

2024 Akron Regional Science Olympiad  
Parking Updates  
Greetings,

I have been in contact with parking services, and there are some changes for this year's Akron Regional.

First, if you are a UA student or faculty/staff this does not apply to you.

Buses will park at InfoCision Stadium (354 Spicer Street, Akron, OH 44304), as in previous years.

Akron Regional attendees will be permitted to park in one of three places. The upper levels of the following parking garages are reserved for Science Olympiad: North Campus Parking Deck (183 S Forge St, Akron, OH 44308) East Campus Parking Deck (191 Spicer Street, Akron, OH 44304), South Campus Parking Deck (261 E Exchange St, Akron, OH 44314). See map locations below.

For those with limited mobility, if you have a Handicap placard, you are permitted to park in any of the Handicap parking areas.

Where should you park? Here are recommendations based on where you are on campus.
