account. Check your email and select the link within the email.

E. Complete the form by filling out your user information. Make sure to select “Student” under role. Select the checkbox to agree to the terms. Select the finish button.
F. Select “Get Started.”

G. Enter your license code and select “Redeem.”
   If you purchased a clicker: Your license code is on a card included in the box.
   If you only purchased a license: your license code is on the card.

H. Select “Continue.”

I. You should see that you have successfully redeemed a license.

J. Select “Continue.”

K. If you need to register a clicker, enter the serial number found on the back of the clicker and select the “Add” button.

L. Select “Continue.”
M. You should see that you have successfully added a clicker.

P. Select “Continue.”

Q. You should see that you have successfully connected to Desire2Learn.

R. Select “Finish.”

S. You should see green checkmarks indicating that you:
   • have successfully redeemed a license (subscriptions).
   • have added a clicker if you have one (Response Devices).
   • have successfully connected to your course (LMS)
