“DO WHAT MOVES YOU” – STUDENT RECREATION AND WELLNESS SERVICES – Schrank Hall South, room 145 (map location #1)
Meet a professional staff member of the Student Recreation & Wellness Center (SRWC) to find out more about Recreation and Wellness facilities and programs at the SRWC.

TACO ‘BOUT CAREERS WITH CAREER SERVICES – Schrank Hall South, room 225 (map location #1)
Learn about resources to prepare for your major and career your freshman year!

ENGAGING IN STUDENT LEADERSHIP – Schrank Hall South, room 229 (map location #1)
We would like to introduce residence life groups and activities to incoming students. We would like to promote our upcoming shows to students and let them know that our programs are open to both commuter and resident students.

HOW TO GET AN A IN YOUR FIRST MATH CLASS – Auburn Science & Engineering Center, room 120 (map location #2)
This is a quick review of the habits and attitudes students need to have if they want to be successful in college-level math courses (some of our expectations may be different from what you experienced in high school). We will briefly discuss topics ranging from what to do before you register for the course, what to do while you are in it, and what to do after the course is over to make sure you are ready for the next course (if you are taking a sequence of math courses for your major).

FRATERNITY AND SORORITY LIFE INFORMATION SESSION – Auburn Science & Engineering Center, room 122 (map location #2)
At this session students will have the opportunity to learn more about our 23 chapters, how to join, and what being in a fraternity or sorority is all about. They’ll also get to hear from current members about their experiences in Greek Life at UA.

IN INVOLVEMENT STARTS HERE AND WITH YOU! – Zook Hall, room 108 (map location #3)
Join the Department of Student Life as we discuss the benefits of being involved on campus but most importantly, how. At UA, your opportunities for involvement extend far outside of the classroom. This presentation will empower you to get involved and develop connections in the areas you value most.

GET IN THE GAME! – Leigh Hall, room 107 (map location #4)
Learn about the competitive sports offered through Student Recreation and Wellness Services in the Club Sports and Intramural Sports programs. With 32 club teams and 30 Intramural Sports, this session is one you won’t want to miss.

GETTING THE RIGHT START – Leigh Hall, room 307 (map location #4)
This session will discuss the myths and rumors students hear about college and provide tips and pointers to start the semester strong. Topics of discussion will include the differences between high school and college; the added level of responsibility in college; time management and study habits; and “netiquette”.
**HOW TO USE YOUR MEAL PLAN** – Leigh Hall, room 409 (map location #4)
In this session, Dining Services will provide you with information about dining on campus and how to use your meal plan. You will learn about the different meal plan options, how to choose the right meal plan to fit your needs, where to eat on campus and more. You will also have an opportunity to talk one-on-one with Dining Services’ Marketing Manager, Heather Piper.

**MILITARY SCIENCE – ARMY ROTC** – Leigh Hall, room 510 (map location #4)
ROTC introduces you to the personal challenges and competencies that are critical for effective leadership. You learn personal development life skills such as critical thinking, problem solving, goal setting, time management, stress management, and resiliency and how they relate to leadership, being a commissioned officer, and the Army profession. The freshman courses are an introduction to the program and have no military commitment.

**LGBTQ+ RESOURCES** – Kolbe Hall, room 51 (map location #5)
Join Faculty and Staff from around campus as we talk about resources and community for LGBTQ+ folks on campus and around the city of Akron. Whether you are confident in your identity or still figuring it out, we are here to chat and help you meet other folks!

**UA HISTORY, TRADITIONS, AND PRIDE** – Olin Hall, room 121 (map location #6)
A wagon wheel, a rock, and fire! Join for this session to learn about how we started as a university, why these things are important to our history, and how to participate in over 150 years of traditions.

**ZIPS ESPORTS AND GAMING** – Olin Hall, room 124 (map location #6)
This session is to inform the students of the countless they have for gaming and esports on the Akron Campus. From club to varsity students will learn different ways to connect with other students. There will also be information about how to pursue a career in esports.

**EX[L] AT UA** – Olin Hall, room 129 (map location #6)
Join The EX[L] Center to learn about exciting ways to connect to hands-on, community-engaged opportunities that will take your learning beyond the classroom. We can help you connect with nonprofits, local government, small businesses, community leaders and changemakers through internships, networking, and funding opportunities to ignite your passion. Can’t make our session? Find us at Fall in Love with Akron!

**STUDENT SUPPORT BINGO!** – College of Arts & Sciences, room 107 (map location #7)
Join ZipAssist for an interactive “presentation” [aka BINGO game!] to learn about programs that are here to help YOU be successful. We will share information about ZipAssist programs as well as other support offices on campus. Prizes are up for grabs!

**COMMUTER STUDENT CONNECTION** – College of Arts & Sciences, room 140 (map location #7)
Whether you are living off-campus or commuting to campus this fall, Off-Campus Living & Commuter Resources has you covered! We can tell you all the need-to-know commuter information, from where the microwaves and lounges are located to questions to ask when looking to rent. You can also join us for one of our awesome events and get to know other commuters. Sign up today to receive information on future events and keep Akron commuters connected! Can’t make this presentation? That’s okay! Email uazipassist@uakron.edu to learn more and get connected as a commuter!
